

Invisible War Study Guide Chip Ingram

The Immortal Life of Henrietta Lacks meets Get Out in this landmark investigation of racial inequality at the core of the heart transplant race. In 1968, Bruce Tucker, a black man, went into Virginia's top research hospital with a head injury, only to have his heart taken out of his body and put into the chest of a white businessman. Now, in *The Organ Thieves*, Pulitzer Prize-nominated journalist Chip Jones exposes the horrifying inequality surrounding Tucker's death and how he was used as a human guinea pig without his family's permission or knowledge. The circumstances surrounding his death reflect the long legacy of mistreating African Americans that began more than a century before with cadaver harvesting and worse. It culminated in efforts to win the heart transplant race in the late 1960s. Featuring years of research and fresh reporting, *The Organ Thieves* is a story that resonates now more than ever, when issues of race and healthcare are the stuff of headlines and horror stories.

Do you have questions in regard to spiritual warfare? What is it exactly, and how does it impact our lives? Trusted pastor and bestselling author Dr. David Jeremiah brings clarity to the complex topic of spiritual warfare. From his years of teaching on this subject, Pastor Jeremiah has selected answers to your pertinent questions concerning victory in the spiritual realm.

Winner of the National Outdoor Book Award for Natural History "After reading *Super Fly*, you will never take a fly for granted again. Thank you, Jonathan Balcombe, for reminding us of the infinite marvels of everyday creatures." —Sy Montgomery, Author of *How to Be a Good Creature* From an expert in animal consciousness, a book that will turn the fly on the wall into the elephant in the room. For most of us, the only thing we know about flies is that they're annoying, and our usual reaction is to try to kill them. In *Super Fly*, the myth-busting biologist Jonathan Balcombe shows the order Diptera in all of its diversity, illustrating the essential role that flies play in every ecosystem in the world as pollinators, waste-disposers, predators, and food source; and how flies continue to reshape our understanding of evolution. Along the way, he reintroduces us to familiar foes like the fruit fly and mosquito, and gives us the chance to meet their lesser-known cousins like the Petroleum Fly (the only animal in the world that breeds in crude oil) and the Chocolate Midge (the sole pollinator of the Cacao tree). No matter your outlook on our tiny buzzing neighbors, *Super Fly* will change the way you look at flies forever. Jonathan Balcombe is the author of four books on animal sentience, including the New York Times bestselling *What A Fish Knows*, which was nominated for the PEN/E.O. Wilson Award for Science Writing. He has worked for years as a researcher and educator with the Humane society to show us the consciousness of other creatures, and here he takes us to the farthest reaches of the animal kingdom.

The Invisible War Study Guide: What Every Believer Needs to Know about Satan, Demons, and Spiritual Warfare
The Invisible War
What Every Believer Needs to Know about Satan, Demons, and Spiritual Warfare
Baker Books

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse—Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

If the idea of walking with Jesus doesn't make you uncomfortable, you haven't thought seriously enough about His presence in your life. The passed-down, packaged Jesus turns out to be quite different from the one who steps alive and kicking out of the pages of Scripture.

Author, pastor and radio teacher Chip Ingram outlines what it takes to follow this renegade Jesus toward the idea of Holy Ambition. Stretching outside of your comfortable existence is just the beginning. This newly updated edition will bolster dislocated hearts and turn broken spirits toward radical, faith-filled strategies that make a difference for God right now.

An award-winning journalist's dramatic account of a shooting that shook a community to its core, with important implications for the future On the last evening of summer in 2013, five shots rang out in a part of northeast Denver known as the Holly. Long a destination for African American families fleeing the Jim Crow South, the area had become an "invisible city" within a historically white metropolis. While shootings there weren't uncommon, the identity of the shooter that night came as a shock. Terrance Roberts was a revered anti-gang activist. His attempts to bring peace to his community had won the accolades of both his neighbors and the state's most important power brokers. Why had he just fired a gun? In *The Holly*, the award-winning Denver-based journalist Julian Rubinstein reconstructs the events that left a local gang member paralyzed and Roberts facing the possibility of life in prison. Much more than a crime story, *The Holly* is a multigenerational saga of race and politics that runs from the civil rights movement to Black Lives Matter. With a cast that includes billionaires, elected officials, cops, developers, and street kids, the book explores the porous boundaries between a city's elites and its most disadvantaged citizens. It also probes the fraught relationships between police, confidential informants, activists, gang members, and ex-gang members as they struggle to put their pasts behind them. In *The Holly*, we see how well-intentioned efforts to curb violence and improve neighborhoods can go badly awry, and we track the interactions of law enforcement with gang members who conceive of themselves as defenders of a neighborhood. When Roberts goes on trial, the city's fault lines are fully exposed. In a time of national reckoning over race, policing, and the uses and abuses of power, Rubinstein offers a dramatic and humane illumination of what's at stake.

