Tamara would risk her life to gain freedom. She's finally built up the courage to escape from a world of abuse by the hands of a man who promised her the world. But when her plans backfire, her hope for freedom begins to fade. When her world hits rock bottom, she stumbles across wolf shifter, Devin Caedmon, who offers her safety and protection. She learns to trust the wolf, but has yet to trust the man. Devin, potential future leader of the Caedmon Pack, returns to the foothills of his Virginia home after five long years as a lone wolf. His people are exposed to threats without a leader, but that doesn't stop many of them from challenging him for his birthright. Leading a Pack was never in Devin's plans, but letting his people fall prey to turmoil under the rule of his cousin Darius is out of the question. Will he rise to lead them as Alpha? Within Devin's world, rages another inner battle. The human woman, Tamara, has captured his heart. When they are together, their tribulations take the backburner. Their desire for one another grows as they consummate their passion in wolf's haven. The Alpha leader-to-be simply cannot resist Tamara's lure, but she's already experienced enough disorder in her life. Will Devin forfeit the most coveted position within the Caedmon Pack to bond with his chosen mate? Can Tamara trust Devin or will the memories of her abuse dissuade her from being bound to the wolf? Wolf's Haven is Book One of the Caedmon Wolves series. Books Two through Six are also available now.

Slater's Enchanted Mate Iron Wolves 4 Blurb Wounded and hidden for years, LeeLee had found acceptance within her wolf. She learned firsthand the harsh reality of never being loved, and vowed to protect her heart, and body from suffering the same pain ever again. Never one to back down, Slater O'Neil loves life. When he meets his mate in wolf form, he never thought claiming her would be quite so hard. Yet he'll gladly battle an unknown evil more sinister than the horror movies he enjoys. After finally finding the other half of his soul, he'll pay any price to protect the woman meant to be his. True love doesn't always come easy, and for these two shifters, they'll need more than just love to make it work. LeeLee was just a child when she witnessed a horror no child should, but revisiting old hurts don't always heal old wounds. When you stir a hornet's nest, you should always be prepared for what might come out. In LeeLee and Slater's case, they are totally unprepared to step into a whole different reality. One where the ones who should love and protect, are the ones out to kill for their own gain. The Iron Dream is a metafictional 1972 alternate history novel by Norman Spinrad. The book has a nested narrative that tells a story within a story. On the surface, the novel presents an unexceptional science fiction action tale entitled Lord of the Swastika. This is a pro-fascist narrative written by an alternate history version of Adolf Hitler, who in this timeline emigrated from Germany to America and used his modest artistic skills to become first a pulp-SF illustrator and later a science fiction writer in the L. Ron Hubbard mold (telling lurid, purple-prosed adventure stories under a thin SF-veneer). Spinrad seems intent on demonstrating just how close Joseph Campbell's Hero with a Thousand Faces-and much science fiction and fantasy literature- can be to the racist fantasies of Nazi Germany. The nested narrative is followed by a faux scholarly analysis by a fictional literary critic, Homer Whipple, of New York University.

Dark Lovers Iron Wolves MC Book 5 Raina wanted what every female wanted...As the only daughter of the vampire king, and a wolf shifter she was given everything she

could ask for. Sheltered her entire life. Until her world was turned upside down as she was kidnapped to become Satan's consort. Creed was equal parts good and bad, or so he said...Being the son of Satan and an angel, he lived a life filled with death and battle. Each he excelled at, until he saw something he'd die for. Raina Cordell, his Chosen. What would you do to save those you love? For Creed, he'd give up his eternal soul to the very being who'd relish in his blood. Raina had searched for hundreds of years for what her parents had, thinking never to find the one being who would complete her. Just as she finds him, she has a choice. Her life, or his. Will they survive the coming battle, or will the battle be more than either are willing to sacrifice?

The thrilling Newbery Medal–winning classic about an Eskimo girl lost on the Alaskan tundra *Julie of the Wolves* is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for fans of wilderness adventures such as *My Side of the Mountain*, *Hatchet*, or *Island of the Blue Dolphins*. This edition, perfect for classroom or home use, includes John Schoenherr's original scratchboard illustrations throughout, as well as bonus materials such as an introduction written by Jean Craighead George's children, the author's Newbery acceptance speech, selections from her field notebooks, a discussion guide, and a further reading guide. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*.

