IMPORTANT: watercolor and marker pages have black-backed pages to minimize bleed-through. The paper in this book (depending on where it was printed) is fairly tough, but obviously thinner than watercolor paper. Colors can look splotchy until completely dry. We recommend using a sheet of card stock or plastic to help protect the pages underneath from colors bleeding through as well as potential rub-through of pencil pigments while swatching. You can make PERSONAL COPIES of the charts you plan to use onto your favorite paper or card stock if the paper in this book feels too thin for your needs, or, if you just want to put those pages of the charts you are using into a ring binder for safe keeping. You can also deconstruct this book for ease of use, so feel free to take it apart, keep the pages you are using in one binder, and store the rest in case you need them later. Many office supply stores (and FedEx service centers) will remove the spine and even spiral-bind or punch holes in the book for you for a small fee. If you choose to do it yourself, I have a step-by-step tutorial using another book (Creative Companion Book Binding DIY) on my blog at rubycharmcolors.com. Or keep it as is--the choice is yours! It is meant to be a book that grows along with you and your artistic needs! Happy color swatching!

Holden, Edith's *The Country Diary of an Edwardian Lady*, and *The Nature Notes of an Edwardian Lady* have been a marketing sensation in Europe persisting throughout the years as a perennial bestseller in the gift and book markets in the form of stationery, address books, craft books, and calendars. We are very pleased to be the first U.S. publisher to offer Edith's timeless watercolors. Editor's Choice - *The Bookseller* This, the first colouring book from VOGUE, has been created by award-winning writer, fashion editor, curator and Royal College of Art Professor, Iain R Webb. The hand-drawn artworks are inspired by iconic images from British VOGUE in the 1950s - an era of hats and matching gloves, haughty elegance and hourglass silhouettes (a period that continues to inspire contemporary designers including Miuccia Prada and Dolce & Gabbana). The book features a glamorous dream wardrobe of luxurious ballgowns and soigné cocktail dresses, smart suits and dramatic accessories by key designers including Christian Dior, Balenciaga, Givenchy and Chanel. The accompanying captions offer fashion and style tips (often highly amusing in hindsight) and are taken from the original pages of VOGUE. The c90 artworks can be coloured in in the spirit of the original images that inspired them or embellished with whatever colours and patterns take the reader's fancy. The colouring book is the perfect present for all those who love vintage fashion and will be published in time for VOGUE's centenary celebrations in 2016, which begin with a major exhibition at the National Portrait Gallery.
