

Lean On Me Masters Of The Shadowlands 4 Cherise Sinclair

A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book *A Mind for Numbers* *A Mind for Numbers* and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens, the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first--the secret is to understand how the brain works so we can unlock its power. This book explains:

- Why sometimes letting your mind wander is an important part of the learning process
- How to avoid "rut think" in order to think outside the box
- Why having a poor memory can be a good thing
- The value of metaphors in developing understanding
- A simple, yet powerful, way to stop procrastinating

Filled with illustrations, application questions, and exercises, this book makes learning easy and fun.

Contemporary BDSM erotic romance "(contains Club Shadowlands & Dark Citadel)" **CLUB SHADOWLANDS** Her car disabled during a tropical storm, Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman--an accountant--and surely isn't a submissive . . . is she? Master Z hasn't been so attracted to a woman in years. But the little sub who has wandered into his club intrigues him. She's intelligent. Reserved. Conservative. After he discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within. **DARK CITADEL** After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion...or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit...can she teach the master to love?

"Cherise Sinclair has written a highly erotic, emotional roller-coaster story that

drew me in and held me captive throughout the story.” ~ Fallen Angel Reviews
BOOK DESCRIPTION: After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates, but gives him everything he asks for. There is nothing she can hide from him. Not her passion...or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. During their three nights together, the teacher will learn to submit...can she teach the master to love?

PRAISE FOR DARK CITADEL “It's amazing to me how some authors in just a few pages can suck you so far into a story you come out the other end feeling like you just ran a marathon. For me, Ms. Sinclair is one of those authors. She takes you into a world that not a lot of us really know that much about and the way that she describes and walks you through it makes you feel like you are there...She has become one of my auto-buy authors” ~ Guilty Indulgence Book Club

Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it's no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women's physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No

matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

Currently there is a crisis occurring in healthcare involving clinician burnout, emotional exhaustion, lack of inspiration, and loss of personal meaning. For clinicians caring for cancer survivors, these feelings are aggravated by facing the largely unknown realm of survivorship and the issues it brings to patients and clinicians alike. As the number of cancer survivors grows, psychosocial oncology clinicians are increasingly called upon to work with the long-term aftermath of a cancer diagnosis, which requires the capacity to address the emotional and psychosocial issues that are not part of a traditional medical education. Clinicians have plenty of textbooks, but fewer hands-on, interactive guides that teach these kinds of experiential lessons that can be used in their day-to-day work lives. This accessible workbook offers a way to think about these important ideas while providing a structure to implement humanistic clinical practices. Clinical skills, communication tools, empathy as a learned capacity, cultural humility, reflective and mindful exercises designed to increase relationship skills—all of these depend upon this mode of experiential learning, as it teaches useful practices and solutions in order to increase the efficacy and satisfaction of clinical work with cancer survivors and their communities. *Psychosocial Care of Cancer Survivors: A Clinician's Guide and Workbook for Providing Wholehearted Care* is a clinical resource for healthcare practitioners that presents person-centered care as an antidote to the distress both patients and clinicians face in cancer survivorship. It addresses questions of how to bring a humanistic approach and quality attention to the growing needs of patients in the post-treatment phase of a cancer diagnosis. As a workbook, it's both a guide and an applicable resource for daily clinical practice. It provides a needed structure for clinicians to help them reconnect with the meaningful aspects of their work. Designed for busy psychosocial oncology clinicians who may feel disconnected but don't fully understand why, this workbook addresses the need for a humanistic and pragmatic approach to the psychosocial issues that arise in their work with patients. Based on personal interviews with clinicians, written feedback from clinicians, and research describing the formidable demands facing professionals working in cancer healthcare, as well as the dangers of burnout, this is highly practical, interactive guide addresses the emotional and psychological concerns of both patient and clinician. This workbook will be a much-needed resource for humanizing cancer survivorship care. The book is presented in two parts: - Part I focuses on skillful means for providing humanistic patient care. - Part II offers clinicians pragmatic structures and methods they can start using with patients right away, and provides a humanistic clinical framework that benefits them both personally and professionally. Clinicians will gain: - Clinical skills vital to forming healing clinical relationships: - Communication tools to enhance effective collaboration, such as personal and professional boundaries, the essentials of a

healing relationship, stages of the clinical interview, collegial collaboration. - Exercises designed for personal reflection and the implementation of the abovementioned clinical skills and communication tools. - Useful practices and solutions to increase the efficacy and satisfaction of their work. Written from the perspective of a clinician-survivor, Psychosocial Care of Cancer Survivors is about the healing power of relationship for both patient and practitioner as they negotiate the complex world of cancer survivorship.