Nineteen-year-old Cowney Sequoyah yearns to escape his hometown of Cherokee, North Carolina, in the heart of the Smoky Mountains. When a summer job at Asheville's luxurious Grove Park Inn and Resort brings him one step closer to escaping the hills that both cradle and suffocate him, he sees it as an opportunity. With World War II raging in Europe, the inn is the temporary home of Axis diplomats and their families, who are being held as prisoners of war. Soon, Cowney's refuge becomes a cage when the daughter of one of the residents goes missing and he finds himself accused of abduction and murder. *Even As We Breathe* invokes the elements of bone, blood, and flesh as Cowney navigates difficult social, cultural, and ethnic divides. After leaving the seclusion of the Cherokee reservation, he is able to explore a future free from the consequences of his family's choices and to construct a new worldview, for a time. However, prejudice and persecution in the white world of the resort eventually compel Cowney to free himself from larger forces that hold him back as he struggles to unearth evidence of his innocence and clear his name.

Is spiritual warfare real? From horror movies about the paranormal to romantic comedies involving ghosts, from children's shows about spirits and smart phone apps about zombies—our culture seems to be obsessed with the supernatural. But how much do we really know, or believe, about angels and demons? This guide clearly outlines what the Bible teaches about spiritual warfare—no religious scare tactics, just non-sensational information about good angels, bad angels, Satan, and the One who holds the ultimate victory, God. Equip yourself with impenetrable spiritual armor to resist evil with this practical guide. Features include: 12 lessons that can be completed in under 1 hour each Real-life application of biblical truth Explanations of prominent Christian views on the topic Easy-to-teach resources, including previews and summary features Questions for discussion Core teachings on Christianity that will challenge any seeker, new believer, or veteran believer looking for a stronger foundation The What You Need to Know Series includes these ten titles: What You Need to Know about

God What You Need to Know about Jesus What You Need to Know about the Holy Spirit What You Need to Know about the Bible What You Need to Know about Salvation What You Need to Know about the Church What You Need to Know about Spiritual Growth What You Need to Know about Spiritual Warfare What You Need to Know about Bible Prophecy What You Need to Know about Defending Your Faith

Do You Control Your Phone—Or Does Your Phone Control You? Within a few years of its unveiling, the smartphone had become part of us, fully integrated into the daily patterns of our lives. Never offline, always within reach, we now wield in our hands a magic wand of technological power we have only begun to grasp. But it raises new enigmas, too. Never more connected, we seem to be growing more distant. Never more efficient, we have never been more distracted. Drawing from the insights of numerous thinkers, published studies, and his own research, writer Tony Reinke identifies twelve potent ways our smartphones have changed us—for good and bad. Reinke calls us to cultivate wise thinking and healthy habits in the digital age, encouraging us to maximize the many blessings, to avoid the various pitfalls, and to wisely wield the most powerful gadget of human connection ever unleashed.

In this encouraging book, Chip Ingram reveals how readers can meet God in the midst of their most difficult circumstances. Chip's candid discussion, personal stories, and solid guidance will allow readers to move from "knowing about God" to profoundly experiencing his presence and power in their lives. Whether they're struggling with rocky relationships, unexpected crises, depression, or injustice, *Finding God When You Need Him Most* will remind readers that the Lord is faithful to hear their heart's cry and will be there for them, time and again.

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning...

