

Jinn Book Of Secrets Book Of Secrets Cloud Storage

***This is the Special Edition Paperback for book 1 of the Djinn Rebellion series. ***In a post-apocalyptic world, the earth is divided, and magic rules all. The strongest of which, is about to be challenged. For centuries, Jinn has watched from afar as the powers that be, fought to claim a part of the world as their own. With no stake in the game, the djinn remained a powerful but neutral party. That was until an old friend presents Jinn with an offer he can't refuse. The love he thought he'd lost forever is still alive, and he has the map to her location. Mike wants his people freed from the slums and Jinn has the power to make that happen. In return for his aid, Mike will lead the quest into the darkest corner of the earth to find her. With a new player on the field, everyone is on edge and for good reason. Jinn will go to hell and back for the woman he loves, and he'll destroy anyone who gets in his way. Jinn is book 1 of the Djinn Rebellion Series, a Paranormal Urban Fantasy series USA Today Best-Selling Author, Jessica Cage. Though love was his motivation, jinn will find out he has so much more to fight for.

Every witch knows the rules: Stick to your own kind. Never reveal your powers to outsiders. Take a consort from the witching families or kiss your magic good-bye forever. For years I've been quiet, obedient Rose Hallowell. I accepted the man my stepmother chose for me. But I never stopped missing my long-ago friends: brilliant Kyler, stoic Seth, passionate Jin, daredevil Damon, and Gabriel, whose self-assured warmth brought us all together. Now we're back on my childhood estate to arrange my marriage. The boys I grew up with? They're still in town--and they haven't forgotten me either. And damn if they haven't grown up well. They've got no magic, no place in my life. But they're charming and sweet and infuriatingly hot, and I can't seem to stay away. The more I try to resist, the more secrets I uncover about my family, my betrothal, and everything I thought was true about the witching world. I've been lied to. I've been betrayed. So to claim my magic and my happiness, I'll break every rule there is--and then some. Don't mess with this witch. Every rose has thorns. Here is a tale set on the Path of the Heart, a beautifully written mystical adventure wherein a modern-day Sufi Master sends seven companions on a perilous quest for the greatest treasure of the ancient world - King Solomon's ring. The legendary seal ring is said to control the Jinn, those terrifying demons of living fire, and in seeking it the companions discover not only the truth of the Jinn, but also the path of Love and the infinite mercy of God.

"Forced to hid her true identity, Zahra, a teenage genie, finds her chance for freedom challenged by her love for her master,"--NoveList.

"Her memory is blank. Her name is not her own. Found in a field, covered in bleeding lash marks, Troy of Cathylon searches for a new life. Taken in by outlawed scholars, trained in a city hidden beneath desert sands, she masters the lore of a supernatural stone called elaa and joins an uprising that could overturn the present regime. Hunted for her ability with the powerful blue stone that seems to do anything she wills, and a book containing the scholars' secrets, every move she makes brings her enemies closer - a zealous new ruler, traitorous warriors, and a ruthless commander - who recognize her from her past. Enemies who hold the answers to it. Their first encounter erased her memory. Their second will end her life"--Back cover.

The exciting follow-up to 2020 IBPA award winner Star Wars: The Secrets of the Jedi. If you only knew the power of the dark side! A tour-de-force of a debut that blends classic fantasy -- the fascinating, frightening, sometimes-invisible world of the djinn -- that's genies to some of us -- with the 21st-century reality of a super-hacker in mortal danger in a repressive security state on the Arabian Gulf. Alif (that's his handle) is a brilliant young superhacker working out of his mother's small apartment, and his computer has just been breached. While Alif scrambles to protect his clients -- dissidents and outlaws alike, whoever needs to hide their digital traces, he and his friends realize that they've been found by 'the Hand' -- maybe a person, maybe a program, but definitely able to find anyone, and that could lead to prison, or worse. Alif, with the help of his childhood friend Dina, an ancient book sent to him in secret by his lost love (who may be frighteningly connected to the Hand) and a terrifying protector who almost looks human, must go underground -- or rather, find a way into the hidden world of the djinn. They wrote the mysterious book centuries ago, and have knowledge that might just allow Alif to infiltrate the most sophisticated information technology the world has ever seen, and perhaps save himself, his loved ones, and freedom itself. With shades of Neil Gaiman, Philip Pullman, William Gibson, and the timeless Thousand and One Nights, Alif the Unseen is a tour-de-force debut with major potential -- a masterful, addictive blend of the ancient and the more-than-modern, smuggled inside an irresistible page-turner.

