

## Invisible Warrior The Protectors Series Book 11

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Most think that newest VC Warrior, Ronan McDonald, is just a laid-back cowboy. What they don't see is the inner turmoil that only his small ranch and horses can tame. At least that is until a witch with a beauty none could deny walks into his life. Running has been Kira Grail's life for as long as she can remember. It isn't until she meets a VC Warrior that she realizes she's grown weary, but the forces chasing her will never bend. Ronan doesn't believe in magic or curses. What he does believe is that only he can keep Kira safe. Together, they fight to bring the once powerful warlock, Orjyll, to his knees, releasing the women of the Dragonfly Coven. During their perilous journey, Kira vows to keep her distance, but the vampire cowboy has other plans.

"Tarzan the Invincible," originally serialized in the magazine "Blue Book" from October 1930 through April 1931 as Tarzan, "Guard of the Jungle," is the 14th volume. In it, Tarzan, his monkey friend Nkima, and Chief Muviro and his faithful Waziri warriors prevent Soviet communists from looting the lost city of Opar. The story also prominently features Tarzan's lion ally Jad-bal-ja. This book marks the last appearance of Opar and La in the Tarzan series, aside from the 1936 juvenile piece "Tarzan and the Tarzan Twins with Jad-Bal-Ja the Golden Lion" (published later but chronologically earlier).

On the edge of the Arctic Ocean, above the Arctic Circle, the prehistoric settlements at Point Hope, Alaska, represent a truly remarkable accomplishment in human biological and cultural adaptations. Presenting a set of anthropological analyses on the human skeletal remains and cultural material from the Ipiutak and Tigara archaeological sites, *The Foragers of Point Hope* sheds new light on the excavations from 1939–41, which provided one of the largest sets of combined biological and cultural materials of northern latitude peoples in the world. A range of material items indicated successful human foraging strategies in this harsh Arctic environment. They also yielded enigmatic artifacts indicative of complex human cultural life filled with dense ritual and artistic expression. These remnants of past human activity contribute to a crucial understanding of past foraging lifeways and offer important insights into the human condition at the extreme edges of the globe.

An erotic paranormal romance... Dimitri LeBlanc, sexy and charismatic beta of Acadian Wolves, survives a brutal attack after his wolf succumbs to a dark force, threatening his very existence. Waking up, tied to a bed, his amusement transforms into lust as a beautiful stranger heals his beast. Intrigued by his mysterious savior, the tables quickly turn, when in the heat of a dark desert night, he rescues her from a barbaric Alpha. Dimitri is inexplicably drawn to the alluring woman, and the discovery that she's his mate rouses his hunger to claim her as his own. Gillian Michel, a New York City photographer, conceals a secret hybrid past and mystical abilities. An entire lifetime, she's deliberately avoided wolves, but a seductive encounter with an irresistible beta leaves her craving his touch, his lips on hers. Passion ignites her desire, leaving her yearning to submit to the powerful wolf who tests her limits. Deep in the heart of New Orleans, Dimitri and Gillian seek a cure to the parasite maligning his mighty beast. Still on the run from a malevolent force, they lure their enemy into the bayou. Will Gillian sacrifice her gifts to save the man she loves, destroying her own immortality? And will Dimitri eradicate the evil that has invaded his soul while protecting his mate from an adversary who threatens to kill them both?

The author describes the threats and emotional abuse she endured from white student and adults along with her fears of endangering her family as she committed to being one of the first African American students to integrate Central High School in Little Rock, Arkansas in 1957.

We are warriors. We are shifters. We are Saberians. We are the greatest...until we fall. When the females of Saber mysteriously die, Prince Arana, the only remaining member of the Royal family, vows to govern the living and avenge the fallen. As if being the new king was not enough, Arana faces a grave challenge. He and Beast, his sabertooth half, need to play nice long enough to accomplish the only thing that will save them—finding compatible females for his people. He needs to lead his warriors by example, else his failure will cost him more than just his life. Will he locate a mate Beast will accept in time, or will he be leading to doom those he pledged to protect? *Fallen Warriors* is a 39k words prequel origin story that ends in a cliffhanger. Arana's story climaxes in book 2 of the series, *Saved Warriors*, a sci-fi alien warrior MFMM reverse harem romance. (No M/M). Damon DeMasters is a vampire warrior who has taken an oath to not only protect his own kind, but humans as well.

