This newly revised edition features:

- Unique techniques like "The 60 Second Sell" and "The 5-Point Agenda"
- Over 125 answers to tough, tricky interview questions employers

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

often ask • How to handle structured or behavioral interview questions • Questions you should always ask, and questions you should never ask • How to deal effectively with any salary questions to preserve your negotiating power • 20 interview pitfalls to avoid • Proven negotiation techniques that secure higher salaries - and much more! "Robin Ryan has the inside track on how to get hired." —ABC News

Anyone who has worked in politics knows how tough it can be - both getting the job and figuring out what comes next. It's a transient field with a lot of turnover. In an industry where it's not just what you know but who you know, being a newbie can be tough and intimidating. In *The Political Ladder*, Alexandra Acker-Lyons draws on her over a decade in politics to provide the essential tools for job seekers. Having run two national political organizations, her vast insight covers everything from how to expand your political network to creating the perfect resume to day-to-day life on a campaign. Whether you want to work on Capitol Hill or the state legislature, for advocacy groups, labor unions, or trade associations this step-by-step guide walks you through finding your first job, landing your dream job, and everything in between. Candid, inspiring, and chock full of advice from other seasoned political veterans, *The Political Ladder* is a must-read for college students, career switchers, and anyone looking to work in politics. "I wish I had *The Political Ladder* when I was just starting out. This is the advice I pass on and have put to use in my own career." -Mike Shields, Political Director, National Republican Campaign Committee "Politics is a professional contact sport. Knowing how

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

to maneuver in this industry is half the battle and finding a job is an imperative first step. Alexandra Acker-Lyons teaches you the rules of the game." -Simone L. Ward, Democratic campaign veteran "From networking to writing your resume to landing a job, The Political Ladder is filled with the tips you need to break into politics." -Tom Manatos, founder of Tom Manatos Jobs and former aide to Leader Nancy Pelosi The bestselling author of Battle Hymn of the Tiger Mother, Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home Humans are tribal. We need to belong to groups. In many parts of the world, the group identities that matter most – the ones that people will kill and die for – are ethnic, religious, sectarian, or clan-based. But because America tends to see the world in terms of nation-states engaged in great ideological battles – Capitalism vs. Communism, Democracy vs. Authoritarianism, the “Free World” vs. the “Axis of Evil” – we are often spectacularly blind to the power of tribal politics. Time and again this blindness has undermined American foreign policy. In the Vietnam War, viewing the conflict through Cold War blinders, we never saw that most of Vietnam’s “capitalists” were members of the hated Chinese minority. Every pro-free-market move we made helped turn the Vietnamese people against us. In Iraq, we were stunningly dismissive of the hatred between that country’s Sunnis and Shias. If we want to get our foreign policy right – so as to not be perpetually caught off guard and fighting unwinnable wars – the United States has to come to grips with political

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

tribalism abroad. Just as Washington's foreign policy establishment has been blind to the power of tribal politics outside the country, so too have American political elites been oblivious to the group identities that matter most to ordinary Americans – and that are tearing the United States apart. As the stunning rise of Donald Trump laid bare, identity politics have seized both the American left and right in an especially dangerous, racially inflected way. In America today, every group feels threatened: whites and blacks, Latinos and Asians, men and women, liberals and conservatives, and so on. There is a pervasive sense of collective persecution and discrimination. On the left, this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation. On the right, it has fueled a disturbing rise in xenophobia and white nationalism. In characteristically persuasive style, Amy Chua argues that America must rediscover a national identity that transcends our political tribes. Enough false slogans of unity, which are just another form of divisiveness. It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us.