Secrets are about the many question we all have, but who can not find anyone to answer correctly. Secrets is a historical religious documentary about creation, the many secrets in the creation of light, the universe, earth, the Angels, Jinns

(Aliens), and humans. The book gives a great deal of detail into the secret creation of Eve for example, and the wives of Cain and Abel, and well as the wives of Seth. How humans can deal with the issues of life in a more successful manner. All religions of the world have many secrets that can help the human soul grow to be successful, both in this life and in the next. Islam is no different, for it too has many secrets, that if applied, we could stop terrorism in the earth. We can learn what makes us successful or a failure. The TRUTH is out there! However, many religious leaders have chosen to hide many of these secrets from the ordinary human. This book give a great deal of detail into the many secrets that we all want to know about. Some secrets that have been hidden from us for years. The Who, What, Where, When, how and Why of it all came about, and for what purpose. This first volume, covers the creation of the universe, Angels, the earth, Jinns and the humans. Even though this is a religious documentary, it covers many everyday subject that can be of great benefit to us all, no matter what your religious beliefs. One of the main secrets are the Divine Appointment of Spiritual Leaders. Those with the correct knowledge who can help us all people in this modern day life. It is understood that Islam is not for everyone, but anyone can learn from it.

Oddball and loner Oliver Quinn was raised by his uncle, the proprietor of Ozymandias & Son, New York's most bizarre emporium of Oriental rugs. Through a series of what he believes to be coincidences, Oliver discovers a portal in the basement of the shop - a portal to a magical world called Zonus. Gradually, Oliver begins to understand that everything he'd ever considered fact is fantasy, and that if he is to survive, he'll have to start thinking in an entirely new way. In reality, our world is nothing but a backwater in a colossal multiverse, where every permutation is not only possible, but certain. With the veil lifted, Oliver is introduced to the parallel life form with which we share the multiverse - the mysterious and all-powerful race of jinn. Far from the loveable blue-skinned giants projected by Hollywood, jinn are capable of wreaking terror on an unknown scale. When they go rogue, as they frequently do, they must be captured and incarcerated in the Prism, a vast penitentiary. Trapping rogue jinn is a perilous task entrusted to the Jinn Hunters, the bravest fraternity of warriors in existence. Having been accepted into the Cadenta, the training academy of Jinn Hunters, Oliver is pitted against the gravest new reality: the fact that Nequissimus, the most evil jinn in all existence, has just escaped... Born into the hallowed ancestry of the Jinnslayers, Oliver Quinn is the only man alive with a chance at defeating the great jinn, and returning him to his cell in the Prism. A cross between A Thousand and One Nights and Men in Black, THE JINNSLAYER is the second awe-inspiring novel in Tahir Shah's much-celebrated JINN HUNTER series. One of the most original books of its age, it lures the reader into a twilight zone conjured from pure imagination.

Nebula, Locus, and Alex Award-winner P. Djèlí Clark returns to his popular alternate Cairo universe for his fantasy novel debut, A Master of Djinn Cairo, 1912: Though Fatma el-Sha'arawi is the youngest woman working for the Ministry of Alchemy, Enchantments and Supernatural Entities, she's certainly not a rookie, especially after preventing the destruction of the universe last summer. So when someone murders a secret brotherhood dedicated to one of the most famous men in history, al-Jahiz, Agent Fatma is called onto the case. Al-Jahiz transformed the world forty years ago when he opened up the veil between the magical and mundane realms, before vanishing into the unknown. This murderer claims to be al-Jahiz, returned to condemn the modern age for its social oppressions. His dangerous magical abilities instigate unrest in the streets of Cairo that threaten to spill over onto the global stage. Alongside her Ministry colleagues and a familiar person from her past, Agent Fatma must unravel the mystery behind this imposter to restore peace to the city—or face the possibility he could be exactly who he seems... A Master of Djinn is poised to launch P. Djèlí Clark's SFF career to new heights as the highly-anticipated debut readers are clamoring for. Novellas by P. Djèlí Clark The Black God's Drums The Haunting of Tram Car 015 Ring Shout At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

