Despite the good intentions of match-making friends, family, and neighbors, Rachel Springer, a tough Washington, D.C. lawyer, has spent a lifetime protecting her heart from the dangerous possibilities of love. When she finds a ragged stray dog on the streets of Georgetown and brings him home with her, she starts a sequence of startling events that lead her down a path she's never explored. Along the way, she rents her downstairs apartment to a bachelor whose 5-year-old grandson has the same effect on her as the homeless dog. Rachel's expanded life in Washington takes several unexpected turns as she juggles the dramas of divorces and molestation charges; a midnight drunk on her front porch; a health crisis that threatens to disrupt her law firm; and a weekend tragedy that turns her world upside down. All it takes to fully open the door to Rachel's heart is the disappearance of the dog that started it all. There's a saying 'You Never Know' and that's what exactly changed the life of two individuals who met by chance on New Year's Eve as fate played its role perfectly. This is a

story of how these two individuals overcame the fears instilled within their minds due to their tumultuous past as destiny kept pushing them forward on a journey that wasn't all smooth sailing. A journey filled with happiness, sadness, doubts and fights. Will they just overcome their fears and be friends only? Will the saying 'A girl and a boy can never be just friends' come true? Hop on to know their journey.

Law has been betrayed in the worst way by a woman he loved to no end. A chance encounter with Mya, whose night was equally as bad, ends up being the greatest one night stand he had ever had. After a long night of swapping transgressions, she leaves as quietly as a thief in the night, and he doesn't run into her again until years later. Unbeknownst to him, the sweet, heartbroken, vulnerable woman he once shared something so beautiful with was no more, and he now has to help rebuild her. But is she even worth the trouble? All it took was one disastrous event to send Mya's happy life spiraling out of control, and into complete and utter chaos. Her disgraceful fall from wifey to side chick left her bitter, and with a mindset that even she was ashamed of. However, it ain't no fun when the rabbit got the gun, and payback is all that she cares about until Law manages to work his way in, and somehow triggers her to want to change the error of her wicked ways. When it comes to Nano, he selfishly wants his cake and eat it too. Having multiple women was fun at first, but things get out of hand fast, and he's left with an extremely hard decision to make. Do you choose the one you love or the one you like? In this shilling tale love is lost, friends somehow become enemies, and jealousy becomes fuel for hate. What happens when things get old and you're finally fed up? Do you try to get away and move on, or is it too late due to the slew of bad decisions that you've already made? Find out what happens when your not careful, and it all starts with a one night stand.

*It All Started with Lasagna* is a chance to get up close and personal with Peter Mercanti, a successful Hamilton businessman who came to Canada as an immigrant at age seven with his parents. With forthright honesty, Peter shares the story of his rise to business success—starting off at the age of eleven with selling “recycled” car engines to the scrap yard from which they were liberated—and the development of Carmen’s Banquet Centre, his flourishing wedding and event venue, and associated hospitality businesses. In addition to his fascinating personal story, Peter shares his secrets to success both in business and in life, as well as key tips for becoming an effective leader. He also shares many fascinating and humorous stories about the various celebrities who performed at his venue, including Michael Douglas, Al Pacino, Sylvester Stallone, President Bill Clinton, Dom DeLuise, Sophia Loren, Wayne Gretzky and many, many others. Both inspirational and engaging, this book is for: any entrepreneur—young or old (Peter recently started his latest business, *Mama Yolanda’s Lasagna*, at age 70);

or young in their faith teenager. Stock up on it and have it ready for those students who God brings your way!" (Joey Ruyter, Student Pastor, Riva Trace Baptist Church, Davidsonville, MD) "...a wonderful resource that will keep students from floundering who are just beginning a relationship with the Lord." (Darren Hileman, Executive Director, South Carolina School of Leadership, Columbia, SC) "The world cries out to be discipled while Heaven commands us to make disciples. Sadly, we aren't sure how. This is a great resource to that question." (Geoff Bassett, Education Professional in Asia, Founder of Light4Asia.com) "...packed with everything a youth pastor would hope a student would walk away knowing after 4 years of youth ministry, packed into a 31-day devotional." (Tim Walk, Senior High Youth Pastor, Mount Paran Church, Atlanta, GA) "To have a resource that walks through the next steps after accepting Christ is invaluable. To have one that walks through those steps while staying relevant and engaging is priceless! Get this book!!!" (Joseph Lee, Youth Pastor, Zion Church, Director of Merge Youth Movement, Landover, MD)