"Breaking Free took me on an emotional roller-coaster, and I loved it!" ~Just Erotic Romance Reviews
BOOK DESCRIPTION: A sadistic husband left Beth scarred, inside and out. Only at the Shadowlands BDSM club does she feel like a woman. But her fears limit her to Doms who won't overwhelm her--the very ones who cannot arouse her. The Master of the Shadowlands gives her an ultimatum: accept the Dom he assigns or lose her membership. The last thing Beth wants is a ruthless, powerful Dom, but that's just what she gets. Asked to take on a problem sub, Nolan sees the issue immediately--although truly submissive, the little redhead is too scared to relinquish control and her Doms have let her get away with it. That will change right now. As Master Nolan takes Beth under command, compelling her submission, she's terrified, but the experienced Dom brings her pleasure, not pain. His only demand is that she never lie to him. Under his capable hands, her body comes alive, and she begins to heal. As he pushes her limits, she learns to trust...and then to love. And she realizes he is beginning to care for her in return. But now her cruel husband has found her, and Master Nolan discovers she's been lying and lying and lying. [[Reprint]] "Breaking Free is an incredible story; it engaged my emotions, captured my interest, brought a blush to my cheeks, and left me a supremely satisfied reader. Joyfully

Recommended!" ~ Shayna from Joyfully Reviewed

A practical guide to effective business model testing 7 out of 10 new products fail to deliver on expectations. *Testing Business Ideas* aims to reverse that statistic. In the tradition of Alex Osterwalder's global bestseller *Business Model Generation*, this practical guide contains a library of hands-on techniques for rapidly testing new business ideas. *Testing Business Ideas* explains how systematically testing business ideas dramatically reduces the risk and increases the likelihood of success for any new venture or business project. It builds on the internationally popular *Business Model Canvas* and *Value Proposition Canvas* by integrating *Assumptions Mapping* and other powerful lean startup-style experiments. *Testing Business Ideas* uses an engaging 4-color format to:

- Increase the success of any venture and decrease the risk of wasting time, money, and resources on bad ideas
- Close the knowledge gap between strategy and experimentation/validation
- Identify and test your key business assumptions with the *Business Model Canvas* and *Value Proposition Canvas*

A definitive field guide to business model testing, this book features practical tips for making major decisions that are not based on intuition and guesses. *Testing Business Ideas* shows leaders how to encourage an experimentation mindset within their organization and make experimentation a continuous, repeatable process.

Rapper Gucci Mane takes us to his roots in Alabama, the streets of East Atlanta, the trap house, and the studio where he found his voice as a peerless rapper. He reflects on his inimitable career and in the process confronts his dark past -- the murder charge, years behind bars, addiction, career highs and lows -- the making of the *Trap God*. It is one of the greatest comeback stories in the history of music. -- Adapted from book jacket.

"Ms. Sinclair's characters come alive on the page with passion and energy in a story that is absolutely riveting." ~ You Gotta Read Reviews BOOK

DESCRIPTION: Working with the FBI to capture human traffickers, Master Raoul

scores an invitation to a slave auction. To his surprise, one slave is the kidnapped friend of a Shadowlands submissive. Although Kim's body is scarred, her spirit is unbroken, and he can't leave her behind. Ruining the FBI's plans, he buys her. Kimberly's freedom has come at a devastating price: the other women are still imprisoned. Desperate to help the Feds locate the traffickers, she agrees to pose as Master Raoul's slave. Although wearing a collar again is terrifying, Kim starts to heal and then to blossom under the powerful Dominant's care.