Discover the answer to our culture's need for simplicity and peace—by doing less and loving more. If you crave simplicity, yearn for peace and calm, this is the book for you. Author Chip Ingram goes beyond quick fixes and speaks to all of us who find it impossible to break free of our busy lifestyles, filled with too many good and important things that fill our schedules. The message of this book is simple: Spiritual simplicity will not be achieved by strategic attempts to control our lives and schedules but through doing less because we are able to love more. As you learn the practice of loving people, you will experience a shift from complex to simple, from hurried to peaceful, from "never enough time" to "time enough for those you love." It's time to redirect our focus from the complex, overextended lifestyle that keeps us running but never arriving. In *Spiritual Simplicity*, learn how to "reorient your life around life. The result is a life whose priorities are so radically rearranged that" (Dave Stone, author of the *Faithful Families* series) lasting change is finally within your reach.

NATIONAL BESTSELLER NPR Best Book of 2017 "Not all superheroes wear capes, and Elizebeth Smith Friedman should be the subject of a future *Wonder Woman* movie." — *The New York Times* Joining the ranks of *Hidden Figures* and *In the Garden of Beasts*, the incredible true story of the greatest codebreaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their time, solving puzzles that unmasked Nazi spies and helped win World War II. In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways

the "Adam and Eve" of the NSA, Elizebeth's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role in our nation's history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler's Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life. Fagone unveils America's code-breaking history through the prism of Smith's life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson's bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.

Satan is not out to get you to follow him; he's out to get you to ignore him. When we spiritually zone out, doze off, fall asleep, we are forgetting that we are in the middle of a war--and Satan loves it this way! He loves to convince people he doesn't exist. But Satan is real. He is an actual enemy of our soul. He is waging a real war against us. And we need to wake up and get in the fight. If we fail to do this, we do so at our own peril. In this five-session video Bible study (streaming included), bestselling author Jim Cymbala shows participants how to: Recognize the spiritual wars around them. Understand the enemy's plots against them. Develop practical strategies for fighting back. As believers in Christ, we have been given everything we need to stand strong and take the fight to the enemy. As we do, we will recognize, as the apostle Paul writes in 1 Corinthians, that God "gives us the victory through our Lord Jesus Christ" (1 Corinthians 15:57). This study guide has everything you need for a full Bible study experience, including: The study guide itself--with discussion and reflection questions, video notes, and a leader's guide. An individual access code to stream all five video sessions online (you don't need to buy a DVD!). Sessions and video lengths: Know Your Enemy (17:56) Overcoming the Attack on Your Faith (16:40) Resisting the Attack on Love (18:27) Pressing Through the Attack on Your Calling (19:18) Fighting Through the Attack on Prayer (20:09) Watch on any device! Streaming video access code included. Access code subject to expiration after 12/31/2026. Code may be redeemed only by the recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required. Eligible only on retail purchases inside the United States. Void where prohibited, taxed, or restricted by law. Additional offer details inside.

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. *Understanding Spiritual Warfare* explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the

"cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.

We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground--or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth--and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart. In Culture Shock, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, Culture Shock is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A small group study guide to accompany "Overcoming Emotions that destroy" by Chip Ingram. If God changes lives, why is mine stuck in the mud? We all want life change, but achieving it is hard. As Christians, we know we've got God's help. Jesus has made it possible. The Holy Spirit even lives inside us! And yet, too many Christians are stuck in the mud when it comes to life change. What's going on? Can things ever get better? Can my life ever turn the corner? Pastor Chip Ingram's answer is simple: Yes, you really CAN change! With godly wisdom and practical advice drawn straight from Scripture, Chip will help you answer questions such as: Why do so many Christians change so little? Where do we get the power to change? How do you know when you're really changing? How do you break out of a destructive lifestyle? How do you make it last? In Yes, You Really CAN Change, you'll learn the difference between living for God's approval and from God's approval. It's time to get off the hamster wheel of Christian expectations. Only when you understand your full acceptance by a loving God can life change begin to happen.

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge.

George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried,

with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

"Reminiscent of Toni Morrison's *The Bluest Eye*." —The New York Times "One of the best books I have ever read...will live in the hearts of readers for the rest of their lives." —Colby Sharp, founder of Nerdy Book Club "An emotional, painful, yet still hopeful adolescent journey...one that needed telling." —Kirkus Reviews (starred review) "I really loved this." —Sharon M. Draper, author of the New York Times bestseller *Out of My Mind* This deeply sensitive and "compelling" (BCCB) debut novel tells the story of a thirteen-year-old who must overcome internalized racism and a verbally abusive family to finally learn to love herself. There are ninety-six reasons why thirteen-year-old Genesis dislikes herself. She knows the exact number because she keeps a list: -Because her family is always being put out of their house. -Because her dad has a gambling problem. And maybe a drinking problem too. -Because Genesis knows this is all her fault. -Because she wasn't born looking like Mama. -Because she is too black. Genesis is determined to fix her family, and she's willing to try anything to do so...even if it means harming herself in the process. But when Genesis starts to find a thing or two she actually likes about herself, she discovers that changing her own attitude is the first step in helping change others.