For fans of Laini Taylor's Daughter of Smoke and Bone series and Leigh Bardugo's Grisha Trilogy comes the first book in the Dark Caravan Cycle, a modern fantasy-adventure trilogy about a gorgeous, fierce eighteen-year-old jinni who is pitted against two magnetic adversaries, both of whom want her—and need her—to make their wishes come true. Nalia is a jinni of tremendous ancient power, the only survivor of a coup that killed nearly everyone she loved. Now in hiding on the dark caravan—the lucrative jinni slave trade between Arjinna and Earth, where jinn are forced to grant wishes and obey their human masters' every command—she'd give almost anything to be free of the golden shackles that bind her to Malek, her handsome, cruel master, and his lavish Hollywood lifestyle. Enter Raif, the enigmatic leader of Arjinna's revolution and Nalia's sworn enemy. He promises to release Nalia from her master so she can return to her ravaged homeland and free her imprisoned brother. There's just one catch: for Raif's unbinding magic to work, Nalia must gain possession of her bottle . . . and convince the dangerously persuasive Malek that she truly loves him.

Azra has just turned sixteen, and overnight her body lengthens, her olive skin deepens, and her eyes glisten gold thanks to the brand-new silver bangle that locks around her wrist. As she always knew it would, her Jinn ancestry brings not just magical powers but the reality of a life of servitude, as her wish granting is controlled by a remote ruling class of Jinn known as the Afrit. To the humans she lives among, she's just the girl working at the snack bar at the beach, navigating the fryer and her first crush. But behind closed doors, she's learning how to harness her powers and fulfill the obligations of her destiny. Mentored by her mother and her Zar "sisters," Azra discovers she may not be quite like the rest of her circle of female Jinn . . . and that her powers could endanger them all.

Ten years ago, the Great Unveiling revealed the presence of supernatural beings living on Earth. But the residents of the ruined city discovered in Majlis al-Jinn are long dead—or so junior archaeologist Pip Butler thought until he accidentally unleashed a very naked genie named Jinn.

Jinn Magick is simple to execute, and the results can be some of the best you will find in all occultism. Much has been written about The Fire Spirits, known as the Jinn (or Djinn), but books of practical Jinn Magick are rare. Hardly any exist, and those that do are often a disappointment. This book reveals a practical method for calling on the Jinn and receiving a

response. There are forty-two rituals, and the magick can help with influence and passion or destruction and transformation. The rituals deal with reputation and the souring of love. Some rituals affect competition, uncover flaws, weaken others, improve your discipline or make somebody else burn out. Where you feel stuck, you can find release, and there are ways to create more abundance or make somebody else lose what they have. Rituals can create obsessive thoughts in others and make people see the best in you or the worst in another. They can help you seduce or cause somebody to be sexually disgusted by another person. Financial magick works to increase what you have and can make people appreciate your work or make others lose what money they have. There's great potential if you use your imagination. The magick can be subtle and delicate or life-changing and devastating, according to your wish. Most of the rituals can be modified and are directed at clear, practical results. The Jinn are neither angels or demons, but fire spirits, and they execute your magickal wishes with immense power. The magick may only work half the time, but when it does, it works with alarming intensity. The book is expensive, but that's because there's decades of research in here and these secrets should not be given to those who don't value them. Pay a fair price, do the work well, and you will get what you want.