After sneaking out against her mother's wishes, Artie Irvin spots a massive wolf--then watches it don a bathrobe and transform into her mom. Thrilled to discover she comes from a line of werewolves, Artie asks her mom to share everything--including the story of Artie's late father. Her mom reluctantly agrees. And to help Artie figure out her own wolflike abilities, her mom recruits some old family friends. Artie thrives in her new community and even develops a crush on her new friend Maya. But as she learns the history of werewolves and her own parents' past, she'll find that wolves aren't the scariest thing in the woods--vampires are.

Violence and death come to the land under the Northern Sky when two fierce races break their age-old fragile peace and start an all-out war in this thrilling and savagely visceral epic fantasy. Beyond the Black River, among the forests and mountains of the north, lives an ancient race of people. Their lives are measured in centuries, not decades; they revel in wilderness and resilience, and they scorn wealth and comfort. By contrast, those in the south live in the moment, their lives more fleeting. They crave wealth and power; their ambition is limitless, and their cunning unmatched. When the armies of the south flood across the Black river, the fragile peace between the two races is shattered. On a lightning-struck battlefield, the two sides will fight - for their people, for their land, for their very survival. Under the Northern Sky *The Wolf*.

A LONE WOLF...Turo has searched for centuries for the one female to complete him. The Iron Wolves seemed like home to him, but after fifteen years, he's thinking about moving on, until he finds her. A LOVE WORTH ANYTHING...Jozlyn isn't your average

human and knew it would take a special man to accept her as she was. However, she hadn't counted on a man like Turo. TESTING THE BONDS...As Turo and Jozlyn's love grows, a creature from their worst nightmares will do anything to destroy them. Will they be able to survive the coming battle, or will fate give them what they'd always craved...true love?

For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly—and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it's not just their love that'll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)

"I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books of 2018 pick! Washington Post "5 Best Science Fiction and Fantasy Novel of 2018" pick! A Bustle "30 Best Fiction Books of 2018" pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's *Grace of Kings* and N.K. Jemisin's *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sineward—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sineward. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

Bodhi's Synful Mate Iron Wolves Book 6 Blurb KARSYN STYLES... aka Syn is tired of waiting on the man she knows is her mate to claim her. She's going to take matters into her own hands, even if that means teaching the stubborn wolf she's more than just the alpha's baby sister. BODHI... has fought the feelings he has for the little wolf who's supposed to be like a sister to him. Only the feelings she's stirred in his body and heart are far from brotherly. He's done everything in his power to keep her at a distance, even going against everything he and his wolf want, but nothing can tame either man or beast except the one female meant to be

theirs. Just when he is ready to claim his mate, Bodhi's world is rocked as his past comes back with a vengeance. He wasn't born a wolf, but turned when his family was slaughtered. He'd thought he was all alone in the human world, grateful for his wolvern family, until one fateful encounter. Syn sees the man she loves pulling away. Her heart can't take another rejection, or seeing him turn to another female for the comfort only she should be giving him. She'll do anything to show him they're meant to be together, or finally give up. She may love the big wolf, but she's not going to beat her heart against a wall anymore. Neither realize the danger lurking in the shadows as Bodhi's past is more sinister than either realize. Can the Iron Wolves survive what's coming next, or will what destroyed Bodhi's past come back to do the same to their future?

Life is hard. Especially when you're dead. Well, mostly dead. I thought I had it all, my life set with the perfect apartment, a well paying job, and a hot boss who was into me. The downside? He's a vampire, and where's the possible future with an immortal being when you're simply human? The choice was too difficult, until he accidentally killed me. What a charmer. Too bad he did a terrible job. Now I'm not alive, not vampire, and not fully dead apparently. But a whole new world is revealed to me, one of magic, werewolves, shifters, and more. And when a young dead girl needs help, I find myself working with the two men I have feelings for. Just my luck. What else could go wrong? ***PLEASE NOTE- Previously published as Ghostbound of the Portland Ivy series*** ***This book contains adult scenes***

Joni and Atlas are two shifters from different worlds...but when they find each other and realize they're true mates, nothing short of an apocalypse will stop them from claiming each other.

Joni's...wolf has been beaten out of her. Her friends have all found true mates. Mystic no longer feels like home, and to top it off, the shifter she knows is her mate has turned tail and ran from her. She's tired of being the one left behind, this time, she's going to be the one to leave and find her own destiny even if that means being alone for the rest of her life. However, she finds a crew who not only takes her in, they show her just what it means to stand and fight for herself. Atlas...has always known his destiny was to become the alpha of the White Bear Clan. At the age of seven he'd not only lost his father; his bear became a beast that his entire family feared. For years, he searched for his true mate, finding her in a tiny package that was sure to set his clan on its ears. By the time he returned to claim her, she was gone. When Atlas finds Joni with a menagerie of shifters, he's ready to battle them all, until he realizes they've taken her in as one of hers. As his troubles follow him, her new pack fight alongside Atlas and Joni. But when the last shifter falls, will they still have the bond that brought them together?

