She Is Haunted Paige Clark,2022-05-17 * Readings Prize for New Australian Fiction, Shortlist * 2022 Stella Prize, Longlist A Best Book of the Year —The Guardian A Most Anticipated book of 2022 —Entertainment Weekly With an unforgettable voice and exuberant wit, *She Is Haunted* is a masterful debut exploring issues of identity, connection, and loss, told with remarkable grace and assurance by Chinese/American/Australian author, Paige Clark. In stories charged by the complexities of mother-daughter relationships, grief, exes, and the profundities of friendship, *She Is Haunted* features injured ballerinas, cloned dogs, and competitive call centers in settings as far ranging as future and present Australia, New York City's Chinatown, and suburban California. A mother cuts her daughter's hair because her own hair begins falling out; a woman attempts to physically transform into her dead husband so that she does not have to grieve; a woman undergoes brain surgery in order to live more comfortably in extreme temperatures. Braiding the real and the surreal, both playfully witty and deeply insightful, these stories show us characters striving to make sense of the grand themes of family, love, death, and our changing world. *She Is Haunted* flags Paige Clark as a wondrous and wise new literary talent.

Faye has been taking photos since she was a small child, taught by her photographer grandfather, after spending hours in the strange blood-red light of his darkroom. Now Faye specializes in what one reviewer calls, blood-and-guts journalism. Her first book of photos is as celebrated as it is controversial--and as harrowing. Faye convinces her editor to send her to Afghanistan and the Congo to report on the acid burnings, the machete attacks, and the women survivors. Yet that series of assignments--each darker and more dangerous than the next--brings Faye closer to her both her own demons and to the family secrets that still haunt her and threaten to destroy her and the woman she loves. There's a reason that Seth Thomas, a successful defense attorney, is often referred to as the Bulldozer. If something needs to happen, he makes it happen. That includes being part of his baby's life--even if he never expected to be a father, even if Erin doesn't really trust him. They'll work out an arrangement in the best interest of their baby--and if they occasionally have sex, well, that's just an added perk--but they both agree on one thing. What they have will never be love.