Jinn Book of Secrets Book of Secrets Xlibris Corporation

She holds the key to his heart, and he wants it back When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose "Little Mermaid" retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy clean romance, adventure, and intrigue, then try the books in The Stolen Kingdom series now! These interconnected fairy tale retellings each feature a different princess who has to fight for her happily ever after. WHAT READERS ARE SAYING: "There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale." - Rachael Martin (Goodreads Reviewer) "I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun." - Sarah Sutton (Goodreads Reviewer) "I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening..." - Katelyn Spedden (Goodreads Reviewer) "There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series!" - Elira Barnes (Goodreads Reviewer) "This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character." - Andrea Roberts (Goodreads Reviewer) "I don't want to give anything away but safe to say if you liked Stolen Kingdom, you'll also enjoy this book." - Nichole (Goodreads Reviewer) "Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end." - Janine (Goodreads Reviewer) "I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story." - Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling

For most of us, we tend to hyper focus on beings such as Angels, demons and spirits of the dead etc. But, as you know, there is more out there than that. There is a class of being that is neither angel nor spirit of the dead. They are a parallel entity to humans. The Islamic Satan is one of these beings; which is a departure from the west where the devil is an angel gone rouge. These entities are so intertwined with us that it is impossible to go about our days without having some interaction with them. When things go bump in the night we assume it is one of the 3 classes of spiritual entities we are most familiar with, demons, angels and spirits of the dead etc. However, more often than not, they are neither of these 3. They are unto a class of their own. In folklore they are known as Jinn also known as Djinn. Jinn were brought to light via the religion of Islam, although texts do mention them before Islam. It is from Islamic stories however where we get a clearer picture of what the Jinn are. In fact, modern ideas of the Genie in the bottle is directly from stories about the Jinn. The word genie is derived from the word Jinn. Aladdin when he rubbed his lamp was speaking to a Jinn. In the west, Jinn are very much misunderstood. Often we associate them with demons or devils. Yes, some do have malevolent intent, and as I mentioned the "devil" in Islam is a Jinn, but there are many Jinn who are "good." They are more like humans than you can imagine, yet they have abilities we do not have, but can harness. In this book, we will discuss not only the nature of and type of Jinn, but also how to bind them to work for you. Before I continue however I'd like to give a warning. Jinn, like other spiritual entities need to be communicated with care. They can grant you what you want, but be careful what you ask for. Jinn are notorious pranksters, you might get what you want, but in a way you really would rather not have it... You have been warned. With that said, let us go deeper into the world of the Jinn.

SIHR DJINN AFARIT AND HOW TO SUMMON THEM: The Banned Book Of Sorcery, Spells, Magic and Witchcraft. 3rd Edition. Published by Times Square Press, New York. "This is a heavy-duty Kitab (Book) on Sihr (Magic, Witchcraft, Sorcery), Djinn, Afarit, Kitabaat (Magical writings), and Talasem (Talismans). As a practitioner of Ilmu Al Sihr, you will

have the rare and unprecedented opportunity to polish and perfect your practice. As a novice and a researcher, you will learn quite a lot about all these subjects which were never before discussed and explained in any other language than in Arabic. As you already know, Djinn, Afarit and Sihr originated in the ancient Middle East, Arab Peninsula and North Africa, and the Saher (Magician, Sorcerer) used only Arabic, and the secret languages of Al-Arwaah (Spirits) and "Ethereic Entities" to summon multiple and various categories of Spirits and entities which remained shrouded in absolute secrecy for centuries." Honorable Ulema Master Farid Tayara.

Mega edition of two volumes in one. Also available in two separate volumes. Published by Times Square Press, New York. The banned book of sorcery, spells, magic and witchcraft: Sihr, Djinn. Afarit and how to summon them. Step-by-step instructions for learning, speaking and writing their language and commanding them. Previously published in 1965 under the title: ENCYCLOPEDIA OF SIHR, DJINNS AND AFARIT. This is a heavy-duty book on Sihr (Magic, Witchcraft, Sorcery), Djinn, Afarit, Kitabaat (Magical writings), and Talasem (Talismans). As a practitioner of Magic (Sihr), you will have the rare and unprecedented opportunity to polish and perfect your practice. As a novice and a researcher, you will learn quite a lot about all these subjects which were never before discussed and explained in any other language than in Arabic.

