Marriage Made EZ - in 31 Days is a fun, life-altering manual wherein Dr. Michael A. Freeman guides you on a 31-day journey to making your marriage easy. With more than 26 years of marital experience, Dr. Mike reminds us that God intended for your marriage to be held up in His hand as a trophy to show the world what He intended for marriage to look like from the very beginning! Marriage is something you don't get out of alive and, for that reason, we must work together to create a Marriage Made EZ. In this book, Dr. Mike and his wife Dee Dee become your coaches, your drill sergeants, your example as you and your spouse work together for the next 31 days. This book, used as it is designed, will get you there. Dr. Michael A. Freeman is pastor and founder of Spirit of Faith Christian Center and president of the Fellowship of Inner-City Word of Faith Ministries (FICWFM), under the leadership of its founder, Apostle Frederick K.C. Price. Pastor Freeman, one of the most sought after teachers in the world, teaches with simplicity and power as he assists His people in achieving God's best for their lives. Along with his lovely wife Deloris, Dr. Freeman ministers specifically to the covenant of marriage in their Marriage Made EZ ministry.

A strong Christian woman embarks on a radical life experiment-a year of biblical womanhood. Strong and committed in her faith-but frustrated by the inconsistencies she saw in her evangelical culture's view of women-Rachel Held Evans became an independent woman. But, intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans had a crazy idea:What if I took "biblical womanhood" literally for a full year? In the next twelve months Rachel: Wore a scarf over her head to pray Called her husband "master" and stood on the roadside with a sign that said "Dan is Awesome" Adopted a computerized baby Perched on the roof for an afternoon of penance for gossiping Camped out in her front yard during her period Visited an Amish schoolhouse, a pig farm in Bolivia, and a Benedictine monastery Took up baking and knitting Interviewed a polygamist, a Quiverfull daughter, and a courtship couple With just the right mixture of humor and insight, Evans takes readers along

with her on a lively adventure. In the process she discovers that the journey itself leads her right to the heart of God. A woman's courageous journey of faith from paycheck to purpose disrupts the predictable, familiarity and comfort of our daily lives prompting us to ask ourselves, "What was I created to do and who was I created to serve?"

P. B. "Bunny" Wilson's bestselling book, *Liberated Through Submission* (over 140,000 copies sold), now has a new look and offers more readers a biblical perspective of God's plan for submission. A strong woman married to a strong man, Bunny Wilson struggled to understand godly submission. As she studied God's Word, the truth liberated her: Submission doesn't tear down relationships, it builds them up and sets people free. This exploration of an often misunderstood topic helps readers discover— what men and women should know what submission can give to marriage and the single life the surprising freedom that comes with submission Everyone will find a powerful truth in the principle of submission as our Creator intended.

"Founded in 2012, Echoing Ida is a writing collective of Black women and nonbinary writers who-like their foremother Ida B. Wells-Barnett-believe the "way to right wrongs is to turn the light of truth upon them." Their community reporting spans a wide variety of topics: reproductive justice and abortion politics; new and necessary definitions of family; trans visibility; stigma against Black motherhood; Black mental health; and more. The Echoing Ida Collection gathers the best of Echoing Ida for the first time, and features a foreword by Michelle Duster, activist and great-granddaughter of Ida B. Wells-Barnett"--

A carefree childhood is shattered forever when Meredith overhears her father's plans to sell Tilly, their slave and her friend. Guided by true devotion, Meredith defies her father when she helps Tilly and her mother set out on the perilous road to freedom.

