- The third volume of the Prohibited book saga, which completes the trilogy, contains a sensational illustrated story full of eroticism written by Luis Royo. In 1862 Charles Lutwidge Dodgson, a shy Oxford mathematician with a stammer, created a story about a little girl tumbling down a rabbit hole. Thus began the immortal adventures of Alice, perhaps the most popular heroine in English literature. Matte Cover 8.5x11' Can be used as a coloring book

They're reusable! The sticker book series that kids love has a new addition: EyeLike Stickers: Baby Animals. Each book contains 400 full-color stickers that are amazingly detailed and lifelike in quality and are designed to be stuck on, peeled off, and stuck on again without tearing or losing their "stick." Packed with roly-poly pandas, round little bunnies, sweet puppies, fuzzy owlets, and pink piglets, Baby Animals is pure, unadulterated cuteness on every page.

Autrefois, je croyais aux contes de fées. Mais ensuite, il m'a prise. Et il m'a appris que la vie n'était pas un conte de fées. Il est abîmé, brisé. Une créature sombre et sauvage. Sa beauté est violente et ses mots cruels. Son cœur est un paysage plongé dans l'ombre, où rien ne peut pousser. Il affirme qu'il ne pourra jamais vraiment s'attacher à moi, et il me le prouve chaque jour. Il a détruit ma vie. Il m'a torturée. Et pire encore... Il m'a exercée à supplier pour quémander son affection. Dans cette prison, la lumière du jour ne perce pas. Il m'a appris que la haine naissait de l'obscurité. Mais ensuite il m'a appris que, parfois, l'amour aussi y trouvait racine.

Carole Hillenbrand's book offers a profound understanding of the history of Muslims and their faith, from the life of Muhammad to the religion practised by 1.6 billion people around the world today. Each of the eleven chapters explains a core aspect of the faith in historical perspective, allowing readers to gain a sensitive understanding of the essential tenets of the religion and of the many ways in which the present is shaped by the past. It is an ideal introductory text for courses in Middle Eastern studies, in religious studies, or on Islam and its history.

The interactive format and step-by-step process offers inspirational instruction for a wide variety of fun projects and gift ideas, including hand-rendered phrases on paper and digitally enhanced note cards. Artists will also discover how to apply lettering to linen, coffee mugs, calendars, and more. Numerous practice pages and interactive prompts throughout the book invite readers to put their newfound lettering skills to use, as well as work out their artistic ideas. Covering a variety of styles and types of lettered art, including calligraphy, illustration, chalk lettering, and more, artists will find a plethora of exercises and tips to help them develop their own unique lettering style.

Professor Francesca Flores d'Arcais's chronological survey of Giotto's life and work incorporates an impressive range of sources, from fourteenth-century Latin and Italian documents to the most recent art-historical investigations. Her international research leads her to important re-attributions of Giottesque paintings and to new insights regarding the execution and dating of famous and less well-known works. The engaging text is illustrated by hundreds of oversize, superbly reproduced photographs - some on double gatefold pages. The illustrations are drawn from new photography of Giotto's paintings, many of which have been recently restored to their original brilliance. George the sheep begins to shrink whenever it rains, so his shepherd takes matters into his own hands to create an invention to prevent George from shrinking.

"It is 1483, and Sir Thomas Lemuel Hawke, a Cornish knight, is about to ride into battle. On the eve of his departure, he composes a letter to his four young children, consisting of twenty virtues that provide instruction on how to live a noble life, and on all the lessons, large and small, that he might have imparted to them himself were he not expecting to die on the battlefield. "Why am I alive? Where was I before I was born? What will happen to me when I die? Whatever well our lives are drawn from, it is deep, wild, mysterious, and unknowable..."Rules for a Knight is many things: a code of ethics; an intimate record of a lifelong quest; a careful recounting of a knight's hardest won lessons, deepest aspirations, and most richly instructive failures; and an artifact, a relic of a father's exquisite love. Drawing on the ancient teachings of Eastern and Western philosophy and religion, on literature, and poetry, and on the great spiritual and political writings of our time, Ethan Hawke has written a parable that--in the story of a young man's journey toward a life of authenticity and meaning--captures the instinctive movement of the heart toward truth and beauty. Rules for a Knight has the appeal of Arthurian legend; the economy of Aesop; and the vitality, intelligence, and risk-taking that could only emanate from Ethan Hawke"--

Those long summer days and weekends spent with our best friends can be among the happiest memories of childhood. But the art of making friends isn't a

skill that is taught in most schools. Teaching children how to be good friends and cultivate healthy friendships is the work of parents, teachers, coaches, ministers, and caring adults. In *How to Be a Friend: A Book about Friendship . . . Just for Me!*, author, Molly Wigand, introduces children to those values that make for good friendships—loyalty, trust, and honesty—and to how they can become a good friend to others.

Relatable, heartbreaking, and real, this is a story of resilience--the perfect novel for readers of powerful contemporary fiction like *Girl in Pieces* and *Every Last Word*. Before, I was a million things. Now I'm only one. *The Burned Girl*. Ava Lee has lost everything there is to lose: Her parents. Her best friend. Her home. Even her face. She doesn't need a mirror to know what she looks like--she can see her reflection in the eyes of everyone around her. A year after the fire that destroyed her world, her aunt and uncle have decided she should go back to high school. Be "normal" again. Whatever that is. Ava knows better. There is no normal for someone like her. And forget making friends--no one wants to be seen with the Burned Girl, now or ever. But when Ava meets a fellow survivor named Piper, she begins to feel like maybe she doesn't have to face the nightmare alone. Sarcastic and blunt, Piper isn't afraid to push Ava out of her comfort zone. Piper introduces Ava to Asad, a boy who loves theater just as much as she does, and slowly, Ava tries to create a life again. Yet Piper is fighting her own battle, and soon Ava must decide if she's going to fade back into her scars . . . or let the people by her side help her fly. "A heartfelt and unflinching look at the reality of being a burn survivor and at the scars we all carry. This book is for everyone, burned or not, who has ever searched for a light in the darkness." --Stephanie Nielson, *New York Times* bestselling author of *Heaven Is Here* and a burn survivor

Based on Roald Dahl's *The BFG*, this journal is the perfect place for imaginative children to record all their dreams and ideas. The pages of this journal feature Quentin Blake's art from the original story, and are full of fun writing and drawing prompts to help spark readers' imaginations. Whether they're inventing new recipes for snozzcumbers, or describing the contents of the BFG's bottled dreams, children will have hours of enjoyment with Sophie and the BFG.
