From the moment he was elected into the papacy, Pope Francis has captured the attention of the world with his humility, charisma, and reformist spirit. This one-of-a-kind, illustrated biography of the first Jesuit pope offers more than 250 photographs and 50 removable documents from Francis's life. Written by Vatican Radio reporter Marie Duhamel, this intimate portrait includes his parents' emigration from Italy, his birth as Jorge Mario Bergoglio in 1936, his love of soccer and opera as a child, the pneumonia that nearly cost him his life as a young adult, his calling to the priesthood, and his first encounter with poverty as a missionary in Chile that would change his life. Duhamel chronicles Francis's rise from priest to bishop to cardinal to the papacy and how, along the way, he impressed many people—and alienated some—with his courage to stand up to authority and his dedication to helping the poor. Enclosed documents such as his baptism certificate, photographs from his childhood, pages from a school notebook, handwritten notes as pope, and even a support card for his beloved San Lorenzo soccer club, further illuminate his life and create a lasting keepsake of this pope of the people.

PRESENTACIÓN -NANUK es una novela de aventuras basada en acontecimientos científicos ocurridos hace noventa mil años.

Acontecimientos que protagonizan la segunda gran expansión del Homo sapiens en el continente africano. La novela nos describe el nacimiento de su protagonista NANUK durante el fragor de una gran tormenta. Cómo su madre se quedó sin apenas leche para amamantarlo, y de qué forma pudo sobrevivir con carencias físicas y diferencias afeminadas que le marcaron toda la vida. Nos cuenta cómo su madre le rechazaba y de las burlas continuadas de sus compañeros que lo arrinconaban socialmente. Nos relata sus sentimientos de impotencia, y cómo a los seis años de edad cuando aún era un niño, fue violado cruelmente por considerarlo mayor de lo que realmente era. Y se le siguió violando sistemáticamente hasta cumplir los catorce años de edad. Edad en la que prefirió abandonar el grupo y morir antes que continuar viviendo como lo hacía. Los acontecimientos descritos en la novela se iniciaron en una cueva situada en la desembocadura del río Nilo en el mar Mediterráneo y en la República Árabe de Egipto. Cueva que fue la misma donde terminó mi anterior novela "Kira la Matriarca". A partir de esa cueva se inicia un éxodo de más de dos mil kilómetros y que después de atravesar parte de la República Árabe de Egipto. Franja de Gaza, Israel, Líbano, Siria. Terminaría en la quinta de las cuevas situada cerca de Sir Baraji en la república de Turquía.