Submission. It's what she's been drawn to--and fled from--her entire life. She has escaped the slavers who captured her body. Escaping the Master who has captured her heart will be far more difficult. SERIES: In the exclusive Shadowlands BDSM club, the title "Master" is given to only the most powerful, experienced, and skilled Dominants. However, although each Master may have played with many, many submissives, no training can prepare a Dom for falling in love. Each book in the Masters of the Shadowlands series is a standalone story that can be enjoyed out of order. Lean on Me Masters of the Shadowlands: 4VanScoy Publishing Group

"From beginning to end a sinfully delicious story of one woman's struggle to trust who she is inside and accept herself as well as the love of the man that she loves with all her heart." ~ Book Junkie BOOK DESCRIPTION: Andrea wants to submit, but not to just any so-called Dom. He has to be tougher than the slum-bred bullies she grew up with. She'd given up finding a true Dom when her friend finagles her a place as a trainee in an exclusive BDSM club with the powerful Shadowlands Masters. Andrea's thrilled...and terrified. Forced to accept an unknown submissive into his carefully run trainee program, Master Cullen is furious. Not only is the young woman new to BDSM, but she's unsuited to her role--armoured in leather like a Domme, she's more liable to punch a Dom than kneel. He decides to push her right back out the door. But as he ruthlessly intimidates her, punishes her, then cuddles her, his glimpses of the woman inside the emotional armour intrigue him and her utter surrender captures his heart. Although Master Cullen is famous for his unfettered lifestyle, Andrea believes he might be interested in her, until she discovers he's not just a bartender--he's a cop. Maybe he'd overlook her past brush with the law, but when another trainee accuses her of stealing money, Andrea knows she's lost the Master she wanted with all her heart. "If you've not experienced the fantastic work of Cherise Sinclair, now's a good time to start." ~ Whipped Cream Reviews In the exclusive

The bestselling classic that launched 10,000 startups and new corporate ventures - The Four Steps to the Epiphany is one of the most influential and practical business books of all time. The Four Steps to the Epiphany launched the Lean Startup approach to new ventures. It was the first book to offer that startups are not smaller versions of large companies and that new ventures are different than existing ones. Startups search for business models while existing companies execute them. The book offers the practical and proven four-step Customer Development process for search and offers insight into what makes some startups successful and leaves others selling off their furniture. Rather than blindly execute a plan, The Four Steps helps uncover flaws in product and business plans and correct them before they become costly. Rapid iteration, customer feedback, testing your assumptions are all explained in this book. Packed with concrete examples of what to do, how to do it and when to do it, the book will leave you with new skills to organize sales, marketing and your business for success. If your organization is starting a new venture, and you're thinking how to successfully organize sales, marketing and business development you need The Four Steps to the Epiphany. Essential reading for anyone starting something new.

She survived. Kit survived her abusive husband. Survived imprisonment and beatings from the Patriot Zealots. Now free and healing, she can make a new life for herself and her son...except he has attached himself to a terrifying, scarred, tattooed ex-mercenary. Women take one look at him and flee. An ugly childhood and combat left Hawk with scars, a rasping voice, and an aversion to talking. So, why in hell does the four-year-old stick to him like glue? The kid's pretty mother is smarter. There's fear in her eyes when she looks at Hawk. That hurts. The sweet woman is everything he's ever wanted—loving, affectionate, and patient. But after what she's been through, she sure won't want to be around men—especially the one who killed her husband. He'd saved her. Kit agrees with her son. Being near Hawk is the safest place on earth. Beneath the menacing appearance, he's protective...and kind. The better she gets to know him, the

more she sees him as a man—a very sexy man. But, considering what had happened to her, she knows— No man would want her now. I can't recommend this whole series highly enough. ~ Natasha is a Book Junkie

Master of Solitude: Mountain Masters & Dark Haven 8

The New York Times bestseller! A New York Times Notable Book “The tale of how Konnikova followed a story about poker players and wound up becoming a story herself will have you riveted, first as you learn about her big winnings, and then as she conveys the lessons she learned both about human nature and herself.” —The Washington Post It's true that Maria Konnikova had never actually played poker before and didn't even know the rules when she approached Erik Seidel, Poker Hall of Fame inductee and winner of tens of millions of dollars in earnings, and convinced him to be her mentor. But she knew her man: a famously thoughtful and broad-minded player, he was intrigued by her pitch that she wasn't interested in making money so much as learning about life. She had faced a stretch of personal bad luck, and her reflections on the role of chance had led her to a giant of game theory, who pointed her to poker as the ultimate master class in learning to distinguish between what can be controlled and what can't. And she certainly brought something to the table, including a Ph.D. in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. She won a major title, got a sponsor, and got used to being on television, and to headlines like "How one writer's book deal turned her into a professional poker player." She even learned to like Las Vegas. But in the end, Maria Konnikova is a writer and student of human behavior, and ultimately the point was to render her incredible journey into a container for its invaluable lessons. The biggest bluff of all, she learned, is that skill is enough. Bad cards will come our way, but keeping our focus on how we play them and not on the outcome will keep us moving through many a dark patch, until the luck once again breaks our way.

