Real glimpses into the hearts and lives of other people are rare... Columnist and author Melinda Selmys gives readers an unusual opportunity to explore the topic of homosexuality and the Catholic Faith from a fresh, sincere perspective. Her intensely personal reflections help clarify the misconceptions that have hindered meaningful dialogue between Catholics and homosexuals. Transcending stereotypes and avoiding pat sentiments, she speaks directly to every Christian who has experienced same-sex attraction or knows someone who has. In addition to her personal story of exchanging secular lesbianism for Catholicism and resolving her own inner conflicts, the author presents an enlightening analysis of history, social theory, and media influence on the subject of homosexuality. She refutes much of the clumsy theorizing and "junk science" common to both sides of the debate, effectively bridging gaps between perception and reality. Selmys addresses the complexities surrounding sexual identity with pronounced compassion, adding a practical discussion of the Theology of the Body to complete the circle from a Catholic perspective. This groundbreaking book expertly walks the fine line between divisiveness and platitudes -- a must-read for everyone who has ever felt ambiguous about the Church's stance on homosexuality.

In recent years, there has been an explosion of critical interest in the icons, genres and traditions of 1970s Italian cult film. Thanks to the international success of directors such as Dario Argento and Sergio Martino, and the influential giallo (thriller) cycle in which they worked, these unconventional and often controversial films are now impacting on new generations of filmmakers, scholars and moviegoers alike. *Bodies of Desire and Bodies in Distress: The Golden Age of Italian Cult Cinema 1970–1985* considers the current interest in specific Italian directors and cult genres, exploring the social, political and cultural factors that spawned a decade of cinema dominated by extreme, yet stylish, images of sexuality and violence. *Bodies of Desire and Bodies in Distress* situates the explosion of 1970s Italian cult 'excess' against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period. The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives. In addition, the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985. *Bodies of Desire and Bodies in Distress* profiles leading 1970s Italian directors and performers including Aristide Massaccesi (Joe D'Amato), Laura Gemser, and Dario Argento (who also provides an interview discussing his work and 1970s Italian society). The volume also provides case-studies of the giallo cycle, rape and revenge dramas, the Italian rogue cop series, post-apocalypse films, barbarian movies, and sex comedy formats. By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation, this book will be of interest to film scholars and cult movie fans alike.

Individuals and Materials in the Greco-Roman Cults of Isis Valentino Gasparini and Richard Veymiers present 26 studies with a focus on the individuals and groups which animated the diffusion and reception of the cults of Isis and other Egyptian gods throughout the Hellenistic

and Roman worlds.

Those familiar with the author's previous forays into the world of Hong Kong Cinema and Spaghetti Westerns will know pretty much what to expect here, and it falls far short of any dictionary definition of "essential". Short, cursory capsule reviews, short on insight, style and cultural context and high on typographical and factual errors, accompanied by an arbitrary star rating from one to four. The main virtue of Weisser's self-published book is its rigorously completist approach. Even though it states that it is not the aim to include every single film from Japan ever released, with separate editions available for a more complete look at Horror, Science Fiction and Fantasy, and Sex Films, and one planned for animation ("please check our subsequent books" [sic], Weisser writes in the intro for the fourth edition), this initial volume certainly covers a lot of films and does give quite a good indication as to how much is actually out there.

An entertaining and intriguing account of sex in Rome and the exploits of some of Rome's celebrated exponents of sexual permissiveness and perversion

Her Centurion Master Part 2: Roman Slave is an erotic FF, MF, domination story of 10,000 words. Being flung back in time to ancient Rome is more terrifying than thrilling for high school senior Mira Larril. The centurion she counted on to save her from barbarians and worse has disappeared, and she's been claimed by a high-ranking Roman Praetor as his slave. Though the Praetor's son is handsome and used to getting what he wants, she still craves the touch of her lost centurion. Will she ever see him again? *"The young man looked Mira up and down, moving only his eyes, and smiled hungrily. His voice was rich velvet, "Thank you, dear father and honored Praetor. All of Rome rejoices at your return from Caligula's wars in Germania." He added, looking at Mira, "Tonight we will throw a lavish party in celebration, and be sure to enjoy ourselves to the fullest." Mira swallowed, a hand clutching the fabric of her tunic."* This short story contains explicit sexual content (lesbian sex, bondage, penetration, domination, BDSM, Roman orgy) and graphic language that may be objectionable to some readers. For adults only.

