“Utterly sublime . . . Aduatells a gripping story of war, migration and family, exposing us to the pain and hope that reside in each encounter” (Maaza Mengiste, author of *The Shadow King*). Adua, an immigrant from Somalia, has lived in Italy nearly forty years. She came seeking freedom from a strict father and an oppressive regime, but her dreams of becoming a film star ended in shame. A searing novel about a young immigrant woman’s dream of finding freedom in Rome and the bittersweet legacies of her African past. “Lovely prose and memorable characters make this novel a thought-provoking and moving consideration of the wreckage of European oppression.” —Publishers Weekly (starred review) “Igiaba Scego is an original voice who connects Italy’s present with its colonial past. Adua is an important novel that obliges the country to confront both memory and truth.” —Amara Lakhous, author of *Dispute over a Very Italian Piglet* “This book depicts the soul and the body of a daughter and a father, illuminating words that are used every day and swiftly emptied of meaning: migrants, diaspora, refugees, separation, hope, humiliation, death.” —Panorama “A memorable, affecting tale . . . Brings the decolonialization of Africa to life . . . All the more affecting for being told without sentimentality or self-pity.” —ForeWord Reviews “Deeply and thoroughly researched . . . Also a captivating read: the novel is sweeping in its geographical and temporal scope, yet Scego nonetheless renders her complex protagonists richly and lovingly.” —Africa Is a Country

This is an in-depth, vibrantly illustrated survey of palm-leaf architecture: its history and traditions, its present and its future. Traditional buildings made from the leaves of date palms have provided shelter from the extreme climate of the Arabian peninsula for centuries. In many regions this is referred to as Arish. The book contains five sections: an overview in historical photographs; a comparison of regional variations in the United Arab Emirates; a focus on architectural and stylistic details; contemporary applications; and, a resources section, including a step-by-step introduction to the making of Arish, from raw material to built form. Sandra Piesik, who has worked extensively in the United Arab Emirates, celebrates this unique, indigenous building and craft tradition and provides the foundation for a genuine understanding of the region, critical in the context of the fast-developing global economy it has become today.

A mother offers a touching, true account of how a rescue cat named Billy transformed her autistic boy's life. Original.

First published in 1830 this is a narrative of Captain Crow's life, "together with descriptive sketches of the West Coast of Africa, particularly of Bonny; the manners and trade of the country, to which are added anecdotes and observations of the indigenous peoples".

Retells two hundred traditional Italian tales, including the stories of a fearless little man, a prince who married a frog, and a woman who lived on wind

Shifra Horn's beautifully imagined novel tells the story of five generations of women in one family against the backdrop of one hundred years in Jerusalem. The story begins with the birth of the family's first boy to Amal, the last generation. Her mother, grandmother and great-grandmother are overjoyed, because the birth of a healthy boy means that the curse against the women of the family has been broken. They tell Amal the story of those "foremothers": Mazal, the orphan, whose ill-fated marriage initiates the curse; her daughter Sara, whose golden hair is a symbol for her power to heal; Sara's daughter Pnina-Mazal, the unwanted child whose talent for knowing others' thoughts brings both joy and sorrow; and her daughter Geula, Amal's mother, whose sharp intellect is her gift and her burden.

Conrad's outstanding ability to penetrate human psyche is vibrantly exposed in *Typhoon*. It is a dazzling depiction of the destructive side of nature. Endowing a superb visual rendering of the damage caused by the typhoon, this book provides a keen insight into human frame of mind and the power of decision making in perilous circumstances. A striking staging of human retort to wreckage!

Soon to be a major motion picture from the award-winning director Julian Schnabel, starring Freida Pinto. WRITTEN BY the much-admired Italo-Palestinian journalist Rula Jebreal, *Miral* is a novel that focuses on remarkable women whose lives unfold in the turbulent political climate along the borders of Israel and Palestine. The story begins with Hind, a woman who sacrifices everything to establish a school for refugee Palestinian girls in East Jerusalem. Years later Miral arrives at the school after her mother commits suicide. Hind sees that Miral has the potential to change the world peacefully-but Miral is appalled by the injustice that surrounds her, and flirts with the notion of armed resistance. Hind desperately works to persuade her to stay the course of education, hard work, and non-violent resolution-but is she too late? Watch a Video

Ray Bradbury’s novel *Fahrenheit 451* is an enduring masterwork of twentieth-century American literature—a chilling vision of a dystopian future built on the foundations of ignorance, censorship, and brutal repression. The origins and evolution of Bradbury’s darkly magnificent tale are explored in *A Pleasure to Burn*, a collection of sixteen selected shorter works that prefigure the grand master’s landmark novel. Classic, thematically interrelated stories alongside many crucial lesser-known ones—including, at the collection’s heart, the novellas “Long After Midnight” and “The Fireman”—*A Pleasure to Burn* is an indispensable companion to the most powerful work of America’s preeminent storyteller, a wondrous confirmation of the inimitable Bradbury’s brilliance, magic . . . and fire.

