gives you all the essential legal information, insightful industry concepts, and practical pro-tips that you need to make your next deal. You will learn how to evaluate, negotiate, and close your next acquisition target. Don't wait another second before you get started. During the pandemic, The Lieb Cast took the opportunity to write a book, *10 Strategies to Purchase Property Post-Pandemic: The Ultimate Guide to Real Estate Investing*. As real estate people, we quickly realized that the pandemic was a great disrupter to real estate, and it would cause investment opportunities to appear everywhere. Initially, it caused city-dwellers to escape to the suburbs and countryside, which deflated the city's real estate valuations and boomed prices everywhere else. Then, distressed properties popped when the federal and state moratoriums on foreclosures and evictions ran their course and the floodgates opened exposing the 1 in 5 renters behind on rent and just over 10 million homeowners behind on mortgage payments. We knew that everyone, everywhere, would want to get in on the real estate game. Yet, simply writing a check is not how it's done, unless you plan to go broke. Real estate investing takes a tremendous amount of knowledge and skills. Dumb luck can only get you so far. Unfortunately, other books in the marketplace lacked the substance that investors craved and required. So, we set out to fill that gap in the marketplace. This book is different. It details everything that an investor needs to know from the time that they say I want to invest to the moment that they close on their purchase. It starts by helping the investor to set their bottom line, both emotionally and with hard numbers, and it ends by teaching the investor how to craft a business plan so that they can start investing today. In the middle, we include countless negotiating skills, legal lessons, and plain-English explanations of each key contractual clause that must be negotiated when purchasing real estate. While this book was written for the post-pandemic time-period, the skills that it delivers are timeless. Every real estate investor needs to read this book. It will quickly become their ultimate go-to guide and desk reference. About The Lieb Cast Andrew and Lauren are partners in life, both professionally and personally. They are thought-leaders, educators, and entrepreneurs. They operate a law firm, a licensed real estate school, and a compliance company. Before you start investing in rentals, you should know what you're getting into. If you're looking to become financially free before you reach your sixties, investing in real estate is a blueprint that's been proven to work. In the past 50 years, over 70% of American taxpayers declaring more than a million dollars on their income tax returns have invested in real estate, according to the IRS. And it's not hard to see why. From fighting off inflation and generating cash flow to property appreciation and tax benefits, real estate gives investors multiple ways to build and keep wealth. Unlike flipping or wholesaling, rental properties are simple enough to understand, and with the right knowledge and research, strategies to make money off them are not difficult to implement. However, just because it's simple doesn't mean it's something you can just get into without proper education and preparation. You have a wide range of options you need to consider when investing in rental properties—from location, type of property, type of rental arrangement, financing, and investment strategy. Ultimately, the decisions will be up to you, but before you can make the right one, you need to have all the information you need. In Rental Property Strategies, you'll find valuable knowledge and helpful advice based on years of experience in real estate. Inside, here is just a fraction of what you will discover: How to get other people to pay for your mortgage, while you continue to stay in your own house The simple method to figure out how many rental properties you need to invest in to achieve financial freedom Why you should