Examining the social and political upheavals that characterized the collapse of public judgment in early modern Europe, *Liberating Judgment* offers a unique account of the achievement of liberal democracy and self-government. The book argues that the work of John Locke instills a civic judgment that avoids the excesses of corrosive skepticism and dogmatic fanaticism, which lead to either political acquiescence or irresolvable conflict. Locke changes the way political power is assessed by replacing deteriorating vocabularies of legitimacy with a new language of justification informed by a conception of probability. For Locke, the coherence and viability of liberal self-government rests not on unassailable principles or institutions, but on the capacity of citizens to embrace probable judgment. The book explores the breakdown of the medieval understanding of knowledge and opinion, and considers how Montaigne's skepticism and Descartes' rationalism--interconnected responses to the crisis--involved a pragmatic submission to absolute rule. Locke endorses this response early on, but moves away from it when he encounters a notion of reasonableness based on probable judgment. In his mature writings, Locke instructs his readers to govern their faculties and intellectual yearnings

in accordance with this new standard as well as a vocabulary of justification that might cultivate a self-government of free and equal individuals. The success of Locke's arguments depends upon citizens' willingness to take up the labor of judgment in situations where absolute certainty cannot be achieved.

Strange Bedfellows recounts the unlikely ways in which the efforts of feminists and divorced men's activists dovetailed with the activity of lawmakers, judges, welfare activists, immigrant spouses, the LGBTQ community, the Reagan coalition, and other Americans, to redefine family and marriage without relying on traditional gender norms.

From the civil rights and Black Power era of the 1960s through antiapartheid activism in the 1980s and beyond, black women have used their clothing, hair, and style not simply as a fashion statement but as a powerful tool of resistance. Whether using stiletto heels as weapons to protect against police attacks or incorporating African-themed designs into everyday wear, these fashion-forward women celebrated their identities and pushed for equality. In this thought-provoking book, Tanisha C. Ford explores how and why black women in places as far-flung as New York City, Atlanta, London, and Johannesburg incorporated style and beauty culture into their activism. Focusing on the emergence of the "soul style" movement—represented in clothing, jewelry, hairstyles, and more—Liberated Threads shows that black women's fashion choices became galvanizing symbols of gender and political liberation. Drawing from an eclectic archive, Ford offers a new way of studying how black style and Soul Power moved beyond national boundaries, sparking a global fashion phenomenon. Following celebrities, models, college students, and everyday women as they moved through fashion boutiques, beauty salons, and record stores, Ford narrates the fascinating intertwining histories of Black Freedom and fashion.

From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

Now nearly 15 years old (during which time it exploded in size, then declined and has now plateaued), the Promise Keepers and

its policies have invited reactions ranging from celebration to suspicion. Many see the Christian men's organization as a powerful tool to encourage and equip Christian men to face a morally complex future. Others view the group as sexist or even heretical. This book was the first, and in most ways still the only, objective analysis of the Promise Keepers and the many reactions to it. Contributors to this collection of critical essays hail from the fields of political science, history, sociology, religion and theology, journalism and mass communication, speech, English, women's studies, American studies, and sports science. The responses range from supportive to skeptical and cover topics that go beyond the Promise Keepers to issues of evangelical Christianity, gender roles, men's organizations, mass media, and social movements.

Speaking directly to parents raising Black children in a world of racialized violence, this guidebook combines powerful storytelling with practical exercises, encouraging readers to imagine methods of parenting rooted in liberation rather than fear. In 2016, activist and mother Trina Greene Brown created the virtual multimedia platform Parenting for Liberation to connect, inspire, and uplift Black parents. In this book, she pairs personal anecdotes with open-ended reflective prompts; together, they help readers dismantle harmful narratives about the Black family and imagine anti-oppressive parenting methods. Parenting for Liberation fills a critical gap in currently available, timely parenting resources. Rooted in an Afrofuturistic vision of connectivity and inspiration, the community created within these pages works to image a world that amplifies Black girl magic and Black boy joy, and everything in between. "Trina Greene Brown has created a guide for Black parents who want to raise fierce, fearless, joyful children. She knows what a challenge this is given the state of the world but argues that liberated parenting is possible if we commit to knowing and trusting ourselves, our children, and our communities. Anyone curious about how to walk with a child through tumultuous times needs to read this book now." —Dani McClain, author of *We Live for the We: The Political Power of Black Motherhood*

