

Johnny Appleseed

With a bag of seeds and a pot on his head, John Chapman set out West to plant apple trees. He made lots of friends and planted lots of trees. Pretty soon, people started to call him Johnny Appleseed.

NAMED A BEST BOOK OF SUMMER BY THE NEW YORK TIMES * USA TODAY * ESQUIRE * PHILADELPHIA INQUIRER * LITERARY HUB * GOODREADS * BUSTLE * BOOK RIOT * "Woven together out of the strands of myth, science fiction, and ecological warning, Matt Bell's *Appleseed* is as urgent as it is audacious." --Kelly Link, *Get in Trouble* A "work of incandescent imagination" (Karen Russell) from Young Lions Fiction Award–finalist Matt Bell, a breakout book that explores climate change, manifest destiny, humanity's unchecked exploitation of natural resources, and the small but powerful magic contained within every single apple. In eighteenth-century Ohio, two brothers travel into the wooded frontier, planting apple orchards from which they plan to profit in the years to come. As they remake the wilderness in their own image, planning for a future of settlement and civilization, the long-held bonds and secrets between the two will be tested, fractured and broken—and possibly healed. Fifty years from now, in the second half of the twenty-first century, climate change has ravaged the Earth. Having invested early in genetic engineering and food science, one company now owns all the world's resources. But a growing resistance is working to redistribute both land and power—and in a pivotal moment for the future of humanity, one of the company's original founders will return to headquarters, intending to destroy what he helped build. A thousand years in the future, North America is covered by a massive sheet of ice. One lonely sentient being inhabits a tech station on top of the glacier—and in a daring and seemingly impossible quest, sets out to follow a homing beacon across the continent in the hopes of discovering the last remnant of civilization. Hugely ambitious in scope and theme, *Appleseed* is the breakout novel from a writer "as self-assured as he is audacious" (NPR) who "may well have invented the pulse-pounding novel of ideas" (Jess Walter). Part speculative epic, part tech thriller, part reinvented fairy tale, *Appleseed* is an unforgettable meditation on climate change; corporate, civic, and familial responsibility; manifest destiny; and the myths and legends that sustain us all.

Relates the life of John Chapman, known as Johnny Appleseed, who is famed for his distribution of apple seeds and trees across America.

The story of Johnny Appleseed who planted apple seeds all over the wilderness.

Relates the story of the man who traveled west planting apple seeds to make the country a better place to live.

Recounts the story of John Chapman, the man behind the legend of Johnny Appleseed, who went on a great adventure across the land planting apple seeds everywhere he went.

Shows how Johnny Appleseed grew from a young boy who loved the outdoors into the legendary man who spread apple trees all across the United States.

Recounts legends about Johnny Appleseed, including his friendship with the wild animals, his cooking pot hat, and the thousands of apple trees he planted on the trails West.

"Finally, the cliché is peeled away and the essence of this utterly American character is so revealing. John Chapman comes alive here and it is a thrilling experience to escape the specific gravity of the decades of myth" (Ken Burns). This portrait of Johnny Appleseed restores the flesh-and-blood man beneath the many myths. It captures the boldness of an iconic American and the sadness of his last years, as the frontier marched past him, ever westward. And it shows how death liberated the legend and made of Johnny a barometer of the nation's feelings about its own heroic past and the supposed Eden it once had been. Howard Means does for America's inner frontier what Stephen Ambrose's *Undaunted Courage* did for its western one.

Weaving together the stories of the Old World apple in America and the life and myth of John Chapman, *Johnny Appleseed and the American Orchard* casts new light on both.

Sung To The Tune "The Muffin Man", This Rhyming Title Will Have Students Giggling As They Learn The Tale Of Johnny Appleseed. Teaching Focus, Words To Know Before You Read, Comprehension And Extension Activities. Inside Front And Back Cover Parent And Teacher Support.

WINNER, Lambda Literary Award "You're gonna need a rock and a whole lotta medicine" is a mantra that Jonny Appleseed, a young Two-Spirit/Indigiqueer, repeats to himself in this vivid and utterly compelling novel. Off the reserve and trying to find ways to live and love in the big city, Jonny becomes a cybersex worker who fetishizes himself in order to make a living. Self-ordained as an NDN glitter princess, Jonny has one week before he must return to the "rez," and his former life, to attend the funeral of his stepfather. The next seven days are like a fevered dream: stories of love, trauma, sex, kinship, ambition, and the heartbreaking recollection of his beloved kokum (grandmother). Jonny's life is a series of breakages, appendages, and linkages—and as he goes through the motions of preparing to return home, he learns how to put together the pieces of his life. *Jonny Appleseed* is a unique, shattering vision of First Nations life, full of grit, glitter, and dreams.

