NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

In this pioneering new work, celebrated historian David Nasaw examines the life of Joseph P. Kennedy, the founder of the twentieth century's most famous political dynasty. Drawing on never-before-published materials from archives on three continents and interviews with Kennedy family members and friends, Nasaw tells the story of a man who participated in the major events of his times: the booms and busts, the Depression and the New Deal, two world wars and the Cold War, and the birth of the New Frontier. In studying Kennedy's life, we relive the history of the American century. "Riveting . . . The Patriarch is a book hard to put down . . . As his son indelibly put it some months before his father was struck down: 'Ask not what your country can do for you - ask what you can do for your county.' One wonders what was going through the mind of the patriarch, sitting a few feet away listening to that soaring sentiment as a fourth-generation Kennedy became president of the United States. Finalist for the 2016 Man Booker Prize Winner of the 2016 Paris Review Plimpton Prize for Fiction A magnificent and ambitiously conceived portrait of contemporary life, by a genius of realism Nine men. Each of them at a different stage in life, each of them away from home, and each of them striving--in the suburbs of Prague, in an overdeveloped Alpine village, beside a Belgian motorway, in a dingy Cyprus hotel--to understand what it means to be alive, here and now. Tracing a dramatic arc from the spring of youth to the winter of old age, the ostensibly separate narratives of *All That Man Is* aggregate into a picture of a single shared existence, a picture that interrogates the state of modern manhood while bringing to life, unforgettably, the physical and emotional terrain of an increasingly globalized Europe. And so these nine lives form an ingenious and new kind of novel, in which David Szalay expertly plots a dark predicament for the twenty-first-century man. Dark and disturbing, but also often wickedly and uproariously comic, *All That Man Is* is notable for the acute psychological penetration Szalay brings to bear on his characters, from the working-class ex-grunt to the pompous college student, the middle-aged loser to the Russian oligarch. Steadily and mercilessly, as this brilliantly conceived book progresses, the protagonist at the center of each chapter is older than the last one, it gets colder out, and *All That Man Is* gathers exquisite power. Szalay is a writer of supreme gifts--a master of a new kind of realism that vibrates with detail, intelligence, relevance, and devastating pathos.

He's tried diets, gurus, and cuddling with his military-grade Israeli guard dogs, but nothing seems to lift the cloud of emptiness and ennui. Even the sage advice of his best friend, actor and dinosaur skull collector Nicolas Cage, isn't enough to pull Carrey out of his slump. But then Jim meets Georgie: ruthless ingénue, love of his life. And with the help of auteur screenwriter Charlie Kaufman, he has a role to play in a boundary-pushing new picture that may help him uncover a whole new side to himself—finally, his Oscar vehicle! Things are looking up! But the universe has other plans. *Memoirs and Misinformation* is a fearless semi-autobiographical novel, a deconstruction of persona. In it, Jim Carrey and Dana Vachon have fashioned a story about acting, Hollywood, agents, celebrity, privilege, friendship, romance, addiction to relevance, fear of personal erasure, our "one big soul," Canada, and a cataclysmic ending of the world—apocalypses within and without.

For years I have carried the guilt of my grandfathers death. If I had told Momma, Daddy, Nana or even Papa himself about the shadow that I was seeing around him or the bad that I felt coming from him that night when I touched him. Then maybe Papa would have lived. When I first began to have the Premonitions of Matt's death and when I realized that it was the same as what I saw and felt with Papa that night it scared me more than anything has since Papa left. The weekend that this all began I really thought it was my punishment for letting Papa die I thought that I was in some kind of Purgatory. Now Purgatory or even Hell would seem like a picnic in a park. With all Matt and I have been through in these months trying to stay together, Matt is the love of my life, my soul mate, my angelic prince; he's my breathe, my oxygen and my every heartbeat, but I sit here waiting to become a fifteen year old widow, though our parents have never acknowledged our marriage. If I don't fight my fears of Daddy's reaction and do

Doris Lessing's contemporary gothic horror story—centered on the birth of a baby who seems less than human—probes society's unwillingness to recognize its own brutality. Harriet and David Lovatt, parents of four children, have created an idyll of domestic bliss in defiance of the social trends of late 1960s England. While around them crime and unrest surge, the Lovatts are certain that their old-fashioned contentment can protect them from the world outside—until the birth of their fifth baby. Gruesomely goblin-like in appearance, insatiably hungry, abnormally strong and violent, Ben has nothing innocent or infant-like about him. As he grows older and more terrifying, Harriet finds she cannot love him, David

cannot bring himself to touch him, and their four older children are afraid of him. Understanding that he will never be accepted anywhere, Harriet and David are torn between their instincts as parents and their shocked reaction to this fierce and unlovable child whose existence shatters their belief in a benign world.

"It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." So begins this epic, mesmerizing first novel by Gregory David Roberts, set in the underworld of contemporary Bombay. Shantaram is narrated by Lin, an escaped convict with a false passport who flees maximum security prison in Australia for the teeming streets of a city where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter Bombay's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader

Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas---this huge novel has the world of human experience in its reach, and a passionate love for India at its heart. Based on the life of the author, it is by any measure the debut of an extraordinary voice in literature.

In this “little gem” (Washington Independent Review of Books), Pulitzer Prize–winning columnist and New York Times bestselling author Dave Barry learns how to age happily from his old but joyful dog, Lucy. As Dave Barry turns seventy—not happily—he realizes that his dog, Lucy, is dealing with old age far better than he is. She has more friends, fewer worries, and way more fun. So Dave decides to figure out how Lucy manages to stay so happy, to see if he can make his own life happier by doing the things she does (except for drinking from the toilet). He reconnects with old friends and tries to make new ones—which turns out to be a struggle, because Lucy likes people a lot more than he does. And he gets back in touch with two ridiculous but fun groups from his past: the Lawn Rangers, a group of guys who march in parades pushing lawnmowers and twirling brooms (alcohol is involved), and the Rock Bottom Reminders, the world’s oldest and least-talented all-author band. With each new lesson, Dave riffs hilariously on dogs, people, and life in general, while also pondering Deep Questions, such as when it’s okay to lie. (Answer: when scallops are involved.) Lessons From Lucy shows readers a new side to Dave Barry that’s “touching and sentimental, but there’s still a laugh on every page” (The Sacramento Bee). The master humorist has written a witty and affable guide to joyous living at any age.

After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on *Arrested Development* and the role of "David" in *Mr. Show With Bob And David*, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque
