When the Yorubas of West Africa were brought to Cuba as slaves, they preserved their heritage by worshiping secretly. The resulting religion, Santeria, is controversial for its ceremonies including animal sacrifice. This book clears many misunderstandings held by those outside the Santeria community. 75 photos.

Origin history The origin of Osain also comes from the mythology of the Egyptians. The word Osahi(n) come from the word Egyptian Sahu, this is the name of a God of the stars identified as or with Orion. In other papers before there was mention of him being referred to the God Orion, and it has been shown he lived under the name of oro in the land of the Yoruba. Therere other words Egyptian, Sahu that signified a spiritual body, which that so they say germinated form a mummified body. The ideas that explain the conception of this Yoruba God Osain has been based with the association that he has with God Sahu and the spiritual body known with the same name. This Orisha is the owner of the mountains and there in Cuba they associate him with the Regla of the Congos. Also very particular with palo Monte or mayombe. Supposedly one of the stories evidently cabana. Osain was working his regla with Palo Monte, drinking bad liquors, using gun powder and he didnt have peace. He was dressed dirty and with torn clothing, he never saw the results of his work, nothing. Even though he worked very hard with a lot of integrity. He saw that the Lucumi were always doing well, they dressed very elegant and they had money and tranquility. So Osain decided and went to see Shango asking Shango for advice. Shango told him that he was a palero and he knew it perfectly, but after knowing the regla lucumi he found himself in better conditions. He dressed in red clothing, he was clean and powerful. With this argument he convinced Osain and took him to the feet of Orumila, and that was his remedy. Osain has no mother or father; he was born by himself from direction of God. It is the Orisha that is very important in the religion Yoruba. He could be more important than all. The use of Osain in the religion lucumi is very important and needed. The Ozainistas could be male or female. But the women cannot receive him until the have passed their menopause. What happens is that they the women cannot give or make Osain for anybody.

To save their threatened utopian community of Iroquois, Irish, and Scots during the start of the American Revolution, Mohawk chief Joseph Brant and a group of warriors go on a restless journey that takes them from New York to Canada, to the salons of Georgian London and the heart of the British Empire, in the latest work by a critically acclaimed collective of Italian writers known as Wu Ming.

Hermanos; este hermoso libro va con un propósito de que aprendan todos esos paleros perdidos que por una forma u otra, sus padrinos no han tomado empeño por enseñarlo, ya que mi dedicación siempre ha sido Orientarlo, pero desgraciadamente una viene de redentor y siempre quieren crucificarlo, como dice un viejo dicho. No le haga un favor al indio porque se siente ofendido. Ahora expongo todo este mensaje para todos esos hijos de esta religión que quieran aprender, sin molestar a sus mayores, ya que no es ninguna falta de respeto aprender, porque la sabiduría se supera el respeto no seamos capaces de aprender lo que aquel pudo, no se conviertan en lo que aquel es, un profano que nada mas sabe decir mentira. El palo es un solo en

China y en Japón. Para aquellos críticos mal visto por la literatura, que se la pasan hablando bobería de la religión y siempre están en lo mismo y no prosperan, como esos que le he contado, ahora si llego este libro.

Este Libro está dedicado al estudio de la estructura organizativa del Palo Monte Mayombe, La mayor parte de esta obra está dedicada al análisis de cómo es un “nsó nganga”(trad. Casa Templo), cuáles son sus características y cómo está organizado. Por último, se procede al análisis de dos “nsó nganga” concretos (uno establecido en La Habana y el otro en Madrid). El cabildo musundi ocupa un lugar destacado en esta obra, con toda su genealogía desde sus orígenes hasta la actualidad.

Spain's great 19th-century lyric poet is best known for these two works: Rhymes, a suite of 66 melancholy poems, and the 6 tales of Legends, romantic portrayals of everyday events.