Crimson Rush is the new drug and it's their duty to find who is behind the selling of vampire blood and stop it. As a social worker, Nicole Callahan fights for the right of every child placed in her care. There's a war now as vampires have stepped out into the spotlight taking their place in society and the children are at the heart of it all. Damon and his fellow warriors have been ordered by the Vampire Council to train Nicole and her colleagues against the dangers they now face in their new world. Even as sparks fly and tensions mount, Nicole and Damon depend on each other to protect the children of both races.

With the fate of the galaxy hanging in the balance, Jaina Solor, Ben Skywalker, and Luke Skywalker all contemplate previously unthinkable strategies in order to take down the tyrannical Sith Lord Jacen Solo.

In a thrilling Carpathian novel from #1 New York Times bestselling author Christine Feehan, a woman fights to free herself from the grip of the vampire trying to possess her... In a beautiful compound hidden away from the world, Emeline Sanchez tries to blunt the pain that has wracked her body ever since her terrifying ordeal in the labyrinth beneath the city--when she was forced to exchange blood with an evil master vampire. Now, it's his voice that haunts her...that calls to her in the dark...that never lets her rest. And while the children that she helped to free from his clutches struggle to heal, watched over by their Carpathian protectors, Emeline knows one thing: She must sacrifice herself to keep them all from harm... For her beauty is irresistible to the vampires, her psychic ability like a drug. Whipped into a frenzy, they'll never stop coming for her. And only the taste of one Carpathian warrior--the rush of his blood--can save her...

SECOND ENTRY IN LARRY CORREIA'S BEST-SELLING EPIC FANTASY SERIES, SAGA OF THE FORGOTTEN WARRIOR. Ashok Vadal was once a member of the highest caste in all of Lok. As a Protector, he devoted his life to upholding the Law, rooting out those who still practiced the old ways and delivering swift justice with his ancestor blade Angruvadal. None was more merciless than he in stamping out the lingering belief in gods and demons among the casteless. His brutality was legendary and celebrated. But soon Ashok learned that his life to that point had been a lie. He himself, senior member of the Protector Order, was casteless. He had been nothing more than an unwitting pawn in a political game. His world turned upside down and finding himself on the wrong side of the Law, he began a campaign of rebellion, war, and destruction unlike any Lok had ever seen. Thera had been first daughter of Vane. A member of the Warrior Order, she had spent her life training for combat. Until a strange sight in the heavens appeared one day. Thera was struck by lightning and from that day forward she heard the Voice. A reluctant prophet with the power to see into the future, she fought alongside Ashok Vadal and his company of men known as the Sons of the Black Sword until a shapeshifting wizard with designs on her powers of precognition spirited her away. He holds her prisoner in the House of Assassins. Ashok Vadal and the Sons of the Black Sword march to rescue Thera. With his sword Angruvadal, Ashok was unstoppable. But Angruvadal is gone, shattered to pieces on the demon possessed husk of a warrior. Now, Ashok must fight without the aid of the magic blade for the first time. Thera's life depends on it. But there is much more at risk in the continent of Lok. Strange forces are working behind the scenes. Ashok Vadal and the Sons of the Black Sword are caught up in a game they do not fully understand, with powerful forces allied against them. Ashok no longer knows what to believe. He is beginning to think perhaps the gods really do exist. If so, he's warned them to stay out of his way. They would do well to listen. It was common knowledge that Hadleigh Valhalla was a complete failure when it came to men. Too blood thirsty. Too tall at six-foot-six and without a coy bone in her too voluptuous body. If there had been a fun, flirty and feminine test, she would have failed it hands down. Thankfully she was much more suited to her role as an Enforcer, protecting her magically enhanced eccentric family on a daily basis from all kinds of nasties. It was a job she loved, much preferring to be out there beheading the baddies than dating any day of the week ... much less stressful. Except now there's a new threat in town. Great-Aunt Alma, the family matchmaker, has returned to the fold and set her sights squarely on all the singletons. Hadleigh will do anything she has to in order to avoid Alma's matchmaking manoeuvres, even if that means signing on as the newest member of the hit reality TV show 'Paranormal Exterminators.' Vaughn, Captain of the Goddess Maat's Elite Warriors, has a mission, to find and annihilate any and all magical beings that threaten to tilt the scales of justice into chaos. A paranormal reality TV show provides the perfect cover. But there's trouble on set. Their only female cast member has gone missing and they need a replacement, fast. Enter Hadleigh Valhalla, the most luscious thing on two legs he's seen in a century. From the moment he sets eyes on her he's determined to make her his. There's only one problem, Hadleigh insists she has a strict no dating policy. Claiming she'd rather be fighting than flirting. A series of mishaps means it's a race against time for Vaughn and Hadleigh to discover just who is targeting the show and stop them before someone gets seriously hurt or dead. While doing so Vaughn intends to teach Hadleigh to break all the rules and prove to her she is just as much woman as she is warrior. His warrior. His woman.