"The ancient Egyptians were firmly convinced of the importance of magic, which was both a source of supernatural wisdom and a means of affecting one's own fate. The gods themselves used it for creating the world, granting mankind magical powers as an aid to the struggle for existence. Magic formed a link between human beings, gods, and the dead. Magicians were the indispensable guardians of the god-given cosmic order, learned scholars who were always searching for the Magic Book of Thoth, which could explain the wonders of nature. Egyptian Magic, illustrated with wonderful and mysterious objects from European museum collections, describes how Egyptian sorcerers used their craft to protect the weakest members of society, to support the gods in their fight against evil, and to imbue the dead with immortality, and explores the arcane systems and traditions of the occult that governed this well-organized universe of ancient Egypt."--Publisher's website.

2020 IBPA Awards Winner! Discover the world of Star Wars' Jedi through this fun and fully interactive reading experience. Join Jedi Master Luke Skywalker on a fully interactive journey into the world of the Jedi. Discover the storied history of this noble order of peacekeepers; explore the secrets of the Force; study the art of mastering the lightsaber; and learn about the lives of some of the most revered Jedi of all time, including Yoda, Obi-Wan Kenobi, and Anakin Skywalker. For the last two years Ari's life has been anything but normal and on her 18th birthday, when her friends surprise her with a gimmick genie claiming to grant wishes, Ari discovers the truth. The tragic and strange occurrences surrounding her 16th birthday were not coincidental and her life is never going to be the same again. Ari's real parents are not normal. They are not loving. They are not human. They are myth. They are Smokeless Fire. They are Jinn. REVIEWS "I am a brand new fan of the world of the Jinn. Samantha Young created one that is unique and alluring and filled with all kinds of secrets that I want answers to...Smokeless Fire is an utterly riveting must read ..." Fiktshun Reviews "I honestly cannot wait for book 2. Smokeless Fire is unique, exciting, yet so real. This book has just enough fantasy, just enough real world, just enough love triangle, just enough strength, just enough laughs. I couldn't put it down and Samantha has definitely found herself a new fan." Shortie Says Reviews "Smokeless Fire makes for a great read. There is no way I won't be grabbing book 2 as soon as it is released! This YA paranormal romance was an awesome story and one I totally recommend you add to your reading pile very soon!" 5/5 Stars - The Slowest Bookworm Reviews "Smokeless Fire is the beginning to an incredible series surely to capture everyone's hearts. The characters are unique and easy to fall in love with. I hate to say that I am team Jai all the way! I totally recommend reading Smokeless Fire and any book from Samantha Young." Once Upon a Twilight Reviews "This book was jam-packed with everything that I love, a wholly unique premise...a strong (and snarky) female character, equally strong male characters (both of whom were entirely swoon-worthy)... All in all, this is a book that I know I will be rereading time and time again." Avery's Book Nook Reviews "The whole concept of Jinn (Genies) in Smokeless Fire definitely stood out and made it such a wonderful and enjoyable read...I loved all the characters presented in Smokeless Fire, namely Jai, Ari, and Charlie, in that order..Action packed throughout and leading to a cliffhanger ending will leave readers wanting more! 5/5 Must Read! Highly Recommended!" Moonlight Glean Reviews

While Olivia Martin observed life through her camera, the abyss gazed back at her. She discovers mysterious men follow her around, people close to her are dying, and her dreams are no longer her own as she falls head over heels for a perfect stranger. A chance encounter leads to an obsession that could destroy everything she has ever known or loved. Olivia is about to find out there is a lot she doesn't know and sometimes what you don't know can kill you.

War hero and daughter to two Houses, Kira is just beginning to learn how deep the rabbit hole goes. ?Agreeing to accompany her father's people back to their homeworld, Kira Forrest prepares for the fight of her life. She's agreed to undertake the Trial of the Broken, a rite of passage every member of her father's House must pass. It offers a path to independence and freedom that is too tempting to deny. Not everyone welcomes this lost daughter of Roake. There are those who fear what her presence might bring to light. Betrayal stalks the halls of Kira's birthplace—its roots embedded deep in the events that claimed her parent's lives and set her on her current path. Walking the wire's edge between truth and deception will test the person Kira has become as she separates ally from betrayer. An old enemy has put into motion a plan that could topple the balance of power in the universe. Letting them succeed spells doom—but the price might be more than Kira is willing to pay.

