

Labc Del Cioccolato

"Con el auge creciente de la gastronomía en escuelas, en la televisión, en revistas y demás medios de divulgación, he visto tantas definiciones erróneas e imprecisiones que, casi rebelándome, me dije a mí mismo: 'Tengo que poner luz y verdad en la materia'. Por eso decidí revisar, actualizar y agregar algunos conceptos y recetas que estaban en mi libro Pastelería base y concebir este nuevo El ABC de la pastelería." Y así surgió este libro. Un manual en el que se abordan los aspectos básicos de la pastelería de la mano de quien es, sin duda, una de las figuras con más experiencia y reconocimiento en el tema: Osvaldo Gross. Una obra de iniciación y de consulta permanente para estudiantes, fanáticos y, por qué no, algún que otro indeciso.

FROM GROWING UP IN DETROIT, where he marched as a ten-year-old with Dr. Martin Luther King Jr., to attending the inauguration of President Barack Obama, where he narrowly avoided the

Purple Tunnel of Doom but still saw nothing, David Alan Grier examines how he -- and America -- have changed for the better and the funnier. Within these pages, Grier imagines being called to serve in President Obama's cabinet as the "secretary of mirth"; takes you to a wild and emotional election night party he hosted that didn't go as planned; explains the true meaning of the "magical Negro"; recalls the formative episodes from his life -- including being rejected by the Black Panthers at their headquarters door and turning down the initial offer to work on *In Living Color* -- and for the first time ever sneaks you backstage at *Dancing with the Stars*, where he exposes the inner workings of the show -- the camaraderie between dancers and stars, the excruciatingly painful rehearsals, the outrageous preparations, and each hysterical moment of his four-episode appearance and subsequent public meltdown. Grier unabashedly muses on politics, culture, and race while recounting his own life story in this edgy, timeless, hilarious, and revelatory memoir and look at all things Barack. *Barack Like Me* is David Alan Grier at his best -- the man, comic, and twenty-first-century thinker -- funny, brilliant, and original.

Cocina Consciente - Comer sano, sentirse bien – Guía completa para una nueva alimentación En esta colección iniciamos el camino de la alimentación sana y consciente, a la vez que rompemos algunos mitos sobre sus sabores y costos. La idea que se encuentra en la base de esta propuesta es consumir, todos los días, las cinco porciones de fruta y verdura que aconseja la Organización Mundial de la Salud (OMS), más semillas (oleaginosas, cereales y legumbres) y algas (marinas y de agua dulce). Recordemos siempre lo que decía Hipócrates (460-370 a. de C.) padre de la medicina: “Somos lo

que comemos”. Gran frase a la que podemos agregar unas palabras para completar el concepto: “... y lo que hacemos”. Porque somos un todo, no solo debemos mejorar nuestra ingesta, sino también la dimensión espiritual y la actividad física. Por todo ello creemos en una alimentación consciente que vaya de la mano de una vida consciente, pues si nos alimentamos de una forma fisiológica no tendremos ninguna carencia nutricional. En las 24 entregas de Cocina Consciente encontrarás estos temas:

Alimentación consciente - Super alimentos - Cocinar al aire libre - Fast food consciente - Huerta fácil - Licuados y jugos energizantes - Cocina con amigos - Ayunos detox - Cocina para dos - Alacena consciente - Utensilios indispensables - Grasas saludables - Algas marinas y de agua dulce - Cocina para el trabajo - Alimentación viva - Cocina con chicos - Optimizar tiempos en la cocina - Endulzantes naturales - Cocina para festejar - Todo a la parrilla - Cocina para deportistas - Postres y dulces conscientes - Propiedades de las semillas - Consejos prácticos para preparar todas las comidas - Cocina para compartir y muchos más!