IF IT'S WAR YOU WANT . . . The best of military epic fantasy as the bestselling *Saga of the Forgotten Warrior* series continues. The Great Extermination has begun. In the Capitol, Grand Inquisitor Omand Vokkan hatches a plot to kill every member of the untouchable caste in all of Lok, down to the last man, woman, and child. As a member of the Order of Inquisition, Vokkan has no official say in the creation of Law, but he has powerful allies willing to do his bidding. Through them, he has convinced the Judges that the genocide will be swift, complete, and without complication. Nothing is farther from the truth. Lord Protector Devedas has sworn to uphold the Law. Once, he and the traitor Ashok Vadal had been like brothers. Now, he hunts Vadal and the Sons of the Black Sword, heretics and rebels who seek to live outside the rule of the Law. All Devedas must do is find and kill his best friend and order will be restored to Lok. The rebels seek the secret kingdom spoken of by the Prophet Thera, a paradise where water is pure and food plentiful, where there are no castes, where the people rule themselves, and are not slaves to the Capitol. Ashok Vadal is not sure he believes in such a Paradise, but he—along with his allies—does seek refuge in the rebellion's hideout in Akershan. But Vadal, a former High Protector who has turned his back on the corrupt Law, will not merely wait meekly, hoping that fleeing to Akershan will spare the rebellion from the clutches of the Great Extermination. No, if it's a war the Capitol wants, Vadal, who has faced down gods and demons, will be all too willing to give it to them. There's no denying destiny . . . For too long, Benjamin Reese has masked his deadly skills and temper with loyalty and humor. A vampire-demon hybrid, he fiercely protects his family, guards his brothers, and destroys the enemy without mercy. But when he discovers one fragile, beautiful blonde—a woman once mated to a Kurjan, no less—every primal instinct he has buried for centuries roars to life. With the mating mark she roused on his hand entwining their fates, no one will prevent him from keeping her safe and making her his, forever . . . Or desire . . . Karma wishes she could remember her last name. Or if she even had one. All she has in this confusing new world is a desperate duty to save the innocent. That means destroying the dark, dangerous, and desirable Benjamin Reese and everything he loves—an impossible task even before his touch arouses a passionate hunger she can't afford. She's certain a deadly enemy watches her every move, but it's not until Benny kisses her that she tastes true danger. . . . #1 IN A NEW EPIC FANTASY SERIES from *Monster Hunter* series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, the elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war, and destruction. At the publisher's request, this title is sold without DRM (Digital Rights Management).

A young woman who is both a bard--and a warrior--seeks to repay her debts and settle scores in this thrilling historical fantasy series. The young warrior and bard Liobhan has lost her brother to the Otherworld. Even more determined to gain a place as an elite fighter, she returns to Swan Island to continue her training. But Liobhan is devastated when her comrade Dau is injured and loses his sight in their final display bout. Blamed by Dau's family for the accident, she agrees to go to Dau's home as a bond servant for the span of one year. There, she soon learns that Oakhill is a place of dark secrets. The vicious Crow Folk still threaten both worlds. And Dau, battling the demon of despair, is not an easy man to help. When Liobhan and Dau start to expose the rot at the center of Oakhill, they place themselves in deadly danger. For their enemy wields great power and will stop at nothing to get his way. It will take all the skills of a Swan Island warrior and a touch of the uncanny to give them a hope of survival. . . .

