This peer-reviewed World Literature I anthology includes introductory text and images before each series of readings. Sections of the text are divided by time period in three parts: the Ancient World, Middle Ages and Renaissance, and then divided into chapters by location. World Literature I and the Compact Anthology of World Literature are similar in format and both intended for World Literature I courses, but these two texts are developed around different curricula.

In the present age of Information and Communication Technology (ICT) revolution and social networking scenario, fast and precise communication has become the need of the hour. But in the whirlwind of fluency, accuracy cannot be sacrificed. Sometimes, adequate attention is not paid to the use of grammar and usage, which leaves a very bad impression on the readers. This book on English grammar presents the topics in an innovative way and meets the long-felt need of a good user-friendly grammar book. The book makes the study of grammar very interesting, challenging and exciting. It discusses grammatical categories, processes and principles of sentence construction in a very simple and lucid manner. The book starts with the discussion of word classes and goes on to describe phrases and sentences. More importantly, it deals with the problem areas of tenses, modal verbs, articles, determiners, prepositions, passive constructions and direct and indirect narration in a
