**Tutto bene! Italian course for beginners Level 1** Elio Guarnuccio, Annamaria Iacovacci, Francesca

Lavagna, 2020-01-28 Tutto bene! is an entertaining and comprehensive multi-level Italian language course for beginners, uniquely designed for both the classroom and a high degree of independent learning. Based on the communicative approach, the course comprises a combination of components in a range of media. Book 1 is for beginners. In this level you will learn the survival language you need to get by in Italy. Learn to greet people and introduce yourself. Get to know someone by discussing where they're from and exchanging contact details. Be able to describe yourself and others. Order food like an Italian and express your likes and dislikes. Arrange an outing or a dinner. Book a hotel room and make sure it has what you need at the right price. Tutto bene! Book 1 provides the perfect balance, enabling you to enjoy the language while developing an understanding of the grammar. It will give you a strong foundation and the confidence to further develop your Italian. The key components for each level of Tutto bene! are as follows: Tutto bene! book The book presents the Tutto bene! course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practise, ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson, as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later. Tutto bene! sitcom In the Tutto bene! sitcom series we follow an almost-normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack and idiosyncrasies of the characters in these short episodes are both entertaining and a great stimulus for learning, while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment.

The sitcom series is the foundation of the course, with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom: search for Lingopont Tutto bene! on YouTube or download the Lingopont Italian app. Lingopont Italian app: Tutto bene! The app delivers the Tutto bene! course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate and practise. The app offers an engaging and culturally-immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and supported step-by-step learning in all the skills, students have the choice of working progressively through the course or working selectively on a particular area. Each lesson comprises an episode of the Tutto bene! sitcom series followed by vocabulary building, speaking, listening, pronunciation and writing activities and culminates in a quiz. There is also a grammar reference for each lesson. Download the Lingopont Italian app from the app store.
