The definitive study of arranging by America's premiere composer, arranger and conductor. A "must" for every musician interested in a greater understanding of arranging. Includes chapters on instrumentation, orchestration and Nelson Riddle's work with Sinatra, Cole and Garland.

Il film musicale italiano degli anni Sessanta è un capitolo significativo e ancora poco studiato della storia del cinema popolare nazionale. Questo libro offre la prima analisi a tutto campo dei cosiddetti musicarelli, una serie di film con i divi musicali dell'epoca (Mina, Adriano Celentano, Gianni Morandi, Rita Pavone) e la loro musica. Tra le pagine emerge il modo in cui i film musicali hanno saputo sfruttare i cambiamenti sociali ai tempi del boom economico e stabilire un dialogo con le nuove generazioni di spettatori appassionati. Attraverso molteplici prospettive d'analisi, lo studio si concentra sugli aspetti più rilevanti del filone: le routine produttive dei film a basso costo, le dinamiche economiche che ne spiegano il successo, le forme espressive e narrative. Da un lato la canzone è incorporata nel linguaggio audiovisivo, dall'altro usa il cinema per promuoversi e per rafforzare i riti che la riguardano. Il libro prende inoltre in considerazione le pratiche concrete, troppo spesso trascurate, alla base del consumo quotidiano dei film e delle canzoni, insieme alla capacità di questo cinema di raccontare un capitolo della storia dei giovani, in un decennio di trasformazione dei costumi e dei ruoli di genere.

Winner of the Europe Book Prize One of Europe's most preeminent investigative journalists travels to the Czech Republic—the Czech half of the former Czechoslovakia, the land that brought us Kafka—to explore the surreal fictions and the extraordinary reality of its twentieth century. For example, there's the story of the small businessman who adopted Henry Ford's ideas on productivity to create the world's largest shoe company—and hired modernist giants such as Le Corbusier to design his company towns (which were also the birthplaces of Ivana Trump and Tom Stoppard). Or the story of Kafka's niece, who loaned her name to writers blacklisted under the Communist regime so they could keep publishing. Or the story of the singer Karel Gott, winner of the country's Best Male Vocalist Award thirty-six years in a row, whose summer home, Gottland, is the Czech Dollywood. Based on meticulous research and hundreds of interviews with everyone from filmmakers to writers to pop stars to ordinary citizens, Gottland is a kaleidoscopic portrait of a resilient people living through difficult and often bizarre times—equally funny, disturbing, stirring and absurd . . . in a word, Kafkaesque. From the Hardcover edition.

A frank examination of Aretha Franklin, Mark Bego's definitive biography traces her career accomplishments from her beginnings as a twelve-year-old member of a church choir in the early 1950s, to recording her first album at the age of fourteen and signing a major recording contract at eighteen, right up through untimely passing in 2018. Originally positioned to become a gospel star in her father's Detroit church, Aretha had a privileged urban upbringing; stars such as Mahalia Jackson, Dinah Washington, and Sam Cooke regularly visited her father, Rev. C. L. Franklin. It wasn't long before she was creating a string of hits, from "Respect" to "Freeway of Love"; and becoming one of the most beloved singers of the twentieth century. This New York Times bestselling author's detailed research includes in-person interviews with record producers Jerry Wexler, Clyde Otis, and Clive Davis, Aretha's first husband, several of her singing star contemporaries, and a rare one-on-one session with Aretha herself. Every album, every accolade, and every heart-

breaking personal drama is examined with clarity and neutrality, allowing Franklin's colorful story to unfold on its own. With two teenage pregnancies and an abusive first marriage, drinking problems, battles with her weight, the murder of her father, and tabloid wars, Aretha's life was a roller coaster. This freshly updated and expanded biography will give readers a clear understanding of what made Aretha Franklin the "Queen of Soul."

The truth about Elvis's death from the doctor who spent eleven years as "the King's" personal physician, father-figure, and confidant - "Dr. Nick." Dr. Nichopoulos spent a decade with Elvis on the road and at Graceland, trying to maintain the precarious health of one of the world's greatest entertainers. But on August 16, 1977, he found himself in the ambulance with Elvis on that fateful last trip to the ER. He signed the death certificate. From that day forward, Dr. Nick became the focus of a media witch hunt that threatened his life and all but destroyed his professional reputation. Now, for the first time, Dr. Nick reveals the true story behind Elvis's drug use and final days—not the version formed by years of tabloid journalism and gross speculation. Put aside what you've learned about Elvis's final days and get ready to understand for the first time the inner workings of "the king of rock n' roll."

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. A first-class ticket to building key Italian language skills From the bestselling Read & Think series, this fully-illustrated guide brings the Italian language to life! In addition to introducing, developing, and growing key vocabulary, this book gives you an insider's look at Italian life—from Italy's coffee culture to regional festivals, and from biographies of famous Italians (from Leonardo to Sophia Loren) to articles on the history and gastronomy of the country. Including more than 100 engaging articles written by native Italian-speakers, each one provides a bilingual glossary on the same page, allowing you to learn without stopping to look up new or unfamiliar words. Each chapter contains several exercises to reinforce comprehension and the new premium edition features streaming audio recordings of more than 40 readings (70 minutes) and over 7,000 vocabulary items by flashcard, easily accessible online or on any mobile device, through the unique McGraw-Hill Language Lab app.

