

## Jewish Wisdom For Business Success Lessons From The Torah And Other Ancient Texts

A fascinating and revelatory introduction to the Talmud discusses the Talmudic mind, its conceptions of God, and its thoughts on social ethics, personal morality, law, and general human wisdom. Original. With truly startling statistics and a wealth of anecdotes, Silbiger reveals the cultural principles that form the bedrock of Jewish success in America.

One of Israel's most successful venture capitalists uses the words and actions of the Hebrew patriarchs to lay the foundations for a modern growth economy based on timeless business principles and values. Entrepreneurs, businessmen, and investors are constantly looking for principles and rules that will pave the way for success. Usually, those at the forefront are successful entrepreneurs from Silicon Valley or legendary Wall Street investors. But the principles of economic growth, wealth creation and preservation were written long before the rise of the modern market economy and its heroes. Michael Eisenberg—one of the most successful venture capitalists in Israel, and one of the first investors in Lemonade, and Wix—reveals in *The Tree of Life and Prosperity* the eternal principles for successful business, economics, and negotiation hidden in the Torah—and shows their relevance to the modern world we live in.

Achieve Financial Success...God's Way! DIVPastor Sunday Adelaja helped 200 people become millionaires in just two years by teaching them how to apply God's principles to their personal finances.

Discover how they did it in *Money Won't Make You Rich*, a comprehensive guide to true prosperity and financial freedom. /divDIV /divDIVWhen you understand God's principles about finances, you can control your money without letting it control you. In this practical, inspirational guide, Pastor Adelaja combines biblical truth, financial advice, and his own life experiences to explain such topics as:

•The meaning of prosperity •The nature of poverty •The secret of success and four principles of continuous success •Three laws to making your money work for you •The reason for financial failure •And much more

Have you been reading Rabbi Daniel Lapin's weekly Thought Tools? Or are you new to this system of regular spiritual injections? Provide you with a year's worth of significant conversation Whether you savor them privately or share them with others, you will be glad you joined the thousands of Rabbi Daniel Lapin fans who have discovered how these powerful messages enhance their lives. Thought Tools makes the perfect gift for family and friends. This book provides a year filled with growth and meaning for all your loved ones.

NEW EDITION, REVISED AND UPDATED In this new edition of the bestselling classic, Charles Manz doesn't look to Jesus's teachings to support preconceived theories of how a manager should lead but approaches the New Testament with an open mind to see what insights it reveals for today's business world. What he finds are powerful lessons that will inspire you—no matter what your religious background—to maintain integrity, live on a higher plane, and ultimately achieve your personal and professional goals. The third edition is updated throughout and includes several new examples and a self-assessment chapter designed to encourage self-examination and personal reflection. Remarkably contemporary and welcoming to all readers, this book will challenge you to evaluate your own leadership style and to consider time-tested spiritual wisdom that can make you more enlightened and more effective.

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

When, if ever, should lying be permitted? If you've damaged a person's reputation unfairly, can the damage be undone? Is a person who sells weapons responsible for how those weapons are used? if the fetus is not a life, what is it? How, as an adult, can one carry out the command to honor one's parents when they make unreasonable demands? What are the nine biblical challenges a good person must meet? What do the great Jewish writings of the last 3,500 years tell us about these and all other vital questions about our lives? Rabbi Joseph Telushkin has devoted his life to the search for answers within the teachings of Judaism. In *Jewish Wisdom*, Rabbi Telushkin, the author of the highly acclaimed *Jewish Literacy*, weaves together a tapestry of stories from the Bible and Talmud, and the insights of Jewish commentators and writers from Maimonides, Rashi, and Hillel to Einstein, Isaac Bashevis Singer, and Elie Wiesel. A richer source of crucial life lessons would be hard to imagine. Accompanying this extraordinary compilation is Teluslikins compelling commentary, which reveals how these texts continue to instruct and challenge Jews and all people concerned with leading ethical lives today. As he discusses these texts, Rabbi Telushkin addresses issues of fundamental interest to modern readers: how to live with honesty and integrity in an often dishonest world; how to care for the sick and dying; how to teach children to respect both themselves and others, how to understand and confront such great tragedies as antisemitism. and the Holocaust; what God wants from humankind. Within *Jewish Wisdom's* ninety chapters the reader will find extended sections illuminating Jewish perspectives on sex, romance, and marriage, what kind of belief in God a Jew can have after the Holocaust, how to use language ethically, the conflicting views of the Bible and Talmud on the death penalty, and much, much more. *Jewish Wisdom* adds a new dimension to the many widely read contemporary books that retell the stories and reveal the essence of classic religious and secular literature. Possibly the most far-ranging volume of stories and quotations from Jewish texts, *Jewish Wisdom* will itself become a classic, a book that not only has the capacity to transform how you view the world, but one that well might change how you choose to live your life.

