The law of attraction is the Universal Law that states like attracts like. More than likely you have heard of this law and even are currently practicing and applying the principles associated with the law of attraction however you have yet to see the results that you are looking for. You probably have questions like why didn't God and the universe answer my prayers? I'm meditating but nothing is happening, why? I'm affirming and doing everything the book said, but nada, zilch, nothing. You might be thinking "this stuff just doesn't work for me." This all boils down to the same thing, you want something from the Creative Energy and you can't seem to get it. The question is why? What are you not doing? Or better yet, the right question to ask might be, "what am I doing?" In his book entitled *Banned Law of Attraction Secrets* author Daniel Smith gives you the reasons why the law of attraction is not working for you and he shows you the common mistakes people make that violate this very universal law. He also provides you with the solutions for correcting these mistakes that will put you on the path of manifesting your dreams and

living a healthier and happier life full of abundance.

In her first book, Susan Lee bridges the Law of Attraction with God's plan. Secular teachings of the law of attraction focus only on efforts from within and universe manifestation as the paths to financial freedom and a fulfilled life. God's Law of Attraction demonstrates that Christians too can have life purpose, goals, accomplishment; and yes, financial abundance—without guilt or materialism taking over. In God's Law of Attraction, Susan uses numerous Bible story themes to demonstrate God's genuine interest in providing a rich and fulfilling life for his children. Then, she applies how God's Law of Attraction works in our lives daily—whether we recognize its divine origins or not. Susan's interpretations of the stories result in a series of God-given steps that you can use every day to live your walk with God and enjoy life and its many gifts. Specifically, you will discover how to: Live in true abundance without guilt because God wants you to succeed! Find joy in your relationships again by releasing negative vibrations that have hurt in the past Use the Natural Law God Himself put in place to help us set goals and achieve them Trust in God on a new and exciting level Apply five steps: ask, believe, act, allow and receive to achieve God's best! "Finally a book that recognizes the law of attraction as God's and provides real world guidance, as well as tools, to assist Christians in asking for and recognizing God's blessings." — Carol Bills "Made me look at the law of attraction differently. I especially appreciated the tips and strategies for how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive) effectively." — Anonymous

This book is for anyone looking to get results within key areas of their life.

William Walker Atkinson's Thought Vibration is a classic treatise of new age philosophy. Atkinson examines the nature of mental thought and its power to affect one's life in a thought-provoking discourse that elucidates the power of positive mental thought. The New Thought movement of the early 20th century vehemently believed in the concept of 'mind over matter,' and one of the most influential thinkers of this early 'New Age' philosophy promises to show you how to harness the extraordinary mental powers you already possess.

THE LAW OF ATTRACTION WORKS...IF YOU WORK IT! The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires with the Law of Attraction. Many students of the Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must be done on a daily basis to make it work effectively. As a result of these

concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures, churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution.

Now available as an eBook, a simple step-by-step guide that allows you to realistically apply the Law of Attraction to improve your life and achieve the next level of practical

understanding. The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information. In one book, Dr. David Che has made the most powerful secrets of the Law of Attraction accessible for any individual who seeks them.

The human mind is immensely powerful, much more than is currently realised. Human beings are at the pinnacle of physical evolution and they are the perfect receptacles for spirit to use and utilise whilst experiencing life here on earth. Throughout the countless generations, mankind has had an idea that there is more to life and the world than we see, that he himself is much more than just his physical form. There has been art created expressing as much, paintings, poetry, music, art of all kinds. Deep inside man has always know that he wasn't his body, that the he that is really he, is something much more intangible. Knowing, but not really understanding the true nature of himself mankind has not utilised the great inherent powers that are available to him. To realise in a very real sense that you are a spirit in physical form, and that your true source of power and strength, comes not from what's outside, your physical form, but from what is deep within, your spirit. Creating your physical reality, is what your supposed to do. It's why we are all here. To be conscious creators of our life's, letting our spiritual self's guide us, and lead of to the place where all of our dreams come true. When we understand the laws of attraction, and how to utilise them in our own life's, we can create the world that we want to live in. Unconsciously, we are all attracting the lives we have, now is the time to understand the laws of attraction for your yourself, and then you can go out there into the world, and consciously create the life of your dreams.

The law of attraction is an art that you have already mastered, but are you aware that you may have not mastered it in such a way that actually serves you? In society, laws are a system of rules that we follow to keep us all in alignment with the goals of society. We have rules about where we can and cannot drive, where we can and cannot cross the road, how we may treat one another, and how we may behave in general. Rules serve two purposes: to keep us all interacting peacefully and successfully, and to give us an idea of what we can expect when residing in our society. So, if laws give us an idea of what we can expect, and they reside in individual societies, then wouldn't it make sense that the entire universe would operate as an individual society on some level? And, if it does, then the laws that apply to the universe would be not simply suggestions or fancy ideas, but rather something we can expect and rely on? In this book, "Law of Attraction: Manifest the Health, Wealth, Love & Life of Your Dreams," you will learn about how you can masterfully reframe your knowledge on the law of attraction and use it to your advantage. You will be given the opportunity to learn how you can co-create the life of your dreams in all areas, including health, wealth, love, and life. The Law of Attraction has become one of the most controversial topics in modern society. It was designed to shed some light on the ancient 'mind-body' problem that is now addressed by quantum scientists as a 'hard problem of consciousness'. And after more than a decade of the Law of Attraction (LoA) massive popularization, The Secret guideline has been expanded by the LoA practitioners and quantum scientists with the missing links to Byrne's version. While more and more people claim that their biggest accomplishments become possible thanks to the LoA, for some of you there are still more questions than answers to this mysterious phenomenon. So here is an extensive Law of Attraction guide for you to answer all your questions about it and, most importantly, how you can practically apply it into your life

to achieve your goals.
