Reflect, meditate, and explore through a year of Zen journaling Each day is a new empty space to bring to life--it can be loaded with stress or decorated with moments of calm and clarity. Embark on a wondrous journey through the self with this 52-week guided journal from Zen priest and teacher Bonnie Myotai Treace, sensei. Her wise, thought-provoking prompts will lead beginners and experienced practitioners alike through the seasons, filling the blank spaces with peaceful self-exploration and reflection every day. Explore topics from the mundane to the holy with creative prompts like: Reverence--Zen artists tend to be very reverential toward the tools of their trade. Describe your pen, brush, musical instrument, etc., with the deep, precise attention that reflects that reverence. Being a Curious Being--What if you could become more curious and impartial toward your thoughts instead of being so easily persuaded by them? Write a few lines as you consider. Evening Threshold--Catch yourself at sundown, light fading from the sky. What does the arrival of night trigger or bring up for you? Walk the path of growth and build a mindful daily practice with this Zen Buddhism journal.

An extraordinary retrospective of one of the leading abstract painters of our time, surveying the artist's career from the early 1970s to the present In a sustained exploration of the possibilities of abstraction, Sean Scully (b. 1945) has created a rich body of work throughout his 50-year career. Sean Scully: The Shape of Ideas sets his entire output within a detailed biographical framework, closely examining the relationship between the artist's paintings and his lesser-known drawings, pastels, watercolors, and prints--areas of Scully's production that are rarely considered together. At the heart of the book is an investigation of the development and reception of Scully's work based on historical and contemporary reviews as well as extensive interviews with the artist. Featured contributions include a preface by Marla Price, author of Scully's multivolume catalogue raisonn  , and an essay by the poet and art critic Kelly Grovier on the unique contribution Scully has made to the history of abstraction. Published to coincide with the artist's touring retrospective exhibition, this publication presents sumptuous illustrations and detailed accounts of his most

significant bodies of work, offering new insight into his practice. It is an indispensable resource to understanding Scully's wide-ranging oeuvre and his influential place in contemporary art history.

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny, little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. Pretty Much Everything is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like Field Notes and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin’s humor and pointed observations on the contemporary design scene, Draplin Design Co. is the complete package for the new generation of designers. Perfect for kids... cool for adults! From the rising-star designer and author of the hit blog, Elements of Style, a full-color, fully illustrated book packed with honest advice, inspiration, ideas, and lessons learned about designing a home that reflects your personality and style. Elements of Style is a uniquely personal and practical decorating guide that shows how designing a home can be an outlet of personal expression and an exercise in self-discovery. Drawing on her ten years of experience in the interior design industry, Erin combines honest design advice and gorgeous professional photographs and illustrations with personal essays about the lessons she has learned while designing her own home and her own life—the first being: none of our homes or lives is perfect. Like a funny best friend, she reveals the disasters she confronted in her own kitchen renovation, her struggles with anorexia, her epic fight with her husband over a Lucite table, and her secrets for starting a successful blog. Organized by rooms in the house, Elements of Style invites readers into Erin’s own home as well as homes she has designed for clients. Fresh, modern, and colorful, it is brimming glamour and style as well as advice on practical matters from choosing kitchen counter materials to dressing a bed with pillows, picking a sofa, and decorating a nursery without cartoon characters. You’ll also find a charming foreword by Erin’s husband, Andrew, and an extensive Resource and Shopping Guide that provides an indispensable a roadmap for anyone embarking on their first serious home decorating adventure. With Erin’s help, you can finally make your house your home.