On December 31, 3165 Doctor Amie Hargrove presses the button on the first ever time machine - a product of her own invention unknown to the rest of the world and untested by her. Landing 338,000 years in the past with the intentions of observing primitive man, she is quickly taken in by them and her journey into sexual bliss begins.

Stephenie Meyer's Twilight saga has maintained a tight grip on the contemporary cultural imagination. This timely and critical work examines how the Twilight series offers addictively appealing messages about love, romance, sex, beauty and body image, and how these charged themes interact with cultural issues regarding race, class, gender and sexuality. Through a careful analysis of the texts, the fandom and the current socio-historical climate, this work argues that the success of the Twilight series stems chiefly from Meyer's negotiation of cultural mores.

For more than twenty years, film critic, teacher, activist, and fan Thomas Waugh has been writing about queer movies. As a member of the Jump Cut collective and contributor to the Toronto-based gay newspaper the Body Politic, he emerged in the late 1970s as a pioneer in gay film theory and criticism, and over the next two decades solidified his reputation as one of the most important and influential gay film critics. The Fruit Machine—a collection of Waugh's reviews and articles originally published in gay community tabloids, academic journals, and anthologies—charts the

emergence and maturation of Waugh's critical sensibilities while lending an important historical perspective to the growth of film theory and criticism as well as queer moviemaking. In this wide-ranging anthology Waugh touches on some of the great films of the gay canon, from Taxi zum Klo to Kiss of the Spider Woman. He also discusses obscure guilty pleasures like Born a Man . . . Let Me Die a Woman, unexpectedly rich movies like Porky's and Caligula, filmmakers such as Fassbinder and Eisenstein, and film personalities from Montgomery Clift to Patty Duke. Emerging from the gay liberation movement of the 1970s, Waugh traverses crises from censorship to AIDS, tackling mainstream potboilers along with art movies, documentaries, and avant-garde erotic videos. In these personal perspectives on the evolving cinematic landscape, his words oscillate from anger and passion to wry wit and irony. With fifty-nine rare film stills and personal photographs and an introduction by celebrated gay filmmaker John Greyson, this volume demonstrates that the movie camera has been the fruit machine par excellence.

Confession of a Tattooist is book 1 of the Tattoo Series by Bestselling author Lexy Timms. Hawk Reynolds is the hottest tattooist in the city, and not just because he's a terrific artist and knows how to use the needles to turn skin into art. He's panty-melting hot thanks to his sexy hair, tattoo sleeves, and a body that incites fantasies. Plenty of women come to the shop just to let him put his skilled hands on their bodies, but none of them ever come close to touching his heart. Until the

day a regular shows up with her bestie, Joy, in tow. Joy's a shy and intelligent blonde who has no idea just how beautiful she is, and she's not really interested in getting a tattoo; but she is interested in the art she sees on the walls, and the bad-boy tattooist who drew it. Joy's been burned before by men who just wanted to date her because her father is billionaire Terry Reed. She's determined to never be used that way again, but as her steamy relationship with Hawk turns into something meaningful, she begins to wonder if she's the user. Hawk tells her there's one thing he won't put up with: lying. And she's already lied about who she is. For mature audiences only. Reveals tales of sex and love from ancient Greece, Rome, and other Mediterranean cultures, offering insight into these civilizations' beliefs about contraception, bisexuality, cross-dressing, nymphomania, and erotic practices.

