Cromosys Publication's English Speaking and Grammar book is an optimal quality guide to the beginners as well as advanced learners to gain the knowledge of English language. It is an unmatched unique book of its kind that guarantees your improvement. The lessons and study materials uniquely designed are based on my fifteen years of research in linguistic field. The text, audio and video are magnificently powerful to bring you into linguistic light. Since English is accepted as a global language, the people around the world have been sharpening their knowledge to be good in it. Sometimes, only working knowledge of it doesn't work, and you

feel that there is a lot more to explore. The accurate and profound knowledge of this language, which was considered to be existing only in England and America in past, has influenced zillions of mind today, therefore I conceived the idea of making this book a guideline for those who want to be perfect in it. The significance of this book is that it is dynamic, systemic and blissful with abundance of pure and perfect set of rules that took a decade of time in preparation. One alone, being immaturely suggested, spend ages in reading literature, watching movies and listening to the audio which help them to imitate a little but not learn what in actual sense it is, and their never-ending process of Picasso Adventure collects some scattered information which is unworthy to knowledge enhancement, so the aspirants get lost in wilderness. Whether your intention is to travel abroad or plunge deep into your research, you have to be good in English to survive in today's world. Around eight years ago I went to the USA where I got a chance to get an exclusive training of English. I have been communicating with English-speaking people around the world while managing a team in several call centers, and in part time, I have been teaching this language globally with high exposure. So being able to understand linguistic science, I would like to assure you that the knowledge that you are going to get from this book will definitely sharpen your ability so that you can make your way of success without any hindrance.

This is a comprehensive grammar of Modern Standard Hindi, the primary language spoken by more than 420 million people in India. Because each grammatical topic is thoroughly illustrated with basic examples and more complex ones from modern Hindi short stories, it can be used as a reference and supplementary grammar to any textbook from beginning to advanced levels. Its approach is efficient and effective and will be appreciated by students learning written and spoken Hindi in the classroom or independently, as well as by those wanting to read literary Hindi or teach it as a second language at the college level. Its appealing examples will enhance even heritage learners' cultural knowledge of Hindi literature. Essential Hindi Grammar will draw in students who are new to language learning. Grammatical concepts are introduced and fully explained; basic grammatical terminology is presented in plain language but without over-simplifying material for more advanced learners. Numerous user-friendly

Hindi is one of the world's main language, with over 650 million speakers in India, and millions more on every continent. There are many primers that teach children who can already speak Hindi-how to read and write their language. As the title Hindi Teacher for English Speaking People suggests, Dr. Ratnakar Narale has written this book with a different audience in mind: English speakers of all ages who want to learn Hindi from scratch. This audience includes many kinds of people: the inhabitants of non-Hindi-speaking parts of India; Canadians, Americans, and West Indians whose ancestors came from India, but whose first language is English. This logically arranged book is filled with virtually thousands of examples, and each dialogue is designed with the view of its practical value for the targeted people. Along the way, hundreds of new words and the frequent exercises let the student learn to speak and write Hindi sentences almost without much effort. This practical 'Teach Yourself' manual closes with exercises in