"It All Starts with You" by Trent Shelton is a one-of-a-kind 300+ page journal filled with some of Trent's most popular quotes, along with thought provoking questions and action items to help lead people to change. About the Author: To some, he's a motivational speaker. To others, he's a previous NFL football player, but to Trent Shelton, he is just a man who wants to help lives. Born in Little Rock, Arkansas, raised in Fort Worth, Texas, as a child, all Trent wanted to be when he grew up was a professional football player. While he achieved his

childhood dream, the former NFL player's career was a shaky one where he felt incomplete while constantly chasing after worldly things to temporarily fulfill the voids in his life. It wasn't until Trent hit his lowest point, after being released from multiple NFL teams along with the birth of his son, that he decided to work on becoming the best person he could be. In March of 2009, Trent picked up his iPhone and started sharing two-minute videos of his progress as a means of helping him stay accountable while bettering his life. He ended each of his videos with "It's RehabTime." A couple years later, those two-minute videos evolved into RehabTime Organization, a 501(c)3 nonprofit with a mission to lead people to change through hope and faith. Today, on average, Trent reaches over 35 million people a week through his daily messages and videos. The motivational speaker has over 4 million Facebook fans, Instagram followers, and Twitter followers, all of which he refers to as his community of "Rehabbers." Trent is the best-selling author of three life-application books and a life-application journal, *It All Starts with You*. By following his calling, Trent has been able to travel all over the world to share his testimony and offer people messages of change and hope. Although Trent was motivated to become a better man by the birth of his son and through many of life's adversities he faced, he calls his greatest accomplishment helping people strengthen their relationship with Jesus Christ through RehabTime. each page are show. An extraordinary reproduction of the original working manuscript of Alcoholics Anonymous, with essays and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition with essays and notes by a panel of celebrated AA historians, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typescript to everyone they could think of "who might be concerned with the problem of alcoholism," to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book. love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

before and after those remarkable performances that defined a musical genre of such incredible singers. This is the remarkable story of how a Greek American boy from New Hampshire, a child of immigrants, discovered this culture of expression from everyday interaction with these artists. This is a unique opportunity to learn about the soul, sadness, and joy of Billie Holiday, Lester Young, Dizzy Gillespie, Carmen McRae, Duke Ellington, Louis Armstrong, Miles Davis, Gerry Mulligan, Chet Baker, Annie Ross and others, and how their poignant life experiences translated into such powerful, heart-stirring music, which has been called America's classical music by many critics and avid listeners.

Stoney McGurrin in his debut book, brings us on the adventure of his life time. Having spent months in hospital as a four year old, where he almost lost his arm; only to have it saved by a famous French surgeon Dr. Chance, he left Leitrim as a teenager on ship across the Atlantic to New York City. The stories are exciting, sad, happy and true; from 1941 to the present, from pencil to paper. "Very informative as far as history of Irish people making it in New York City. good characters and incredible situations. I really enjoyed the book.” Kieran Moran, The Bronx, New York, USA “A roller coaster read. Should be on the curriculum in high schools. This book would be banned in Ireland in the 1960s. The author would be in the good company of Oscar Wilde, Salman Rushdie and Brendan Behan.” Michael D. McAndrew, Journalist Midwest Radio, Mayo, Ireland “My wife and I read it in bed. We laughed, we cried; insights into sex, drugs, crime, hard work, history and politics. We did not sleep the night we read it. We waited a long time for a book like this, well done to Stoney and John for this production.” Pat and Phil Burke, Co. Tipperary, Ireland “Entertaining, educational, enlightening, ecstatic, erotic and enjoyable!” Lizzy Tabor, Massachusetts, USA 'I've known Stoney for over 40 years - and over that time he has regaled me with his stories and memories many times. It's great to see them documented on the printed page - captured in time. Stories that take us from Dowra, Co Leitrim across to the United States - stories of innocence and ignorance, of hurt and healing, of grit, determination and success - told in Stoney's inimitable voice." "My Wife With Others Man - How it all started...." This is a trilogy written in great detail during the COVID 19 pandemic by the couple's wife, Karina and reviewed by her husband Fabio (Pseudonyms). Each of the e-Books tells a "different sexual story based on true facts", of the couple's sexual adventures with other men. The couple had their upbringing and education based on concepts of a puritanical and conservative family, where such sexual practices would never be allowed or accepted in the real world (work, friends, family, etc.). However, like many other couples, they also have great sexual fantasies and desires and have decided to put them into practice, unlike other couples who choose "betrayal". The couple chose truth, open dialog, complicity, companionship and love, to start together in this "new world of fetishes and sexual fantasies". In this FIRST e-Book of the trilogy, the couple tells how the desire was born and was growing between them, in practicing the male ménage, that further ahead they were to discover that it was a fetish, but not for the male ménage, but a fetish of the most popular among married men, the "Cuckold" (Fetish where the man feels pleasure and likes to see his wife having pleasure and having sex with other men and sometimes participating or not, everything depends on the fantasy of each couple and person). They also tell in THIS FIRST PART the difficulties encountered in

