

## Ivan Gideons Riders Book 3

Caution: these stories are not meant to stand alone. The Beyond Happily Ever After stories are vignettes and outtakes showing the O'Kanes in their daily lives, in between the adventures and often after their happy endings. These stories were written exclusively for readers and fans of the series, and will probably not make very much sense to anyone not familiar with the characters. This collection includes thirteen stories originally voted on by members of our Patreon. Each is only 1000-2500 words long and features a slice of life for characters in and around the Sectors. \* Creative Incentives (Cruz, Ace & Rachel)\* Cravings (Noelle & Jasper)\* Dessert (Hawk & Jeni)\* Ravished (Finn & Trix)\* 6th Sense (Ashwin & Kora)\* Efficient (Mia & Ford)\* Memorial (Noah & Emma)\* Fierce Protector (Hawk, Jeni & Finn)\* A Little Bad (Tatiana & Zan)\* Makhai (Samson)\* Flash (Flash, Amira & Hana)\* Diplomacy (Gideon & Six)\* ZOMBIES!!! (Laurel & Zeke)

A dangerous world of sex, lust and violence... All Noelle Cunningham has ever wanted is a life beyond—beyond the walls of Eden, where only the righteous are allowed to remain, and beyond her stiflingly restrictive existence as a councilman's daughter. But only ruins lie outside the City, remnants of a society destroyed by solar storms decades earlier. The sectors surrounding Eden house the corrupt, the criminal—men like Jasper McCray, bootlegger and cage fighter. Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader, and he'll defend the O'Kane gang with his life. But no fight ever prepared him for the exiled City girl who falls at his feet. Her innocence is undeniable, but so is their intense sexual attraction, and soon they're crossing every boundary Noelle barely knew she had. But if she wants to belong to Jas, first she'll have to open herself to a world where passion is power, and freedom is found in submission.

Deal with the Devil is Orphan Black meets the post-apocalyptic Avengers by USA Today and New York Times bestselling author duo Kit Rocha. Nina is an information broker with a mission—she and her team of mercenary librarians use their knowledge to save the hopeless in a crumbling America. Knox is the bitter, battle-weary captain of the Silver Devils. His squad of supersoldiers went AWOL to avoid slaughtering innocents, and now he's fighting to survive. They're on a deadly collision course, and the passion that flares between them only makes it more dangerous. They could burn down the world, destroying each other in the process... Or they could do the impossible: team up. This is the first book in a near-future science fiction series with elements of romance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ana has trained most of her life to achieve one goal: to prove that anything men can do, she can do better. Now she's Sector One's first female Rider, and being the best is the only way to ensure she won't be its last. Distractions aren't allowed--especially not her painful attraction to the reserved but demanding leader whose stern, grumpy demeanor has already gotten into her head. Deacon has spent the last twenty years trying to atone for his past, but the blood he spilled as a mercenary and assassin will never wash away entirely. If his Riders knew the extent of his sins, he'd lose their trust and respect. It's easier to keep them all at arm's length, especially Ana. But his newest recruit's stubbornness is starting to crack his defenses. And their sparring matches

are driving him wild. The passion sparking between them can't be denied, but neither can the vengeance barreling toward Deacon. When his old squad comes back to punish him for his betrayal, Ana and the Riders are squarely in the line of fire. The only way to save his people may be to make the ultimate sacrifice. But first, he has to convince Ana not to follow him straight into hell. Praise for Book #1 in Gideon's Riders "There's a lot riding on Ashwin, a lot expected of the first novel in a new series by a popular author that makes it a tricky, tight rope to walk. Kit Rocha deftly skips down that line with skill, respect, crushing emotions, and breath-taking imagination." — Heroes & Heartbreakers "Ashwin gives readers a seemingly impossible romance while continuing to entice readers to join them in this new world that celebrates love, laughter, and life." — Smexybooks "For me this first book in the new series was just as consuming and addicting as its predecessors. I'm so ready for what comes next. Deacon? Deacon and Ana? Yes, please. Gimme." — FictionVixen

Two years ago, he took my innocence and ran, Luckily for me, he's a slow runner. He doesn't know that he gave me the most beautiful gift in the world - my son. I'm going to give him a gift too - revenge! And if he's thinking he can get me and my son... Well, he can go take a walk! She's my best friend's little sister. I should never have touched her. But I did. She was hot. She was fun. She was begging me for it. So I gave it to her... all night long. I told her I loved her. I promised her the moon and stars. I meant every word. Then I vanished. I couldn't tell her why. I still can't. We haven't talked since. But I saw her yesterday. She's still hot enough to stop traffic, Even with a kid. She's got secrets, but so do I. I know she still wants me, but she's not begging this time. This time she wants me to beg. But I don't beg. I take. And I'm taking Jessi. Secrets and all.