Now in its fifth edition, the hugely popular *Digital Marketing Excellence: Planning, Optimizing and Integrating Online Marketing* is fully updated, keeping you in line with the changes in this dynamic and exciting field and helping you create effective and up-to-date customer-centric digital marketing plans. A practical guide to creating and executing digital marketing plans, it combines established approaches to marketing

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

planning with the creative use of new digital models and digital tools. It is designed to support both marketers and digital marketers, and students of business or marketing who want a thorough yet practical grounding in digital marketing. Written by two highly experienced digital marketing consultants, the book shows you how to: Draw up an outline digital marketing plan Evaluate and apply digital marketing principles and models Integrate online and offline communications Implement customer-driven digital marketing Reduce costly trial and error Measure and enhance your digital marketing Learn best practices for reaching and engaging your audiences using the key digital marketing platforms like Apple, Facebook, Google and Twitter. This new edition seamlessly integrates the latest changes in social media technology, including expanded coverage of mobile technology, demonstrating how these new ways to reach customers can be integrated into your marketing plans. It also includes new sections on data analytics, clearly demonstrating how marketers can leverage data to their advantage. Offering a highly structured and accessible guide to a critical and far-reaching subject, Digital Marketing Excellence, Fifth Edition, provides a vital reference point for all students and managers involved in marketing strategy and implementation. How to Write the Perfect Resume Stand Out, Land Interviews, and Get the Job You Want

The go-to source of job search advice for professionals from the top 6-figure job-search site with 4 million members. You've made the decision that it's time to move on. Or, the

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

decision may have been made for you. The basic goals remain the same, but parts of the process may have changed since your last real job search – and you've likely changed, too. You need the latest directions for advanced career management. You're Better Than Your Job Search is an informative guidebook that provides easy-to-understand best practices and tools to help you keep your job search on track. • Crafting an Advertisement (Resume) • What's your 30-Second Elevator Pitch? • Selling vs. Telling During Interviews • What You Can Learn From Politicians • Negotiating the Right Salary – You First! • The First 90 Days – Now What? You're Better Than Your Job Search takes you on a journey through the chasm that too often separates the people who are looking to hire and those looking to be hired. Shining a light into that void, you will discover that it's not nearly as baffling as it may look. You're Better Than You're Job Search takes the mystery out of the job search process and removes the confusion, frustration and fear from one of the important decisions of your life.

Based on today's real-world job search trends, Modernize Your Resume shows you how to craft a winning resume to meet the complexities of today's highly competitive and technologically driven employment market. The entire job search process is evolving at a remarkably rapid pace, and your resume is at the foundation of it all. In this book, you'll learn to: * Write tight, lean, clean, and laser-focused content to keep your reader engaged. Focus on information that is relevant and integrate keywords that are vital to

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

being found online. * Create a distinctive design to make your resume stand out and capture attention. Getting noticed is step #1, so make that happen and you're on your way. * Understand how to use today's modern resume for both person-to-person job search as well as electronic, digital, and mobile search technologies. * The 80+ resume samples demonstrate these strategies in action for real-life job seekers who've excelled in their search campaigns. The samples showcase the resume writing work of Enelow, Kursmark, and many of their colleagues who are also well respected for their expertise in resume strategy, writing, format, and design. Clear guidelines and easy-to-follow examples give you practical know-how for building your own powerful resume that will serve all of your job search needs. You'll learn what works, why it works, and how you can make it work for you. The resume book we've all been waiting for from resume industry leaders Wendy Enelow and Louise Kursmark. Rich Feller, Past President, National Career Development Association

How to Write a Stellar Executive Resume is a step-by-step guide that empowers readers to create an effective and stand out from the crowd as a top candidate for an executive position. Readers will discover:

- The importance of knowing the target audience and how to best connect with them
- Key social media tips for spreading the

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

word about their skills and experiences • Why good ol' cover letters are important, and how to use them effectively • Power verbs to use, and words to avoid • Samples of successful resumes For many executives conducting a job search, it may have been quite a while since they were last “looking.” It’s easier than ever to apply for a job – and as a result, there’s a lot of competition for a limited number of openings. There’s a lot to learn about the recruiting world we live in, and the best ways to use the tools at our disposal. This book provides practical, proven, up-to-date best practices for creating an effective executive resume that gets results.

NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that’s been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they’re almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world’s first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world’s most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

Are you getting the results you want from your LinkedIn profile? This LinkedIn "bible" offers 18 detailed strategies and writing tips PLUS 7 Bonus tips that will teach you how to get found on LinkedIn, and how to keep people reading after they find you. Want to write the perfect cover letter? But don't have time to read through a 300-page book first? Then "Get It Done" is for you. Here's why it's been a Kindle best-seller for six years in a row: 1) It's fast - The whole book takes about 30 minutes to read. 2) It's to the point - It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step. 3) It works - I developed this system while serving as a Recruiter for Teach For America. I've since taught it to MBAs as a Career Coach at the University of Michigan, leading to job offers from Apple, GE, Microsoft, Amazon, LinkedIn, and Google. And the system has even been featured in U.S. News & World

Report: <http://money.usnews.com/money/careers/articles/2015/01/21/5-cover-letter-cliches-that-make-employers-cringe> So get your cover letter done today. And then get ready to land an awesome job next! What job seekers are saying... "If you're anything like me, you detest writing cover letters. This is a short, concise book that will quickly spell out the steps you need to take to write a solid, well-thought out cover letter."

-Rebecca "This book was a a major benefit to my post-grad job search. I was struggling to portray some past experience to potential recruiters. I was hardly getting noticed and unable to land interviews; I was just another piece of paper in the deck. Jeremy's beneficial insight to the cover letter was against my traditional understanding. His direct nature and step by step guidance proved to be beneficial in my search. I was able to go through the book and develop a brand new cover letter from scratch in less than an hour. Given the price of the book and the time it takes to go through, there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer." -LJ "If you, like me, hate writing cover letters, then this book is for you. Before reading this book, I was not even using cover letters because I thought they didn't matter, and I didn't know what to say. I just sent as many resumes as possible to as many job postings as possible. This book changed my life. It convinced me, no doubt one of the most shameless no-cover-letter resume spammers out there, to stop and write a cover letter. Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free." -Jane E Nevins What you'll get... -A sample

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga -A cover letter template that's broken down into step-by-step chunks, making it easy to apply to your own application -The definitive cover letter format that recruiters and hiring managers prefer, based on actual recruiting and hiring experience

"UTTERLY COMPELLING . . . WONDERFULLY SATISFYING . . . VIRTUALLY FLAWLESS." --Chicago Tribune **BALTIMORE WOMAN DISAPPEARS DURING FAMILY VACATION**, declares the headline. Forty-year-old Delia Grinstead is last seen strolling down the Delaware shore, wearing nothing more than a bathing suit and carrying a beach tote with five hundred dollars tucked inside. To her husband and three almost-grown children, she has vanished without trace or reason. But for Delia, who feels like a tiny gnat buzzing around her family's edges, "walking away from it all" is not a premeditated act but an impulse that will lead her into a new, exciting, and unimagined life. . . . "TYLER DETAILS DELIA'S ADVENTURE WITH GREAT SKILL. . . . As so often in her earlier fiction, [she] creates distinct characters caught in poignantly funny situations. . . . Tyler writes with a clarity that makes the commonplace seem fresh and the pathetic touching." --The New York Times

Chris Anderson is the curator of phenomenally successful TED talks - over one billion views and counting. He is passionate about the importance of public speaking, something he describes as a crucial life skill and which we should be teaching in school, and of the amazing power of direct human-to-human communication, recorded on video, in the internet age. It is now possible to share ideas with millions around the world (as evidenced by the success of TED itself, whose most popular talk has been viewed 31 million times). In his first book, *Talk This Way*, he shares his passion for public speaking and offers a master-class in how to do it - not just how to give a great TED talk, but how to stand up and speak persuasively in front of

A Turing Award-winning computer scientist and statistician shows how understanding causality has revolutionized science and will revolutionize artificial intelligence "Correlation is not causation." This mantra, chanted by scientists for more than a century, has led to a virtual prohibition on causal talk. Today, that taboo is dead. The causal revolution, instigated by Judea Pearl and his colleagues, has cut through a century of confusion and established causality -- the study of cause and effect -- on a firm scientific basis. His work explains how we can know easy things, like whether it was rain or a sprinkler that made a sidewalk wet; and how to answer hard questions, like whether a drug cured an illness. Pearl's work enables us to know not just whether one thing causes another: it lets us explore the world that is and the worlds that could have been. It shows us the essence of human thought and key to artificial intelligence. Anyone who wants to understand either needs *The Book of Why*.

This Christian classic tells the stories of brave men and women who were martyred for their

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

faith in the fourteenth through sixteenth centuries.

