Ramesh Narayan tells his story of success in an easy-to-read style that combines interesting anecdotes, honest insights and a very different look at success. This is the story of a little fancied candidate who excelled in everything he attempted: Writing, photography, business, industry initiatives, etc. A person who never studied management or advertising but built a successful advertising agency over 24 years. He wrote about advertising in columns for leading publications all his working life, and then retired at the age of 50 to start life anew as an industry person and in the social space. He is credited with several enduring and widely acclaimed initiatives in both areas. He is one of the most awarded persons in the advertising industry; and one of the most retiring as well. Here, he opens up on his life, what success means to him and what got him to where he reached. He offers a host of practical learnings gleaned from his experiences. Living in a society with high critiques, my parents, Altaf Ahmed Lone and Saira Lone have been a backbone for me. They have stood by my side through every thick and thin, even when I thought I didn't need their help. I can't resist my pen to mention my best buddies, my siblings whom I consider a blessing from My Creator; especially, Ayaan and Arab. Besides, I could have never stood here without the support of a few of my companions who have been my strength whenever I was living at my lowest. They have taught me lessons more than academics, that keep me going. In general, I want to extend my heartfelt note of thanks to everyone who prayed for me and has either supported me or been against me. Yes, a special thanks to those who always had tried to bring me down because I got to know my height only when I was pulled down.

In 1998, *Satya* opened to widespread critical acclaim. At a time when Bollywood was still rediscovering romance, Ram Gopal Varma's film dared to imagine the ordinary life of a Mumbai gangster. It kicked off a new wave of Hindi gangster films that depicted a vital, gritty side of Mumbai, rarely shown in mainstream cinema until then. More than two decades later, it has become an iconic film. When it was released, the regular moviegoer would have been hard-pressed to recognise more than a couple of names in the film's credits. Today, it reads like an honour roll - Anurag Kashyap, Manoj Bajpayee, Vishal Bhardwaj, Saurabh Shukla. Speaking to the people who made *Satya* a landmark film, Uday Bhatia tells the incredible story of how it all came together, how it drew from the gangster and street film traditions, and why it went on to become a modern classic.

The *Diary of a Young Girl*, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with her occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.
