In the book, THE GOD DNA, The author affirms that the God DNA is not found in the molecules of man's cells but in the genetic composition of the new nature that produces the fruit of the Spirit. It is through this DNA that our spiritual paternity bears witness with the Holy Spirit that we are the children of God; our birth certificate, therefore, has the family name of God and, as such, we are entitled to all that is in the kingdom of God. The book exposes us to godlike traits found in the efficiency of the blood Christ transmitted to us by the radical experience called regeneration. God teaches us what is required to operate at the level of faith for those with the GOD DNA. Glenford "Glen" Christie is an ordained Pastor and Evangelist. This book is about my personal experience during the January 12, 2010, earthquake in Haiti. On January 10, 2010, I traveled from Rhode Island through Boston Logan Airport and through Miami, Florida, and then Haiti. For two consecutive days, I was assigned to preach in the Church of God at Rue Du Centre, Port-au-Prince. Earlier on January 12, I was invited to speak at the same church in the early morning prayer service at 6:00 a.m. I was accompanied by my friend Bishop Habel Cesar Novas, a United States of America army veteran of Dominican background who travels with me on many occasions. I was asked to return the same day at 10:00 a.m., and that service ended at 12:10 p.m. Money In Kingdom Principle deals with your purpose and dreams, and empowers you to gain momentum and live the successful life you never through possible.

As you study such principles as the Kingdom concepts of kings, lord, territory, law, citizens, royal privilege, culture, economy and others, prepare for your thinking about God's kingdom and mankind's destiny to be radically transformed. *Kingdom Principles* will help you learn to think and act like a Kingdom citizen and the ruler God intended you to be. It will infuse your life as a believer with a new sense of excitement and purpose.

We have created a society and group of people that now have been pressured into thinking that you should amass extreme amounts of debt to pay for their education. The grave reality is that most individuals that accumulate this educational debt never have the capacity to repay it. And if they do repay it, it's certainly not in the short-term. People are carrying educational debt throughout a large portion of their life. Whether they know it or not, they are actually paying to get a job. This is a shocking statement but unfortunately it doesn't end here. As mindsets have been conditioned into owning a home, wearing certain types of clothing or driving fancy automobiles with no regard to cost, the average person is in severe debt before the age of 26. This is called bondage and being a servant to the lender. The rich ruleth over the poor, and the borrower is servant to the lender - Proverbs 22:7 (NJV)

The book is divided into two parts with an introduction. Part 1 has four chapters, and part 2 has three chapters. Part 1 is kingdom keys for succeeding in life, and part 2 is principles for success. The book has seven chapters in whole. The book is all about succeeding in life, and there are pathways you must follow to get there. Apparently, success is not a destination but a movement upward from one level to the next level. Success can become a failure when you dont continue moving forward. Success of yesterday can become failures of today, if there is no further progress. Through this book, you will understand that failure is a confession, as success is. So when you say it is impossible, you become a failure indeed. Even God cannot help you until you change your confession. Failure is the beginning of success because it tells you to try it again. And in doing it again, you win. Through this book, you will also learn how to invest in Gods kingdom, obey his word, and manage your life and time in others to get to your wealthy place. There is a wealthy place God has prepared for you, and he wants you to get there. The pathway to success is summed up in the following: Dont lose the sight of God. You will learn that if you loss the sight of God, you will lose sight of greatness. King Uzziah lost sight of God as well as Apostle Judas Iscariot. Both never became great. Succeeding through the force of labor. You will understand that your wealth, success, or prosperity is traceable to your assignment or Gods purpose you are carrying out. There is no entitlement in title bearing. It is the work you do that bears the title and brings about your wealth. Invest in the kingdom of God. Here in this chapter, you will learn how to serve God properly. You will also know that if you dont service your purpose, your purpose will become purposeless. Kingdom investment is what brings life increment. Whatever that is saved in Gods hands is secured and generates wealth. There is a bank of heaven and given is the channel through which you store up treasures in the bank and righteousness is the medium through which you activate it for withdrawal, and through the name of Jesus withdrawal is made possible. Patience is a divine factor that stabilizes your faith for effective performance in any given areas of life. Obedience is one of the spiritual tests for succeeding in life. You will get to understand that when you obey Gods Word, natural and even spiritual things will obey you. Application is the scientific way of getting answers to any equations of scientific nature, and so it is in the kingdom of God. Manage your life. You will know that God created you to be a leader and a manager. Management is the key to enthronement. You will manage your life through planning, organizing, directing, and controlling. John 1:1-5, NKJV

You Can Live a Positive Lifestyle or You Can Live a Negative Lifestyle. The Choice is Yours! Choose. But Choose Wisely. There is no shortage of books that have been written about having a Positive Mental Attitude (P.M.A.), and how to be successful in your business, your marriage, with your finances, and in your life. Some people believe these books are only about how to "get rich quick." Others say that the idea is more about thinking only positive thoughts, speaking only positive words, and doing only positive things, with the end result of producing a positive life. On the surface, that really does sound like a great way to live. Who doesn't want to be healthy, wealthy, and wise. But without a relationship with God, those positive vibes will soon turn into negative vibes. Make no mistake, there is an abundance of hucksters, charlatans, scam & flim-flam artists-some who claim to be Christians-who are out to make a quick buck off the gullible. But just because they are con artists and wolves in sheep's clothing out there doesn't mean everything being taught about working diligently to live a successful life and having a Positive Mental Attitude is all a sham. Indeed, there is much truth to be gleaned from such teaching. Bible teacher Rodney Lewis Boyd wrote this book to make sure that true believers in Jesus Christ, the Risen Savior, do not throw out the baby with the bathwater concerning true prosperity

and true success.

What Others are Saying About God and Money "This is one of the most thoughtful and well researched books on giving that I have had the pleasure of reading. The frameworks presented in the book can be used by people at all stages of experiencing the joy of generosity." —Waters Davis, President of National Christian Foundation Houston. "With uncommon transparency, John and Greg provide a Gospel-centered and practical perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact." —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift "In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired." —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading God and Money! God used the framework Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction." —Todd Harper, President, Generous Giving "The mission of Harvard Business School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in God and Money out to their community and to the world beyond. Solomon was more than just a character in the Bible—he was the richest man who ever lived. If we could learn from him directly, what would he teach us about growth in riches and knowledge? And how can we relate his life and wisdom to the society and successful financial planning of our contemporary world? Bruce Fleet's *The Solomon Secret* brings together instructional parables highlighting the wisdom of history's wealthiest man, with practical and sound financial advice for twenty-first-century readers. Fleet, a successful financial adviser and owner of a large investment firm, draws from the time-honored and historically proven wisdom of the life of the ancient king to offer—through the siphon of his own talent and perspective—the very best in financial strategies for today's challenging economic climate.
