Have you ever prayed for a sick friend? Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these questions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a book for everyone who has ever prayed for a sick friend.

FROM BEST-SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men. The fight was never intended to be man vs.

woman. Both men and women are strong and mighty in the Lord. Chayil is a Hebrew word that is connected to strength, wealth, power, influence, wisdom, and military might, and it happens to be the word translated

"virtuous" in Proverbs 31. Since the beginning of time chayil, or "virtuous," women have been created to fight for and defend their homes, families, and other kingdom entities against evil influences. Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence. A chayil woman is strong, mighty, and efficient; valiant, virtuous, and victorious. We were created to war together, man and woman, side by side, tearing down demonic strongholds

of wickedness and advancing the territory of the kingdom of God. If you want to be empowered to accomplish your kingdom destiny and purpose in Christ, this book is for you! Using numerous examples from Scripture, this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs; strengthened and motivated to tap into their God-given abilities and power to build and influence the areas they occupy; activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal, kill, and destroy; able to take authority and defend their families, possessions, destinies, property, and dignity; encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry. The chayil anointing manifests in the woman who is anointed for ministry, business, and marketplace influence.

Elijah emerged as the voice of unapologetic truth during a time of national crisis and moral decline. His ministry was marked by tenacious faith and holy fire--the same kind you will need in order to remain steadfast in current culture. Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling Lies Women Believe, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

They were ordinary, common, and in some cases shockingly low-caste, yet each was made extraordinary by her life-changing encounter with God. Readers will be challenged and motivated by Twelve Extraordinary Women, a poignant
