

Kittens The Cats Picture Book Of Cute And Funny Cats Around The World Great Photo Book For Kids And Adults

One cat sleeps. Two cats play. Three cats stack! Cats of all shapes and sizes scamper, stretch and yawn across the pages of this adorable counting book. And every now and then, they find themselves in the purrfect fluffy stack!

In this tender board book, a kitten practices the basics of feline behavior over the course of a day. A single word of text per spread teaches readers "how to be a cat"--how to stretch, clean, pounce, feast--while the striking paper cuts illustrate the kitten's attempts to imitate an adult cat's mastery of each skill. At times, the kitten triumphantly succeeds, and at other times the kitten struggles, in vignettes that range from whimsical to profound. A celebration of all things feline, *How to Be a Cat* also tells a universal story of mastering life skills, and of the loving relationship between parent and child.

Count on cats as a fun way to learn numbers--in rhyming spreads with expressive appeal for animal lovers of all ages. *Cat Number One* has nothing to do . . . Until she makes friends with *Cat Number Two*. Meet cats from one to a dozen in this adorable board book introduction to counting with a feline twist. Author Lesléa Newman draws on her love for (and familiarity with) cats in a concept book for the very young, while illustrator Isabella Kung captures the animals' movements and gestures in a way that is sure to delight. "Is that my cat? It can't be. My cat is a slim, sleek pussy cat." Something strange is happening with this rather large kitty--the one who used to fit through the cat door, climbed trees fearlessly, and always wanted to play. Now she lazes on the windowsill, and it takes two hands to pick her up! Keep guessing as the story unfolds page by page, until right at the end when there's a big surprise!

The true story about one cat's journey to be reunited with his war-torn family.

So Many Cats is a charming counting story written in rhyming verse that tells how a household with one cat comes to have 12 cats.

There is a ghost in my house. I've only seen it out of the corner of my eye, but I think it is a cat, says a little boy in this comforting tale of love and loss. There's something oddly familiar about this ghost cat--it does lots of things that remind the boy of the cat he used to have. The boy's not sure why the ghost cat never stays for more than a few moments, or why the ghost cat has visited him in the first place. He follows the ghost cat all over his house, until finally it leads him to something new and wonderful. Bestselling author/illustrator Kevan Atteberry's artwork and story strike a perfect balance of evocative and haunting, as well as warm and hugely comforting to anyone struggling to cope with a loss. With a few carefully chosen words and simple, expressive illustrations, *Ghost Cat* captures both the poignancy of losing a pet and the importance of moving on without erasing or forgetting what came before.