She's been looking for the perfect man. She found two. When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her place in the powerful Sector Four gang. But the former crime princess is tired of being everyone's sweet little sister . It's time for her to get wild, to embrace her fantasies as only an O'Kane can—with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. A saint... Lorenzo Cruz is a warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. In Sector Four, he finds decadence, shameless sex—and his own dark urges. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. ...and a sinner. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession, a need he can't deny—and a love he never imagined. Three hearts on the line means a hundred ways their ménage a trois could go wrong. After all, even O'Kanes do forever two-by-two. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart.

Used as a text internationally, Exploring Worship lays a scriptural foundation for understanding what praise and worship really is, and then provides a practical framework for implementing praise and worship at the local church level. This is one of the foremost worship texts used today by Bible Schools, Universities, and local church worship ministries. The "Revised/Updated version" makes Exploring Worship once again a relevant equipping tool to today's worshipers. "I am totally unaware of a more

comprehensive treatment of this subject in any book, including those of mine. It should be read by all worshipers, and should be required study for all who aspire to lead congregational worship." - Dr. Judson Cornwall, from the foreword

This collection explores the different ways that intellectuals, scholars and institutions have sought to make history Jewish by discussing the different methodological, research and narrative strategies involved in transforming past events into part of the larger canon of Jewish history.

Dick Rosenbaum, born to a Jewish immigrant family in 1930s upstate New York, first met with discrimination as a young boy. Intensifying his personal struggle was the onset of alopecia hair loss at age 8. Through his new autobiography we learn that Dick Rosenbaum not only beat the odds but actually turned his hair condition into a major asset which he used to enhance his career throughout his remarkable life. Rosenbaum traces his career as a Cornell Law student, a practicing attorney in Rochester, New York, and then head of his county's Republican Committee, which segued into a nomination as the youngest New York Supreme Court Judge in history. Quickly advancing to the pinnacle of state politics in the 1970s, Rosenbaum was appointed chairman of the New York Republican Party by millionaire Governor Nelson Rockefeller. This valuable connection would give Rosenbaum entrée into national politics when Rockefeller assumed the vice presidency under Gerald Ford. Rosenbaum's achievements are punctuated by his frank reflections on lessons learned from failed runs for the New York governorship, his return to practicing law in the private sector, and the challenges of balancing family life with public service. Dick Rosenbaum narrates each moment with his characteristic booming enthusiasm and candid anecdotes, while sharing thoughtful insights derived from witnessing the shakeups of some 45 years of American political life. Rosenbaum's journey is a unique portrait of self-made success.

IvanKit Rocha

The final book in the bestselling, award-winning series... She's the heart of O'Kane liquor. For years, Nessa has been focused on work. She keeps the whiskey-and the money-flowing, and life is sweet. Sure, she's tired of being everyone's baby sister, and she longs for a man who can stand up to her overprotective O'Kane brothers. But she never thought she'd meet him in the middle of a war. He's the brains of the revolution. War is all Ryder knows. He was raised with one goal: to ensure the sectors' successful rebellion against Eden. His father and his mentor both died for freedom, and nothing will stop him from securing their legacies with victory. He doesn't have time for distractions-especially beautiful, impulsive ones like Nessa. Opposites don't just attract, they combust. Together, Nessa and Ryder have a chance for something more than the lives they've always known. But this is war-deadly, bloody war-and the only way to happily-ever-after is straight through Eden. ? The Beyond Series is dystopian erotic romance. While the books explore kink and sex with multiple partners in a dark and decadent world, all sex between characters is 100% consensual.

Dear Mr. Black, I know you were hurting. I heard your cries. I wished over and over again that I could make it better, but as you stated I was too inexperienced; too good for someone as bad as you. Perhaps you were right, but it didn't matter because what I did know was that I loved the way you felt--loved the way you smelled. I loved how hard you got for me, and when you called me your Little Knight. I can still remember that day in the park, when you held me close and kissed me deep. How you effortlessly made me cry your name on top of sweet smelling grass, making me feel like the only girl in the world. I loved how you looked at me, how you spoke to me. I had been madly in love with you ever since I was twelve years old, but I shouldn't have been. Isabelle would have hated it--my best friend. I couldn't afford to lose her. Besides, you two had already lost enough. Losing Mrs. Black was the epitome. It's Chloe Knight. I wanted to be there for you no matter what, but Isabelle needed me too. And she would have hated me if she ever found out I was sleeping with her father. \*\* Tainted Black is a forbidden love-story about a girl who helplessly falls for her best friend's father. After a tragic accident ends the life of Theo Black's wife, he turns to the one person he has always found interesting. Chloe Knight, the girl from across the street, his daughter's best friend, and a person that is considered completely off limits for him. \*\*