This is not a book of Tafseer but a book inviting us to act on the instructions that Allah (SWT) gave us to live in this world such that it will enable us to create a society that is beautiful for anyone who lives in it - Muslim or not. These are a series of 6 - Khutbas given using the Ayaat of Sura Al Hujuraat which define for us the Akhlaaq of the Ummati of Rasoolullah (SAS). That is why I have named the book as such. I ask Allah (SWT) to enable us to act on what He ordered us to do and what His Nabi (SAS) demonstrated for us. For if the one who has no map is lost, there is an excuse but if the one who was given a map and a guide is still lost, then what is the remedy?

In this urgent book, Alan M. Dershowitz shows why American Jews are in danger of disappearing - and what must be done now to create a renewed sense of Jewish identity for the next century. In previous times, the threats to Jewish survival were external - the virulent consequences of anti-Semitism. Now, however, in late-twentieth-century America, the danger has shifted. Jews today are more secure, more accepted, more assimilated, and more successful than ever before. They've dived into the melting pot - and they've achieved the American Dream. And that, according to Dershowitz, is precisely the problem. More than 50 percent of Jews will marry non-Jews, and their children will most often be raised as non-Jews. Which means, in the view of Dershowitz, that American Jews will vanish as a distinct cultural group

sometime in the next century - unless they act now. Speaking to concerned Jews everywhere, Dershowitz calls for a new Jewish identity that focuses on the positive - the 3,500-year-old legacy of Jewish culture, values, and traditions. Dershowitz shows how this new Jewish identity can compete in America's open environment of opportunity and choice - and offers concrete proposals on how to instill it in the younger generation.

Ever wonder how to harness Jewish wisdom to improve your life? Get motivated to take practical action and make positive changes in your life! "The Secret of Jewish Coaching" is an original model of Jewish coaching, which is based on Kabbalah and ancient Jewish wisdom. Yet, this method is not just for observant Jews. This book walks you through the entire process of life coaching, uncovering the fears and joys, the plunges to terrible depths and the climbs to unforeseen heights. It goes through the stitches of various aspects of life, including revealing family life, professional life, persona as a parent and a child, childhood and dreams. All this is revealed under the bright light of the search for truth and meaning. Where does the magic flow from? From the author's decision to write, "the coaching" and not "about coaching." Meaning the reader is turned into an unprecedented, intimate partner in the coach's room. A journey of a successful businessman A successful businessman leads a large business system that he built himself, and begins to feel that he has lost the emotional thrill of running a business, and that his deeds are no longer meaningful the way they once were. He turns to his business coach, who has guided him for years, and requests coaching, the way they have done it in the past. The coach senses that this time the client is looking for a deeper experience, and refers him to a colleague named Tzvi. Tzvi is a Talmud scholar, poet, musician, and philosopher, who contemplates different opinions. He has developed an original model of Jewish coaching, which is based on Kabbalah and ancient Jewish wisdom. After an introductory session, the two depart on an exciting journey to reveal the soul's secrets, in a quest for deeper meaning. The client is astonished to discover that the key to all the secrets is hidden within himself. Scroll up and grab your copy today!

Why are so many Jews Successful Investors that Accumulate Massive Wealth? Jews are known to be the most successful and best performing hedge-fund managers, investors, and traders in the world. Out of the best 25 money managers since the advent of American Capitalism, 17 are Jewish! Some of those in the top 25 are very famous: George Soros, Steven Cohen, James Simon, David Tepper, John Paulson, Carl Icahn, Daniel Loeb, Leon Cooperman, Israel Englander, David Einhorn, Seth Klarman, and Bruce Kovner. Groundbreaking research has found that one of the key components to the success of the Jews is their religion-Judaism. The Tanakh, a Jewish religious text, contains codes and messages secretly hidden within its pages-decoded by the Talmud, it offers practical guidance that can be applied to your investing and business practices. The Investment Code contains the time-tested secret wisdom found in the Tanakh that has worked to help the Jews accumulate wealth generation after generation. It can be applied by anyone today to attain wealth through wise investing practices.