Warning Contains lots of action, crazy shifters, bears, wolves, and a crazy dragon named Lula along with Fey Queen and her two mates and even...babies in purple sparkly baby carriages "wink". NightOwl Reviews Top Pick Ms. Boon's motorcycle shifter series is probably one of her best and is one of my favorites. I love the romance, the falling in love and the

exploring of each other. BookChick Blog Reviews This series is exceptional, and I highly recommend it for lovers of paranormal romance.

In a world of danger and uncertainty, the Alpha has enough to worry about without him... For Alpha Evie Kitwanasdottir, things are never easy. The Great North Pack has just survived a deadly attack. Evie is determined to do whatever is necessary to keep her Pack safe, especially from the four Shifters who are their prisoners. Constantine lost his parents and his humanity on the same devastating day. He has been a thoughtless killer ever since. When Constantine is moved to live under Evie's watchful eye, he discovers that taking directions and having a purpose are not the same thing. Each moment spent together brings new revelations to Constantine, who begins to understand the loneliness of being Alpha. He finds strength and direction in helping Evie, but there is no room for a small love in the Pack, so Constantine must work harder than ever to prove to Evie he is capable of a love big enough for the Great North Pack itself. Josiah Turner had just become the Alpha in his pack when his father decided to step down. Things would be incredible for the young Alpha if he could only find his mate. With the thousands of people who pass through White Wolf Ridge's resort town, Turner thought he would have met her sooner rather than later, but there's no such luck. It takes a conflict with another pack for him to finally find the one. Will it work? Can she submit to him and become his mate?

He'll never let her go. Lucy knows the rules. Don't go out under the full moon. Never travel in the countryside without silver. But we all make mistakes sometimes... When a sudden storm drives Lucy off the road, she takes shelter in an abandoned castle. The castle is surrounded by

tall silver walls, so she thinks she's safe. No werewolf can get past silver. But not all walls are meant to keep things out. Lucy only wanted shelter, but what she finds is a cage—and an alpha werewolf who will never let her go. She knows she has to escape, but she's not sure what frightens her most: that the wolf will break her... or that she'll enjoy it. Ciaran and Lucy's steamy story continues in *Claimed by the Wolf!*

A WILD WOLF, A SEXY AS SIN SHIFTER, AND A BOND THEY COULDN'T DENY. Will Jett and Taryn be able to get their happily ever after, or will it be destroyed by their enemy? *A WILD WOLF...* Taryn yearned for the freedom to find a place where she belonged. The first time she saw Jett, her heart and mind knew he was the one for her. *A SEXY AS SIN SHIFTER...* Jett nearly lost his place in the Mystic Wolves because of one wild wolf. Now, she's saved his life, and his wolf wants her for their own. Can he trust her not to betray them all? *A BOND THEY COULDN'T DENY...* Taryn and Jett fight the attraction they've felt simmering between them, until danger almost takes what is most precious away... an unyielding love they'd never thought they deserved to have.

Kellen's Tempting Mate Iron Wolves Book 3 A NOT SO NAIVE SHE-WOLF: Laikyn O'Neil has loved Kellen for years. Thinking to prove her love, she sets out to learn how to be a good submissive, only to find herself needing a savior. *THE RELUCTANT ALPHA:* When Kellen Styles finds Laikyn in the last place he expected, he rides to her rescue, but then can't stop his dominant needs from taking over. Sure that he has moved too soon, he backs off to give Laikyn time to come to terms with the fact that they are mates. Instead she leaves, thinking he didn't want her. *AN UNDENIABLE BOND:* Kellen is determined to claim his tempting mate and earn her forgiveness, and nothing and no one will stand in his way. When their world is suddenly rocked off its axis by vampires, fey and more, their pack will have to unite with these strangers in order to defeat the beings that threaten those they love. Elle Boon blew me away with this latest installment in her Iron Wolves series. The story starts out hitting hard and fast and doesn't let up until the very end. Book Chick Blog Reviews *Kellen's Tempting Mate* wasn't exactly what I was expecting ... it was more. It was fast paced and original and we were constantly wondering exactly what would happen next. But, most of all, it was fun watching Kellen truly fall and Laikyn catching him. *Guilty Pleasures Reviews "*