treading this more liberal lifestyle with a wealth of details, tell the first sex made with his wife and another man in FRONT of her husband, and many other details that should be read by anyone who wants or is excited by erotic sexual romance, especially those who seek the "Cuckold" fetish. The three e-books are narrated by the WIFE of the couple, with a wealth of details, and are recommended to be read by singles (people alone) even as a learning to know how to behave correctly and or approach a couple that enjoys male ménage and or cuckold, also recommended for couples to spice up their relationships, or even that push that was missing to start in this liberal world together, and of course, recommended for every lover of a good real story, erotic, sexual and spicy. ATTENTION: This e-book is about REAL EXPERIENCES, we only changed the names using pseudonyms and changed the locations to respect the secrecy and privacy of the people involved. Any resemblance to real names and places is mere coincidence. This trilogy is dedicated to all couples, men, women and people of all genders, who also have healthy sexual desires and fantasies and would like to fulfill them in liberal sex, but responsible and conscious! (Erotic literature recommended for ages 18+). About the Author: Karina (Pseudonym) wife, 39 years old, married, works in the health area and as said, she was raised by strict education parameters where such practices and or sexual adventures would

never be allowed in the real environment in which they live (work, friends, colleagues, etc. ) However it is worth noting that it is a real story and the couple chose to speak the truth to each other about their feelings, desires and fantasies, unlike other couples who choose to betray their partners - Remembering also that the vast majority of society that vehemently condemns such practices of liberal sex (ménage, swing, cuckold, etc..) is actually the most practicing in a hidden way, here's the tip, kisses Karina.

John was a tough guy, used to doing whatever had to be done. One day, his stubbornness put his life in danger. He found himself in the middle of nowhere, alone, wounded. And the icing on the cake is that John didn't even remember his name. Fate or luck, name it as you will, placed a shining light on his way, leading him straight to Carrie's arms. Carrie knows more than just how to heal wounds. She knows how to create stories and about how cruel life can be. Also, she knows love can knock on your door when you least expect, or should I say... faint on your front porch? When things don't turn out to be as expected, will love be enough to change it all?

Every girl wishes to fall in love... all that you need to do is identify the sparkle in their eyes and the smile in their face when they think about their dream boy. Some tries to find love in their best friend and some loves their parents more. For some love is hatred and for some this is something you cannot live without. One way or the other its only love that revolves in their mind and everyone falls for it and Asmi was no exception. She was a sweet girl born and brought up in a middle class family in a small town of Jamshedpur who knew her limitations but got drifted away as soon as she made her orkut account. Just like every other teenager she felt lonely and the only solution to it was her broadband connection. She eventually fell for a guy named Ayan and as the time passed by their relationship intensified. She went through all odds of her life to finally unfurl what was there in the womb of nature.

interest their pets give us.” When Graham Matthews began walking Nero, a trainee guide dog, he had no idea how life-changing this seemingly simple job would be. Once Nero passed on to his advanced training, the hole he left behind in Graham’s life was immense, and so Graham became a dog carer, offering a home from home to a wide range of canines – from rumbustious rescue dogs to languid labradors. “When Nero left for his advance training, I was so upset that I never took on another guide dog. When you’ve been up all night with the dog throwing up at both ends, cleaning up and lying on the floor, saying, Daddy wishes he could do it for you, well that’s not a dog, but a family member. Nero’s legacy lasted long after he had gone and it was an experience I wouldn’t have missed for the world.” *It All Started with a Dog* is a simple tale of dog walking experiences which are both funny and sad. Aimed at all dog lovers, it conveys the love and affection that passes between man and dog and shows that a dog really is a man’s best friend.