HISTORY OF THE COCONUT Olodumare saw in Obi (coconut), a just and humble person, therefore he placed him high in a coconut tree, and made him white inside, and out. He also gave him an immortal soul. Elegba who was always a true and trusted servant of Olodumare is also at the service of Obi. That is why Elegba knows all the friends of Obi, and Obi knows all the friends for Elegba, the poor, the rich, the clean, the dirty, the straight and the crooked. One day, Obi had feast for his birthday, and entrusted Elegba to invite all his friends. Elegba seeing how pretentious and arrogant Obi had become invited all the beggars, and dirty people of the town. When Obi arrived and saw in his house all the beggars and dirty people in his house, he became very angry, and asked the beggars who had invited them there. They replied Elegba who had invited them. At that Obi shouted, Ah, so it was Elegba who invited you was it, but dirty, and with those rags for clothes! Get out of here! He shouted, and with that all the embarrassed guest left, and with them went Elegba, Obi soon realized his error, and called Elegba, but Elegba did not listen, and kept walking. One day Olodumare asked Elegba to go to the house of Obi. However, Elegba refused and told him to send him anywhere else, and we would go right away beside the house of Obi he would not, and should not go. Olodumare pretending that he knew nothing of what had transpired, asked Elegba what he had against Obi. After hearing Elegba the details of the incident at Obis house, Olodumare transformed himself into the disguise of a beggar, and went calling at the door of Obi. When Obi saw that who was calling was a beggar, he indignantly said, Take a bath and get dressed before calling at my door, can you not see that you are dirty, do you want to dirty my furniture too? and with that, he slammed the door in the face of Olodumare. Olodumare took a few steps from Obis house, and then with a strong voice called Obi; Obi Meye Emi Ofe which means, Obi see who I am. When Obi was seen aware that it was Olodumare who had come calling at his door, he tried to excuse himself, and beg forgiveness but Oloduma said to him Obi it is too late, I thought you were natural and unpretentious, that is why I placed you high in the coconut tree, making you white inside and out. But having placed so high, you have to become vain, and have thrown the beggar from your house. Obi, those are my children too. I am going to leave you in the coconut tree, so that you may realize that no matter how high you are placed, you can never be higher than myself, Oloduma the creator God, or my divine laws. Therefore for as long as the earth exists, you will roll on the ground, and be transformed to green and black on the outside, but to remain white on the inside for your immortal soul. The black to remind you of the offense you made to the beggars and the green for the hope that someday you will be forgiven when you come to understand that all persons are my children. Meanwhile, you will predict the good and bad, and the death that will occur on earth. And with that began the tradition of reading the Obi at the feet of Elegba, and the other Orishas.

Have you ever wondered if Satan is real? In his book Out of the Devil's Caldron: A Journey from Darkness to Light, John Ramirez tells the story of how he was trained to be the third-

ranked high priest of a satanic cult in New York City-casting powerful witchcraft spells and controlling entire spiritual regions. But what started as a long spiral into the underworld ended in a miraculous encounter with Jesus Christ that changed the course of his life. Let John Ramirez walk you through the dark alleys of this world as he uncovers the hidden secrets of darkness through his powerful testimony. People from all ethnic backgrounds dabble in the occult and fall victim to this satanic underworld, never seeing the way out. John Ramirez is one in a million who made it out. John Ramirez is a sought-out speaker by many who want to hear of his involvement in the highest levels of the occult and how he got out. He speaks at churches, schools, rallies, and conferences-both secular and Christian-and has been a featured guest on TV and radio programs. He can be reached at JohnRamirez@org. Barnaby Jones uses his imagination and household supplies, including a hockey stick and fan, to build a craft that he can fly into the sky.

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner-Chronicle Creolization—the coming together of diverse beliefs and practices to form new beliefs and practices-is one of the most significant phenomena in Caribbean religious history. Brought together in the crucible of the sugar plantation, Caribbean peoples drew on the variants of Christianity brought by European colonizers, as well as on African religious and healing traditions and the remnants of Amerindian practices, to fashion new systems of belief. *Creole Religions of the Caribbean* offers a comprehensive introduction to the syncretic religions that have developed in the region. From Vodou, Santería, Regla de Palo, the Abakuá Secret Society, and Obeah to Quimbois and Espiritismo, the volume traces the historical-cultural origins of the major Creole religions, as well as the newer traditions such as Pocomania and Rastafarianism. Chapters devoted to specific traditions trace their history, their pantheons and major rituals, and their current-day expressions in the Caribbean and in the diaspora. The volume also provides a general historical background of the Caribbean region. *Creole Religions of the Caribbean* is the first text to provide a study of the Creole religions of the Caribbean and will be an indispensable guide to the development of these rich religious traditions and practices. With 23 black and white illustrations

