The warm and hilarious bestselling memoir by a man diagnosed with Asperger syndrome who sets out to save his marriage. At some point in nearly every marriage, a wife finds herself asking, What the @#!% is wrong with my husband?! In David Finch's case, this turns out to be an apt question. Five years after he married Kristen, the love of his life, they learn that he has Asperger syndrome. The diagnosis explains David's ever-growing list of quirks and compulsions, but it doesn't make him any easier to live with. Determined to change, David sets out to understand Asperger syndrome and learn to be a better husband with an endearing yet hilarious zeal. His methods for improving his marriage involve excessive note-taking, performance reviews, and most of all, the Journal of Best Practices: a collection of hundreds of maxims and hard-won epiphanies, including "Don't change the radio station when she's singing along"

and "Apologies do not count when you shout them." Over the course of two years, David transforms himself from the world's most trying husband to the husband who tries the hardest. He becomes the husband he'd always meant to be. Filled with humor and surprising wisdom, The Journal of Best Practices is a candid story of ruthless self-improvement, a unique window into living with an autism spectrum condition, and proof that a true heart can conquer all.

If not, I created this journal to help you stay focus on the love you want to attract into your life. My dear future wife journal became a way for me to release my emotions more productively. I realized that happiness was a personal choice; it was an inside job. I was the only one responsible for my feelings. To find love, to grow in love, and stay in love is a luxury. I pray that this journal helps you the same way my Dear Future Wife journal helped me stay focused on the love I desire to attract into my life. The "Prayers for your Future Husband Journal" was birth out of the main book titled "Prayers for your Future Husband". The journal

came the same way the book did - through prayer. The journal consists of a "21 days prayers for your future husband challenge." The challenge does not only consist of prayers for your future husband, but begins with prayers for the one who is already releasing sweet-smelling incense to heaven - you - the wife. - The first 7 days deal with prayers for the wife. - The next 7 days deal with prayers for your future husband. - The last 7 days deal with prayers for your marriage. May this challenge not end at just 21 days; but may it be a commitment you make for yourself, husband and marriage as a woman of God. It is my prayer that a new generation of women will arise from this challenge. Women who understand the power of prayer and are committed to partnering with God to birth the things He has ordained in the spiritual and physical. May the Holy Spirit as He always does, intercede for you as you pray. May the Lord fight your battles as you seek His face in prayer, in Jesus name, amen.
