The Sun is Feminine Traute Taeschner,2012-12-06 Lisa is 4 years and 5 months old and Giulia 3 years and 4 months. One morning, the girls' father is taking them to nursery school. L: ... e bravissima, ha riscaldato l'auto. E' bravissima, vera? In praising the sun for having warmed up the car, Lisa has referred to it in the feminine gender, as in the German die Sonne. Her father corrects her by using the masculine gender. F: E' bravissimo. E' if sale. L: E' un maschietto, if sale? (Is the sun a little boy?) F: E'maschife. (It's masculine.) G [determined]: E' una femmina! (No, it's a girl!) F: Forse in tedesco. (Perhaps it is in German.) is left disoriented, speechless. Giulia This book is devoted to language acquisition in children who have been exposed to two languages since birth. It has often been said that the study of simultaneous bilingualism is the most fertile ground for the formulation of general theories on language acquisition processes, and indeed, most of the studies on early bilingualism aim in this direction. But in a sense this book serves the reverse purpose. Using the results of psycholinguistic research as a basis, I have sought to understand the peculiarities of the process of language organization in the child who faces the problem of learning two languages when other children are learning only one. Thus, the recurring theme of my study is the diversity of bilingual as opposed to monolingual acquisition.

Understanding Sibling Rivalry - The Brazelton Way T. Berry Brazelton,Joshua D. Sparrow,2009-04-29 The teasing, squabbling, competition, and ferocious fights of brothers and sisters can drive any parent to frantic desperation. At the same time, Drs. Brazelton and Sparrow point out, siblings are learning from one another and deep, close relationships are forming that will last a lifetime. In this absolutely indispensable addition to the Brazelton Way series, the authors show how parents can defuse much of the bickering, while helping to strengthen warm relationships. They help parents understand the

universal “Touchpoints” of sibling rivalry at each age, as well as the problems in particular family situations. From the combined delight and resentment that a sibling feels toward a new baby, to birth order, blended families, sex play, scapegoats, meltdowns, and competition in school, parents will find welcome advice in this wise, comforting book.

The Shoemaker and the Elves Jacob Grimm,1967

Barbapapa's New House Annette Tison,Talus Taylor,2014-03-06 Full of gentle humour, every Barbapapa story celebrates the power of family and friends. In this story, Barbapapa and his family have to find a perfect new home after their old one is turned into apartments.

Everything Has a Shadow, Except Ants Reggio Children,2000 The children's encounter with shadows is told in this book. Documents the experience and emotions of children at the Diana and Gulliver preschools as they explore this immaterial companion of our everyday lives.

The Harvest Story Robert T. Rhode,2001 The Harvest Story depicts the life of rural American threshermen. This collection of first-person narratives chronicles the eyewitness accounts of people who threshed grain with steam engines. The book selects anecdotes from over 50 volumes of material published in The Iron-Men Album Magazine from 1946 until 2001 and arranges them in a coherent recitation. The result is a story of hard, honest work, of heartfelt cooperation and of triumph not unmarred by tragedy. Readers hear the recollections of those who pitched the bundles of grain onto the horse-drawn wagons, unloaded these bundles into the threshing machine, and saw the stream of clean wheat cascade from the grain auger. Readers encounter the wit and humor that characterized yesteryear's harvests. They learn about the vast industries that supported the agricultural enterprise, and they discover the dangers posed by mechanical equipment. The Harvest Story concludes by examining the birth and development of a movement to rescue the agrarian past from oblivion. This book captures authentic voices from the era of steam-powered threshing and offers readable interpretation and explanation, including detailed appendices.

Concept Development and the Development of Word Meaning T. B. Seiler,W. Wannenmacher,2012-12-06 This volume owes its existence to many different sources and influences. It is based on a meeting that took place from April 30 to May 2, 1982 at the University of Technology in Darmstadt. The idea for that meeting came while we were elaborating a research program on concept development and the development of word meaning; we were inspired by Werner Deutsch of the Max Planck Institute for Psycholinguistics in Nijmegen (The Netherlands) and by the Volkswagen Foundation in Hannover (Federal Republic of Germany) to organize an international conference on the same topic. We set out to invite a long list of colleagues, and we only regret that not all of them were able to attend. This volume should not be viewed as the proceedings of that conference. On the one hand, it does not include all of the papers presented there, and on the other hand, some of our colleagues who were unable to attend were nevertheless willing to write contributions. Furthermore, some who

did present papers at the conference revised and reformulated them or even submitted completely new ones for this book. We feel, however, that in the end we have arranged a valuable collection of work in the theory and research of a field that has occupied not only psychologists and linguists, but also philosophers, anthropologists, and many others for a long time.

