Ken Jennings's Trivia Almanac is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?* What rings are divided by the Cassini Division?*** Also on this date, in 1981, the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight*** or Men in Black’s Agent M****? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge.

Since its debut in 1964, Jeopardy! has been one of America’s favorite and longest-running daytime quiz shows. It turns the question-answer format of traditional quiz shows on its head and requires contestants to pose correct questions to answers in selected categories. While mining information and facts from Alchemy to Zoology, Jeopardy!, is a uniquely intellectual, erudite, and challenging daytime television program. Far beyond entertaining its fans with nail-biting contests of knowledge, memory, and speed, it all but requires them to participate. Few people watch Jeopardy! without pressing an invisible button and blurting out questions to their TV screen. Because of this personal and intellectual investment, most Jeopardy! fans are devout. Watching the show is valued as a daily ritual in which genuine intellectual skill and encyclopedic knowledge (as opposed to thin Hollywood depictions such as those in Big Bang Theory or Rain Man) are not only respected and placed in the spotlight, but also rewarded with national prestige and prize winnings. Champion Ken Jennings (who contributes to this volume) has won over three million dollars and remained champion seventy-four times. For those who embrace Jeopardy! as an intellectual oasis in the arid desert of popular culture, it is the geeks who shall inherit the earth. Jeopardy!’s celebration of intellect and forward-thinking is well recognized throughout popular culture and among all age groups. Ken Jennings, Chuck Forrest, and other all-time champions are near celebrities, while the show itself regularly reaches out through special tournaments to different segments of American culture, such as actors and musicians (Celebrity Jeopardy!), high-school and college students (Teen Tournament and College Championship Jeopardy!) and senior citizens (Senior Tournament

Jeopardy!). Still, despite its widespread respect and, some might complain, smug self-respect, neither the show nor its fans take themselves too seriously. Jokes about host Alex Trebek's hair and famous parodies of Jeopardy! on Saturday Night Live are as familiar as Weird Al Yankovic's MTV-mainstay "I Lost on Jeopardy!" (to the tune of "Our Love's in Jeopardy"): Don't know what I was thinkin' of, I guess I just wasn't too bright. Well, I sure hope I do better Next weekend on The Price Is Right.

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

The Merchant of Venice has been performed more often than any other comedy by

Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.