In today's challenging job-market, as recent grads face a shifting economic landscape and seek work that pays and inspires, as workers are laid off mid-career, and as people search for an inspiring work-life change, the time-tested advice of *What Color Is Your Parachute?* is needed more than ever. This new edition has been fully revised for 2021 by Vanderbilt University Career Center Director Katharine Brooks, EdD, with modern advice on the job hunt strategies that are working today, such as building an online resume, making the most of social media tools, and acing Skype interviews. Building on the wisdom of original author Richard N. Bolles, this edition updates the famed Flower Exercise (which walks job seekers through the seven ways of thinking about themselves) and demystifies the entire job-search process, from writing resumes to interviewing and networking. With the unique and authoritative guidance of *What Color Is Your Parachute?*, job-hunters and career changers will have all the tools they need to discover--and land--their dream job.

How acting a little crazy and thinking outside of the box can get you the job you want Ever hear of a job candidate stretching out on the interviewer's floor to fill out an application? Or an applicant who sees nothing wrong with texting during the interview? Securing a job interview is a golden opportunity. The crazy-bad behavior described above will not net a job offer. *Crazy Good Interviewing* shows readers that crazy-good behavior, however, can make an applicant stand out favorably in a sea of mediocrity. Take the candidate who created a keynote presentation on his iPad to show what he could bring to the job or the one who created a DVD highlighting her abilities. *Crazy Good Interviewing* is a book geared toward those who are looking for work in this tough economy. Addresses how slightly eccentric behaviors can tip the

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

scales in the applicant's favor Delves into how to access your three key strengths, how to use body language effectively, how to prepare a five-sentence history that builds a bridge to the interviewer, and more Turn just plain crazy into crazy-good, and land the job at your next interview.

Branded resumes that illuminate the candidate's unique value proposition and ROI are a must in today's quest for the executive suite. Top Notch Executive Resumes not only explains how to integrate branding into career-marketing communication, but also how to craft resumes that address your fit with the organization's mission and meet an employer's specific business needs. Hansen instructs high-level professionals in framing past accomplishments so that the employer can visualize the executive's strategic vision and industry insights, as well as what he or she can contribute. Highlights of the book include: A huge collection of resume samples in cutting-edge formats, organized by profession for easy navigability. Examples of a wide variety of complementary documents—including leadership profiles and executive bios—that top-level professionals need to round out their executive portfolios. Special additional features, including the preferences and peeves of hiring decision-makers, guidelines for working with recruiters, frequently asked questions, and case studies detailing complete job-search marketing campaigns. Let Top Notch Executive Resumes get you into that corner office!

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

advice they've learned while building their company from zero employees in 2006, to the thriving, multibrand, multiplatform, multi-million dollar company it is today. In this approachable, authoritative, and inspirational book, you will find the most useful and accessible tips and tricks to strategically build your career into exactly what you want it to be, from negotiating your salary to avoiding the biggest mistake most people make when they quit. Chapters include advice on résumé building, dressing for the job you want, and how to effectively communicate at work—even with the most difficult colleagues—all done with the Who What Wear girls' practical and polished signature style. It gives you total insight into how you can excel at work in every arena, whether you're just starting your very first job, contemplating switching fields, or finally a boss who's building her own team. The Career Code also includes over 20 of Hillary and Katherine's best "life hacks" to ensure your out-of-office life runs just as smoothly as your career. Take your ambition to the next level and give your career the stylish edge it deserves. This is the must-have handbook for every woman at every stage of her career, no matter where she sits in the boardroom.