Without any word, she hurried to meet his embrace, losing herself in deep passion. Her hands tangled in his hair as he kissed her lips fervently, evidently expressing how much he greatly missed her. His big muscular hands moved down to her shoulders and then caressed the curves of her body. She felt his tongue pushing into her mouth. She let him in, responding eagerly with her own tongue and lips. Their passionate kiss went on as his hands went under the short skirt of her dress. She wasn’t wearing any underwear, after all, which seemed to arouse him even more. His fingers slithered across her wetness, playfully stroking and fondling as she moaned over and over again. A soft growl escaped his lips when she aggressively shoved her hand into his khakis and began circling her fingers around the tip of his hardness. Slowly she closed her hand over him and stroked him sensually. They kept kissing and

touching each other until they could no longer take it. He then lifted her up like a feather toward the closed door of his wooden home. With her back pressed against the door, he entered her and they both seemed to explode with lust and satisfaction. As he drove deeper into her, the door creaked beneath their weight. They were both oblivious to it, their desire growing every second.

We all have experienced in life a nagging sense that we should have turned right instead of left. Fate is sometimes your worst nightmare and regularly makes decisions for you. It's not your fault, sometimes that's just the way it is. Christopher Evans was just a normal average everyday guy, making his way through life the best way he could and was doing fine. By accident, he is witness to two innocent people murdered by the leader of a smuggling ring. This was done in cold blood and in front of him. His past comes back to haunt him. Was it by chance? The feeling of hatred plus the need for revenge is taking him over. He gets his chance. But everything comes with a price. His journey takes him from the UK to Malaysia and Singapore. He has no choice but to put his trust in people that want this man as badly as he does.

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more

influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Where do I begin? Choosing to follow Christ is the best decision you could ever make. It's the start of a new life for you. Some parts of that new life may be clear to you right now. Then again, you may have some questions too: What does it mean to be "new"? Could I be good enough to go to heaven? What did Jesus do for me? How do I pray? What makes the Bible special? And how do I read it? What's God's plan for my life? What am I supposed to do now? If you're wondering where to begin, this book is for you. *It All Starts Here* is also available via e-book on [www.jonathanbrooker.com/ItAllStartsHere](http://www.jonathanbrooker.com/ItAllStartsHere). African American history as they engage in the concluding discussion questions. They will be challenged to make life better for themselves and for the people around them. Enter into this exciting, interactive experience all the way to its surprising finale!

When Nick Baxter has to choose whether or not to stand up for his religious beliefs against his college professor, he risks losing his chance to get into law school. But he just might win the heart of the girl of his dreams.

A small group of teachers from around the world start their careers in a new and exciting school in Mandalay, a city in northern Myanmar. They form lasting relationships with one another that shape and define the rest of their lives. From their students and each other they learn about love and life until one event, equally hopeful and tragic, sends cracks through the foundation of their community and threatens to bring everything crumbling down around them. In his debut novel, Michael Charles tells the poignant yet inspiring stories of these people. They arrive in Mandalay separately but leave intertwined. The grand spiraling conclusion brings the characters back together from across borders, grown and changed for a last bittersweet moment, one that all started in Mandalay.

During the 70 years of the Soviet era leaders created one of the most rigidly

controlled societies in history. Their objective was to mold citizens into docile conformists and devoted servants of the State. As an antidote to our personal freedoms they conditioned their citizens to distrust all foreigners since their goal was, by definition, to undermine Soviet power. An unrelenting propaganda assault glorified the virtues of their system and reinforced hostility toward any outside entity. The governing bureaucracy appeared monolithic but was actually extremely vulnerable. The system itself was defective; unwittingly it motivated individuals to bypass the strict application of the law and discover other techniques of coping. Russians exhibited a boundless creativity in circumventing regulations. Their deliverance lay in mastering a very inventive, humorous and witty approach to an existence that was otherwise grim beyond description. Russia is an endlessly fascinating land, unexpected and unpredictable, producing delight as well as despair. It consists of humane and warm-hearted people oppressed by endless years of a stultifying bureaucracy. But given the opportunity basic humanity would peek through the bureaucratic facade and manifest itself in ways sometimes benevolent, or humorous, or compassionate, but always endearing. The present review summarizes a number of adventures and experiences that personify these traits.