Retells in graphic novel format the legend of Johnny Appleseed, who traveled all over America planting apple trees.

The larger-than-life story of a true American hero -- John Chapman, better known as Johnny Appleseed. Kellogg "is ideal as interpreter of this fascinating man....[His] color has never been so rich and luxuriant....An affectionate portrayal, enthusiastically accomplished." -- Booklist.

A retelling of the tall tale about Johnny Appleseed.

A story of John Chapman, better known as Johnny Appleseed, based on the author's life-long study of the beloved American pioneer, missionary, and apple lover.

John Chapman, aka Johnny Appleseed, made himself the stuff of legend by spreading the seeds of apple trees from Pennsylvania to Indiana. Along with that, he offered the seeds of nonviolence and vegetarianism, good relationships with Native Americans, and peace among the settlers. He was one of the New World's earliest followers of the Swedish theologian Emanuel Swedenborg. The story of John Chapman operates as a counter-narrative to the glorification of violence, conquest, and prevailing notions of how the West was Won. It differentiates between the history and the half-myths of Johnny Appleseed's life and work: His apples, for instance, were prized for many reasons, but none more so than for the making of hard cider. He was also a real estate speculator of sorts, purchasing potentially fertile but unproven acres and then planting saplings before flipping the land. Yet, he had less interest in financial gain?and yes, this is an accurate part of the mythology?than in spreading visions of peace and love. Johnny Appleseed

brings this quintessentially American story to life in comics form.

A first-person narrative of the life of the legendary figure who traveled across the American frontier planting apple trees and carrying the Christian faith to pioneer families.

A limited, large-format edition of this gorgeous study of apples, featuring a print from the series This large-format (9 x 11.25 inches) special edition of New York photographer William Mullan's (born 1989) Odd Apples includes a print of the photograph titled Hidden Rose housed in a pergamin paper sleeve inserted in the book. Mullan's obsession with apples began when he saw his first Egremont Russet at a Waitrose grocery store outside of London. Fascinated by its gnarled, potato-like appearance and shockingly fresh, nutty flavor, Mullan began searching for, and photographing, rare apple varieties. In Odd Apples, each apple is lovingly rendered and styled according to its individual "personality"--a combination of its looks and its flavors. The apples are set against complementary brightly colored backdrops; they are peeled or unpeeled, cut or whole, skin shriveled or perfectly smooth and shiny. Mullan embraces each apple's idiosyncratic aesthetic qualities completely.

CHILDREN'S BOOKS/AGES 4-8

Recounts the life and adventures of the legendary Johnny Appleseed as he made his way across the country planting appleseeds and selling and trading sprouts.

Who's that walking along the Ohio? It's Johnny Appleseed! He walks across the land, planting trees wherever he goes. So, everyone, clap your hands for Johnny Appleseed!

Johnny Appleseed Harper Collins

Johnny Appleseed was an important historical figure, well known for planting apple orchards across the new frontier. But he was also a master storyteller! In his own folksy voice, Johnny Appleseed tells his story to a couple of entranced children in this fictionalized Step 2 title. Readers learn how he started planting apple trees—and about some of the myths and true stories of his life.

Excerpt from Johnny Appleseed: A Pioneer Hero Johnny Appleseed. (harper's magazine, November, 1871) seeds were conveyed, sometimes on the back of a horse, and not unfrequently on his own shoulders, either over a part of the old Indian trail that led from Fort Duquesne to Detroit, by way of Fort Sandusky, or over what is styled in the appendix to Hutchins's History of Boguet's Expedition in 1764 the second route through the wilderness of Ohio, which would require him to traverse a distance of one hundred and sixty-six miles in a west-northwest direction from Fort Duquesne in order to reach the Black Fork of the Mohican. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The perfect biography to "bite into" at the start of a new school year! Children are sure to be fascinated by the eccentric and legendary Johnny Appleseed, a man who is best known for bringing apple trees to the midwest. Over John Chapman's lifetime, he saw the country grow and start to spread westward. Traveling alone—in bare feet and sporting a pot on his head!—Johnny left his own special mark planting orchards that helped nourish new communities. His journeys and adventures are illustrated in a hundred black-and-white illustrations.