In 1998, William Queen was a veteran law enforcement agent with a lifelong love of motorcycles and a lack of patience with paperwork. When a “confidential informant” made contact with his boss at the Bureau of Alcohol, Tobacco and Firearms, offering to take an agent inside the San Fernando chapter of the Mongols (the scourge of Southern California, and one of the most dangerous gangs in America), Queen jumped at the chance, not realizing that he was kicking-starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement. Nor did Queen suspect that he would penetrate the gang so successfully that he would become a fully “patched-in” member, eventually rising through their ranks to the office of treasurer, where he had unprecedented access to evidence of their criminal activity. After Queen spent twenty-eight months as “Billy St. John,” the bearded, beer-swilling, Harley-riding gang-banger, the truth of his identity became blurry, even to himself. During his initial “prospecting” phase, Queen was at the mercy of crank-fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary, from selling (and doing) drugs, to arms trafficking, stealing motorcycles, driving getaway cars, and, in one shocking instance, stitching up the face of a Mongol “ol’ lady” after a particularly brutal beating at the hands of her boyfriend. Yet despite the constant criminality of the gang, for whom planning cop killings and gang rapes were business as usual, Queen also came to see the genuine camaraderie they shared. When his lengthy undercover work totally isolated Queen from family, his friends, and ATF colleagues, the Mongols felt like the only family he had left. “I had no doubt these guys genuinely loved Billy St. John and would have laid down their lives for him. But they wouldn’t hesitate to

murder Billy Queen." From Queen's first sleight of hand with a line of methamphetamine in front of him and a knife at his throat, to the fearsome face-off with their decades-old enemy, the Hell's Angels (a brawl that left three bikers dead), to the heartbreaking scene of a father ostracized at Parents' Night because his deranged-outlaw appearance precluded any interaction with regular citizens, *Under and Alone* is a breathless, adrenaline-charged read that puts you on the street with some of the most dangerous men in America and with the law enforcement agents who risk everything to bring them in.

Dark Embrace Blurb A DARK LEGACY where only the strong survive and those who are Goddess touched can complete the warriors who fight to protect the world from the creatures that go bump in the night. DARK EMBRACE Jennaveve, the Fey chosen by the Goddess to be the queen of her people for the past few millennium, is tired and wishes for a break, but hadn't counted on being reduced to almost mortal thanks to a dark stranger. They say you should be careful what you wish for. The last time she'd taken a break, her Fey had left their realm, resulting in shifters on Earth known as the Mystic and Iron Wolves and even more she was still searching for. Damien and Lucas Cordell knew they'd share a Hearts Love when the time came. As the twin sons of the Vampire King who'd mated a shifter, they were the first of their kind. When they'd thought their mate was finally within their reach and was a shifter like their mother only to realize she wasn't theirs, they'd almost lost their lives to the alpha of the Iron Wolves, Kellen Styles. Instead, the error led them to the being that was...the Fey Queen Jennaveve. Only she was even more elusive than the wind. Time and patience was something Damien and Lucas had in spades, until the female they'd already laid claim to, even if she hadn't accepted them yet, was taken by an enemy. Saving Jenna became their one and only focus. As time and realms slip between them, their fear for her had them forgetting about patience and made claiming Jenna as their Hearts Love, hoping she accepted their Dark Embrace. Will the Cordell Twins be able to rescue Jenna from the evil who has taken her? Will Jenna get her powers back? Who is the dark presence and how will they defeat a being who is strong enough to bring the Fey Queen down to her knees? The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

Recently voted the greatest fantasy of all time, after *The Lord of the Rings* and *The Hobbit*, Gene Wolfe's *The Book of the New Sun* is an extraordinary epic, set a million years in the future, on an Earth transformed in mysterious and wondrous ways, in a time when our present culture is no longer even a memory. Severian, the central character, is a torturer, exiled from his guild after falling in love with one of his victims, and journeying to the distant city of Thrax, armed with his ancient executioner's sword, *Terminus Est*. This edition contains the second two volumes of this four volume novel, *The Sword of the Lictor* and *The Citadel of the Autarch*.

***Warning: Contains a shifter that doesn't want a mate and a tiny human who's more than a handful "wink." Will they find beauty in the ashes as the fire settles, or will they go up in flames? Coti's a shifter, but he's so much more than meets the eye. NeNe's a human who's ready for a change, however is she ready for all that Coti will bring? The Iron Wolves will face an enemy bent on destroying them in a way no one expected. When the dust settles, and battle lines have been drawn, Coti and NeNe will find who can be trusted and who can't.

Nineteen folktales from around the world deal with robins, nightingales, wolves, crabs, parrots, dogs, dragons, cats, and woodpeckers.