An easy-to-understand introduction to Judaism's most sacred text The foundation of Hebrew and Jewish religion, thought, law, and society is the Torah-the parchment scroll containing the text of the Five Books of Moses that is located in every synagogue. This accessible guide explains the Torah in clear language, even to those who were not raised in the Jewish religious tradition. Christians who want to know more about the Jewish roots of Christianity need to understand the Torah, as do followers of Islamic tradition and those interested in the roots of Abrahamic faiths. The Torah For Dummies explains the history of the Torah, its structure and major principles, and how the Torah affects the daily lives of people who follow the Jewish way of life.

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

#1 Amazon New Release in Christian Leadership #1 Amazon New Release & Best Seller in Messianic Judaism **YOSEF'S MODEL OF SUCCESS IS A PERSONAL ACHIEVEMENT AND STRATEGY HANDBOOK BASED ON THE STORY OF JOSEPH IN THE OLD TESTAMENT (OR TANAKH).** Yosef's Model of Success is the self-help book for people who earnestly want to discover their purpose and set up sustainable strategies to live their purpose. Secrets revealed on why Jewish people are resilient, highly motivated, and persistent Internationally renowned professor and a research psychologist brilliantly portray a study of human ambition in Secrets of Jewish Success. Professor Hugh Fox presents a compelling example of how adoration of torah, family affection, heritage of tribal wisdom, and a winning formula have inspired centuries of American and European Jews to reach the pinnacle of their careers. Together with Dr. Doug Ruben's formulas for beating the trap of inferiority and marital/partner discord, the Secrets offer a fresh perspective on why Jewish people overcome lifelong obstacles with impeccable resilience. Secrets of Jewish Success is more than history. Astounding evidence from Professor's Fox European travels an adult experience mark his conclusions on what makes Jewish people persevere. Dr. Ruben's empirically-based advice solidifies the methods for a reassuring and personally pleasing self-discovery.

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

Sacred Jewish texts such as the Torah and the Kabbalah have long been considered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative examples, this book reveals a four-thousand-year-old blueprint for success. The ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. This enlightening and practical guide gives readers the direction they need to make it work for them.

The book features an appendix including the original Hebrew/Aramaic texts for the reader's reference.

Provides parents with advice on using Jewish teachings from the Torah and Talmud to overcome struggles with raising children, nurture strengths and uniqueness, and encourage respectfulness towards their parents and others.

Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1% of the world's population, yet approximately 25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.

On the road to becoming a successful entrepreneur, Bob Diener confronted a lot of tough issues: how to treat employees, how to please customers, whether or not to cut corners, whether to follow the temptation of an unsavory deal... Although he had no formal business training, Bob found solutions to all these issues and reached the top using a simple strategy that is available to anyone. His secret? Careful study of "the best guidebook to running a successful business ever written": the Bible. Difficult dilemmas become easy when viewed from the biblical perspective. "Our work is meaningless unless to do good," counsels the Book of Ecclesiastes. Companies that abide by the Bible's rules of business tend to be the ones that prosper long term. Companies that cheat their workers and partners, defraud their customers, and operate unethically don't stay in business very long. You too can become a successful entrepreneur by following the tips, strategies, and biblical principles outlined in this exploration of best practices for market research, labor management, business negotiations, risk mitigation, watching the bottom line, and, perhaps most important of all, leaving a lasting legacy. Bob Diener and his partner David Litman created the company that became hotels.com, which pioneered hotel distribution online. When Bob and his partner took the company public in 2000, the stock price soared from \$16 to \$90 in one of the most successful IPOs ever. Having gone on to cofound getaroom.com, Bob is a familiar presence on national media outlets, offering his sage advice on the travel industry.