Originally published in 1985, *Liberated Cinema: The Yugoslav Experience* received the first annual "Close-up" award from the Yugoslav Film Institute in 1986 for "outstanding scholarship and for promoting the values of Yugoslav film art internationally." This new edition has been revised and updated throughout. It has been expanded to complete the story of the new Yugoslav cinema of the 1980s and to address major film developments that have taken place in the former Yugoslavia's five successor states. As in his analysis of past periods of Yugoslav cinema, Goulding situates the most recent developments within the context of film economics, state subsidies, and changing patterns of political control. Most significantly, however, he provides an insightful discussion of the ways in which critically important domestic feature films produced or co-produced from 1991 to 2001 reflect on recent brutal internecine warfare and other contemporary social, cultural, and political realities after the breakup of Yugoslavia. Volume 1 of the candid, no-holds-barred account by American anarchist Goldman relates her philosophical and political journey through life, beginning with her emigration from Russia to the U.S. in 1886.

A serious introduction to the use of nonviolent action to topple dictatorships. Based on the author's study, over a period of forty years, on non-violent methods of demonstration, it was originally published in 1993 in Thailand for distribution among Burmese dissidents.

When it comes to financial and professional success, Wanda P. Bowman believes there are two key words. These words have nothing to do

with financial terminology. Instead, they are "purpose" and "passion." She wants these two important concepts to guide you as you come up with a life plan and start building up your personal finances. Without purpose or passion, it's all meaningless. Bowman hopes you keep these two words in mind as you work through this simple guide to personal finance and money management. The concepts and techniques she introduces can take you far on your own journey to success. With her guide, Bowman shows you the importance of finding a job you love, investing in yourself, creating a budget, divorcing your idea of success from others', seeking out alternate revenue streams, paying off your credit card debt, saving for retirement, starting an emergency savings account, and preparing for the future. Bowman stresses how valuable independence is in your life. Her own goal was to create a retirement where she did not have to depend on social security. She used her creativity, vision, and passion to make that possible. Now she wants to show you how to do the same!

There would be no Moses, no crossing of the Red Sea, no story of breaking the chains of slavery if it weren't for the women in the Exodus narrative. Women on both sides of the Nile exhibited a subversive strength resisting Pharaoh and leading an entire people to freedom. *Defiant* explores how the Exodus women summoned their courage, harnessed their intelligence, and gathered their resources to enact justice in many small ways and overturned an empire. Women find themselves in similar circumstances today. The Women's March stirred the conscience of a nation and prompted women to organize with and for their neighbors, it is worth reflecting on the resistance literature of Exodus and what it has to offer women. *Defiant* is about the deep work women do to create conditions for liberation in their church, community, and country. The women of Exodus defied Pharaoh, raised Moses, and plundered Egypt. We are invited to consider what the midwives, mothers of Moses, Miriam, Zipporah and her sisters demonstrate under the oppressive regime of Pharaoh and what it might unlock for us as we imagine our mandate under modern systems of injustice. Kelley Nikondeha presents a fresh paradigm for women, highlighting a biblical mandate to join the liberation work in our world. Women's work involves more than tending to our own family and home. According to Exodus, it moves us beyond the domestic territory and into relationship with women across the river, confronting injustice and working to liberate our neighborhoods so all mothers and children are free. Nikondeha calls women to continue to be active agents in heralding liberation as we organize and march together for one another's freedom.

"This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Prayer is foundational to the life of a believer. However, it can be the most misunderstood aspect of our walk with Jesus Christ. Jesus, as the central figure of our faith, teaches us to pray. He is our example of having a relationship with the Father through prayer. This book is a clarion call to get clear on the many facets of prayer and what prayer offers us. With prayer, we are able to push the boundaries, move mountains, and transform our own lives. Prayer allows us to go deeper and wider into the

A NYC pastor and global influencer inspires readers to find their most meaningful and purposeful life. Surprising to many, this life is not measured by success, comparison, or accolades. Rather, free and joyful living stems from a God-centered celebration of our union with Christ and the lives of those around us. Jon Tyson's exploration of the reverse economy of the kingdom frees his readers from merit-based living...not just in terms of salvation, but daily, earthly value. Life is not meant to be a series of competitions or a survival of the fittest rat race. Yet so many of the messages around us, so many of the voices bombarding our hearts and minds tie up our value and package it with our accolades. This book gives another way forward. It shows readers how to value their individual lives based on what God says about them, rather than how they measure themselves against the world. This is a must read for each and every person trying to find their voice and purpose in a loud and frenetic world.