In *Birthing a New Civilization* Diana Cooper takes stock of where humanity stands in its evolutionary development looking at the current transition towards 2032. This fascinating forecast highlights the new spiritual energies entering the planet and bringing shifts to economic, political, and climatic arenas. Further predictions are offered for individual countries

and include a time frame for this massive transition, anticipated to last until the Earth moves fully into the fifth-dimensional frequency in 2032. From what to expect to how to prepare, this exciting exploration serves as guidance for the next 20 years, allowing readers to attune themselves to the spiritual forces on the horizon and prepare themselves to ascend into the 5th dimension.

"On his own terms, Brandon more than fulfills his promise to take the reader on the transatlantic journey of the orisha and to explore the complexities of African memory in the diaspora." —American Historical Review "He adeptly addresses broader issues, such as power relations within Caribbean slavery, multiculturalism, and the forms of religious accommodation to cultural change. In addition, he offers a fresh and cogent assessment of the production and reproduction of African beliefs and practices in new contexts. Brandon's exemplary archival research is supplemented by skillful participant observation." —Choice The Yoruba religious tradition arose in West Africa, but its influence has spread beyond Africa to millions of adherents in the Americas as well. Santeria from Africa to the New World retraces one path taken by this tradition—a path from Africa to Cuba and to New York City. George Brandon examines the religion's transatlantic route through Cuban Santeria, Puerto Rican Espiritismo, and Black Nationalism. In following the historical and anthropological evolution of the Yoruba religion, Brandon discusses broader questions of power, multiculturalism, cultural change, and the production and reproduction of African retentions.

"Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature." - Publishers Weekly With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

The startling, frighteningly convincing sequel to *The Holy Blood and the Holy Grail* that reveals the very nature of the Messianic Legacy. After the shocking revelations of *The Holy Blood and the Holy Grail* the authors, in their quest to determine the discrepancies between early and modern 'Christian' thought, found that they were forced to ask such questions as: *Was there more than one Christ? *Was Christ the founder of Christianity? *Were the disciples as peace-loving as it is traditionally assumed? *What links the Vatican, the CIA, the KGB, the Mafia, Freemasonry, P2, Opus Dei and the Knights Templar *What mysterious modern crusade implicates British industry, Churchill and de Gaulle, the EEC and Solidarity? *The Messianic Legacy* offers enthralling new investigations into the shadowy society of the 'Priore de Sion' - 'The Guardians of the Holy Grail' - as the authors discover the murky world of politics, finance, freemasonry, and religion that exists beneath the most solid and conservative seeming of European institutions: the Church. The ominous global conspiracy of disinformations they uncovered ensures that *The Messianic Legacy* is an up-to-the-minute thriller and a work of biblical detection that is even more significant than *The Holy Blood and the Holy Grail*.

As much a storyteller as an ethnographer, Lydia Cabrera was captivated by a strange and magical new world revealed to her by her Afro-Cuban friends in early twentieth-century Havana. In *Afro-Cuban Tales* this world comes to teeming life, introducing English-speaking readers to a realm of tenuous boundaries between the natural and the supernatural, deities and mortals, the spiritual and the seemingly inanimate. Here readers will find a vibrant, imaginative record of African culture transplanted to Cuba and transformed over time, a passionate and subversive alternative to the dominant Western culture of the Americas. In this charmed realm of myth and legend, imaginative flights, and hard realities, Cabrera shows us a world turned upside down. In this domain guinea hens can make dour Asturians and the king of Spain dance; little fat cooking pots might prepare their own meals; the pope can send encyclicals about pumpkins; and officials can be defeated by the shrewdness of turtles. The first English translation of one of the most important writers on African culture in the Americas,

the collection provides a fascinating view of how African traditions, myths, stories, and religions traveled to the New World?of how, in their tales, Africans in the Americas created a New World all their own.