War touches us all—leaving visible and invisible wounds on the warriors who fight, disrupting their families and communities, and leaving lasting imprints on our national psyche. In spite of billions spent on psychological care and reintegration programs, we face

an epidemic of combat-related conditions such as PTSD (Post-Traumatic Stress Disorder). With *Warrior's Return*, Dr. Edward Tick presents a powerful case for changing the way we welcome our veterans back from service—a vision and a path for transforming the wounds of war into sources of wisdom, honor, and growth. After more than 35 years of working with veterans, Dr. Tick has learned that our conventional ways of addressing the trauma and woundings of war fall far short, usually focusing only on symptoms and temporary relief. Drawing on lessons from cross-cultural wisdom, mythical archetypes, and proven methods from psychology, he offers this book as a valuable resource to help families, caregivers, and returning veterans understand and cope with the life-changing effects of combat, including: Re-examining PTSD—why we must expand our understanding of the full psychological and spiritual impact of war's invisible wounds Archetype of the warrior—service in combat as a “journey to the underworld,” and why the return home is the most crucial stage The warrior's path—timeless wisdom from tradition, classical philosophy, great leaders, and religious and mythological sources How cultures around the world have welcomed home their returning warriors for centuries—and what we can learn from them The warrior's initiation—how the old self dies on the battlefield and a new, more mature self evolves in its place Restoration—methods for overcoming disillusionment and soul-fatigue to restore the warrior's sense of purpose, motivation, and connection Coming home—specific steps for reintegrating our warriors back into our families and communities Honor—how a warrior can retain personal integrity and self-respect even when they have participated in a war they don't believe in Forgiveness, reconciliation, and atonement—ways for warriors to close the circle and begin healing what was destroyed “This is not a hopeless situation,” states Dr. Tick. “Lifelong suffering after war is not inevitable if we understand war's impact on the heart and soul, both for ourselves and our culture.” For veterans and those who wish to support them, *Warrior's Return* offers step-by-step guidance for initiating our transformed warriors into valued members of our community—with an essential map for the hero's journey home. Lily Gayle and the gang set out to find a killer after local baker Luxen Natolovich is found dead hours before the grand opening weekend at the new Bed and Breakfast in town, Midnight Dragonfly. As Lily Gayle deciphers the clues around Luxen's death she uncovers a conspiracy of lies and half-truths that could very well be tied to a refugee camp in Mississippi during World War II. The deeper Lily Gayle digs the deeper the conspiracy runs and the closer she comes to being the killers next victim. A 2017 Official Selection in mystery by New Apple Awards. This cozy mystery, *Cherry Cake and a Cadaver*, from Susan Boles is a new addition to the great southern cozy mystery tradition of Tonya Kappes, Miranda James and Larissa Reinhart.

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift, Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match. "In a kingdom at war, the princess discovers a devastating truth and might be the key to saving not only those closest to her, but the kingdom itself, if she reveals the very secret that could destroy her"--

Highly trained VC Warrior, Dr. Slade Buchanan's, role between lifesaver and lifetaker has been a constant battle, but nothing prepared him for half-breed VC Warrior trainee, Jill Nichols. Slade realizes his struggles from the past were nothing compared to the difficulty of resisting the woman who could never belong to a man like him. Being the only female VC Warrior recruit, Jill Nichols, has an uphill battle. Falling for the sexy doctor, Slade Buchanan, has not made the battle any easier, especially when he constantly reminds her and others there will never be anything between them. Working harder than any male recruit, obstacles are thrown in her path, and with each challenge, it becomes clear that the two things she wants most may never be.

Julie Daniels has committed her life to teaching the blind. Cowboy, Clay Marshall, turns to her for help. As their worlds collide Clay and Julie find that they have to rely on blind faith.

Leader of the VC Warriors Cincinnati branch, Duncan Roark, has devoted his long life to the Warriors he calls brothers and the Vampire Council, protecting innocents of both the vampire and human race. Things change suddenly when it is ordered that he and his fellow Warriors train human Social Workers to protect themselves in their new world of vampires. Falling in love with a human was something Duncan never thought possible, but love her he did. Now instead of being the ruthless leader he was trained to be, his focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.