The definitive biography of the Queen of Soul from acclaimed music writer David Ritz, hailed by Rolling Stone as "a remarkably complex portrait of Aretha Franklin's music and her tumultuous life." Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher. Raised without her mother, she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York, where she struggled to find her true

voice. It was not until 1967, when a white Jewish producer insisted she return to her gospel-soul roots, that fame and fortune finally came via "Respect" and a rapidfire string of hits. She has evolved ever since, amidst personal tragedy, surprise Grammy performances, and career reinventions. Again and again, Aretha stubbornly finds a way to triumph over troubles, even as they continue to build. Her hold on the crown is tenacious, and in *Respect*, David Ritz gives us the definitive life of one of the greatest talents in all American culture. "Comprehensive and illuminating." --USA Today

Popular music grew out of ragtime, vaudeville and the blues to become global mass entertainment. Women like Ma Rainey and Bessie Smith were the original pop divas, yet eighty years after they blazed a trail, have their successors achieved the recognition and affirmation they deserve? Or has the only way to success been to slot into saleable images of the cute baby or sexy chanteuse? This is the story of women as creators and innovators, aiming to provide a history of women in rock, pop and soul - on stage, on camera and working behind the scenes in a male-dominated industry. This edition contains an extra chapter and interviews covering trends such as Girlpower.

«Mi manca tutto di te. Anche i momenti di eroica fragilità che contribuivano a renderti sempre più grande. Ti volevo e ti voglio bene.» Adriano Celentano «Era un uomo profondamente vivace. Ecco: uno che viveva senza risparmi e senza paura di esaurire l'entusiasmo. Un vero testimone della musica, uno che per la musica ha vissuto.» Francesco Guccini

Lucio Dalla è uno dei più grandi musicisti italiani di sempre. Riservatissimo nella sua vita privata, ha invece sempre dato tutto di sé nei concerti, nei dischi e nelle apparizioni pubbliche. Finalmente un libro racconta la sua vita e le sue opere, grazie anche alle testimonianze di chi lo ha conosciuto. Una vita intensa e sempre vissuta controcorrente che lo ha portato a diventare un classico della nostra cultura nazionale «È da quello squarcio di cielo e di cuore che vi ascolterò anche quando nessuno mi vorrà ascoltare, che vi cercherò ancora anche se non mi verrete più a cercare. È da lì in alto, fino a quando ci sarà una finestra, che il mio cuore continuerà a cantare.» Lucio Dalla

La maggior parte del contenuto di questa opera proviene da Wikipedia. Sorge allora spontanea la domanda: perché acquistarla? La risposta è semplice. Si è fatto per voi il lavoro di ricerca di tutte, o quasi tutte (non si ha la presunzione di essere esaustivi) le attrici che hanno lavorato, direttamente o indirettamente, nella cinematografia italiana negli anni 70. Alcune voci non provengono da Wikipedia. L'opera, nella versione illustrata in otto volumi, è stata arricchita da numerose immagini, hot e non, che su Wikipedia non troverete. Il piacere infine di avere l'opera in formato completo senza dover fare lunghe ed estenuanti ricerche sul web. Di questa opere esistono le seguenti versioni: Versioni non illustrate in eBook (985 pagine) Formato Cartaceo: Volume Primo pagine 550 Volume Secondo pagine 626 Versioni Illustrate in eBook (volumetti di circa 200 pagine ciascuno) Le Favolose Attrici Sexy degli Anni Settanta – Parte Prima Le Favolose Attrici Sexy degli Anni Settanta – Parte Seconda Le Favolose Attrici Sexy degli Anni Settanta – Parte Terza Le

Interviews with fifty-six great operatic divas of the twentieth century illuminate their lives, their art, and the world of modern opera

The Castrato is a nuanced exploration of why innumerable boys were castrated for singing between the mid-sixteenth and late-nineteenth centuries. It shows that the entire foundation of Western classical singing, culminating in bel canto, was birthed from an unlikely and historically unique set of desires, public and private, aesthetic, economic, and political. In Italy, castration for singing was understood through the lens of Catholic blood sacrifice as expressed in idioms of offering and renunciation and, paradoxically, in satire, verbal abuse, and even the symbolism of the castrato's comic cousin Pulcinella. Sacrifice in turn was inseparable from the system of patriarchy—involving teachers, patrons, colleagues, and relatives—whereby castrated males were produced not as nonmen, as often thought nowadays, but as idealized males. Yet what captivated audiences and composers—from Cavalli and Pergolesi to Handel, Mozart, and Rossini—were the extraordinary capacities of castrato voices, a phenomenon ultimately unsettled by Enlightenment morality. Although the castrati failed to survive, their musicality and vocality have persisted long past their literal demise.

The Instant #1 New York Times Bestseller The global icon, award-winning singer, songwriter, producer, actress, mother, daughter, sister, storyteller, and artist finally tells the unfiltered story of her life in The Meaning of Mariah Carey It took me a lifetime to have the courage and

the clarity to write my memoir. I want to tell the story of the moments - the ups and downs, the triumphs and traumas, the debacles and the dreams, that contributed to the person I am today. Though there have been countless stories about me throughout my career and very public personal life, it's been impossible to communicate the complexities and depths of my experience in any single magazine article or a ten-minute television interview. And even then, my words were filtered through someone else's lens, largely satisfying someone else's assignment to define me. This book is composed of my memories, my mishaps, my struggles, my survival and my songs. Unfiltered. I went deep into my childhood and gave the scared little girl inside of me a big voice. I let the abandoned and ambitious adolescent have her say, and the betrayed and triumphant woman I became tell her side. Writing this memoir was incredibly hard, humbling and healing. My sincere hope is that you are moved to a new understanding, not only about me, but also about the resilience of the human spirit. Love, Mariah