"A witty rom-com reinvention ... with deeply relatable insights on family pressure and growing up." - Emily Wibberley and Austin Siegemund-Broka, authors of *Always Never Yours* and *If I'm Being Honest* "An adorable debut that updates a classic romantic trope with a buzzy twist." - Jenn Bennett, author of *Alex, Approximately* and *Serious Moonlight* A fresh, irresistible rom-com from debut author Emma Lord about the chances we take, the paths life can lead us on, and how love can be found in the opposite place you expected. Meet Pepper, swim team captain, chronic overachiever, and all-around perfectionist. Her family may be falling apart, but their massive fast-food chain is booming — mainly thanks to Pepper, who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account. Enter Jack, class clown and constant thorn in Pepper's side. When he isn't trying to duck out of his obscenely popular twin's shadow, he's busy working in his family's deli. His relationship with the business that holds his future might be love/hate, but when Big League Burger steals his grandma's iconic grilled cheese recipe, he'll do whatever it takes to take them down, one tweet at a time. All's fair in love and cheese — that is, until Pepper and Jack's spat turns into a viral Twitter war. Little do they know, while they're publicly duking it out with snarky memes and retweet battles, they're also falling for each other in real life — on an anonymous chat app Jack built. As their relationship deepens and their online shenanigans escalate — people on the internet are shipping them?? — their battle gets more and more personal, until even these two rivals can't ignore they were destined for the most unexpected,

awkward, all-the-feels romance that neither of them expected. HE WAS HER KNIGHT IN BLACK LEATHER. SHE WAS HIS CHANCE AT REDEMPTION. TOGETHER THEY WERE GUNPOWDER AND FLAMES, READY TO TORCH ANYONE AND ANYTHING THAT STOOD IN THEIR WAY. When a wolf catches the scent of his mate, he'll do anything to claim and protect her, even if that means protecting the little Fey from himself. Torq loved being an enforcer for the Mystic Wolves. His job gave him a chance to search for his mate, but when his mate is revealed, he realizes things aren't always as easy as he'd hoped. Years of waiting and hoping has honed him into a patient man, and for

the injured Fey, he'd wait a lifetime. Talia's tired of hiding, but isn't quite ready to make that final step as a normal female after years of captivity. Hiding out on the Fey Realm seemed like another form of being caged, however being caught in the sights of a shifter far larger than any man she'd ever seen was more than she'd bargained for. Things don't always go as planned, but when the Goddess puts two of her people together, she assumes things will end up how they should. However, outside forces realize a powerful Fey are within their grasps, and want what they didn't have...a link to the Fey Realm. Will the wolf and his Fey have a chance to find their happily ever after, or will they be destroyed before they get the chance?

About Elle Boon Elle Boon lives in Middle-Merica as she likes to say...with her husband, two kids, and a black lab who is more like a small pony. She'd never planned to be a writer, but when life threw her a curve, she swerved with it, since she's athletically challenged. She's known for saying "Bless Your Heart" and dropping lots of F-bombs, but she loves where this new journey has taken her. She writes what she loves to read, and that is romance, whether it's erotic or paranormal, as long as there is a happily ever after. Her biggest hope is that after readers have read one of her stories, they fall in love with her characters as much as she did. She loves creating new worlds, and has more stories just waiting to be written. Elle believes in happily ever afters, and can guarantee you will always get one with her stories. Arynn's Chosen Mate Iron Wolves Book 8 Blurb They say blood is thicker than water, but a bond that's chosen is stronger than steel. Nothing and nobody can sever those that are forged between ones chosen family. Arynn will prove to Sheila how true that is. They say love hurts. For a shifter who thinks he's lost it all, it's more than just a saying, it's a reality. When Arynn is finally reunited with his daughter and finds the one woman created just for him, he swears love does hurt, but it's a feeling he would give his life to experience. Family is supposed to love and cherish one another. Sheila never had that growing up. When she became a mother of not just her own child, but her twin sister's as well, she vows to love them like she'd never been. When you find love that's worth fighting for, you grab it and hold on tight. Families don't always have to be blood, sometimes ones that are chosen are even more special as they are forged in love, instead of duty. Can Arynn and Sheila along with their two girls finally find peace as a family, or will the darkness from their past destroy the goodness they're creating?

Warning: Contains a sexy hero who feels EVERYTHING and a heroine who loves him even more. Lots of growly men, a crazy Fey Queen and her wolpires. Oh and HELLBOY. #DONTLOOKDOWN

'The Iron King is a must read!' New York Times bestselling author, Gena Showalter

Meghan Chase has a secret destiny – one she could never have imagined...

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, Gardens of the Moon is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice.
