

Introduction To Leadership Peter Northouse

"This is a must-have book for educational leadership." —Joseph Mukuni, Virginia Tech University Engaging, practical, and relevant, Leadership Case Studies in Education, Second Edition applies leadership theories in educational settings. Designed to be used alongside Leadership: Theory and Practice, Eighth Edition, this casebook provides relevant, substantive, and contemporary case studies on leadership issues in Higher Education and K-12 Education. Each of the 32 case studies include critical thinking questions that encourage students to apply leadership theory and concepts to real-life situations. Fully updated with new citations, statistics, and a new chapter on followership, Leadership Case Studies in Education is the perfect companion for educational leadership courses. Bundle with Northouse's Leadership: Theory and Practice, Eighth Edition ISBN: 978-1-5443-3018-1

Cases in Leadership, Third Edition is a unique collection of 32 real-world leadership cases from Ivey Publishing plus 16 practitioner readings from the Ivey Business Journal. The updated casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. Each of the selected cases are about complex leadership issues that require the attention of the decision maker. This casebook provides an invaluable supplement to any standard leadership text by connecting theory to actual cases. However, it has been organized to work especially well in conjunction with the Sixth Edition of Peter Northouse's Leadership: Theory and Practice.

Uniquely organized around the AONE competencies, this trusted resource gives you an easy-to-understand, in-depth look at today's most prevalent nursing leadership and management topics. Coverage features the most up-to-date, research-based blend of practice and theory related to topics such as: the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing employee injury, and time and stress management. UNIQUE! Chapters divided according to AONE competencies for nurse leaders, managers, and executives. Research Notes in each chapter summarize relevant nursing leadership and management studies and highlight practical applications of research findings. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions to help you reflect on chapter content, critically analyze the information, and apply it to the situation. NEW! Full-color design makes content more vivid and realistic. NEW! Chapter on Communication and Care Coordination covers these integral topics. NEW! Updates to critical thinking exercises, case studies, research notes, and references offer the most current information. NEW! Updated sections on Current Issues and Trends reflect the latest topics in the field. NEW! Relevant Web Sites boxes provide authoritative resources for additional research.

The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated information throughout, a self-assessment tool, and other additional material. Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

It is all too easy to discuss organizational change in abstraction, particularly when you are dealing with large corporations with wide product ranges across global markets. But somewhere within these structures there are people, and it is often the human aspects of change that are the most difficult to manage. Martin Orridge's guide explores these aspects and explains how we, as leaders, can help everyone cope with change and in turn ensure our organization's long-term survival. The main parts of Change Leadership are based on the author's research and include models, advice and exercises for understanding and enabling personal and organizational change. To further assist you, Chapter 3 contains 75 actions and activities to sustain transformation in your organization. Successful organizational change also requires discipline and the application of good management techniques. Good planning, checking on progress and capturing the learning are key to introducing successful change and developing an organization's capabilities, therefore Chapter 4 will assist the change leader to appreciate the main aspects of managing successful change projects. This concise guide is an engaging but rigorous read for change leaders. Whether this is your primary role or whether you need to reflect on and manage the human factors of a business project for which you are responsible, Change Leadership will help you better understand the nature of change and, in doing so, develop a Change-Adept organization.

The new edition also includes a new Ethical Leadership Style Questionnaire and new coverage on the dark side of leadership and destructive leadership. Adopted at more than 1600 institutions in 89 countries and translated into 13 different languages, this market-leading text successfully combines an academically robust account of the major theories and models of leadership with an accessible style and special emphasis on how leadership theory can inform leadership practice. Peter G. Northouse uses a consistent structure for each chapter, allowing students to easily compare and contrast the various theories. Case studies and questionnaires provide students with practical examples and opportunities to deepen their personal understanding of their own leadership.

Introduction to Leadership Concepts and Practice SAGE Publications

Adopted at more than 1,000 colleges and universities worldwide, Leadership: Theory and Practice, 7e owes its success to the unique way in which it combines an academically robust account of the major theories and models of leadership with an accessible style and practical exercises that help students apply what they learn.

This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current examples further highlight sociology's relevance to all students. Now in its eleventh edition, SOCIOLOGY IN OUR TIMES is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight bias. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ethics is at the heart of leadership. All leaders assume ethical burdens and must make every effort to make informed ethical decisions and foster ethical behavior among followers. The Sixth Edition of Meeting the Ethical Challenges of Leadership: Casting Light or Shadow explores the ethical demands of leadership and the dark side of leadership. Author Craig E. Johnson takes a multidisciplinary approach to leadership ethics, drawing from many fields of research to help readers make moral decisions, lead in a moral manner, and create an ethical culture. Packed with real-world case studies, examples, self-assessments, and applications, this fully-updated new edition is designed to increase students' ethical competence and leadership abilities.

Get access to an interactive eBook* when you buy the paperback (Print paperback version only, ISBN 9781506311166) Translated into 12 different languages and used in 89 countries across more than 1,000 colleges, universities, and institutions worldwide, this market-leading text successfully combines an academically robust account of the major theories and models of leadership with an accessible style using practical examples that help students apply what they learn. New to This Edition: A new chapter on Adaptive Leadership explores how leaders encourage followers to adapt to tough issues and thrive in challenging environments A new chapter on Psychodynamic Leadership focuses on the processes and dynamics of human behavior, providing a clinically informed approach to help leaders understand their own behavior and their followers' in order to best influence their followers. New and expanded coverage on power and influence, the dark side of leadership, pseudo-transformational leadership, stages of moral development, virtual teams, and shared leadership Key Features: A consistent chapter structure outlines each approach and the major studies behind them, presents strengths and criticisms for each approach, and provides case studies and a self-assessment questionnaire at the end of each chapter, allowing students to easily compare and contrast the various theories.