This transnational collection of essays, interviews, and creative pieces on the 1982 Siege of Beirut explores literary representations of the siege by a diverse set of writers

alongside journalism and other media including film and art. The book investigates and promotes an awareness of an ethics of representation on questions of extreme emotional investment, comparing representations of the siege to representations of other traumatic events, visiting responses from those of different cultural backgrounds to the same event and considering implications with respect to comparative approaches. Chapters explore how literature, journalism and art contribute to overcoming the dangers of forgetting and denial, memorial excess and fundamentalism, the radicalization of violence, and the complete breakdown of trust on international levels, asking how they challenge geopolitical, intellectual, and psychological states of siege and instead promote awareness, acknowledgement, mourning, and justice across divided communities. The book extends the use of postcolonial methodologies affiliated with history, international relations, and psychoanalysis (memory, trauma) to Middle-Eastern studies, and visits the siege's effect on different forms of memory and memorialization: selective memory, trauma, gaps and fissures in historical accounts, recording of eyewitness reports, and artistic re-imaginings and realizations of alternative archives.

If you haven't read this series, you're missing out. Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads

Lean Thinking was launched in the fall of 1996, just in time for the recession of 1997. It told the story of how American, European, and Japanese firms applied a simple set of principles called 'lean thinking' to survive the recession of 1991 and grow steadily in sales and profits through 1996. Even though the recession of 1997 never happened, companies were starving for information on how to make themselves leaner and more efficient. Now we are dealing with the recession of 2001 and the financial meltdown of 2002. So what happened to the exemplar firms profiled in Lean Thinking? In the new fully revised edition of this bestselling book those pioneering lean thinkers are brought up to date. Authors James Womack and Daniel Jones offer new guidelines for lean thinking firms and bring their groundbreaking practices to a brand new generation of companies that are looking to stay one step ahead of the competition.

Dr. Pinky Miller is a former student of the real bullhorn- and baseball-bat-toting icon from the 1989 film Lean on Me, Dr. Joe Louis Clark. Born into a crowded, single-parent household in the inner city of Paterson, New Jersey, young Pinky navigated a hopeless

childhood craving for closeness to her overworked mother, escape from years of molestations by those she trusted, and to meet her unknown father whose absence from her life painfully reminded her that she was a mistake. One day Pinky stepped into high school, and a principal with a bullhorn changed her life. "You were born," Dr. Clark bellowed, "with two strikes against you: being poor, and being black! Don't strike out! Get your education! Your education is your homerun out of the ghetto!" Encouraged by caring teachers, and inspired and empowered by Dr. Clark's sharp admonitions, personal attention, and fatherly love, Pinky graduated Eastside High School and went on to earn a BA in communication, an MA in counseling and school guidance, and a PhD in educational policy studies—higher education. After finding fulfillment in Dr. Clark's invitation to "lean on him," Pinky Miller also found her purpose, and discovered that no person is a mistake. This is her story.

