The One-Life Solution Henry Cloud,2009-10-06 "Dr. Cloud will show you how to produce the results you are looking for in your work and personal life." —Dr. Phil McGraw, #1 New York Times bestselling author From Dr. Henry Cloud, the million-copy selling author of *Boundaries and Integrity*, comes *The One-Life Solution*, an essential handbook that demonstrates how establishing a successful, happy, and rewarding business career can be achieved by setting physical, mental, emotional, and spiritual boundaries. Anyone who finds the chaos of the workday spilling over into their personal and family time—everyone who has ever wanted to have more control over the work and home aspects of their life—will find valuable answers in *The One-Life Solution*.

Coaching Based Ministry Mike McGervey,Tim Cosby,2011-11 Traditional models of spiritual transformation and leader development depend on the ability of experts to impart their knowledge, experience, and advice to others. But what we have discovered is that receiving information and advice alone does not lead to transformation and growth. This happens only when a person becomes internally motivated to change. Coaching empowers people to change without telling them what to do. To be empowered means to take ownership of and responsibility for shaping your own future. This is based on the principle that the people you coach will understand, value, and apply for themselves what you help them to discover, not what you tell them. We are also convinced that as churches and faith-based organizations discover the power and possibilities of coaching, there will be a growing effort to rebuild ministries and develop leaders around what we call the Coaching-Based Ministry(TM) model. This book is built around helping you find answers to three key questions. - Why coaching? - What is it like to be coached? - What does it take to become an effective coach? It is our hope and prayer that you will find meaningful answers to those questions and will then join us in bringing Coaching-Based Ministry(TM) to the churches and faith-based organizations in your area. Riding Shotgun Sarah Ambrus,Christine Simpson,2012-03 Educators nationwide are faced with the challenge of

improving school culture while battling issues such as bullying and lack of student motivation. This book proposes educators and students share ownership of campus change. What if students had the power to influence their school's culture for the better? Profoundly inspired by students' efforts for change on their own campus, Ambrus and Simpson offer collaborative models, practical tools, and firsthand accounts from students, parents, and teachers. *Riding Shotgun* illustrates what is possible when students are given the tools and support to lead school wide change.

Heaven's Perspective Tony Stoltzfus, Chris Frost, 2016-12-28 The story of your life is being written down in heaven-and it is way better than how you remember it. Reading *Heaven's Book of You* could change your life forever. Would you like a sneak peek? *Heaven's Perspective* takes you on a journey with seventeen real people whose most painful stories in life were rewritten by heaven into tales of glory, purpose and redemption. You'll identify deeply with the raw, authentic humanity in their personal stories. But when you read about the same events from heaven's book-prepare to be amazed, because heaven is powerful beyond imagining making all things well. There, time's limitations are abolished, so the mother whose son died as an infant is there to welcome him to eternity, and he never experiences a day without her. A little-known musician who thought his life was wasted discovers his songs are in constant rotation before the throne, and a man who fights to take off the masks he's hidden behind is rewarded for setting his family line free for generations. And you'll meet a Father who ensures our reward by sharing every uncompleted part of our destinies with those around us, so that every word of calling he utters will not return to him empty, but accomplish the purpose for which he sent it. It's a heaven-and a Jesus-that is far better than you ever imagined! *Heaven's Perspective* brings meaning to suffering and adversity by looking at it from a completely different angle: an unearthly one. Much of what we go through in life makes no sense purely in terms of the here and now. But add eternity to the mix, and what seemed random and purposeless finally makes sense. With heaven's eyes you'll spot the unseen connections that tie your destiny to those of others, and look behind the curtain to witness Father's lifelong plan to grow you up into him unfold step by unerring step. And you'll find answers to some of the most perplexing questions of life, like why a God almost never answers the question, Why? To live well on earth requires a hope set on heaven. *Heaven's Perspective* will introduce you in a whole new way to the true home of your heart and the happy ending that makes all things well.

Christian Coaching Gary R. Collins, 2001 A well-known author in the field of counseling takes successful principles of coaching and gives them a God-centered application. Broader in scope than either mentoring or discipline, Christian coaching helps people find God's vision for their lives and learn to live accordingly.

Systemic Coaching L. Michael Hall, 2012-08-31 If Coaching isn't holistic, it is not truly coaching. True coaching is systemic by nature and design. Yet most coaches today do not coach systemically, in fact, most have not been trained to think and work systemically and do not have systemic models to work with. *Systemic Coaching* changes all of that. It enables a professional coach to discover what it means to think and work systemically. It describes how to use the Matrix Model as a systems model and to follow a client's energy through his or her system. In this work, you'll learn the key variables in the human mind-body-emotion system, and how to distinguish the causes from symptoms, how to recognize the information in energy out loops, and much more. Includes transcripts of scores of coaching conversations by L. Michael Hall, Ph.D. and see them put into system diagrams by Pascal Gambardella, Ph.D. *Systemic Coaching* introduces Meta-Coaching in the field of Coaching as the most systematic approach to coaching.

