King of Britain for sixty years and the last king of what would become the United States, George III inspired both hatred and loyalty and is now best known for two reasons: as a villainous tyrant for America's Founding Fathers, and for his madness, both of which have been portrayed on stage and screen. In this concise and penetrating biography, Jeremy Black turns away from the image-making and back to the archives, and instead locates George's life within his age: as a king who faced the loss of key colonies, rebellion in Ireland, insurrection in London, constitutional crisis in Britain and an existential threat from Revolutionary France as part of modern Britain's longest period of war. Black shows how George III rose to these challenges with fortitude and helped settle parliamentary monarchy as an effective governmental system, eventually becoming the most popular monarch for well over a century. He also shows us a talented and curious individual, committed to music, art, architecture and science, who took the duties of monarchy seriously, from reviewing death penalties to trying to control his often wayward children even as his own mental health failed, and became

The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands
