Il vous propose de découvrir le parc thématique Universal's Island of Adventure à l'aide de descriptions des différentes attractions, incluant le Wizarding World of Harry Potter, et d'un système de cotation par étoiles pour vous aider à faire les meilleurs choix. Il contient également des renseignements pratiques sur les moyens d'accès et des trucs et astuces pour limiter le temps perdu dans les files d'attente. L'ensemble des installations porte désormais le nom générique d'Universal Orlando et offre, à l'intérieur d'un même complexe, des parcs thématiques (deux), des lieux d'hébergement (trois hôtels de grand luxe) et une kyrielle de restaurants à thème (entre autres NBA City et Jimmy Buffett's Margaritaville, pour ne nommer que ceux-là), sans parler d'une concurrence accrue pour vous savez qui.

From the magical colossus of Disney to the charming quaintness of Tivoli Gardens, theme parks are as established as schools and hospitals. Theme parks have become dynamic destinations where people test their courage and learn to have fun in safe environments. Theme parks are also economic catalysts that offer employment, as they require a supporting structure of roads, hotels, restaurants, and shops. Most importantly, they give us a place to celebrate life's milestones. After each reason that theme parks are modern shrines, the author presents a snapshot of a park. These snapshots represent theme parks around the globe. For example, Disneyland in California represents the ideal of nostalgia while Germany's Europa-Park portrays the virtue of interacting with locals. Take an interesting, informative, and fun look at why theme parks around the globe are so magical with *The Ride of Your Life*.

The Great Lakes Basin is the largest surface freshwater system on Earth. The more than 30,000 islands dotted throughout the basin provide some of the best ways to enjoy the Great Lakes. While the vast majority of these islands can only be reached by private boat or plane, a surprising number of islands—each with its own character and often harboring more than a bit of intrigue in its history—can be reached by merely taking a ferry ride, or crossing a bridge, offering everyone the chance to experience a variety of island adventures. *Great Lakes Island Escapes: Ferries and Bridges to Adventure* explores in depth over 30 of the Great Lakes Basin islands accessible by bridge or ferry and introduces more than 50 additional islands. Thirty-eight chapters include helpful information about getting to each featured island, what to expect when you get there, the island's history, and what natural and historical sites and cultural attractions are available to visitors. Each chapter lists special island events, where to get more island information, and how readers can help support the island. Author Maureen Dunphy made numerous trips to a total of 135 islands that are accessible by ferry or bridge in the Great Lakes Basin. On each trip, Dunphy was accompanied by a different friend or relative who provided her another adventurer's perspective through which to view the island experience. *Great Lakes Island Escapes* covers islands on both sides of the international border between the United States and Canada and features islands in both the lakes and the waterways that connect them. Anyone interested in island travel or learning more about the Great Lakes will delight in this comprehensive collection.

Discover the amazing true story behind the world's most thrilling theme park resort! In the late 1980s, Universal decided to construct its first real theme park - right in Disney's backyard of Orlando, Florida. At the time, the company had never built a single theme park ride. Many predicted that it would be a disaster. It very nearly was. On Universal Studios Florida's opening day in 1990, all three of its major rides malfunctioned. Thousands of guests demanded refunds. And it got worse from there - eventually, the \$30 million Jaws ride was closed permanently. It was three years and a further \$40 million before it would reopen. Through a combination of outrageous risk-taking, technical ingenuity and sheer persistence, Universal eventually carved out its own niche in Orlando. For the first time, "Universal Orlando: The Unofficial Story" reveals how the resort's incredible, ground-breaking rides were created, from Kongfrontation to Harry Potter and the Forbidden Journey. Go behind the scenes at Universal Orlando! How was King Kong's banana breath generated? How hot are the flames in Revenge of the Mummy: The Ride? How does the The Amazing Adventures of Spider-Man's "falling" effect work? What are the rocks underneath Hogwarts Castle made of? Does filming really take place on the streets of Universal Studios Florida? Whatever your questions about Universal Orlando, this book has the answers! Enhance your Universal Orlando visit As well as detailing the amazing special effects that are employed by the rides at Universal Studios Florida and Islands of Adventure, "Universal Orlando: The Unofficial Story" is also packed with hidden secrets that you can look out for during your next visit.