Against a teeming canvas of Borgia politics, Niccolò Machiavelli and Leonardo da Vinci come together to unmask an enigmatic serial killer, as we learn the secret history behind one of the most controversial works in the western canon, The Prince... When Pope Alexander dispatches a Vatican courtesan, Damiata, to the remote fortress city of Imola to learn the truth behind the murder of Juan, his most beloved illegitimate son, she cannot fail, for the scheming Borgia

pope holds her own young son hostage. Once there, Damiata becomes a pawn in the political intrigues of the pope's surviving son, the charismatic Duke Valentino, whose own life is threatened by the condottieri, a powerful cabal of mercenary warlords. Damiata suspects that the killer she seeks is one of the brutal condottieri, and as the murders multiply, her quest grows more urgent. She enlists the help of an obscure Florentine diplomat, Niccolò Machiavelli, and Valentino's eccentric military engineer, Leonardo da Vinci, who together must struggle to decipher the killer's taunting riddles: Leonardo with his groundbreaking "science of observation" and Machiavelli with his new "science of men." Traveling across an Italy torn apart by war, they will enter a labyrinth of ancient superstition and erotic obsession to discover at its center a new face of evil—and a truth that will shake the foundations of western civilization.

In this fascinating and revealing A-to-Z, John G. Younger examines the sexual practices, expressions and attitudes of the Greeks and Romans, from Catullus and Caligula, to orgies and obscenity, and from abstinence and incest, to pederasty and prostitution. The book opens with an overview of current thinking on ancient sex and sexuality, and goes on to provide an extraordinarily wide coverage of a sexual culture so very different from our own, approaching the subject from the perspectives of literature, history, archaeology and art. Comprehensive, reliable and eye-opening, this A-to-Z illuminates an important aspect of the classical world. For those who want to take their reading further, there are numerous references to ancient sources and modern scholarship, as well as a separate section of works of art. This is an ideal introduction to and exploration of sex in the ancient world for readers at every level.

The story of the erotic adventures of Michael Duridomov at the Mediterranean Sea. Here everything is different: love – salty, sex —exuberant, sea – naked.

120 pages / color / adult content For thirty years he was the undisputed king of Italian erotic cinema. They call him Il Maestro. He loved life, lust, and women, and saw no reason to apologise for it. He fought fascism and censorship from both the left and the right in all its forms. And he is a true artist and filmmaker. During the 1980s and '90s, and into the 2000s, some of Italy's most beautiful women queued up to work with him, from award-winning mainstream actresses to

models and gymnasts. Brass Cheek presents over sixty pages devoted to his films, from the fascinating failure of the notorious Caligula to his final 2006 feature Mon Amour, and including his entire output between, from the dark shadows of The Key and Black Angel to the more lighter, frothy fare, such as Frivolous Lola and Cheeky. Supporting features include a visual round-up of Italy's sleazy fumetti paperbacks, cheap comic strip porn ranging from swashbuckling pirates to gangsters, sci-fi, jungle heroes and vampires, a chapter on the infamous and ground-breaking Last Tango in Paris, and a look at the political erotica of the envelope-pushing directors Walerian Borowczyk and Miklos Jancso. Please note: The text in this book previously appeared in the author's earlier 700 page Strange New World: Sex Films of the 1970s, now available on Amazon.

What do the rich and famous really get up to behind closed doors? When does sexual passion become sordid perversion? Who are history's most shocking deviants and what are their sex secrets? The pages of this book reveal 45 shocking, scandalous--and often disturbing--stories of promiscuity and sexual perversion throughout the ages. Uncovered here are the orgies of Cleopatra and the incest of the Romans; the darkest fantasies of Michelangelo and the gross indecencies of the Marquis de Sade; as well as the insatiable desires of Rasputin, the degrading fetishes of Adolf Hitler, the unashamed exhibitionism of Tallulah Bankhead and the dirty thrills of Elvis Presley. Sordid Sex Lives offers an insight into the shocking practices in which so many famous men and women have participated in. What motivates these sexual desires? Were they ever considered "normal?" And what happened to those whose filthy secrets were found out? Bursting with real-life accounts, this is the most explicit and shocking account of the sex lives of history's most notorious characters.

