In addition to green smoothies and color photographs of select recipes, the book includes more than twenty effective methods to detox (which helps fuel weight loss), information on Smith's DHEMM (Detox, Hormonal Balance, Eat, Move and Mental Mastery) weight loss system, and testimonials from dieters who've change their approach to not just food but also life since while following her advice. Whether you are just starting out on your weight loss journey or already a smoothie convert, *Green Smoothies for Life* is the essential next step in continuing your pursuit of a healthier lifestyle.