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

What can you learn from a Silicon Valley legend and a pantheon of iconic leaders? The key to scaling a successful business isn't talent, network, or strategy. It's an entrepreneurial mindset—and that mindset can be cultivated. "If you're scaling a company—or if you just love a well-told story—this is a book to savor."—Robert Iger, #1 New York Times bestselling author of *The Ride of a Lifetime* Behind the scenes in Silicon Valley, Reid Hoffman (founder of LinkedIn, investor at Greylock) is a sought-after adviser to heads of companies and heads of state. On each episode of his podcast, *Masters of Scale*, he sits down with a guest from an all-star list of visionary founders and leaders, digging into the surprising strategies that power their company's growth. In this book, he draws on their most riveting, revealing stories—as well as his own experience as a founder and investor—to distill the secrets behind the most extraordinary success stories of our times. Here, Hoffman teams up with *Masters of Scale*'s executive producers to offer a rare window into the entrepreneurial mind, sharing hard-won wisdom from leaders of iconic companies (including Apple, Nike, Netflix, Spotify, Starbucks, Google, Instagram, and Microsoft) as well as the bold, disruptive startups (such as 23andMe, TaskRabbit, Black List, and Walker & Co.) that are solving the problems of the twenty-first century. Through vivid storytelling and incisive analysis, *Masters of Scale* distills their collective insights into a set of counterintuitive principles that anyone can use. How do you find a winning idea and turn it into a scalable venture? What can you learn from a "squirmy no"? When should you stop listening to your customers? Which fires should you put out right away, and which should you let burn? And can you really make money while making the world a better place? (Answer: Yes. But you have to keep your profits and values aligned.) Based on more than a hundred interviews and including a wealth of new material never aired on the podcast, this unique insider's guide will inspire you to reimagine how you do business today.

"I loved this book! Wait. Let me say this again. I LOVED this book!" ~ Fallen Angels Reviews
BOOK DESCRIPTION: Her job is to make his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She

finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he's not as stuffy as she'd thought. Or as mean. She'd expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he's furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. "I don't think there is any other option for me than 5 stars. I'd give it a whole lot more if I could." ~ The Romance Reviews * * * * * "If you've not experienced the fantastic work of Cherise Sinclair, now's a good time to start." ~ Whipped Cream Reviews In the exclusive Shadowlands BDSM club, the title "Master" is given to only the most powerful, experienced, and skilled Dominants. From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious and stirring . . . With *Imagine Me Gone*, Haslett has reached another level."-New York Times Book Review

His name means hunter. Once the best assassin in black ops, Cazador is now the best at saving lives. His path has changed from seeking bloody vengeance to running a health clinic in Rescue, Alaska. He will never again risk loving someone he can't protect. His mother and sister were murdered in front of him, his fiancée slaughtered in a war zone. Despite his popularity with women, he's determined to remain unattached. His heart can bear no more loss. Unfortunately, the universe isn't listening. First, his brother hires JJ, a fiery-haired, tough cop who lives on the edge of danger and has the biggest heart of anyone he knows. And then, his disreputable past returns in the shape of an adorable, foul-mouthed nine-year-old daughter. Now he has two loved ones to protect. An impossible task, because... Life is dangerous. Especially in Alaska. Four boys that grew up hard and were finally rescued by a tough as nails, ex-military survivalist--and grew up into incredibly fascinating, yet broken in their own way

men? Yes, please, and thank you! ~ Dirty Girl Romance

She will risk everything to rescue her friend. Frankie's BFF and four-year-old son are trapped inside a fanatical militia's compound. In Alaska, no less. Wilderness rescues are so not in the New Yorker's skill set. But she'll figure it out. She must. Bull's new roadhouse server is a mass of contradictions. The city girl's reasons for being in Alaska don't add up. Bull's been burned by liars before. So, why is he falling for this crap again? Maybe it's her big brown eyes, exuberant personality—or her generous, compassionate heart. Whatever the reason is, he cares. If she's in trouble, he'll do his damndest to get her out. The huge Alaskan is terrifyingly compelling—and heartwarmingly concerned for her. But Frankie refuses to involve Bull in the deadly mess. Her plan to rescue her bestie will work without anyone getting hurt. As she tries her best not to fall in love, she doggedly acquires each skill she'll need. Getting shot, though...that hadn't been on her to-do list. "What You See is the third AMAZINGLY THRILLING book in Cherise Sinclair's Sons Of The Survivalist series and is Bull's story. And what a fantastic, compelling, and soul melting romance it was too!" ~ Marie's Tempting Reads "When trying to save a woman from slavers, Sam screwed up. Royally. Now Linda wants nothing to do with him. Or with BDSM. She won't even admit she's a masochist. As a dominant and sadist, he can give her what she needs, and when an opportunity arises, he slips into her life, intending to make amends. She's everything he knew she would be...except for her bullheaded determination to be 'normal'" --Back cover.

