NEW YORK TIMES bestseller Brand new edition of Victoria Schwab's long out-of-print, stunning debut All-new deluxe edition of an out-of-print gem, containing in-universe short story "The Ash-Born Boy" and a never-before-seen introduction from V.E. Schwab. The Near Witch is only an old story told to frighten children. If the wind calls at night, you must not listen. The wind is lonely, and always looking for company. There are no strangers in the town of Near. These are the truths that Lexi has heard all her life. But when an actual stranger, a boy who seems to fade like smoke, appears outside her home on the moor at night, she knows that at least one of these sayings is no longer true. The next night, the children of Near start disappearing from their beds, and the mysterious boy falls under suspicion. As the hunt for the children intensifies, so does Lexi's need to know about the witch that just might be more than a bedtime story, about the wind that seems to speak through the walls at night, and about the history of this nameless boy. Part fairy tale, part love story, Victoria Schwab's debut novel is entirely original yet achingly familiar: a song you heard long ago, a whisper carried by the wind, and a dream you won't soon forget.

Bianca knows she doesn't fit in. Then she meets Lucas. He's not the "Evernight type" either, and he likes it that way. Lucas ignores the rules, stands up to the snobs, and warns Bianca to be careful—even when it comes to caring about him. Bianca will risk anything to be with Lucas, but dark secrets are fated to tear them apart . . . and to make Bianca question everything she's ever believed.

Fuggire dall'Accademia dei Vampiri per rifugiarsi fra gli umani sembrava l'unica strada per una vita "normale". Ma a due anni dalla fuga, Lissa, principessa erede di una delle più nobili casate di vampiri Moroi, e Rose, sua migliore amica e guardiana, vengono ritrovate e riportate fra le mura del college. Dietro l'apparente ritorno alla normalità si nasconde una lotta senza regole né morale per il controllo di un potere di cui Lissa è l'ignara custode. I pettegolezzi, gli sguardi curiosi, le malignità mascherate da amicizia sono i nemici più facili da sconfiggere. Il pericolo reale si mostra solo quando decide di colpire. Lissa pagherà con la vita, se Rose non sarà capace di proteggerla.

The Grim Company, a shoddy band of misfits that includes a crippled Halfmage, two orphans, and a manservant, must fight the Magelord Salazar, the Augmentors, the White Lady, and demons in an effort to save the world.

The following pages contain the substance of a discourse on the resurrection of the body, preached in Erie, PA, late in the fall of 1845. The occasion of the sermon was the introduction of numerous copies of a book written by George Bush, Professor of Hebrew in the New York University. The avowed object of the book is to overthrow the commonly received opinion of the resurrection of the body. These books were extensively circulated and read. Some embraced the new theory, others found their faith weakened by the bewildering speculations of the learned author. Under these circumstances, believing the error inculcated in the book to be fundamental; that it aimed a fatal blow at the very vitals of Christianity; that it led directly, in all its tendencies, to infidelity; a refutation was undertaken, and the following discourse, in three parts, delivered during three successive sabbaths. - Advertisement.

THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.