Find success in finance, friendships, , and spirituality with the advice of a well-known expert It's safe to say that nearly everyone is seeking a happier, more successful life. So then why do so few attain it? Business Secrets from the Bible proposes a new way to view and approach success—one based upon key concepts from the Bible that are actually surprisingly simple. Written especially for those seeking success in the realms of money, relationships, and spirituality, this book encourages readers to realize their common mistakes, come to terms with them, and turn those mistakes into future triumphs. Filled with concrete advice for improved finances, spirituality, and connection, this resource takes a practical approach and aims to change not just the minds, but the actions of readers with a self-evident and persuasive pathway. Drawing on his wisdom and knowledge of the Bible, the author reveals the clear link between making money and spirituality, and urges readers to focus on self-discipline, integrity, and character strength in order to achieve personal prosperity. Special emphasis is given to establishing positive attitudes toward making money and adopting effective Biblically-based strategies. Demonstrates how earnings and profits are God's reward for forming relationships with others and serving them Stresses the importance of service, sharing, change, leadership, and creating boundaries and structures Encourages readers to focus on other people's desires and teaches why and how to make connections with many people Suggests ways for readers to transform themselves and continue toward success even in the face of fear and uncertainty Attaining wealth and well-being is no longer a mystery. Let this book identify and correct the errors that are keeping you from fulfillment and happiness.

The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. How to Raise Successful People offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

Compelling tips and tricks to improve your mental skills Don't you wish you were just a little smarter? Ron and Marty Hale-Evans can help with a vast array of witty, practical techniques that tune your brain to peak performance. Founded in current research, Mindhacker features 60 tips, tricks, and games to develop your mental potential. This accessible compilation helps improve memory, accelerate learning, manage time, spark creativity, hone math and logic skills, communicate better, think more clearly, and keep your mind strong and flexible.

Q: Ladies, Do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works--and mastered it. Now you can do the same.

In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com--the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond: \* Technical Analysis \* Fundamental Analysis \* Sentimental Analysis \* Capital Analysis \* Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies--without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why forex can work for you. "Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does." -- FAN YANG, CMT, CEO, FXTimes.com "A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize--that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money." -- JAY NORRIS, founder, Trading University, and author of Mastering the Currency Market and Mastering Trade Selection and Management

The book of Proverbs teaches us to cry out for wisdom. That truth should be no different for our businesses than our daily life. Drew and Dan help drive that point home. --David Green, CEO & Founder, Hobby Lobby, Inc. Timeless Wisdom and Modern Application for a Sharper Edge in Business Business owners and organizational leaders use instinct, crowdsourcing, market factors, compromise, and experience to make decisions. Make Better Decisions. Be a Better Leader. Sharpen your edge. Dan Cooper and Drew Hiss are entrepreneurs and executive coaches. After successful exits, they wanted to give other leaders resources they wished they had along the way. Dan and Drew formed Acumen in 2015 to provide practical wisdom through Council, Coaching, and Community. [www.AcumenImpact.com](http://www.AcumenImpact.com)

Winner, 2016 Best First Book Prize from the Immigration and Ethnic History Society Finalist, 2016 Sami Rohr Prize for Jewish Literature Winner, 2015 Book Prize from the Southern Jewish Historical Society Finalist, 2015 Jordan Schnitzer Book Award from the Association for Jewish Studies Winner, 2014 National Jewish Book Award in American Jewish Studies from the Jewish Book Council The majority of Jewish immigrants who made their way to the United States between 1820 and 1924 arrived nearly penniless; yet today their descendants stand out as exceptionally successful. How can we explain their dramatic economic ascent? Have Jews been successful because of cultural factors distinct to them as a group, or because of the particular circumstances that they encountered in America? The Rag Race argues that the Jews who flocked to the United States during the age of mass migration were aided appreciably by their association with a particular corner of the American economy: the rag trade. From humble beginnings, Jews rode the coattails of the clothing trade from the margins of economic life to a position of unusual promise and prominence, shaping both their societal status and the clothing industry as a whole. Comparing the history of Jewish participation within the clothing trade in the United States with that of Jews in the same business in England, The Rag Race demonstrates that differences within the garment industry on either side of the Atlantic contributed to a very real divergence in social and economic outcomes for Jews in each setting.

A brief, lucid and systematic account of the origin of philosophy and how it transformed Christian thought.