The World of Odysseus is a concise and penetrating account of the society that gave birth to the *Iliad* and the *Odyssey*--a book that provides a vivid picture of the Greek Dark Ages, its men and women, works and days, morals and values. Long celebrated as a pathbreaking achievement in the social history of the ancient world, M.I. Finley's brilliant study remains, as classicist Bernard Knox notes in his introduction to this new edition, "as indispensable to the professional as it is accessible to the general reader"--a fundamental companion for students of Homer and Homeric Greece.

When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

Fifteen-year-old Laurence Roach just wants a normal life, but it's not easy when your mum is a depressed alcoholic, and your six-year-old brother thinks he's a dog. When Mum fails to come home one night, Laurence tells nobody, terrified he and his brother will be taken into care if anyone finds out. Instead, he attempts to keep up the pretence that Mum is still around: dressing up in her clothes to trick the neighbours and spinning an increasingly complicated tangle of lies. After two weeks on their own, running out of food and money, and with suspicious adults closing in, Laurence finally discovers what happened to his mother. And that's when the trouble really starts . . . A compelling thriller filled with some hilarious and surreal moments. *Fifteen Days Without a Head* is a tender, honest story about family, forgiveness and hope.

Typhoon is a classic adventure story of sea-faring life at the turn of the century; Captain Macwhirr, estranged from his family and his crew, sails the Siamese steam *Nan-Shan* into the center of a typhoon.

Inspired by the real psychology study popularized by the New York Times and its "Modern Love" column, this contemporary YA is perfect for fans of Eleanor and Park. Two random strangers. Two secrets. Thirty-six questions to make them fall in love. Hildy and Paul each have their own reasons for joining the university psychology study that asks the simple question: Can love be engineered? The study consists of 36 questions, ranging from "What is your most terrible memory?" to "When did you last sing to yourself?" By the time Hildy and Paul have made it to the end of the questionnaire, they've laughed and cried and lied and thrown things and run away and come back and driven each other almost crazy. They've also each discovered the painful secret the other was trying so hard to hide. But have they fallen in love? Told in the language of modern romance -- texting, Q&A, IM -- and punctuated by Paul's sketches, this clever high-concept YA is full of humor and heart. As soon as you've finished reading, you'll be searching for your own stranger to ask the 36 questions. Maybe you'll even fall in love. Rights have sold in 19 territories!

Argues that affirming the irreducible differences between men and women can lead to more transformative politics than the struggle for abstract equality between the sexes. In *The Symbolic Order of the Mother* Luisa Muraro identifies the bond between mother and child as ontologically fundamental to the development of culture and politics, and therefore as key to achieving truly emancipatory political change. Both corporeal development and language acquisition, which are the sources of all thinking, begin in this relationship. However, Western civilization has been defined by men, and Muraro recalls the admiration and envy she felt for the great philosophers as she strove to become one herself, as well as the desire for independence that opposed her to her mother. This conflict between philosophy and culture on the one hand and the relationship with the mother on the other constitutes the root of patriarchy's symbolic disorder, which blocks women's (and men's) access to genuine freedom. Muraro appeals to the feminist practice of gratitude to the mother and the recognition of her authority as a model of unconditional nurture and support that must be restored. This, she argues, is the symbolic order of the mother that must overcome the disorder of patriarchy. The mediating power of the mother tongue constitutes a symbolic order that comes before all others, for both women and men.

Fascinating and dream-like, this compelling tale for children by Per Olov Enquist tells the story of Mina, who wakes up one night to find that a crocodile has bitten her on the bottom. Her tired parents don't recognise the seriousness of the situation, but Mina's Grandpa knows what to do. He takes Mina, her sister and their cousins on a dangerous journey up Three Cave Mountain. What they find there will leave them changed forever. Offering a sweet and original glimpse into the mind of a perky and irrepressible child, *Grandfather and the Wolves* will thrill younger and older readers alike.

