Digital Play is a pioneering book on the use of computer games in language teaching, in which the authors share their expertise in training teachers in innovative classroom practice with their excitement for teaching with technology. It offers:

- guidance on taking on the challenge of the digital revolution
- insight into how learners engage with gaming outside the classroom
- advice and activities for effectively bringing the world of gaming inside the classroom

Digital Play contains three distinctive parts which focus in turn on theory, practice and development: Part A examines the role of computer games in society, in education in general and in language teaching in particular, dismissing stereotypes and suggesting ways of implementing games with language learners. Part B consists of a bank of step-by-step activities showing how to use digital play in the classroom. Activities cover different possible classroom scenarios - from no available technology, through one computer and a projector to multiple computers - and they all have the common aim of helping learners improve their knowledge and use of the foreign language, covering all four language skills. Part C shows the teacher how to integrate digital play activities into the wider environment of the syllabus and the school, and suggests ways of developing personally and professionally as teachers of the 21st century.

Headway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units.

A new edition with a modified syllabus and extensive new material.

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

A foundation course in basic American English for absolute beginners.

Notes with hints, suggestions, and 'possible problems' feature Photocopiable activities for every unit Teacher's Resource Disc - communicative activities, tests, grammar reference, word lists, tapescripts and audio

New Headway Plus Intermediate Headway

Aimed at absolute beginners, this title provides a measured, step-by-step approach that aims to build both skills and confidence. It contains a mix of language work and many practice material that helps learners to consolidate their knowledge of key points before proceeding further. The vocabulary syllabus focuses on high-frequency survival terms.

This is a practical and imaginative addition to the New Headway. It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation. There is practice of individual sounds, with a guide to suitable exercises for speakers of particular languages. There is a focus on lexical sets. Training is given in stress and intonation patterns for accurate, functional use. Help is provided with the features of connected speech.