The Expositor's Study Bible (KJV) is different than any other study Bible ever produced. With abbreviated commentary notes placed directly in the scripture, it makes Bible study easier than ever before. With over 1 million copies in print today, The Expositor's Study Bible has become one of the most loved Bible study tools of our time.

Valmiki's Ramayana is the story of Rama's exile and return to Ayodhya, of a triumphant king who will always do right by his subjects. In Volga's retelling, it is Sita who, after being abandoned by Purushottam Rama, embarks on an arduous journey towards self-realization. Along the way, she meets extraordinary women who have broken free from all that held them back: husbands, sons, and their notions of desire, beauty and chastity. The minor women characters of the epic as we know it -- Surpanakha, Renuka, Urmila and Ahalya -- steer Sita towards an unexpected resolution. Meanwhile, Rama too must reconsider and weigh his roles as the king of Ayodhya and as a man deeply in love with his wife. A powerful subversion of India's most popular tale of morality, choice and sacrifice, The Liberation of Sita opens up new spaces within the old discourse, enabling women to review their lives and experiences afresh. This is Volga at her feminist best.

Your body is by God. God preprogrammed you to look great, have outrageous health, and experience incredible happiness. In the human body, God created a perfect design, equipped with all the organs, tissues, and cells necessary for health, production, and reproduction. The problem, asserts Dr. Ben Lerner, is when we as humans interfere with God's design for our bodies. Junk food, high-stress living, and neglecting exercise are just a few of the things we do to hinder our bodies' performance. In *Body by God*, Dr. Lerner offers a comprehensive plan for getting in touch with our bodies in four areas: nutrition, exercise, stress management, and time management. His "5-in-5" plan is designed to instill the good habits that will lead to optimum health benefits. Readers will learn how to get in shape with 10-minute workouts, reprogram the way they react to stress, and more. "Owner's Manual Tips" give specific ways to apply the material to real life. Our bodies are "fearfully and wonderfully made." With the help of *Body by God*, readers will learn how to achieve the highest level of performance from God's handiwork.

In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities—and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. *Celebration of Discipline* will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

Our world is fractured on every level—from the family to international relations. The news constantly reports broken relationships, strife-ridden communities and warring nations. So what hope is there for a world of fractured relationships? Discover the Bible's surprising answer: the local church. This revised and updated edition of Christopher Ash's Bible overview takes readers through the big sweep of Scripture, following the theme of scattering and gathering God's people. It shows how the local church is at the heart of the Bible story and at the centre of God's plan for remaking a broken world. This book will refresh your love for the local church, and give you new hope for the hurting world around you.

in the hearts of Christian women everywhere. Nancy Leigh DeMoss has brought together seven respected teachers, including Susan Hunt and Mary A. Kassian--all of whom speak to the hearts of their sisters in Christ with a message about the greatness of God's created order and the part women play in His grand, redemptive plan so that they may re-discover the beauty and wonder of their distinctive calling. From the Women in Black vigils and Dyke marches to the Million Mom March, women have seized a dynamic role in early twenty-first century protest. The varied demonstrations--whether about gender, sexuality, war, or other issues--share significant characteristics as space-claiming performances in and of themselves beyond their place in any broader movement. Elizabeth Currans blends feminist, queer, and critical race theory with performance studies, political theory, and geography to explore the outcomes and cultural relevance of public protest. Drawing on observation, interviews, and archival and published sources, Currans shows why and how women utilize public protest as a method of participating in contemporary political and cultural dialogues. She also examines how groups treat public space as an important resource and explains the tactics different women protesters use to claim, transform, and hold it. The result is a passionate and pertinent argument that women-organized demonstrations can offer scholars a path to study the relationship of gender and public space in today's political culture.