My name is Dr. Pinky Miller and I am a former student of the real bullhorn and baseball bat toting icon from the film Lean on Me, Dr. Joe Louis Clark. After writing my dissertation on the legacy of Dr. Joe Clark I felt sharing the profound experiences that my classmates, teachers, administrators and I had, was not just relevant to the conversation of the education system in America... It is a necessity if we want to effectively reshape the paradigm that has failed so many in the minority communities. This book chronicles the failures and successes of Dr. Clark and the impact his leadership had on his students, and those who worked at Paterson, New Jersey's Eastside High School during his tenure (1982-1989). Why his strategies worked for so many of his students and what is possible for those who want to really change Education in America. I am also in the process of developing a documentary that can accompany this book as a resource for principals, teachers, education boards, administrators, parents and students. I feel the reshaping of the education in America must start first at home. It is the job that can only begin with the parents and student...However; it takes a village to make sure students become successful citizens of this world. This second edition of Historical Dictionary of African American Cinema covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. This book is an excellent access point for students, researchers, and anyone wanting to know more about African American cinema.

In the Alaska wilderness, four streetwise boys became men—and brothers Now the crazy ex-military survivalist who plucked Gabriel and three other boys from an abusive foster care home has died. But the sarge leaves them a final mission--to revive the dying town of Rescue. Gabe is done with being a hero. Wounded in body and soul, the retired SEAL simply wants to remain holed up in his isolated cabin. He sure doesn't want to be chief of police in some defunct town. But he has his orders. Audrey needs a place to hide After the Chicago librarian discovers a horrendous crime, she wakes to an assassin in her bedroom. Injured and terrified, she flees, covering her trail every inch of the way. New name, new ID. New home. As Audrey learns to survive in Rescue, she begins to fall for the town...and the intimidating chief of police who protects it. Can the shy introvert and the deadly police chief find a life together? Despite the discord in town, Gabe is finding his own peace...with the quiet young woman who seems to have no past. She's adorable and caring and so very lost. But how can he trust someone who

lies to him with every breath she takes? Cherise Sinclair is my go to author when I want a satisfying read. Heat, emotion, suspense. She's got it all. ~ NYT Bestselling author Lexi Blake Vibe is the lifestyle guide to urban music and culture including celebrities, fashion, beauty, consumer electronics, automotive, personal care/grooming, and, always, music. Edited for a multicultural audience Vibe creates trends as much as records them.

This very concise and straightforward book is aimed at top executives in virtually any industry who are either new to the concept of Lean and its benefits to them or who have stalled in their transformations and are trying to resurrect their momentum. The book is written in a style that mirrors a typical interaction with an executive across a table with a knowledgeable, experienced Lean coach/consultant. Its style and substance reflect what a candid and casual conversation would sound and feel like. The book includes simple hand-drawn images (thus the title Lean Leadership on a Napkin) to facilitate and simplify basic concepts as if a real dialogue was occurring in an informal setting. It assumes that the executives have a little or no previous knowledge of Lean methodologies or Lean Leadership but have awakened to the possibility of their promise to grow themselves and their enterprises dramatically. Most executives have little time for extensive reading or patience with "sales" presentations. Those same leaders will therefore appreciate the simple, uncluttered, and, above all, objective summary this book provides. The book breaks down the process of transforming the organization around Lean principles into three component transformational phases or steps, namely, Introduction, Integration, and Internalization (i.e., the I-3 strategy). Each phase includes critical factors to understand, do, and share as well as deep reflection questions to help leaders decide on an appropriate path forward for themselves as leaders and for their organizations. While the Integration and Internalization steps are introduced here, the primary focus of this work is on those critical issues arising in the early, Introduction, step. A unique advantage of this book is that it braids together four critical elements of success—Lean concepts/methodology, culture change, leadership, and business performance. Essentially, the reader will obtain a broad, basic, and solid understanding and leadership foundation about Lean, the leader's unique role in transformation, and confidence to make appropriate decisions about the how and if to proceed. In addition, it will offer a path forward by providing the reader with abundant resources and consulting support for those seeking to launch a Lean transformation.