"The Chronicles of the Pharaoh's Daughter" presents a passionate, ironic, and symbolic collection of poems that blends antiquity, history, memory, reincarnation, wealth, poverty, sex, love, life, birth, and afterlife. Poet Davina Rhine shares a tormented adventure lamenting the loss of her idealized father and recalling the grudging acceptance of a woman's experience in domesticity, mundane work, and child-rearing. This confessional poet, torn by grief, erotica, responsibility, mature love, and dreams, goes from sinner to forgiver in the course of the collection. Unlike other confessionals, her journey in dreams and everyday life does not end in misery, but in rapture both strong and defiant as she is resurrected. The clashing metaphors of the past and present take us all over the ancient world and into the heart of modern love; the journey begins with an act of vengeance for the women raped at the birth of Rome. Rhine explores the sacred, the vulgar, and the human experience as her poems explode into sharp, dizzying shards of emotion and drama. "The Chronicles of the Pharaoh's Daughter" is a collection that exhales classical archaeology while reinventing the past with the vigor and vision of a strong, defiant activist and writer.

A complete introduction to the rich cultural legacy of Rome through the study of Roman art ... It includes a discussion of the relevance of

Rome to the modern world, a short historical overview, and descriptions of forty-five works of art in the Roman collection organized in three thematic sections: Power and Authority in Roman Portraiture; Myth, Religion, and the Afterlife; and Daily Life in Ancient Rome. This resource also provides lesson plans and classroom activities."--Publisher website.

Through detailed analysis of a selection of material (poetry, prose and statues), this book explores how imperial power, and the authority and accessibility of the Roman emperor, were constructed and contested through the representation of sexual relations. This dynamic collection of essays by international film scholars and classicists addresses the provocative representation of sexuality in the ancient world on screen. A critical reader on approaches used to examine sexuality in classical settings, contributors use case studies from films and television series spanning from the 1920s to the present.

The Bigger Bang Theory aka The Struggle of the Ages - can be categorized as satirical/romantic/erotic fiction, with the elements of non-fiction. Without a doubt, sex is the most complicated and nuanced part of our existence. The ways that men and women and people of all genders put certain importance, mystify, demystify, or imbue it with more or less meaning than necessary. This book is meant to humorously, but also thoughtfully examine the absurdities about how we struggle with it so. The Bigger Bang Theory is an episodic novel split into 3 parts - Past, Present, and Future. The past includes quasi-historical tales of Caligula and the famous lothario Edward VII as well as more fanciful tales about the first creatures to actually have sex and the discovery/creation of the dildo. The present is a more contemporary look at more modern issues like one-night stands, the role of sex after marriage, and quirky fetishes like fecal play and compensated dating. Finally, the future moves into SF-like territory with stories about humans and robot lovers, and Handmaid's Tale-like control of sexual norms. All 3 sections feature historical interludes with some facts connected to each era. The overall goal in tackling just a wide and tricky topic is to make a fun collection of 50/50 fact-fiction equally as fun to read for pleasure or thoughtful discussion.

One of the twentieth century's most important filmmakers—indeed one of its most important and influential artists—Ingmar Bergman and his films have been examined from almost every possible perspective, including their remarkable portrayals of women and their searing dramatizations of gender dynamics. Curiously however, especially considering the Swedish filmmaker's numerous and intriguing comments on the subject, no study has focused on the undeniably queer characteristics present throughout this nominally straight auteur's body of work; indeed, they have barely been noted. Queer Bergman makes a bold and convincing argument that Ingmar Bergman's work can best be thought of as profoundly queer in nature. Using persuasive historical evidence, including Bergman's own on-the-record (though stubbornly ignored) remarks alluding to his own homosexual identifications, as well as the discourse of queer theory, Daniel Humphrey brings into focus the director's radical denunciation of heteronormative values, his savage and darkly humorous deconstructions of gender roles, and his work's trenchant, if also deeply conflicted, attacks on homophobically constructed forms of patriarchic authority. Adding an important chapter to the current discourse on GLBT/queer historiography, Humphrey also explores the unaddressed historical connections between post-World War II American queer culture and a concurrently vibrant European art cinema, proving that particular interrelationship to be as profound as the

better documented associations between gay men and Hollywood musicals, queer spectators and the horror film, lesbians and gothic fiction, and others.

Continuing on her adventures through time, Dr. Amie Hargrove pays a visit to the twenty-fourth century during a period of sexual liberty that permitted men and women to go naked in the streets. When she runs into a well-hung man named Brad, she has no idea the series of events she is setting in place. But when she pays him a visit for another round of uninhibited sex, she learns in an all too painful and humiliating way the role she plays in history's past.