Introduce your brilliant baby to the American icon Johnny Appleseed. John Chapman, known as "Johnny Appleseed," planted apple tree nurseries all over Pennsylvania, Ontario, Ohio, Indiana, Illinois, and West Virginia. He believed nobody should ever harm a living thing, so he advocated for animal rights, became a vegetarian, and planted seeds instead of grafting tree branches like most other orchardists. Kate Coombs and Seth Lucas recreate Johnny Appleseed's adventures for young readers, encouraging them to Be Adventurous and to Be Kind to every person, animal, and plant they meet. Kate Coombs is an award-winning author of original fairy tales, poems, middle-grade fantasy novels, and picture books, including the critically acclaimed Water Sings Blue, which won the Lee Bennett Hopkins Poetry Award for 2012, and seven books in the bestselling BabyLit series. She lives in Bountiful, Utah. Carme Lemniscates is an award-winning author, illustrator, and designer of children's books. In 2010 she founded Lemniscates Studio (www.lemniscates.com) in her home city of Barcelona to create her own children's book projects, which she both writes and illustrates. Carme also illustrated best-selling author Jennifer Adams' I Am a Warrior Goddess.

Recounts the story of the man who traveled west planting apple seeds to make the country a better place to live.

How will John Chapman become Johnny Appleseed? What will Glooscap do to defeat the evil giant Winter?

A poem describing Johnny Appleseed's appearance and actions.

Planting trees is quite an art. He plants the apples with his heart. Johnny, Johnny Appleseed. Everyone knows the legend of Johnny Appleseed, the man from Massachusetts who planted apple trees all the way to California. But the true story of Johnny Appleseed, or John Chapman, is even greater than the legend. In deft and lyrical prose, Jane Yolen tells the whole story of an individual who forever changed the landscape of America. Breathtaking paintings by award-winning artist Jim Burke illuminate the historical detail of this man's life while capturing all the magic and mystery of his legend.

Johnny Appleseed and the American Orchard illuminates the meaning of Johnny "Appleseed" Chapman's life and the environmental and cultural significance of the plant he propagated. Creating a startling new portrait of the eccentric apple tree planter, William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies across New England and the Midwest. The character of Johnny Appleseed stands apart from other frontier heroes like Davy Crockett and Daniel Boone, who employed violence against Native Americans and nature to remake the West. His apple trees, nonetheless, were a central part of the agro-ecological revolution at the heart of that transformation. Yet men like Chapman, who planted trees from seed rather than grafting, ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West. Over the course of his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre-market one. Weaving together the stories of the Old World apple in America and the life and myth of John Chapman, Johnny Appleseed and the American Orchard casts new light on both. -- James Gilbert, University of Maryland

A nonfiction Little Golden Book about an American every child should know In this simple yet lively book, preschoolers will be introduced to John Chapman, better known as Johnny Appleseed. Lyrical text and bright, appealing artwork capture the essence of this important American. Little ones will enjoy engaging anecdotes about Johnny Appleseed,

beginning with the young John, who liked to walk barefoot in the cool, quiet woods. They'll gain a clear understanding of the way he helped American settlers by walking a hundred thousand miles in his lifetime, for over fifty years, to plant seeds. Fun facts at the end--such as how Johnny Appleseed looked poor in his worn-out clothes, but died owning over a thousand acres of land--round out this nonfiction book with typical Little Golden Book style and warmth.

Includes the following features: sample lesson plans, pre-reading activities, biographical sketch and picture of the author, book summary, vocabulary lists and vocabulary activity ideas, quizzes, hands-on projects, cooperative learning activities, cross-curricular activities, post-reading activities, book report ideas, research ideas.

'Here comes Johnny Appleseed!' Join Opie and the boy as they go on a new adventure with the one and only John Chapman. Follow along as they travel into the Northwest Territory in America to help settle the new land and help the pioneers build orchards and plant apple trees as far as the eye can see! Relive all of the adventure, fun, and excitement and also about the real John Chapman and how he became known as Johnny Appleseed in A Possum's Good Apple John Chapman and the Legend of Johnny Appleseed.

Introduces the planet Earth, including its orbit, geology, oceans, atmosphere, weather, and inhabitants.

John Chapman, introduced apple trees to large part of the US Midwest and some parts of Canada. Known as Johnny Appleseed, he was an eccentric and religious man who was kind, generous, and loved animals. This book is an introduction to the life and generosity of Johnny Appleseed whose unselfishness inspired songs, books, and city parks. This jovial volume contains original artwork, historical context of the story, recounts the folktale from diverse cultures, and defines words unique to the story.

John Chapman was a simple-living man with a vision to plant apple trees across the Northwest Territory. He wanted the pioneers to have something to eat, the versatile apple, as they traveled and laid down their own roots. He followed his dream and became a wealthy businessman-but that may not have been his aim, for in his clothing made of sack and wearing no shoes, he lived like a pauper. Children and grown-ups alike looked forward to visits from the man they called Johnny Appleseed. But were his feet really as tough as an animal's paw? Did he travel hundreds of miles just to find more apple seeds? Find out what is truth and what are tall tales in this revealing book about the legendary pioneer planter.
