Minimal job experience? No problem! You've just graduated and are ready to land your first real job after college or high school. But how do you write the first résumé and cover letter of your career if you don't have any previous jobs to list? How do you stand out above the other applicants--including people with more experience who are out of work--with your summer job at the diner, internship at the local paper, or spot on the Ultimate Frisbee team? Dr. Q to the rescue! For two decades, communication professor Quentin Schultze has been teaching résumé-writing to college students and recent graduates, helping them identify their strengths and transferable skills from their unique life experiences--from extracurriculars to part-time jobs to internships to volunteering. With Résumé 101, you'll discover the secrets to composing strong, impressive resumes and cover letters, such as: What to include when you lack professional experience How to get great references and recommendations Why to use a summary rather than objective statement When to include hobbies, travel, and technology skills What to do if your GPA isn't sky-high Which designs and basic formats work the best Where to find the perfect verbs and adjectives for a specific job With Dr. Q's help, you'll soon have a résumé and cover letter that will show hiring managers who you really are, why you're prefect for your dream job, and why they should choose you.

"TELL ME ABOUT YOURSELF . . ." Decode the hidden meaning behind interview questions and prepare the perfect answer to land the job During a job interview, there are no right or wrong answers, just better and worse answers. When you rethink the process in those terms, you'll gain a huge advantage over the competition. What to Say in Every Job Interview shows you how to focus on the factors of the job, rather than answering questions "correctly." As a professional interviewer, Carole Martin has spent years on the other side of the desk. She knows exactly what she's looking for in every job candidate and exactly how to find it. Now, she reveals all the secrets. Martin gives you a holistic plan for preparing yourself to best answer every interviewer's three primary concerns: Can you perform the job? Are you a good fit with the company culture? Can the company afford you? What to Say in Every Job Interview shows you where to find the critical factor interviewers seek with each question and how to present yourself in the best possible way on the spot and under pressure.

Outlines the best answers to key job-interview questions, presenting sample responses to frequently asked questions and offering tips on how to handle a critical job interview.