This third edition has added several very important topics, to expand knowledge from our readers about the religion of the orishas. I have written it, to help fundamentally to the initiates, who on occasions for various reasons, are isolated from their headquarters and have no way of obtaining advice, this reference book is the perfect one for those purposes, as it is a pocket consultant, one might say, who is "a godfather in his pockets" always ready, to find and satisfy any doubt about religion. This is a didactic material which no "Iyawo" initiated in the religion should do without.

Start exploring the English-language world with the help of Igbo! The Modern Igbo Dictionary is an explorer's dictionary for English and Igbo bilinguals to understand difficult English texts. Contains over 500 nouns, verbs and adjectives to aid fast comprehension of any Modern African English language book. Look up unfamiliar English words and get an example sentence of its usage in Igbo. Discover the joy of learning new things in English with help from Igbo. Suitable for everyone 12 years old and older.

The most complete collection of easy-understanding didactic material for the profound study of the rhythms of Cuban and Afro-Cuban percussion. (bilingual edition English - Español) Método didáctico más sencillo y práctico para el aprendizaje de los ritmos de la percusión cubana y afrocubana. Spring is the season when love blooms! Rozemyne's retainers are bursting with energy as they make clothes, attend their debuts, and shine in the new season. The improved printing press is finally completed in the temple workshop, and the variety of available books is steadily beginning to expand. Picture books, collections of sheet music, knight stories—all are now being sold. Their first aim is to further develop the paper-making industry in preparation for the spread of printing across the entire duchy. To this end, Rozemyne's party travels to Illgner, hoping to teach them how to make paper while also researching new materials to use. As the environment around Rozemyne slowly improves, the archduke's older sister arrives for a visit, shrouding Ehrenfest in an air of unease. Everything changes in this volume of this bibliofantasy as nobles emotionally clash and the conclusion of Part 3 approaches! Including two newly written short stories and a four-panel manga drawn by You Shiina!

Santeria is an earth religion. That is, it is a magico-religious system that has its roots in nature and natural forces. Each orisha or saint is identified with a force of nature and with a human interest or endeavor. Chango, for instance, is the god of fire, thunder and lightning, but he is, also the symbol of justice and protects his followers against enemies. He also symbolizes passion and virility and is often invoked in works of seduction. Oshun, on the other hand, symbolizes river waters, love and marriage. She is essentially the archetype of joy and pleasure. Yemaya is identified with the seven seas, but is also the symbol of Motherhood and protects women in their endeavors. Elegguá symbolizes the crossroads, and is the orisha of change and destiny, the one who makes things possible or impossible. He symbolizes the balance things. Obatala is the father, the symbol of peace and purity. Oya symbolizes the winds and is the owner of the cemetery,

the watcher of the doorway between life and death. She is not death, but the awareness of its existence. Oggun is the patron of all metals, and protects farmers, carpenters, butchers, surgeons, mechanics, and all who work with or near metals. He also rules over accidents, which he often causes.

Literary Nonfiction. CALIBAN AND THE WITCH is a history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction. She shows how the battle against the rebel body and the conflict between body and mind are essential conditions for the development of labor power and self-ownership, two central principles of modern social organization."It is both a passionate work of memory recovered and a hammer of humanity's agenda." Peter Linebaugh, author of *The London Hanged*"

Set in turn-of-the-century Puerto Rico, *A Decent Woman* explores the relationship between two fierce women: Ana Belen Opaku, an Afro-Cuban born into slavery, who has become La Playa's only midwife; and her young friend Serafina, a widow who turns to a handsome, wealthy man for love and security." Offers comprehensive coverage of the history of magic rituals and practices throughout the world, presenting information on voodoo, ancient Egyptian and Hebrew magic, palm reading, secret symbols, astrology, exorcism and spells to overcome enemies and obtain wealth

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE
As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