“Carter's writing style is absolutely brilliant.” —The Romance Reviews A high-flying investor New Yorker Jake Harrington loves a lot of things about living in London. His lucrative hedge fund job. The way British women melt at the sound of an American accent. His just-sex arrangement with his gorgeous roommate, Jess. And, oh yes, being thousands of miles away from the girl who betrayed him. His sexy British flatmate Jess's deal with Jake suits her fine. No commitments, no risk of being hurt again, just friendship and mindblowing pleasure. And friends do each other favors, like agreeing to go on a trip to New York where Jake will have to face his past. And a vacation that will change everything... What friends shouldn't do? Suddenly find themselves feeling something much more complicated than simple lust. When “no strings” is no longer enough, will Jake be willing to take the ultimate gamble?

The O'Kanes have a reputation for working hard and playing harder—except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with Eden. It's been years since he had the luxury of wanting anything for himself. Now, he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night—forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected—a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous pleasure they discover is how right it feels. But falling in love is even more reckless when forever is far from guaranteed. Because they aren't just at war, they're out of time—and

every breath could be their last.

The Mercenary Librarians and the Silver Devils are back in *The Devil You Know*, the next installment of USA Today and New York Times bestselling author Kit Rocha's post-apocalyptic Action/Romance, with hints of *Orphan Black* and the *Avengers* Maya has had a price on her head from the day she escaped the TechCorps. Genetically engineered for genius and trained for revolution, there's only one thing she can't do—forget. Gray has finally broken free of the Protectorate, but he can't escape the time bomb in his head. His body is rejecting his modifications, and his months are numbered. When Maya's team uncovers an operation trading in genetically enhanced children, she'll do anything to stop them. Even risk falling back into the hands of the TechCorps. And Gray has found a purpose for his final days: keeping Maya safe. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Before they were the King and Queen... Six years before the *Beyond* series started, an ambitious bootlegger named Dallas O'Kane caught a very pretty thief named Lex with her hand in his safe. The rest is very sexy history. In *Beyond Forever*, follow Dallas and Lex through the turning points in their relationship, from the night he caught her trying to rob him, through his rise to successful bootlegger, to legend, to Sector Leader--with Lex always there, willing to give him the push he needs. *Beyond Forever* is a prequel novella that jumps through time to tell the story of the biggest moments in the formation of the O'Kanes and their King and Queen. It will be far more enjoyable if you've already read *Beyond Control*, and contains spoilers for the entire *Beyond* series.

"The ice is a cold mistress. As the league's most eligible goalie, Max Fournier has access to his fair share of willing puck bunnies, but right now he's more interested in bringing home another championship than a one-night stand. A romantic at heart, Max believes in love; he's just not great at relationships. So when he finally meets a nice girl who's not blinded by his celebrity, he's feeling the heat--and the pressure to save her from herself. Between working two jobs and raising her sister's kids, Julianne Bradley doesn't have time for sports--or men. All she knows about Max is that he's the sexiest customer to ever grace her gas-station counter. And he sees past her tired eyes and makes Jules yearn for things she can't have: a glamorous fling, a passionate lover, and the time to enjoy both. Max makes her feel like Cinderella, even though Jules has enough baggage to crush a glass slipper. Luckily, he's no prince--only a fierce competitor determined to win her heart"--Page 4 of cover.

Memoir of the life of Dr. Gladys B. West, a black woman who played an integral role in the development of the GPS.

She refuses to be owned. Alexa Parrino escaped a life of servitude and survived danger on the streets to become one of the most trusted, influential people in Sector Four, where the O'Kanes rule with a hedonistic but iron fist. Lex has been at the top for years, and there's almost nothing she wouldn't do for the gang...and for its leader. Lie, steal, kill—but she bows to no one, not even Dallas O'Kane. He'll settle for nothing less. Dallas fought long and hard to carve a slice of order out of the chaos of the sectors. Dangers both large and small threaten his people, but it's nothing he can't handle. His liquor business is flourishing, and new opportunities fuel his ambition. Lex could help him expand his empire, something he wants almost as much as he wants her. And no one says no to the king of Sector Four. Falling into bed is easy, but their sexual games are anything but casual. Attraction quickly turns to obsession, and their careful dance of heady dominance and sweet submission uncovers a need so deep, so strong, it could crush them both.

