Spelling for Life offers lucid, accessible tools which help to reveal that, when explicitly and systematically taught, spelling is scientific, law-abiding and even elegant. Using a synthesis of theory, research and teaching experience, the fascinating nature of English spelling is systematically teased out. The examples and exercises throughout offer an encouraging, accessible way to implement the program of study and strive to reveal the beauty of spelling. Spelling for Life enables teachers and students to:

- learn what the common spelling coping strategies are;
- gain insights into undoing poor spelling habits;
- work together to reveal patterns not only in regular spelling, but also in words which on the surface seem to break the spelling rules;
- practise successful spelling strategies, progressing from simple to complex words rapidly and with confidence.

This new and improved edition includes updated spelling techniques as well as new chapters on orthographic mapping, spelling assessment, teaching consonant clusters well and suffixing rules. Aided by example lessons, formative assessments, unique tools, a scope and sequence, and extensive practice lists, this highly acclaimed overview of spelling succeeds in developing theory and practice in the writing system for teacher and student alike.

the words that they read. It can be used in schools from the 4th grade and up, or as a self-help book without the help of a teacher. Dyslexia in spelling and in writing letters in reverse ends, after learning to spell and after slowing down to write words slowly. Vowels rule English and they cannot be avoided. Learn to Spell 500 Words a Day is a book in 6 volumes: A, E, I, O, U, Consonants. Each of the five vowels is isolated in a book and The Consonants is the 6th volume. The vowel "u" has six sounds we call phonics, which are spelled in 28 ways we call spelling patterns. Every sound and spelling pattern of the vowel "u" is presented in The Vowel U book, as in these examples: [Short: dug, Doug, flood, ton, done] [Long: sue, suit, feud, few, cute, menu, soup, shoo, shoe, tomb, to, prove] [Special sounds of u: out, language, guest, curb] [Schwa sound of u: stadium, humorous, nature]. The author, Linguist Camilia Sadik spent 15 years intensely dissecting English, discovering over 100 spelling rules, applying the spelling rules in 600 phonics-based spelling lessons, class-testing her discoveries and preparing 10 breakthrough learning books for children and adults to read and spell hundreds of words at a time. The 30 unique learning features in Sadik's books make learning to read and spell inescapable. Sadik worked hard to make spelling easy and possible for all ages and all types of learners. The Vowel U book contains 45 comprehensive and detailed phonics-based spelling lessons. Each lesson begins with a logical spelling rule, followed by a list of nearly all the words that follow that rule, followed by a nonsensical story that contains most of the listed words, and students are asked to read aloud slowly to memorize the spelling of hundreds of words at a time. Sample of the nonsensical stories to memorize phonics in words: Mathew grew up in a brand-new house. Mathew's dad used to review Mathew's homework. Mathew went on a crew with a few friends and his nephew. Mathew knew his new curfew time. Mathew knew some Hebrew. Etc. For sample lessons and much more, visit SpellingRules.com"