Bookstores in Chinese cities are stocked with dozens of Chinese-language books on how Jews conduct business, manage the world, and raise their children. At least ten universities throughout China offer popular Jewish Studies programs, some with advanced degrees. Yet there are virtually no Jews in China. The Chinese are constructing an identity for a people that the large majority of them will never meet. This edited volume critically examines the image of Jews from the contemporary perspective of ordinary Chinese citizens. It includes chapters on Chinese Jewish Studies programs, popular Chinese books and blogs about Jews, China's relations with Israel, and innovative examinations of the ancient Jewish community of Kaifeng.

An Israeli rabbi and scholar conveys the spirit of the Talmud as he treats its composition, traditions, structure, and laws

Sacred Jewish texts such as the Torah and the Kabbalah have long been considered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative examples, this book reveals a four-thousand-year-old blueprint for success. Readers will find practical insights on: conquering fear - harnessing will power - removing ego from the equation - mastering negotiation techniques - dealing with failure - utilizing spiritual entrepreneurship - harvesting the power of positivity - and finding the right balance of character traits to succeed in any career or business venture The ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. This enlightening and practical guide gives readers the direction they need to make it work for them

Jewish Wisdom for Business Success: Lessons for the Torah and Other Ancient Texts

Success knows no color unless you are Black, in which case you better be prepared to work Twice as Hard to achieve and progress your career. Twice As Hard is an exploration of Black identity in the working world and a blueprint for success. New Perspectives on Ancient Magic Reconciling magic with rational thought, well-known occult scholar Donald Tyson presents an exciting collection of essays that offer fresh insights into a wide variety of important topics in the Western esoteric tradition. Along with practical instructions on the correct casting of the magic circle and the uses of familiars, Tyson includes a new system of coin divination and a complete history of the esoteric ordering of the Tarot trumps. Here you will learn the hidden roots of magic--what it is, and how it works on the deepest levels of reality. • What esoteric energy is and how to use it • The arcane meaning of the serpent of wisdom • The making and use of a book of spirits • The essential nature of spiritual beings • How we perceive and interact with spirits • The truth about spirit

possession and why you should not fear it • The reality of vampires, werewolves, ghosts, and demons • A revolutionary manifesto of spirits' rights

In the mid-twentieth century, the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson set his sights on worldwide Jewish renaissance. Today his Shluchim-emissaries-are ubiquitous. How was an army of Rabbies and Rebbetzins trained and encouraged to move to the four corners of the earth to fulfill the Rebbe's mission? How would they live far from friends and family and dedicate their lives to Jewish destiny and the welfare of others? How would they learn to remain true to their ideals and raise their families outside the classical religious community? How did they create environments of openness to Jews of all backgrounds and a culture of welcoming? Few understood the immense scope of the Rebbe's vision. Those who did, thought the goal difficult, if not impossible to attain. This book takes us deep inside Chabad, revealing how this was done.

A welcoming introduction to the most important ideas in Judaism. In an age of fluid identity, many people are honestly asking the question "Why be Jewish?" What in this religious and ethnic legacy is worth preserving? Does Judaism have something unique to offer a contemporary seeker free to choose a way of life and a system of values? Here is the answer of a leading spiritual teacher who has faced these questions in conversation with generations of students. With warmth, humor, personal and rabbinic stories and down - to - earth explanations, Arthur Green presents the ideas in Judaism that kept him loyal to the tradition passed on to him. The result is an enticing look into timeless Jewish wisdom that will encourage you to explore further and search out the riches of Judaism for yourself.

Applying the classic teachings of Judaism, Connected Capitalism is an empowering call to fix what is currently broken in our social, political, and economic spaces.

Discover the secrets to a fearless, meaningful life, found in the wisdom of Jewish scripture. Today, more than ever, we act out of fear. We fear change, rejection, failure, and suffering. But what if we could find a way to live that challenges conventional Western psychology and looks to the future instead of picking over the past? What if we could replace our fear with purpose, and discover our potential for growth instead of focusing on our limits? What Would You Do If You Weren't Afraid? draws on a wide range of chassidus (Jewish principles) to offer a new philosophy for life. With its uplifting belief that you already have all the ingredients within and around you to lead a joyous life, this ebook will help you to reconnect with your courage and move forward freely, without fear.
