From a truly distinctive voice brimming with wicked humor, tales of the little disasters that befall and befuddle us April Wilder's characters (some normal, some less so) have this in common: they are spiraling (or inching) toward self-destruction. An almost poetic range of disasters are sought out and savored in *This Is Not an Accident*, from bad romance to iffy adoption decisions to unsteady liaisons with animals and dolls; from compulsive driving to compulsive written correspondence with oneself. A house sitter hides among poets in Salt Lake City after his canine charge dies tragically. A grandma's boyfriend holds a backyard barbecue under siege—with the kids as his pint-sized guards. The world of these slightly off-center individuals is

similarly off by a few degrees. But by the end, we realize it's not as far off as we would like to think: this is modern American life. What Wilder captures is not a dark side, but rather the side we all know well and hide from others, and ourselves. In the tradition of Wells Tower and Jim Shepard, *This Is Not an Accident* signals a bold new voice and delivers the kind of insanely incisive moments only a master of the human condition can conjure.

This updated edition of the ultimate publication on the music photography of Anton Corbijn, one of the most important photographers and directors working today, focuses on Corbijn's evolving fascination with the music industry, from the 1970s to the present day. Corbijn's interest in music has been the engine of an illustrious decades-long career that has most recently involved the making of feature length films such as *The American*, *A Most Wanted Man*, and *Life*. This gloriously illustrated, oversized book pays homage to Corbijn's obsession with rock and roll--an interest that has led to lifelong friendships with Bono, Michael Stipe, Dave Gahan, and other iconic musicians. Looking back over three decades, it features hundreds of creative, offbeat images that Corbijn was able to capture largely as a result of his close relationships with his subjects. Nearly every revered musician and band is represented in Corbijn's archives: Nick Cave to Nirvana, U2 to R.E.M., the Rolling Stones to Siouxsie and the Banshees. Many of the portraits are accompanied by their subjects' own take on Corbijn's distinct style and approach. Also included here are previously unpublished photos of the band Depeche Mode, who considered him an honorary member. A fitting tribute to an innovative and deeply passionate photographer, this book will rock fans of music and photography.

This text presents a comprehensive and up-to-date reference work on popular music, from the early 20th century to the present day.

Something was wrong. Author Finn Dualmann could feel it. Ever since childhood, he was different from others, but he had no idea why. His moods quickly swung from happy to sad, from compassionate to aggressive, alienating people along the way. He spent most of his time alone, with only his sometimes outlandish and never-ending thoughts to keep him company. In Dualmann's mid-fifties, he was diagnosed with Bipolar II Disorder with rapid cycling. By then, everything near

and dear to him was gone. In *Secrets in the Open*, he shares stories of his life and reflects on how his bipolar disorder has changed and affected his interactions with the world. He recalls his childhood, his teenage years, and each decade of his adulthood, including tales of his military career and later work, his family and eventual divorce, and his struggle with various addictions. A collection of hypomanic episodes that make up the story of Dualmann's life as he recalls it, *Secrets in the Open* narrates what it's been like for him as a bipolar man and how it has affected his relationships and the experiences he's had along the way.
