You have to stop me from hurting anyone else. I don't want to do these horrible things. Help me before I'm forced to do it again. And I will do it again because I have no choice. I've never had a choice. In a busy shopping centre, a little girl clutches a teddy bear, clinging to it in the absence of her mother, Katrina. Hours later, Katrina's body is discovered in an abandoned building. For Detective Kim Stone, it looks like a quick, functional kill. But Kim's instincts tell her there's more to this senseless murder than meets the eye. What was the motive for killing a young mother out shopping with her child? Days later, a second victim is found in a local park, her neck broken just like Katrina's and her six-year-old son missing. With her colleague, Detective Stacey Wood, working on another unsolved crime and a member of the team grieving the loss of a close relative, Kim is struggling to make inroads on what is fast becoming a complex case. And when a handwritten letter from the killer lands on Kim's desk addressed to her, and pleading for help, she knows time is running out to bring the little boy home alive. With the support of a handwriting analyst and profiler, Kim and the team begin to get inside the mind of the killer and make a shocking discovery. Some of the victims have scratch marks on their wrists. But these are no random scratches. The killer is using them to communicate with someone. The question is... with whom? And if Kim doesn't find them soon, another innocent soul will die. Serial killings, child abductions, organised crime hits and domestic murders. This is the memoir of a homicide detective. Here I am: tall and broad, shaved head, had my nose broken three times fighting. Black suit, white shirt, the big city homicide detective. I've led investigations into serial killings, child abductions, organised crime hits and domestic murders. But beneath the suit, I've got an Om symbol in the shape of a Buddha tattooed on my right bicep. It balances the tattoo on my left ribs: Better to die on your feet than live on your knees. That's how I choose to live my life. As a cop, I got paid to catch killers and I learned what doing it can cost you. It cost me marriages and friendships. It cost me my reputation. They tell you not to let a case get personal, but I think it has to. Each one has taken a piece out of me and added a piece, until there's only pieces. I catch killers - it's what I do. It's who I am. Gary Jubelin was one of Australia's most celebrated detectives, leading investigations into the disappearance of preschooler William Tyrrell, the serial killing of three Aboriginal children in Bowraville and the brutal gangland murder of Terry Falconer. During his 34-year career, Detective Chief Inspector Jubelin also ran the crime scene following the Lindt Cafe siege, investigated the death of Caroline Byrne and recovered the body of Matthew Leveson. Jubelin retired from the force in 2019. This is his story

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • In this “spellbinding memoir” (*The Washington Post*), a private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. “Beautifully written.”—Heather Ann Thompson, Pulitzer Prize-winning author of *Blood in the Water* In 1990, Ellen McGarrah was a young reporter for the *Miami Herald* when she covered the execution of Jesse Tafero, a man convicted of murdering two police officers. When it later emerged that Tafero may have been innocent, McGarrah was appalled by her unquestioning acceptance of the state's version of events. The revelation propelled her into a new career as a private investigator. Decades later, McGarrah finally decides to find out the truth of what really happened in Florida. Her investigation plunges her back into the Miami of the 1960s and 1970s, a dangerous world of nightclubs, speed boats, and cartels, all awash in violence. She combs through stacks of court files and interviews everyone involved in the case. But even as McGarrah circles closer to the truth, the story of guilt and innocence becomes more complex, and she gradually discovers that she hasn't been alone in her need for closure. Because whenever a human life is forcibly taken—by bullet, or by electric chair—the reckoning is long and difficult for all. A fascinating glimpse into the mind of a private investigator, *Two Truths and a Lie* is ultimately a deeply personal exploration of one woman's quest to find answers in a chaotic world.