J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, **VERY GOOD LIVES** presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and

Access Free Ladders 2018 Resume Guide Best Practices Advice From The Leaders In 100k 500k Jobs Ladders 2018 Guide

others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force. "A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, *The Washington Post* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE** Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary

virtuoso. Praise for *A Ladder to the Sky* “Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it.”—NPR “Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?”—Vanity Fair

Finally, a resume book created for IT professionals. A timely examination by a leading scientist of the physical, psychological, and moral effects of inequality. Today's inequality is on a scale that none of us has seen in our lifetimes, yet this disparity between rich and poor has ramifications that extend far beyond mere financial means. In *The Broken Ladder* psychologist Keith Payne examines how inequality divides us not just economically, but has profound consequences for how we think, how our cardiovascular systems respond to stress, how our immune systems function, and how we view moral ideas like justice and fairness. Experiments in psychology, neuroscience, and behavioral economics have not only revealed important new insights on how inequality changes people in predictable ways, but have provided a corrective to our flawed way of viewing poverty as the result of individual character failings. Among modern, developed societies, economic inequality is not primarily about money, but rather about relative status: where we stand in relation to other people. Regardless of their average income, countries or states with greater levels of income inequality have much higher rates of all the social problems we associate with poverty, including lower average life expectancies, serious health issues, mental illness, and crime. *The Broken Ladder* explores such issues as why women in poor societies often have more children, and have them younger; why there is little trust among the working class that investing for the future will pay off; why people's perception of their relative social status affects their political beliefs, and why growing inequality leads to greater political divisions; how poverty raises stress levels in the same way as a physical threat; inequality in the workplace, and how it affects performance; why unequal societies become more religious; and finally

offers measures people can take to lessen the harm done by inequality in their own lives and the lives of their children.

This book offers practical instruction on the use of audit studies in the social sciences. It features essays from sociologists, economists, and other experts who have employed this powerful and flexible tool. Readers will learn how to implement an audit study to examine a variety of questions in their own research. The essays first discuss situations where audit studies are the most effective. These tools allow researchers to make strong causal claims and explore questions that are often difficult to answer with observational data. Audit studies also stand as the single best way to conduct research on discrimination. The authors highlight what these studies have uncovered about labor market processes in the past decade. The next section gives some guidance on how to design an audit study. The essays cover the difficult task of getting a study through an institutional review board, the technical setup of matching procedures, and statistical power and analysis techniques. The last part focuses on more advanced aspects. Coverage includes understanding context, what variables may signal, and the use of technology. The book concludes with a discussion of challenges and limitations with an eye towards the future of audit studies. “Field experiments studying and testing for housing and labor market discrimination have, rightly, become the dominant mode of discrimination-related research in economics and sociology. This book brings together a number of interesting and useful perspectives on these field experiments. Many different kinds of readers will find it valuable, ranging from those interested in getting an overview of the evidence, to researchers looking for guidance on the nuts and bolts of conducting these complex experiments.” David Neumark, Chancellor’s Professor of Economics at the University of

California – Irvine “For decades, researchers have used experimental audit studies to uncover discrimination in a variety of markets. Although this approach has become more popular in recent years, few publications provide detailed information on the design and implementation of the method. This volume provides the first deep examination of the audit method, with details on the practical, political, analytical, and theoretical considerations of this research. Social scientists interested in consuming or contributing to this literature will find this volume immensely useful.” Devah Pager, Professor of Sociology and Public Policy at Harvard University

"...The most comprehensive and authoritative guide to keywords for job seekers. organized by major industries and professions, this easy - to - use book provides quick access to the keywords that are essential to the job you are targeting. expanded to include up-to-date information about trends in resume writing and job hunting including 2 new chapters about writing applicant tracking system (ATS) optimized resumes. Not a 20 Minute Resume Guide! This book is not for people who want to knock out a resume in 20 minutes. It is a meticulous, step-by-step guide through each phase in the resume writing process. It shows you how to structure each section, write compelling statements, and make smart decisions about content to highlight your individual strengths and minimize weaknesses. Thoughtfully completing the tasks in this book will take time, but it will be time well spent. In the end, you will have a winning resume that is perfect for your needs and structured to show you at your best. Partners in Resume Writing Good career coaches will not write a resume for you; they will write one with you, as partners. You and the career coach both bring important information to the table. Throughout this book, you and Lisa will be partners. Lisa will be the expert on how to create a resume. You will be the expert on your own career. Lisa will show you: how to decide what information you should include, how to write compelling content, how to structure sections to highlight your strengths, and how to minimize concerns you may have about your work history. Your task is to take that information and apply it to what you know about your own career. In this partnership, you can create an effective resume that gets you one big step closer to landing the job you want. Scroll up and click to buy!