The perfect graduation gift: the iconic #1 best seller, expanded and updated exclusively for graduates entering the workforce. This extraordinary edition of Lean In, by Sheryl Sandberg, chief operating officer of Facebook and coauthor of Option B, with Adam Grant, includes a letter to graduates from Sandberg and six additional chapters from experts offering advice on finding and getting the most out of a first job; résumé writing; best interviewing practices; negotiating your salary; listening to your inner voice; owning who you are; and leaning in for millennial men. In 2013, Sheryl Sandberg's Lean In became a massive cultural phenomenon and its title became an instant catchphrase for empowering women. The book soared to the top of best-seller lists both nationally and internationally, igniting global conversations about women and ambition. This enhanced edition provides the entire text of the original book updated with more recent statistics and features a passionate letter from Sandberg encouraging graduates to find and commit to work they love. A combination of inspiration and practical advice, this new edition will speak directly to graduates and, like the original, change lives. New Material for the Graduates Edition: · A Letter to Graduates from Sheryl Sandberg · Find Your First Job, by Mindy Levy (Levy has more than twenty years of experience in all phases of organizational management and holds degrees from Wharton and Penn) · Negotiate Your Salary, by Kim Keating (Keating is the founder and managing director of Keating Advisors) · Man Up: Millennial Men and Equality, by Kunal Modi (Modi is a consultant at McKinsey & Company and a recent graduate of the Harvard Kennedy School and Harvard

Business School) · Let's Lean In Together, by Rachel Thomas (Thomas is the president of The Sheryl Sandberg & Dave Goldberg Family Foundation) · Own Who You Are, by Mellody Hobson (Hobson is the president of Ariel Investments) · Listen to Your Inner Voice, by Rachel Simmons (Simmons is cofounder of the Girls Leadership Institute) · 12 Lean In stories, short essays by readers around the world who have been inspired by Sandberg

"This is why I read romances - to escape into a world that is magical and where good triumphs over evil." ~ BookAddict Reviews A decade in captivity tore away all hope. But Margery never lost her resolve to help the sick. The village she'd hoped to serve as banfasa, caring for the ill and injured, is long gone. Humans captured the young shifters and killed the adults. Finally rescued, she has a chance at her dreams—at least for meaningful work. With her leg crippled and her face scarred, she knows she has no hope of ever finding love. Tynan is ready to find their mate. After years away from his littermate as a police officer among humans, Tynan is finally home, a beta in the wolf pack, and serving his people as a law officer. Assigned as Margery's mentor in the pack, he patiently works to earn the skittish little wolf's trust. Her captivity has left her with problems, including a fear of uniforms. But he's a fixer at heart—and he's starting to want more from the gentle female than just friendship. Donal has no intention of making a family. Separated from his littermate for years, Donal has remained unmated, devoting his energies to healing. Believing ugly rumors about their new neighbor—a banfasa—he won't have her in his clinic or his life—no matter what his newly returned brother wants. But a feral shifter's attack on Tynan shows Margery in a whole different light. She's levelheaded, compassionate, sweet—and far too appealing. What male could resist her? But even as the brothers work to win their mate, cruel forces move to crush their entire clan.

Use Kanban to maximize efficiency, predictability, quality, and value With Kanban, every minute you spend on a software project can add value for customers. One book can help you achieve this goal: Agile Project Management with Kanban. Author Eric Brechner pioneered Kanban within the Xbox engineering team at Microsoft. Now he shows you exactly how to make it work for your team. Think of this book as "Kanban in a box": open it, read the quickstart guide, and you're up and running fast. As you gain experience, Brechner reveals powerful techniques for right-sizing teams, estimating, meeting deadlines, deploying components and services, adapting or evolving from Scrum or traditional Waterfall, and more. For every step of your journey, you'll find pragmatic advice, useful checklists, and actionable lessons. This truly is "Kanban in a box": all you need to deliver breakthrough value and quality. Use Kanban techniques to: Start delivering continuous value with your current team and project Master five quick steps for completing work backlogs Plan and staff new projects more effectively Minimize work in progress and quickly adjust to change Eliminate artificial meetings and prolonged stabilization Improve and enhance customer engagement Visualize workflow and fix revealed bottlenecks Drive quality upstream Integrate Kanban into large projects Optimize sustained engineering (contributed by James Waletzky) Expand Kanban beyond software development