Steve, the self-proclaimed Invisible Warrior, has not had a typical life. Trained by the VC Warriors, he still has to prove his worth, but with humor and sheer will, he refuses to give up. In one afternoon, his life changes, as do the lives of three others. Steve Richardson has a serious choice to make between two women and someone who holds his heart like no

other.

"Everything I love in a book."—Victoria Schwab, author of #1 New York Times bestseller *This Savage Song* "The kind of taut, atmospheric thriller that gets your heart racing and sets your imagination on fire. Sensational."—Claire Legrand, New York Times–bestselling author of *Furyborn* New York Times–bestselling author Jacqueline West captivates readers with a dark, hypnotic story about the cost of talent—and the evil that lurks just out of sight. Fans of Holly Black and Victoria Schwab will be mesmerized by this gorgeous, magnetic novel. High school senior Anders Thorson is unusually gifted. His band, Last Things, is legendary in their northern Minnesota hometown. With guitar skills that would amaze even if he weren't only eighteen, Anders is the focus of head-turning admiration. And Thea Malcom, a newcomer to the insular town, is one of his admirers. Thea seems to turn up everywhere Anders goes: gigs at the local coffeehouse, guitar lessons, even in the woods near Anders's home. When strange things start happening to Anders, blame immediately falls on Thea. But is she trying to hurt him? Or save him? Can he trust a girl who doesn't seem to know the difference between dreams and reality? And how much are they both willing to sacrifice to get what they want? Told from Anders's and Thea's dual points of view, this exquisitely crafted novel is full of unexpected twists and is for fans of Holly Black's *The Darkest Part of the Forest* and Melissa Albert's *The Hazel Wood*.

In a world where humans are hunted, a woman with a feared name and a score to settle has a hefty price on her head. Meet Karma, the Slayer of Vampires. She has a mission, revenge, and will not let anything or anyone get in her way. Axel "Assassin" Walker's a half-breed, his loyalty lying with the highest bidder. A gun for hire, Assassin has no allegiance to humans or vampires, but his highest pay day is yet to come. All he has to do is kill the one they call the Slayer of Vampires. Karma and Assassin become players in a tangled web of deceit. With the options of fighting each other or joining forces to take out those who've dared make them pawns in their dangerous game, both know the rules are about to change. \*\*\*\*New Cover-Same Story\*\*\*\*

A Paranormal Women's Fiction Novel (Betwixt & Between Book 2)

Not only does VC leader, Sloan Murphy, have to keep the peace between the human and vampire race, but he also wrangles VC Warriors in his spare time. It's a job that could drive a saint insane, and Sloan is no saint, but insane he may be. While his Warriors find mates, he swears he will not follow in their footsteps. Becky Spencer, his new secretary who he reluctantly employs, is set to threaten every stoic promise he's made. With an instant attraction that is hard to deny, she fits into his world with confident ease. Even though Becky has sworn off men after her nasty divorce, she can't help the desire the sexy and serious Sloan Murphy stirs in her. It isn't until she sees how devoted he is to his job and the Warriors under his command, that her lusty feelings turn into more. Working in close quarters, they both fight the pull that grows with each passing minute. Who will win, the secretary, the Warrior, or an attraction that just won't go away?

Nicole Callahan, mate to fierce and brooding VC Warrior Damon DeMasters, has been trying to find her place in his world. Without a doubt, it's been interesting, but she believes there's a lot more she can offer the children she spent so much of her human life fighting for. The Mate series delves into the kickass world of the Warriors' mates and how united, they can make a difference—just like their badass Protectors.

Follow along to see how these exceptional women's newfound freedom affect those around them and which Warrior may or may not support their feisty independent mate's new and exciting path.

Charger O'Neil knows nothing but chaos. As a Dark Guardian dealing with the underworld, mayhem is to be expected. Not only is it part of the job but also his life. With his team falling apart, Charger has an important decision to make. Stay or get out while he still can. Staying means he'll bring down the one person he's ever cared about but walking away means he could lose her forever. At a crossroads, Charger faces options he never saw coming. All his life, he's ridden the line between good and evil. Now, after so many years of the battle, one single decision could change his course, pushing him to the one side he never thought he'd be on.

A sexy debut hits all the right notes as a warrior angel turned vampire struggles with his dark nature when he's entrusted with protecting the last female of his kind. Original.

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.