Although it is understood that Jedi aren't allowed to form attachments, Master Obi-Wan's apprentice Anakin Skywalker has secretly married Padme Amidala and it is feared that having done so may affect his next important mission to locate a piece of technology during the Clone Wars.

Oddball and loner Oliver Quinn was raised by his uncle, the proprietor of New York's most bizarre emporium of Oriental rugs, Ozymandias & Son. Zoned out more than he's zoned in, Oliver perceives patterns in everything - from fallen autumn leaves in Central Park, to the freckles on a stranger's face. When his uncle gives him a mysterious paperweight - said to have been in the family for centuries - since it was discovered by a farmer on the Mongolian Steppes - Oliver's life changes in the most extraordinary way. Gaining entry into the secret Realm that shrouds all our lives, he learns what he imagines to be reality is no more than a fragment of what actually exists. In a multiverse, where every permutation is not only possible but certain, our world is an insignificant backwater. With the veil lifted, Oliver is introduced to a parallel life form with which we share the multiverse... The mysterious and all-powerful race of Jinn. Far from the loveable blue-skinned giants projected by Hollywood, Jinn are capable of wreaking terror on an unknown scale. When they go rogue, as they frequently do, they must be captured. This perilous task is entrusted to the bravest fraternity of warriors in existence - The Jinn Hunters. Stumbling into the secret heart of the Realm, Oliver learns of the Prism. A vast penitentiary fashioned from sheets of impregnable glass, it contains legions of incarcerated Jinn. But, as Oliver soon comes to understand, his arrival is no accident. Having brooded for an eternity - since being imprisoned by King Solomon - the most evil Jinn in all existence has just escaped... Nequissimus. The future of the Realm rests on Oliver Quinn, whose ancestral bloodline is primed to capture the great Jinn, thereby saving not only humanity, but the entire multiverse. A cross between The Thousand and One Nights and The Men in Black, THE PRISM is the first awe-inspiring novel in Tahir Shah's much-awaited JINN HUNTER series. Quite possibly the most original book of its age, it lures the reader into a Twilight Zone conjured from pure imagination.

Uncover the secrets of the Skywalkers: the family that shaped a galaxy far, far away... The Skywalker story has everything: passion, intrigue, heroism, and dark deeds. This revelatory biography explores every twist and turn of the Skywalker dynasty: the slow seduction to the dark side of Anakin; his doomed marriage to Padmé Amidala; the heroics of Luke and Leia; the fall and redemption of Han Solo and Princess Leia's son, Ben; and the struggles of his dyad in the Force, Rey. Leaving no stone unturned in tracing the dynasty's trials and tribulations, this definitive biography of Star Wars' first family explores and explains the deeper, more personal story of the Skywalkers, their characters, motivations, and, against seemingly impossible odds, their ultimate triumph. © AND TM 2021 LUCASFILM LTD.

If you fear one thing in life, fear the djinn. This groundbreaking book presents the findings of Rosemary Ellen Guiley and Philip J. Imbrogno's investigation into the powerful and mysterious interdimensional beings known as djinn or genies. It reveals what the djinn are, where they can be found—and their hidden agenda against the human race. Working with material compiled from a variety of sources—including their own case files, Middle Eastern lore, the Qur'an, teachings of Islamic scholars, and the latest theories in quantum physics—the authors explore the relationship between the djinn, demons, fairies, shadow people, and extraterrestrials. They discuss the military's interest in these clandestine beings, offer eyewitness accounts of modern human encounters with the djinn, and reveal the location of interdimensional entry points in North America.

