Former Navy SEAL Travis Blake is a rising star in the security business. In two short years, Blake Security Inc. has become highly sought after by the who's who in Washington DC. But unbeknownst to many, Travis is haunted by the mysterious death of his wife three years before. He carries with him the guilt of not being there to protect the one person who meant everything to him. He has buried his wife, but his heart refuses to accept that the body six feet under is hers. His obsessive search for her leads him deep into the trenches of covert ops--where everything is not what it seems. Caitlin Kincaid has been on the run for a while. The sum of her memories began three years ago when she awakened with a broken arm and leg and a severe concussion. Hunted down by a secret group within the U.S. government, her companion persuades her to stay off the grid because of the standing kill order on their heads. One night, while fleeing assassins, she is left on the side of the road with a cryptic message: "It's time for you to stop running. I'm not the one you love." When Travis receives news that the woman who has turned up at the American Embassy in Berlin could be his wife, he wastes no time getting to her. He is unprepared for the devastation that shreds him when Caitlin looks at him with no recognition in her eyes. Amnesia is a challenging enough obstacle for winning the love of his life back, but with lies defining the past three years of her life, Caitlin becomes wary of anyone's help. Love was never the problem. A marriage cannot survive without trust. As sinister forces threaten the bond they are trying to rebuild, trust must come quickly or one of them will die. Once She Slipped Through His Fingers. . . Aidan York has spent ten years mourning the woman he once loved and lost. He's filled the void in the only way he knows--by distracting himself with wild behavior and scandalous trysts. It's a hollow existence, but it dulls the pain. Until the day he encounters a ghost: the woman he thought drowned at sea, alive and as enchanting as ever. . . Now He'll Keep Her In His Arms. . . When Kate Hamilton sees the man she once hoped to spend her life with, she is hit with a storm of memories and longing. But though resisting Aidan's passion proves impossible, Kate must try not to love him all over again. For her seemingly quiet London life shields a dangerous secret, one that will catch up to her the moment she lets herself fall. . . It should be an easy rule to follow - don't bang your boss... But I didn't know who he was when I met him. And the first time I saw him, our connection sounded like the stuff of romantic legends -- that whole "their eyes locked across a crowded room" moment that turned into more. I didn't believe it. . . . until it happened to me. Fine, the charming, clever, sexy-as-sin guy in the tailored suit was only trying to buy the same Snoopy lunchbox (as a gift!), but still, our eyes totally locked, and my lady parts definitely tingled as we vied for the prize. Naturally, I did what any badass business woman would do. Negotiated for the lunchbox, then found my what-if guy online and made plans to see him the next night. One night only -- that was the deal we made. But one fantastic night had us both changing our minds in the morning. And making plans for another. Until I walked into the office to learn he just bought my company. And here's the biggest rule of romantic legends -- no matter what, don't bang your boss. Especially if you're already falling for him. THE WHAT IF GUY is a sexy standalone you can escape into! The other standalone romances in The Guys Who Got Away series include Dear Sexy Ex Boyfriend and Thanks For Last Night, with A Guy Walks Into My Bar as an MM standalone spin-off! A sexy, emotional, heart-stopping romance novel from #1 New York Times Bestselling author Lauren Blakely... Ten years ago, I let the love of my life slip through my fingers. It's my greatest regret, especially since she's all but disappeared. When she walks back into my world unexpectedly, I have one mission — win her back. Whatever it takes. But the gorgeous, brilliant, tough-as-iron Shannon has secrets of her own, and a family past she's trying to escape. Slowly but

surely, I break down her walls over our sinful nights together, with a connection more passionate than ever, an intimacy more fiery than it was before. But the past can only stay behind you for so long. And when the people who want a piece of her family start circling her, I'll have to prove I'm the man to protect her from her suddenly dangerous present. MY SINFUL NIGHTS is a reimagining of the 2015 story SWEET SINFUL NIGHTS (no longer available for sale). MY SINFUL NIGHTS has been rewritten in first person with an entirely new romance for Shannon and Brent, new characterizations and new conflict in this second chance romance!

A book filled with poems of falling in and out of love. Learning to love someone and losing them. Having the hope they will love you again someday. Feeling all of the passion of finally loving one person that you know it the one.

A sweeping, second chance standalone romance! I was pretty good at living without regrets until a way too close call during a skydive. Instead of my life flashing before my eyes, I saw one face, one regret that's been gnawing at me ever since—Presley. The woman I loved madly ten years ago. The woman I had to walk away from. At first, all I want is to sort out why I can't get her out of my head. But as soon as I see Presley again, I know I have to win her back at any cost. Brilliant, captivating and utterly beautiful, she's the one I want. Fate steps in when we're asked to pair up to find a treasure in art and antiques. It's an opportunity I can't pass up—to uncover a path back to the woman I let get away while we chase down a love story a hundred years in the making. Trouble is, Presley is tougher now, more wary, and she's been hurt. By me. So it's going to take a whole lot more than one hot kiss and a wild adventure together to convince her to give me a second chance.

In the treacherous City of Temple where supernaturals and humans intertwine, only the most cunning will survive. At odds for years, the ArcKnight and MarkTier wolf packs of Temple must work together against a new threat before all is lost and everything they've built falls to ruin.