The Calling Journey Tony Stoltzfus, Mark Neubauer, 2010-11 Ever wish you had a road map to follow to your God-given destiny? *The Calling Journey* is just such a map, revealing the common stages and transitions leaders go through on the pathway to their call. As you read what successful leaders from all walks of life experienced on the destiny road, you'll gain an amazing perspective on how God is leveraging everything in your own story to make his dream for you come true. Along the way, you'll learn how to identify key stages in your own journey and build a personal calling timeline. When you discover what God's agenda is for each stage, you can lean into what he is doing in you instead of fighting the process. Developed by a master leadership coach, the timeline model emerged from comparing the life stories of biblical characters to those of contemporary leaders. Through hundreds of coaching encounters, plus extensive interviews with Christian leaders in business, ministry, politics and other spheres, Tony discovered that God takes each of us through predictable stages of upward growth separated by valleys of adversity and inner formation. While we tend to view the difficult times in the valleys as failures or detours, Tony shows how they form a vital part of God's strategy for leadership development. Just as Joseph's repeated betrayal and elevation birthed the life message that is his greatest legacy (You meant it for evil, but God meant it for good), *The Calling Journey* shows how the Great Redeemer transforms times of heartache into the seedbed of a world-changing life. *The Calling Journey* depicts four stages and three valleys on an easy-to-understand graphical timeline. Dozens of personal stories (along with tales of historical and biblical travelers) bring the journey to life. Coupled with an innovative understanding of call as the unique way Jesus is incarnated in us by our story, this in-depth look at the purpose of life reveals how God truly is good all the time.

Growing Deep in God Edmund Chan, 2008

The Invitation Tony Stoltzfus, 2015-03-10 You are invited... to a change of heart, Jesus' way! Transformation isn't about being more disciplined or trying harder, but establishing a life-giving connection where Jesus fills your heart's deepest desires for love, significance, belonging, freedom, security, and more. God's change strategy isn't focused on fixing your bad behavior, but on filling your heart with himself. Experiencing desire fulfilled changes what you want-and that makes change easy! In this practical, down-to-earth manual on heart change, master coach Tony Stoltzfus teaches you the revolutionary approach he's used to walk thousands of Christian leaders through personal transformation. Here's how it works. Behavior comes from the heart, and the heart is motivated by our desires--desires for things like for recognition, acceptance, significance, or joy. Most of crazy, twisted stuff we do that causes us so much pain is aimed at filling these unmet desire with things in this world. The surprising key to Jesus' approach is this: your heart's desires were meant to be filled in your relationship with God; not by things, but by Jesus himself (see James 4). Encounter Him touching your desire every day, and

it will transform your behavior without even trying. Jesus' way of change is better than you ever imagined! The Invitation takes you on a journey to this realm of desire. We'll start with the common Christian approach to change (disciplining outward behavior), and contrast it to what the New Testament says about changing from the inside out instead. Then you'll learn about how the heart works, the different levels of the heart, the 16 deep desires, the Two Guardians of the heart (beliefs and emotional memories), and the steps to identifying beliefs and desires. The author is eminently practical: for instance, he presents four tools you can use to encounter Jesus in your desires and six for changing beliefs, with clear steps and multiple examples for each. This book is a practical manual, not a theoretical discourse: it is filled with intimate stories of real people from all walks of life experiencing transformation through using these techniques to encounter Jesus in their deep desires. As a special bonus, The Invitation also includes four hours of free, on-line video keyed to the text, featuring live, unrehearsed demos of how to coach the heart! For coaches, counselors, pastors and anyone who wants to be more effective at helping facilitate personal change, The Invitation is a gold-mine of skills and tools, and an invaluable training resource. An entire suite of training aids are available to help you bring these techniques into your world, including DVDs, workshop and course outlines, a mobile app, and more. Professional training and certification are also offered through the Leadership MetaFormation Institute. A Testimony from the Book All my life I have heard that God loves me. And I believed it because I know that that is who He is. ...but for the first time in my life, I saw God smile at me. I SAW HIM SMILING AT ME! And I have not been the same. Nothing about life looks as it did. It was like my life was a messy Rubik's cube that I have spent decades trying to align. In a moment, every piece shifted into place. I am whole. Still on the journey, but whole.

Christian Life Coaching Bible Dennis C. Gomas, 2016-09-06 Christian Life Coaching is a powerful experience that assists you in becoming your very best self as you find God's plan for your life with the help of the Holy Spirit. Everyone has the ability to envision a bright future, but sometimes in life, we get stuck in a bit of a rut and wonder how did I get here and how do I get out. Christian Life Coaching is not merely a technique that is applied when things go wrong. You may benefit greatly when things seem to be going well in your life, yet still want to be on top of your game. This book will familiarize the reader with the various elements in the performance of Christian Life Coaching. We will cover the different aspects of how a Christian prepares for a Life Coaching career. My book is ideal for someone who is trying to become familiar with the subject from a Biblical point of view with a Christian emphasis whether they are just curious what it is all about or those more serious planning to enter into the profession. It is not filled with theories but instead is a practical recount of the various issues dealing with Christian Life Coaching. Think of it as a sort of Commentary from an Ordained Minister's point of view on the material taught in Life Coaching training classes that you would normally have to pay for. My Coaching training was at New Life Coach, Inc., a non-profit organization, that trains and certifies Christian Life Coaches. The conversation model we

were taught there came from Gary Collins Mind Mapping Model in his book Christian Coaching. When you finish reading my book you should be familiar with the steps involved in Coaching a Client, how to prepare for a session, the kind of conversational model you may choose, and the Christian emphasis that is placed on keeping the session flowing with the Holy Spirit.