From bestselling author Samira Ahmed comes a thrilling fantasy adventure intertwining Islamic legend and history, perfect for fans of Aru Shah and the Land of Stories. On the day of a rare super blue blood moon eclipse, twelve-year-old Amira and her little brother, Hamza, can't stop their bickering while attending a special exhibit on medieval Islamic astronomy. While stargazer Amira is wowed by the amazing gadgets, a bored Hamza wanders off, stumbling across the mesmerizing and forbidden Box of the Moon. Amira can only watch in horror as Hamza grabs the defunct box and it springs to life, setting off a series of events that could shatter their world—literally. Suddenly, day turns to night, everyone around Amira and Hamza falls under a sleep spell, and a chunk of the moon breaks off, hurtling toward them at lightning speed, as they come face-to-face with two otherworldly creatures: jinn. The jinn reveal that the siblings have a role to play in an ancient prophecy. Together, they must journey to the mystical land of Qaf, battle a great evil, and end a civil war to prevent the moon—the stopper between realms—from breaking apart and unleashing terrifying jinn, devs, and ghuls onto earth. Or they might have to say goodbye to their parents and life as they know it, forever....

When her sister disappears during a silk-buying trip to India, American importer Christine Shepherd challenges government bureaucracy while disguising herself as an Islamic woman, a quest that is further complicated by a dangerous encounter with the Taliban. Reprint.

Reader's Guide available. 25,000 first printing.

Being Jinn is Azra's new reality. As she grants wishes under the watchful eye of the Afrit council, she remains torn between her two worlds—human and Jinn. Soon secrets spill, and rumors of an uprising become real as the Afrit's reach extends beyond the underground world of Janna. Straddling the line becomes impossible. Aware of her unique abilities, Azra must not just face but embrace her destiny. But when the role she must play and those she must protect expand to include a circle of Jinn greater than her own, Azra will be forced to risk everything. A risk that means there's everything to lose, and at the same time, everything to gain—for herself and her entire Jinn race. In this dramatic sequel to Lori Goldstein's *Becoming Jinn*, Azra's story comes to a heartfelt and thrilling conclusion.

"The Pauper Prince and the Eucalyptus Jinn" by Usman T. Malik is a fantasy novella about a disenchanting young Pakistani professor who grew up and lives in the United States, but is haunted by the magical, mystical tales his grandfather told him of a princess and a Jinn who lived in Lahore when the grandfather was a boy. "Fascinating and poetic."--Locus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Banished from her clan for being a Muslim, a 400 year-old jinn named Zamar is hiding from her past. But an ancient evil is about to surface, unearthing her secrets and carrying painful reminders of the life she once lived. Ages ago, Zamar had lived in solitary exile along the banks of the Senegal River. Then a lone man entered her world, altering it forever. Spanning several centuries, book one of *Fire & Clay*, pulls you into the unseen world of mankind's distant cousins, the jinn. Like humans, these beings were given the gift of free will. And like us there are a few that choose the way of good, some that choose the way of evil, and many that live their lives torn between the two. But what happens when the lives of creatures cast from smokeless fire, and those shaped from the clay of the Earth become intertwined? The story told here takes readers on a journey of mystery, imagination, and magic to search for the answers. It plunges into the depths of jealousy, fear, and greed—as well as violence, sorrow, and loss. But it also scales the heights of love and faith, hope and deliverance. This story may be fictional, but it is true. Its truths are about what it means to be human, what it means to have the power to choose. *Fire & Clay* is no mere fairytale. What we can see, touch, and taste is only a narrow sliver of reality. There is a war being fought all around us, even within us. And sooner than we might think, our final battle is coming.

A must-read for any Muslim or non-Muslim wanting to know more about the Unseen and the Jinn that occupies it. Gives a thorough breakdown about Jinn, their history, their intentions, good Jinn vs. evil Jinn (devils), physical description of them, and much more. This book describes the highly complex and mysterious creatures known as the Jinn. This is the first book to delve beyond mere mythology and conduct a researched investigation into the mysterious world behind our world where the Jinn exists. The world of the Jinn is not a territory that is easy to explore or venture into deeply, not even for one who aims to reveal the vast secrets of that unseen world. But, armed with a very elementary knowledge of the Jinn's world, we may at least be familiar with something of their history, background, identity, types, characteristics, habits, and various other aspects of these beings who come from a different dimension, but who share this same universe with us. Impeccably researched, this book will be a sure hit with readers of paranormal nonfiction, or anyone interested in this rarely examined topic.