2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. NPR's Best Books of 2017 A 2017 New York Public Library Best Teen Book of the Year Chicago Public Library's Best Books of 2017 A School Library Journal Best Book of 2017 Kirkus Reviews' Best Teen Books of 2017 2018 Josette Frank Award Winner

Instant New York Times Bestseller One of Fall 2019's Best Books (People, EW, Lithub, Vox, Washington Post, and more) A young boy is haunted by a voice in his head in this acclaimed epic of literary horror from the author of *The Perks of Being a Wallflower*. Christopher is seven years old. Christopher is the new kid in town. Christopher has an imaginary friend. We can swallow our fear or let our fear swallow us. Single mother Kate Reese is on the run.

Determined to improve life for her and her son, Christopher, she flees an abusive relationship in the middle of the night with her child. Together, they find themselves drawn to the tight-knit community of Mill Grove, Pennsylvania. It's as far off the beaten track as they can get. Just one highway in, one highway out. At first, it seems like the perfect place to finally settle down. Then Christopher vanishes. For six long days, no one can find him. Until Christopher emerges from the woods at the edge of town, unharmed but not unchanged. He returns with a voice in his head only he can hear, with a mission only he can complete: Build a treehouse in the woods by Christmas, or his mother and everyone in the town will never be the same again. Twenty years ago, Stephen Chbosky's *The Perks of Being a Wallflower* made readers everywhere feel infinite. Now, Chbosky has returned with an epic work of literary horror, years in the making, whose grand scale and rich emotion redefine the genre. Read it with the lights on.

"In our post-Christian, pluralistic society, responding to the perception that Christians are

prejudiced, anti-intellectual, and bigoted has become a greater challenge than ever before. The result is often intimidation, withdrawal, and even doubts among God's people about what we really believe ... Chip Ingram wants to change that"--Amazon.com.

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

Based on the biblical model for Christianity, *Living on the Edge* challenges readers to experience Christianity the way God intended and provides an actual profile of a disciple of Jesus Christ that is relational, grace-based, faith-focused, practical, and measureable. A launching pad for a journey toward becoming a Christian who lives like Christ, this book provides questions and resources at the end of each chapter, as well as directions to continue on your journey through an interactive Web site, where the reader will discover clear spiritual pathways and personal coaching to make it over barriers.

Go beyond "just wait until you're married" and gain a radical new way of thinking about sex by getting to God's heart on this explosive subject.

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? *The Invisible War* examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, *The Invisible War* offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

Victory in Spiritual Warfare: Field Guide for Battle is an 8-session adult Bible study. "Spiritual warfare" is defined as "the cosmic conflict waged in the invisible, spiritual realm which is simultaneously fleshed out in the context of the visible, physical realm." Pastor Tony Evans pragmatically teaches Ephesians 6:10-18, providing application so that believers can implement the truths of God's Word in the very real battle at hand. (8 sessions) Sessions: Session 1: The War Revealed and Strongholds Defined Session 2: The Belt of Truth Session 3: The Breastplate of Righteousness Session 4: The Shoes of the Gospel of Peace Session 5: The Shield of Faith Session 6: The Helmet of Salvation Session 7: The Sword of the Spirit, The Word of God Session 8: The Full Armor in Real Life Benefits: Defines strongholds Arms believers with a plan to put on the full armor of God and do battle with evil forces Author: Tony Evans is the pastor of Oak Cliff Bible Fellowship in Dallas, Texas, and a teacher, author, and speaker. He serves the body of Christ through his unique ability to communicate complex theological truths through simple yet profound illustrations. Regarded as a pastor of pastors and a father in the faith, he is appreciated by new and veteran pastors alike. He is the founder of

The Urban Alternative, a national ministry.

Provides a clear profile of what it means to be a follower of Jesus, with practical and specific means to live out that life authentically.
