

Lester Sumrall Teaching And Study Guides

Warfare strategies for today's Christians by a militant man - a recognized leader in combating the demonic forces at work in the world today. The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World*, *Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

"You will have the privilege to see and to participate in the most glorious and mightiest sweeping revival that has ever been known in Christian history!" —Smith Wigglesworth This revelation was part of a prophecy given in 1936 by legendary evangelist and healing minister Smith Wigglesworth to a young man named David du Plessis. The revival Wigglesworth foresaw was a continuation of the Pentecostal movement into the charismatic renewal that continues to this day. Later, in 1961, God gave Rev. Tommy Hicks a vision of the continuation of that revival: a worldwide movement in which the "Awakening Giant"—the body of Christ—receives spiritual power and authority on such a scale as has not been seen since the book of Acts. This book retells these two amazing prophecies in their entirety and also discusses their implications for the world today. The revival of God's church continues, but it won't be complete until every Spirit-filled believer understands his or her unique role in its fulfillment. Study these prophecies and ask God to reveal how He would use you to bring the greatest revival in history to completion.

Throughout the Bible, God revealed Himself to His people through His various names. When the Israelites were fearful, God revealed Himself as Jehovah Shalom, meaning "the Lord my Peace." When they were uncertain of His will, He revealed Himself as Jehovah Rohi, meaning "the Lord my Shepherd." He is also Jehovah Jireh, "the Lord our Provider," and Jehovah Rophe, "the Lord our Healer." Marilyn Hickey's practical teaching on nineteen different names of God will whet your appetite to pursue fully God's love and purpose for your life.

DIV God uses manpower. We need God's power. God works when we work. Millions of people all over the world have been introduced to Jesus through the ministry of Reinhard Bonnke. In *Taking Action* he describes how we too can be an extension of God's love to the world by partnering with the Holy Spirit. With a firsthand account of the mighty manifestations of God at work today, Bonnke takes a careful look at what Scripture teaches about the anointing and gifts of the Holy Spirit in general and then explains each of the specific gifts listed by the apostle Paul. Jesus lived, worked, and prayed in the power of the Holy Spirit. In the Gospel of John He says, "He who believes in Me, the works that I do he will do also." Today's culture and others' views, even those of other Christians, can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God's names can remind us that we are created in His. In fact, one of the best ways to know God's true character and grow closer to Him is to study His names. In *The Names of God*, Melissa Spoelstra leads women on an exploration of the many names of our triune God—from El and Elohim to Yahweh and its many combinations to names such as Abba, Jesus, and Holy Spirit...and many others. As women study the names of God, their ideas about God will become more grounded in what His names tell them, and thus more personal, allowing a greater trust in Him to share the details of their lives. Whether having walked with God for many years or just starting out in a relationship with Him, by the end of this study women will not only know more about God but will know Him better—because through the discovery of God's names, they will discover Him! Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, DVD with six 25-minute segments (with closed captioning), and a boxed Leader Kit containing one of each component.

16 different spirits that the Holy Spirit gives to those who diligently seek God's best. Also, revealed are the 8 evil spirits Satan will attempt to unleash on the unsuspecting. These tapes will help you identify the Commanding Spirits that rule the hearts of men. "The importance of the gifts of the Holy Spirit to the essential functioning of the Church of Jesus Christ cannot be over-estimated. Without them, the Church lacks the spiritual equipment so necessary for an aggressive conflict with the powers of darkness; she is also deprived of that edifying enrichment derived from the manifestation of the Holy Spirit's presence and power in her midst. If a

person is 'called' to be a son of God, that person is also a prospective recipient of the gifts of the Holy Spirit." - Howard Carter
Howard Carter pioneered a quest for revelation of this supernatural subject and was regarded as an authority on the gifts of the Spirit. He founded England's first Pentecostal Bible School and helped to establish a major denomination in that country. Questions and Answers on Spiritual Gifts was taken from a series of discussions at Hampstead Bible College in London, England. Howard Carter answered a broad range of questions like: How do you explain the visions of Daniel? If someone has the gift of healing, does it mean that he can heal anyone? Do the gift of discernment and the word of wisdom sometimes overlap? The questions and answers in this book provide an eye-opening, easy-to-understand education on spiritual gifts. "If we ignore the gifts of the Holy Spirit we despise the heritage which is granted to us in Christ." Prepare to receive and to move in the gifts and callings God placed in your life!
