The Sound of the Sea: Seashells and the Fate of the Oceans Cynthia Barnett,2021-07-06 A Science Friday Best Science Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year A Library Journal Best Science and Technology Book of the Year A Tampa Bay Times Best Book of the Year A stunning history of seashells and the animals that make them that will have you marveling at nature...Barnett's account remarkably spirals out, appropriately, to become a much larger story about the sea, about global history and about environmental crises and preservation (John Williams, New York Times Book Review). Seashells have been the most coveted and collected of nature's creations since the dawn of humanity. They were money before coins, jewelry before gems, art before canvas. In *The Sound of the Sea*, acclaimed environmental author Cynthia Barnett blends cultural history and science to trace our long love affair with seashells and the hidden lives of the mollusks that make them. Spiraling out from the great cities of shell that once rose in North America to the warming waters of the Maldives and the slave castles of Ghana, Barnett has created an unforgettable history of our world through an examination of the unassuming seashell. She begins with their childhood wonder, unwinds surprising histories like the origin of Shell Oil as a family business importing exotic shells, and charts what shells and the soft animals that build them are telling scientists about our warming, acidifying seas. From the eerie calls of early shell trumpets to the evolutionary miracle of spines and spires and the modern science of carbon capture inspired by shell, Barnett circles to her central point of listening to nature's wisdom—and acting on what seashells have to say about taking care of each other and our world.

The Cafe by the Sea Jenny Colgan,2017-06-27 The beloved author of *The Bookshop on the Corner* returns with a sparkling, sunny, soulful new novel perfect for fans of Elin Hilderbrand. Years ago, Flora fled the quiet Scottish island where she grew up -- and she hasn't looked back. What would she have done on Mure? It's a place where everyone has known her all her life, where no one will let her forget the past. In bright, bustling London, she can be anonymous, ambitious... and hopelessly in love with her boss. But when fate brings Flora back to the island, she's suddenly swept once more into life with her brothers -- all strapping, loud, and seemingly incapable of basic housework -- and her father. Yet even amid the chaos of their reunion, Flora discovers a passion for cooking -- and find herself restoring dusty little pink-fronted shop on the harbour: a café by the sea. But with the seasons changing, Flora must come to terms with past mistakes -- and work out exactly where

her future lies... Funny and heartfelt, *The Café by the Sea* is a delightful summertime novel that puts a modern twist on the classic *Seven Brides for Seven Brothers* story.

The Hotel Cat Esther Averill,2005-09-30 One wintry day a lonely stray cat wandered into the Royal Hotel. He chased mice so well that he was given the job of Hotel Cat. Tired of always spending time in the cellar Tom ventured upstairs and met the gentle Mrs. Wilkins, a longtime hotel resident who had the ability to communicate with cats. She encouraged Tom to keep an open mind about the hotel guests. One night, during the winter of New York City's Big Freeze, Tom detected three cats in one of the rooms. It turned out that due to a boiler breakdown in his house, Captain Tinker had brought Jenny Linsky and her brothers Edward and Checkers to stay at the hotel until the boiler was fixed. Other homes experienced boiler breakdowns too and soon other members of the Cat Club could be found staying in rooms at the Royal Hotel. Before long, plans were underway for the Cat Club Stardust Ball, with the help of Tom, who had proved himself helpful and considerate after all. Soon he became a friend for ever of Jenny and her pals.

Mating Claire Jenny Penn,2008-11 MATING CLAIRE [Erotic Romance Paranormal Vampires/Werewolves] Following the trail of a serial killer and a demon, Claire Hallowell arrives in Wilsonville, SC. As difficult as her case is, it is the small town police chief with his easy smiles and blatant sexuality that threatens Claire's highly structured world. Arrogant and cocky, Derek Jacob knows his mate when he meets her. As the Alpha of the Narian Pack, Derek is not about to let anything stop him from claiming Claire. Claire might fight it, but there is no denying the instantaneous heat between them. Sex comes easy while trust comes harder for the couple with secrets to hide. Follow Claire and Derek's journey to overcome the obsessive attention of a demon and killer to find love. *** I really enjoyed writing a female lead that has a problem and solves the problem herself. Derek is a great character because he's macho without attempting to overwhelm Claire. I love the way these two characters interact with each other. That was the best part of writing this book. Jenny *** Joyfully Recommended: *Mating Claire* is a strong, well-plotted, totally fun and sexy paranormal romance. Readers will find it difficult to put down! Alpha wolf Derek is domineering, possessive and tender (yum) while Claire is tough, smart and somewhat naive about romance and true love. Also, the cast of secondary characters enriches the story and makes *Mating Claire* a more realistic paranormal tale...

Mating Claire is a thoroughly enjoyable and sizzling story from start to finish. Therefore I Joyfully Recommend Mating Claire! --Lisa, Joyfully Reviewed *** 5 Cups: 2008 Coffee Time Reviewer's Recommend Award: Ms. Penn uses suspense, humor, raunchy sex, action, and adventure to grab the reader in this hot tale of paranormal fantasy. Claire is an independent character who is strong and capable of handling any alpha male character. Derek is a no nonsense dominant male without being overwhelming. The first line in Mating Claire is hilarious, and I was riveted from there. The author uses wonderfully vivid words to describe everything from the office, the forest, the passionate encounters. Paranormal stories usually have me jumping for joy to read, but this novel had me excited to spread the word about the sensational book I read. Readers, pay attention because here is a tale fit for any book lover. Spectacular read! CAUTION: This book contains graphic sex scenes and passionate encounters. Not for the weak hearted. --Danielle, Coffee Time Romance *** 5 Stars: Demon, werewolf, serial killer. Mating Claire is a very sensual book. The tension between Derek and Claire is undeniable; the reader can feel it. There are twists and turns throughout the plot that will keep the reader eagerly turning pages. --Debra Gaynor, Review Your Book