This volume questions the present-day assumption holding the Italian academies to be the model for the European literary and learned society, by juxtaposing them to other types of contemporary literary and learned associations in several Western European countries.

A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (*The Guardian*). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in *Marcovaldo* are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (*The New York Times*).

Twelve stories by the modern master of science fiction represent the evolution of his writing over a period of thirty-three years

The author visits her Italian hometown, Bagheria, in an attempt to make peace with the aristocratic family she has rejected and condemns the destruction of Sicily's artistic and architectural treasures in its transition into a modern city

A chemist-turned-writer and a construction rigger in a remote factory pass the time swapping tales of their lives and

voyages. Primo Levi's most light-hearted novel, *The Monkey's Wrench* is a tribute to storytelling, human ingenuity, and the importance of finding meaningful work in life. "A lot of stories have happened to me," says Fausone, the mysterious construction rigger at the center of this comic novel by Primo Levi. Far from home on a work assignment, Liberto Fausone befriends the book's narrator, a chemist based loosely off of Levi himself. Although he can't quite explain it, the chemist is immediately entranced by the wandering laborer who has traveled to every corner of the world. The two embark on an unlikely friendship, trading tales filled with curses and spies, scandal and heartbreak. With its easy-going and even whimsical tone, *The Monkey's Wrench* is a change from Primo Levi's other works. Yet its message is just as vital. The novel reminds us about the importance of connection between strangers, our endless capacity to solve even the most challenging of problems, and finding fulfillment in work. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

In Isak Dinesen's universe, the magical enchantment of the fairy tale and the moral resonance of myth coexist with an unflinching grasp of the most obscure human strengths and weaknesses. A despairing author abandons his wife, but in the course of a long night's wandering, he learns love's true value and returns to her, only to find her a different woman than the one he left. A landowner, seeking to prove a principle, inadvertently exposes the ferocity of mother love. A wealthy young traveler melts the hauteur of a lovely woman by masquerading as her aged and loyal servant. Shimmering and haunting, Dinesen's *Winter's Tales* transport us, through their author's deft guidance of our desire to imagine, to the mysterious place where all stories are born.

Mario Rigoni Stern was born in 1921 in Asiago, in the mountains of northeastern Italy. Throughout his literary career, he has remained deeply attached to the region of his birth, its peasant customs, its dialect, its seasonal cycles and shifting historical fortunes. *Tonle Bintarn's* story takes place in the mountains of the Veneto region, which once bordered the Austro-Hungarian Empire and where smuggling was a means of subsistence for the peasant population. Having run afoul of a patrol of revenue agents, Tonle must seek refuge beyond the frontier in Central Europe, where year after year he lives by doing odd jobs and working, among other things, as an itinerant print peddler, a horse trainer in Hungary, and a gardener in a Prague castle. But every winter he returns secretly to his home and family, until finally a pardon is granted. By now his children are grown and he has little to do but tend his sheep. Meanwhile, the times are changing, social values are disintegrating under the impact of modernization, and Europe moves ever closer to disaster. During the devastation of the First World War, the occupation and ultimate destruction of his village, and his own internment in an Austrian camp, it is Tonle's loyalty to his roots and his stubborn devotion to his task as a shepherd that persist and make him a quiet symbol of heroism and human endurance.

Arguably the most memorable speaker ever on the subject of love, Leo Buscaglia's talks to earlier generations connected with millions. Remarkably, the content and messages of his talks remain as relevant today as they were when first delivered. This volume is a collection of his informative and amusing lectures delivered worldwide between 1970 and 1981.

GIFTED AND CURSED Kaitlyn Fairchild has always felt like an outsider in her small hometown. Her haunting eyes and prophetic drawings have earned her a reputation as a witch. But Kait's not a witch: She's a psychic. Tired of being shunned, Kait accepts an invitation to attend the Zetes Institute, where she can have a fresh start and study with other psychic teens. Learning to hone her abilities with four other gifted students, Kait discovers the intensity of her power -- and the joy of having true friends. But those friendships quickly become complicated when Kait finds herself torn between two irresistible guys. Rob is kind and athletic, and heals people with his good energy. Gabriel is aggressive and mysterious, a telepath concealing his true nature as a psychic vampire, feeding off of others' life energy. Together, Rob and Gabriel's opposing forces threaten the group's stability. Then one of the experiments traps the five teens in a psychic link. A link that threatens their sanity and their lives. And Kaitlyn must decide whom to trust...and whom to love.

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.
