Frog is excited about autumn and the coming of winter. But when Owl informs him that frogs hibernate till spring, Frog is upset at missing out on all the snowy fun. In this hysterically funny twist on the classic "I don't want to go to bed" dilemma, Frog comes up with all kinds of reasons why he's not going to sleep through winter, until he devises a clever way to convince his friends to come along for the ride. Featuring the beloved young frog character from the hit *I Don't Want to Be a Frog* and his cast of zany animal friends, this new story is sure to bring a smile to every kid who's ever protested at bedtime. And parents will appreciate a bold new twist on a timeless childhood topic. It's another surefire crowd pleaser and perfect read-aloud. Praise for the series- *I Don't Want to Be a Frog*- ? "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers--or it might just make them giggle." --Publishers Weekly, starred review *IDon't Want to Be Big*- "Reminiscent of Mo Willems's 'Elephant and Piggie' series." --Publishers Weekly *There's Nothing to Do!* ? "Snappy, spot-on dialogue pairs ideally with the outsize drama of Boldt's artwork; reading this book belongs on families' to-do lists." --Publishers Weekly, starred review

"Now there's a version, complete with more of the gorgeous, yet weirdly subversive illustrations. The best part? It's still funny. The rhythms, the plodding rhymes, the illustrations, the clever play on the overused trope of the world at bedtime -- they all work together to take Seriously, Just Go to Sleep beyond parody and into the realm where good children's books belong: things that parents, and children, can honestly come to from different places and enjoy together. I can imagine reading Seriously, Go to Sleep nightly, and even to the point where you're begging the child to choose something else (the ultimate compliment for a picture book) and yet still finding something to enjoy. It captures a different 'zeitgeist' of modern parenting." --New York Times "From the team that touched off the irreverent humor trend *Go the F**k to Sleep*, author Adam Mansbach and illustrator Ricardo Cortes, comes a new kid-friendly version of their instant comic classic. Seriously, Just Go to Sleep brings children in on the joke, helping them understand their own tactics and why their parents just want them to go . . . to sleep." --Publishers Weekly Critical success for the original *Go the F*** to Sleep*, a #1 best seller at: New York Times, Amazon.com, Wall Street Journal, Publishers Weekly, and many more! Seriously, Just Go to Sleep is the G-rated, traditional-sized, children's version of the book every parent has been talking about. *Go the F*** to Sleep*, the picture book for adults, became a cultural sensation by striking a universal chord for parents. Now, Adam Mansbach and Ricardo Cortés reunite with Seriously, Just Go to Sleep, inviting the children themselves in on the joke. As parents know, kids are well aware of how difficult they can be at bedtime. With Cortés's updated illustrations (including a cameo appearance by Samuel L. Jackson, who narrated the audio book version of *Go the F*** to Sleep*) and Mansbach's new child-appropriate narrative, the book allows kids to recognize their tactics, giggle at their own mischievousness, and empathize with their parents' struggles--a perspective most children's books don't capture. Most importantly, it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting. Seriously, Just Go to Sleep came to be when Mansbach read a highly censored rendition of the original book to his three-year-old daughter, and she recognized herself as the culprit and was delighted. "We were getting a lot of feedback from parents, saying that their kids loved the book--read in an altered form--because they recognized themselves in the character of the mischievous kid who's winning the bedtime battle, and thought it was hilarious. So we figured we'd do a companion volume that lets kids in on the fun."