In her most provocative book yet, Dr. Laura urgently reminds women that to take proper care of their husbands is to ensure themselves the happiness and satisfaction they yearn for in marriage. Women want to be in love, get married, and live happily ever after. Yet disrespect for men and disregard for the value, feelings, and needs of husbands has fast become the standard for male-female relations in America. Those two attitudes clash in unfortunate ways to create struggle and strife in what could be a beautiful relationship. Countless women call Dr. Laura, unhappy in their marriages and seemingly at a loss to understand the incredible power they have over their men to create the kind of home life they yearn for. Now, in *The Proper Care and Feeding of Husbands*, Dr. Laura shows you—with real-life examples and real-life solutions—how to wield that power to attain all the sexual pleasure, intimacy, love, joy, and peace you want in your life. Dr. Laura's simple principles have changed the lives of millions. Now they can change yours.

A charge to women to recover what the feminist revolution has robbed them of: the God-given beauty, wonder, and treasure of their distinctive calling and mission. The feminist revolution was supposed to bring women greater fulfillment and freedom. Yet women today feel anything but fulfilled and free because they have lost the distinctiveness and richness of their calling as women. Now a movement is spreading seeds of hope, humility, obedience, and prayer—a call to return to godly womanhood—and its truth will resound in the hearts of readers through the powerful messages of Nancy Leigh DeMoss, Susan Hunt, Mary Kassian, Carolyn Mahaney, Barbara Hughes, P. Bunny Wilson, and Dorothy Patterson. Though each author approaches the subject of godly womanhood differently, a thread runs throughout that will instill joy and delight at the greatness of God's created order and the part he wants women to play in his grand, redemptive plan. Includes a study guide.

In short chapters full of memorable personal stories Danielle Strickland challenges us to take seriously our reading of the Gospels and the consequences of that reading. Strickland exposes the lie that debates regarding women's positions in the church and in life are academic exercises conducted by theologians with no impact on the day-to-day lives of women and the lie that the debate is even about gender. Strickland starts with stories of women in subjugation--women who are considered property, or have been told to remain in abusive relationships, or face extensive cultural restrictions. These are women she has met as she serves around the world for the Salvation Army. She calls us to know each woman as she meets Jesus and by her spiritual gifts--not by a culturally defined category. After tackling overt

cases of oppression of women, Strickland confronts the subtleties of gender inequality in the Western world. Laying open the Bible and inviting all to come, she thoughtfully outlines the positions regarding gender equality and reviews related passages of Scripture. Using her gift as an evangelist along with the guiding of Scripture, reason, tradition, and experience, she makes her case that the more women are empowered to be true equals to men, the closer we bring the Kingdom of God.

The previously untold story of a Cold War spy unit, "one of the best examples of applied unconventional warfare in special operations history" (Small Wars Journal). It is a little-known fact that during the Cold War, two US Army Special Forces detachments were stationed far behind the Iron Curtain in West Berlin. The existence and missions of the two detachments were highly classified secrets. The massive armies of the Soviet Union and its Warsaw Pact allies posed a huge threat to the nations of Western Europe. US military planners decided they needed a plan to slow the expected juggernaut, if and when a war began. This plan was Special Forces Berlin. Their mission—should hostilities commence—was to wreak havoc behind enemy lines and buy time for vastly outnumbered NATO forces to conduct a breakout from the city. In reality, it was an ambitious and extremely dangerous mission, even suicidal. Highly trained and fluent in German, each of these one hundred soldiers and their successors was allocated a specific area. They were skilled in clandestine operations, sabotage, and intelligence tradecraft, and were able to act, if necessary, as independent operators, blending into the local population and working unseen in a city awash with spies looking for information on their every move. Special Forces Berlin left a legacy of a new type of soldier, expert in unconventional warfare, that was sought after for other deployments, including the attempted rescue of American hostages from Tehran in 1979. With the US government officially acknowledging their existence in 2014, their incredible story can now be told—by one of their own.