Potty Time Guido van Genechten, 2001 Bottoms come in all shapes and sizes as Joe discovers at potty time.

Speech Act Classification T. Ballmer, W. Brennstuhl, 2013-03-07 This book presents a new classification of speech acts. It is an alternative to all previously published classifications of speech acts. The classification proposed here is based on an extensive set of data, namely all the verbs designating linguistic activities and aspects thereof. A theoretically and methodologically justifiable method is used to proceed in a number of steps from these data to the classification. The classification is documented in a lexicon with two sections. The first section exhibits the classification in all its details. Each verb is listed to its meaning at the appropriate place in the classification. The second, alphabetically ordered section enables one to locate the verbs classified in the first part. The speech act classification as presented in this book has a number of consequences for linguistic theorizing: the book makes advances in three linguistically relevant fields - speech act theory, lexicology, and theory of meaning. In speech act theory firstly of course a classification is proposed which is theoretically justified and which is simultaneously based explicitly and systematically on linguistic data. Secondly, a wider concept of speech acts is introduced which proves its value by making possible a linguistically justified classification. Thirdly, the concept of speech act sequence (or more generally partial order) is brought into focus as a major organizational principle of the semantic relation between speech acts.

Mussolini's Dream Factory Stephen Gundle, 2013-12-01 The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy, despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference. Focused on the period from the start of sound cinema to the final end of Fascism in 1945, this book examines the development of an Italian star system and evaluates its place in film production and distribution. The performances and careers of several major stars, including Isa Miranda, Vittorio De Sica, Amedeo Nazzari, and Alida Valli, are closely analyzed in terms of their relationships to the political sphere and broader commercial culture, with consideration of their fates in the aftermath of Fascism. A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema.

The Pirates' Mixed-up Voyage Margaret Mahy, 1993-09 Captain Wafer and the crew of the Sinful Sausage set sail for the Thousand Islands with a plot to kidnap a famous inventor, only to be thwarted by a witch, a fire-drake, and the dastardly Dr. Silkweed.

Bella und das Biest A. Zavarelli, 2021-09-09 Es war einmal vor langer, langer Zeit, da glaubte ich an Märchen. Aber dann nahm er mich. Und er lehrte mich, dass das Leben kein Märchen ist. Er ist vernarbt. Gebrochen. Ein dunkles und wildes

Ding. Seine Schönheit ist brutal, und seine Worte sind grausam. Sein Herz ist eine schattige Landschaft, in der nichts wachsen kann. Er sagt mir, er könnte nie etwas für mich empfinden, und er beweist es jeden Tag. Er hat mein Leben zerstört. Mich gefoltert. Und schlimmer noch ... Er hat mir antrainiert, um seine Zuneigung zu betteln. Dieses Gefängnis ist ein Ort, den das Sonnenlicht nicht erreicht. Er lehrte mich, dass Hass in der Dunkelheit geboren wird. Und dann lehrte er mich, dass Liebe das manchmal auch wird.

The Ugly Duckling DK,2019-07-16 This favorite fairy tale is perfect for parents looking for children's classics to read with their little one. Teased by his siblings for his different looks, the brave cygnet journeys into the world, looking for friendship and kindness. Adapted from Hans Christian Andersen's original story, this is the story of how one little duckling overcomes obstacles and challenges, and with patience and determination, finally finds the companionship for which he has been searching. The charming illustrations by Giuseppe di Lernia in this picture book are sure to capture the imaginations of little ones, and the large format of this book is ideal for sharing with children aged 3 to 5 and reading together at bedtime.

Black Cat, White Cat Silvia Borando,2015 A black cat who only ever goes out during the day and a white cat who only goes out at night meet in the middle and start a beautiful relationship together.

Prison to Praise Merlin Carothers,2010-09-16 In PRISON TO PRAISE Merlin Carothers describes how his life was transformed by finding faith in Christ. Using many stories from his own experience as a US army chaplain, he issues a radical challenge to praise God in all circumstances. 'Miracles, power and victory will all be part of what God does in our lives when we learn to rejoice in all things,' he promises.

Little Santa Jon Agee,2013-10-17 Ever wonder what Santa was like as a child? Award-winning author/illustrator Jon Agee brings us the funny, playful answer in this Christmas picture book destined to become a classic. Little Santa loves the North Pole. The rest of his family? Not so much. So, when they decide to move to Florida, Santa is miserable. Lucky for him, a blizzard foils their plans. The only way out of the house is up the chimney. Up goes Santa, to look for help, and along the way, he meets a reindeer and a large group of elves, who are more than eager to join in the rescue! With the sly humor of Jon Klassen and the read-aloud pleasure of *How the Grinch Stole Christmas*, this tale of Santa's beginnings is perfect for every kid's holiday library.