Gideon's Riders Book #3.

'I have tried to write my life as if I were confessing to a priest, a philosopher, and a wise old woman. I have tried to write as if I were going to

be executed when it was finished. I have tried to write it as if I were both God and Devil.' One is tempted to say only John Cowper Powys could have written that, and, beyond doubt, only John Cowper Powys could have written the idiosyncratic and spellbinding work we have here. Yes, he was influenced by Yeats and Rousseau, especially the latter's Confessions, but there is no other work quite like this. It seems almost too pedestrian to say it covers the first sixty years of his life (he lived for another thirty years) and to say anything about them, as J. B. Priestley memorably put it, 'would be like turning on a tap before introducing people to Niagara Falls.' J. B. Priestley also said 'It is a book which can be read, with pleasure and profit, over and over again. It is in fact one of the greatest autobiographies in the English language. Even if Powys had never written any novels, this one book alone would have proved him to be a writer of genius.'

The explosive 7th book in the bestselling BEYOND series. The sectors will never be the same... Adrian Maddox fled his royal life—and tragic past—in Sector One, choosing instead to join up with the O'Kanes. For years, he's lived by one rule: love fast, love hard, and always be willing to walk away. He's managed to guard his heart, keep it whole and untouched—until now. They couldn't be more different—Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone he's ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations—and leaves the sectors on the verge of all-out war with Eden. It's the biggest fight the O'Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted—or lose it all. Including their lives.

Sin never tasted so sweet. Carter My squad of single billionaires and I converge on Lake Tahoe for our annual winter retreat, but we arrive ahead of the entertainment--a private jet full of Milan supermodels. I don't plan on having a raunchy men's room booty call with Missy, a curvy waitress at the only diner on the way to our private lodge. Our attraction is far off the charts. Who can blame me for wanting more? Except, that realization causes me to break my 'one-session only' rule for the first time ever. For Missy. Author's Notes - His Naughty Waitress is a standalone romance short story with no Cliffhanger and a happy for now ending. - The Insta-Love on the Run series includes quick and sinfully steamy contemporary romance standalones you can devour on the run! Each book is a short burst of explosive romance that'll consume you for up to two hours. Find your dose of love from the very first page. Search Terms: Billionaire, billionaire romance, young adult romance, romantic suspense, good girl, bad boy romance, contemporary romance, three way, hostage, dark, dark romance, mafia, betrayal, organized crime, military, military thriller, thriller, suspense, billionaire suspense, rich ceo, kidnap, alpha male, action adventure, bbw, curvy, fantasy, menage love triangle, secret baby, pregnancy, bad boy military, second chance romance, marriage, threesome. ICD-10-CM 2018: The Complete Official Codebook provides the entire updated code set for diagnostic coding. This codebook is the cornerstone for establishing medical necessity, determining coverage and ensuring appropriate reimbursement.

For the first time, the 92-metre frieze of the Voortrekker Monument in Pretoria, one of the largest historical narratives in marble, has been made the subject of a book. The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the 'Great Trek' (1835-52) represents a crucial period of South Africa's past. Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made. The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid, as well as its place in post-apartheid heritage. The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument. Based on unpublished documents, drawings and models, these processes are unfolded step by step, from the earliest discussions of the purpose and content of the frieze, through all the stages of its design, to its shipping to post-war Italy to be copied into marble from Monte Altissimo, up to its final installation in the Monument. The book examines how visual representation transforms historical memory in what it chooses to recount, and the forms in which it is depicted. The second volume expands on the first, by investigating each of the twenty-seven scenes of the frieze in depth, providing new insights into not only the frieze, but also South Africa's history. François van Schalkwyk of African Minds, co-publisher with De Gruyter writes: *From Memory to Marble* is an open access monograph in the true sense of the word. Both volumes of the digital version of the book are available in full and free of charge from the date of publication. This approach to publishing democratises access to the latest scholarly publications across the globe. At the same time, a book such as *From Memory to Marble*, with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials, demands reception of a more traditional kind, that is, on the printed page. For this reason, the book is likewise available in print as two separate volumes. The printed and digital books should not be seen as separate incarnations; each brings its own advantages, working together to extend the reach and utility of *From Memory to Marble* to a range of interested readers.

