

Keri Smith Wreck This Journal

From the internationally bestselling creator of *Wreck This Journal*, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a "book", Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways *This Is Not a Book* can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. *This Is Not a Book* forces you to ask, "If it's not a book, what is it then?"—with a kaleidoscope of possible answers.

From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the "real world." There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no "wrong.") 3. Continue under all circumstances. It's time to make a mess.

From the internationally bestselling creator of *Wreck This Journal* comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With *Everything Is Connected*, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.

America's pregnancy bible answers all your baby questions. When can I take home a pregnancy test? How can I eat for two if I'm too queasy to eat for one? Can I keep up my spinning classes? Is fish safe to eat? And what's this I hear about soft cheese? Can I work until I deliver? What are my rights on the job? I'm blotchy and broken out—where's the glow? Should we do a gender reveal? What about a 4-D ultrasound? Will I know labor when I feel it? Your pregnancy explained and your pregnant body demystified, head (what to do about those headaches) to feet (why they're so swollen), back (how to stop it from aching) to front (why you can't tell a baby by mom's bump). Filled with must-have information, practical advice, realistic insight, easy-to-use tips, and lots of reassurance, you'll also find the very latest on prenatal screenings, which medications are safe, and the most current birthing options—from water birth to gentle c-sections. Your pregnancy lifestyle gets equal attention, too: eating (including food trends) to coffee drinking, working out (and work) to sex, travel to beauty, skin care, and more. Have pregnancy symptoms? You will—and you'll find solutions for them all. Expecting multiples? There's a chapter for you. Expecting to become a dad? This book has you covered, too.

From the author of *Wreck This Journal*, a collaborative creative journey where you complete the book *Dear Reader, One dark and stormy night*, author Keri Smith found some strange scattered pages abandoned in a park. She collected and assembled them, trying to solve the mystery of this unexpected discovery, and now she's passing the task on to you, her readers. Your mission is to become the new author of this work. You will continue the research and provide the content. In order to complete the task, you will have to undergo some secret intelligence training, which is included in this volume. Since no one knows what lies ahead, please proceed with caution, but know...this book does not exist without you. Yours truly, Keri Smith

The special limited edition red mesh cover of the international bestseller... For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process.

Keri Smith's wildly popular interactive journals—Wreck This Journal (the expanded edition), This Is Not a Book, and Mess—are now available in one boxed set. Smith invites you to reimagine what a book can be (a secret message, a recording device, an instrument). Poke holes in the pages. Paint them with coffee. Bring the book in the shower. Let loose and make a mess. And now you can even wreck the box.

A deceptively simple adventure into the unknown using only paper, a pencil and a single line Wreck This Journal had a simple premise: destroy the book in all the ways you can imagine. The Line is even simpler: find pencil, start a line. As you move through the pages of Keri Smith's newest book, you'll be asked to let your line meander, explore the book's gutter, and jump around the edges of the pages. You'll hide your line, cut your line and even let someone else take over your line for a bit. The farther you get into the book, however, the more you'll discover that maybe things aren't as simple as they first seemed. The line has a mind of its own, and it's up to you to discover what's at the end of the line (hint: it's just the beginning).

From the bestselling author of Wreck This Journal comes Keri Smith's Adventure Lab--a custom-designed boxed set featuring How to Be an Explorer of the World, Finish This Book, and The Imaginary World of...--plus an original map for readers to make their own. Now in one brand-new box, Keri Smith's trio of imagination-expanding books: How to Be an Explorer of the World, Finish This Book, and The Imaginary World of.... Whether you want to explore the world around you, delve into the mysteries of another, or create a completely new one, this boxed set provides the keys, as well as a map to document your adventures.

Now in one brand-new box, Keri Smith's wildly popular interactive journals: Wreck This Journal (the expanded edition), This Is Not a Book, Mess, and The Pocket Scavenger Do not open this box! It will lead to all kinds of unusual activities including the destruction of books, random walking adventures, the collection of discarded objects, and other things people may disapprove of. You have been warned.

Temporary art, graffiti, signage, performance, political art, interactive art.

Sol LeWitt (1928-2007), one of the most influential artists of the twentieth century, upended traditional practices of how art is made and marketed. A key figure in minimalism and conceptualism, he proclaimed that the work of the mind is much more important than that of the hand. For his site-specific work—wall drawings and sculpture in dozens of countries—he created the idea and basic plan and then hired young artists to install the pieces. Though typically enormous and intricate, the physical works held no value. The worth was in the pieces of paper that certified and described them. LeWitt championed and financially supported colleagues, including women artists brushed aside by the bullies of a male-dominated profession. Yet the man himself has remained an enigma, as he refused to participate in the culture of celebrity. Lary Bloom's book draws on personal recollections of LeWitt, whom he knew in the last years of the artist's life, as well as LeWitt's letters and papers and over one hundred original interviews with his friends and colleagues, including Chuck Close, Ingrid Sischy, Philip Glass, Adrian Piper, Jan Dibbets, and Carl Andre. This absorbing chronicle brings new information to our understanding of this important artist, linking the extraordinary arc of his life to his iconic work. Includes 28 illustrations.

Fonda has ideas for a way cooler trip but before she can say Catalina Island, other kids (including her best friend's crush's best friend!) come forward with class trip proposals of their own. There's only one solution: a petition competition, and whoever gets the most signatures wins. Fonda enlists her besties Drew and Ruthie to help, but are they ready to do whatever it takes to win? Between school stuff, girl stuff, and crush stuff, this trio's trip—and hearts—are on the line.

From the internationally bestselling creator of Wreck This Journal... wan-der verb \?wän-d?r\ to walk/explore/amble in an unplanned or aimless way with a complete openness to the unknown Several years ago when Keri Smith, bestselling author of Wreck This Journal, discovered cryptic handwritten notations in a worn copy of Walt Whitman's Leaves of Grass, her interest was piqued. Little did she know at the time that those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as The Wander Society, as well as the subject of this book. Within these pages, you'll find the results of Smith's research: A guide to the Wander Society, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You'll learn about the group's mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

From the internationally bestselling creator of *Wreck This Journal*, a guide to building your own perfect world. In *The Imaginary World of...*, Keri Smith asks readers to imagine something new: a unique world of their own making. Readers start by creating a list of everything to which they're drawn: things they love and collect, colors, shapes, ideas, people, and creatures that fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they'll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of...* will encourage readers to become revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

An Indie Next List Selection Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless wrecking!)

From the internationally bestselling creator of *Wreck This Journal*, an interactive guide for exploring and documenting the art and science of everyday life. Artists and scientists analyze the world around them in surprisingly similar ways, by observing, collecting, documenting, analyzing, and comparing. In this captivating guided journal, readers are encouraged to explore their world as both artists and scientists. The mission Smith proposes? To document and observe the world around you as if you've never seen it before. Take notes. Collect things you find on your travels. Document findings. Notice patterns. Copy. Trace. Focus on one thing at a time. Record what you are drawn to. Through this series of beautifully hand-illustrated interactive prompts, readers will enjoy exploring and discovering the world in ways they never even imagined.