According to Ifa, how does a true human being behave and interact with his or her family, community, nation, and world? Over the past 30 years, Chief Solagbade Popoola has traveled the world, spreading the sacred Holy Scriptures (Odu Ifa) of the Yoruba people. In this groundbreaking work, Chief Popoola examines the 40 virtues of a true human being; the ropes of life that maintain the

world's equilibrium; and the razors that cut the ropes of life. The reader will come to understand what Olodumare (God), the Irunmole, and Orisa expect from each and every person, during his or her sojourn on earth. Those who are committed to building a better self, family, community, nation, and world, can use this powerful manual as a guide, in his or her quest, in becoming a true human being. Palero Tata Rodriguez is your guide through this exploration of Palo Kimbisa, an Afro-Cuban religion where nothing is as it seems: elements of nature become spirits that speak to the Tata and initiates, clay pots become miniature sacred groves, and a chef becomes a Tata--a counselor, protector, and teacher. Palo goddaughter Sophia Kelly Shultz experiences and relates Tata Rodriguez's practices through anecdotes, firsthand accounts, and exquisite pen-and-ink illustrations. Special passages bring life to concepts represented by each Spirit; others highlight important facets of the palero's beliefs and practices. Stories invite anyone, from future initiates to those who simply wish to know more about this religion, to get a feel for the rules and practicalities--and the magic--of Palo. Mario Conde investigates a murder in the Barrio Chino, the rundown Chinatown of Havana. Not his usual beat, but when Conde was asked to take the case by his colleague, the sultry, perfectly proportioned Lieutenant Patricia Chion, a frequent object of his nightly fantasies, he could n't resist. The case proves to be unusual. Pedro Cuang, a lonely old man, is found hanging naked from a beam in the ceiling of his dingy room. One of his fingers has been amputated and a drawing of two arrows was engraved with a knife on his chest. Was this a ritual Santería killing or a just a sordid settling of accounts in a world of drug trafficking that began to infiltrate Cuban society in the 1980s? Soon Conde discovers unexpected connections, secret businesses and a history of misfortune, uprooting and loneliness that affected many immigrant families from China. As ever with Padura, the story is soaked in atmosphere: the drinking of rum in deliciously smoke-filled bars, the friendships, the food and beautiful women.

El Libro de Tratados Y Pactos Del Palo Mayombe

The African slave trade, beginning in the fifteenth century, brought African languages into contact with Spanish and Portuguese, resulting in the Africans' gradual acquisition of these languages. In this 2004 book, John Lipski describes the major forms of Afro-Hispanic language found in the Iberian Peninsula and Latin America over the last 500 years. As well as discussing pronunciation, morphology and syntax, he separates legitimate forms of Afro-Hispanic expression from those that result from racist stereotyping, to assess how contact with the African diaspora has had a permanent impact on contemporary Spanish. A principal issue is the possibility that Spanish, in contact with speakers of African languages, may have creolized and restructured - in the Caribbean and perhaps elsewhere - permanently affecting regional and social varieties of Spanish today. The book is accompanied by the largest known anthology of primary Afro-Hispanic texts from Iberia, Latin America, and former Afro-Hispanic contacts in Africa and Asia.

The series is a platform for contributions of all kinds to this rapidly developing field. General problems are studied from the perspective of individual languages, language families, language groups, or language samples. Conclusions are the result of a deepened study of empirical data. Special emphasis is given to little-known languages,

whose analysis may shed new light on long-standing problems in general linguistics. When Faye discovers her boyfriend in bed with another woman, she does something incredibly stupid: she sleeps with his brother, Dexter-- biker dude, pure alpha male to the core, and vice president of the notorious Wind Dragons MC. And once Faye straddles the back of Dex's bike, and the roar of unbridled lust, there's no turning back... they're in for the ride of their lives....

Summary: In this first-person account, Todd Ramón Ochoa explores Palo, a poorly-understood Kongo-inspired 'society of affliction' at the margins of Cuban popular religion. Narrated as an encounter with two teachers of Palo, the book unfolds on the outskirts of Havana.