For years, Jared has existed on the fringes of both Eden society and Dallas O'Kane's Sector Four gang. He travels between these worlds, protected by his money and power--money he earned selling his body, and power that comes from knowing secrets. He's untouchable—until he starts a new life gathering intelligence for the O'Kanes. Lili Fleming walked out of Sector Five with a gun, the bloodstained clothes on her back, and an icy determination to survive. She finds herself in a world where people live hard and love harder, and nothing's more terrifying than how much the O'Kanes wake her up, make her feel—especially Jared. Emotion is a risk he can't afford, and a complication she doesn't need. But neither can resist the lust simmering between them, and the sparks that could either melt the ice around both their hearts...or get them killed. Because the only thing more dangerous than loving an O'Kane is loving a spy.

From the bestselling author of *Fear and Loathing in Las Vegas*, the legendary Hunter S. Thompson's second volume of the

“Gonzo Papers” is back. Generation of Swine collects hundreds of columns from the infamous journalist’s 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, Generation of Swine is vintage Thompson—eerily prescient, incisive, and enduring.

The Dark Protectors are Back! Vampire Ronan Kayrs wasn’t supposed to survive the savage sacrifice he willingly endured to rid the world of the ultimate evil. He wasn’t supposed to emerge in this time and place, and he sure as hell wasn’t supposed to finally touch the woman who’s haunted his dreams for centuries. Yet here he is, in an era where vampires are hidden, the enemy has grown stronger, and his mate has no idea of the power she holds. Dr. Faith Cooper is flummoxed by irrefutable proof that not only do vampires exist . . . they’re hot blooded, able to walk in sunlight, and shockingly sexy. Faith has always depended on science, but the restlessness she feels around this predatory male defies reason. Especially when it grows into a hunger only he can satisfy—that is if they can survive the evil hunting them both. “Hot and fast from beginning to end.” —Kate Douglas on Fated “Sizzling sex scenes and a memorable cast.” —Publishers Weekly on Claimed “A fast-paced, excitement-filled explosion of action... Zanetti keeps getting better.” —RT Book Reviews on Marked, 4.5 Stars Top Pick

"Absolutely unputdownable, delivers all of the feels! Roni Loren is a new favorite. Loved this."—COLLEEN HOOVER, #1 New York Times bestseller Most days Rebecca Lindt feels like an imposter... The world admires her as a survivor. But that impression would crumble if people knew her secret. She didn't deserve to be the one who got away. But nothing can change the past, so she's thrown herself into her work. She can't dwell if she never slows down. Wes Garrett is trying to get back on his feet after losing his dream restaurant, his money, and half his damn mind in a vicious divorce. But when he intervenes in a mugging and saves Rebecca—the attorney who helped his ex ruin him—his simple life gets complicated. Their attraction is inconvenient and neither wants more than a fling. But when Rebecca's secret is put at risk, both discover they could lose everything, including what they never realized they needed: each other She laughed and kissed him. This morning she'd melted down. But somehow this man had her laughing and turned on only a few hours later. Everything inside her felt buoyed. She felt...light. She'd forgotten what that felt like. The Ones Who Got Away Series: The Ones Who Got Away (Book 1) The One You Can't Forget (Book 2) The One You Fight For (Book 3) Readers are Raving About about The Ones Who Got Away: "Phenomenal. Gets my highest recommendation!"—LORELEI JAMES, New York Times bestselling author "Richly layered and full of emotion... Unforgettable."—KRISTEN CALLIHAN, New York Times and USA Today bestselling author "Unique, swoony, and lively."—SARINA BOWEN, USA Today bestselling author

In Nashville the men are strong, the women are bold, and love comes to those willing to fight for it. Russ Green is an expert at keeping people out - physically and emotionally. After a career-ending injury, the former quarterback was lucky to find a place as a bouncer at Words & Music. All he wants to do now is stay out of the limelight - alone. With his background, he's nobody's Prince Charming. His life is routine, and

he likes it that way. Gym, work, home. No surprises. Until a bar brawl lands him in the emergency room, and in some very capable hands... Nurse Joslynn Wright found her calling during a childhood bout of leukemia. While the fast-paced ER keeps her adrenaline pumping, it's nothing compared to being with Russ. Her illness made her cautious, though, and Russ's closed-off nature certainly doesn't make things any easier. But she can't help being intrigued by the contradiction of a burly bouncer who can gently strum a guitar. If she's learned anything in Nashville, it's that love may take work, but the rewards can be well worth the effort... "Sweet, sexy, and heartwarming. ...Fans of Terri Osburn and LuAnn McLane will enjoy Can't Fight the Feeling." -- Harlequin Junkie

They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.
